Florida law requires E911 fees to be reported by the county in which the sale occurs. See instructions, Form E911-PPWN, for more information on determining where the sale occurs. For fees where you cannot determine the county, use the line designated "Nonspecific" (79) to report the fees.

Our online Address/Jurisdiction database is helpful if you need to find the county for a specific Florida address.
Go to: **https://pointmatch.floridarevenue.com/Default.aspx**

- Enter, **by county**, the fee attributed to each Florida county.
- Nonspecific – Enter the fees where the county is unknown (Code 79, Nonspecific).
- Add up all of the fees listed for each of the counties (including nonspecific) and report them on Line 1. Total Fees Collected.
- Bring the total from Line 1 to Line 2 on the front of the *E911-PPW* Return.
