Application/Order Form for Boat Decal Sets

The number of decal sets initially available to each registered boat or yacht dealer is limited to the number of qualified tax-exempt sales to nonresidents that the dealer made in the prior year. These sales must have been properly accounted for to the Department.

Registered boat or yacht dealers, who sell qualified boats tax-exempt to nonresident purchasers, may also sell a decal set to their customers. These decals identify the boat when the purchaser desires to remain in Florida waters for up to 90 days after the date of purchase. The decals must be placed on the **port and starboard sides** of the boat **by the dealer or broker prior** to delivery to the customer. The purchaser is **NOT** allowed to affix the decals.

Please fill out the application below and return it with a check made payable to the Florida Department of Revenue for the total amount due. Each decal set costs $20.00.
