## Chapter 2018-119, Laws of Florida

Section 3. The Legislature recognizes that the Tax Cuts and Jobs Act of 2017 will have significant effects on the state corporate income tax and on corporate taxpayers when it is fully implemented. To better understand these effects, the Legislature finds the following actions are necessary:

(1) The Department of Revenue shall examine how the Tax Cuts and Jobs Act of 2017 will affect the state corporate income tax as a result of the state's adoption of the Internal Revenue Code by this act.

(2) The Department of Revenue shall monitor guidance provided by the Internal Revenue Service and other tax authorities and advisory groups, and shall conduct at least two public workshops to gather public input. In addition, the department shall develop a process outside of the public workshops for receiving public input regarding the Tax Cuts and Jobs Act of 2017 and its potential effects on the state corporate income tax and the businesses that pay the tax.

(3) By February 1, 2019, the Department of Revenue shall submit a report to the Governor, the President of the Senate, the Speaker of the House of Representatives, and the chairs of appropriate legislative committees. At a minimum, the report must include the following:

(a) A comprehensive discussion of the potential effects of the Tax Cuts and Jobs Act of 2017 on the state corporate income tax structure and revenues.

(b) Options for changes the Legislature could make to state tax law which may be needed to integrate state law with federal law.

(c) An estimate of the potential fiscal impact of each option.

(d) A compilation of the input received from the public through the public workshops and otherwise.

(e) Any other information the Department of Revenue determines will assist the Legislature in evaluating the impact of the Tax Cuts and Jobs Act of 2017 on the state corporate income tax structure and revenues.

(4) The Department of Revenue shall submit status reports to the chairs of appropriate legislative committees on August 3, 2018, and November 16, 2018. At a minimum, the status reports must include a brief description of the department's activities and any relevant guidance issued by the Internal Revenue Service.
