

2017 Value Adjustment Board Training

Module 1: Introduction and Overview

Training Module 1 addresses the following topics:

- Description of This Training Under Florida Law
- Scope and Intended Use of This Training
- Numbers and Titles of Modules in This Training
- Definitions and Abbreviations Used in This Training
- Intended Audience for This Training
- Persons Required to Take This Training But Not Complete the Exam
- Persons Required to Complete This Training and Complete the Exam
- The Florida Property Assessment Appeal System
- Taxpayer Rights
- The Four Sources of Florida Law
- **(NEW)** [2017 Changes to Statutory Law](#)
- 2016 Changes to Statutory Law
- 2015 Changes to Statutory Law
- 2014 Changes to Statutory Law
- 2013 Changes to Statutory Law
- Statutory Law Effective Beginning With 2009 Assessments
- Administrative Rules and Forms, Effective March 30, 2010
- Uniform Policies and Procedures Manual and Accompanying Documents
- The Value Adjustment Board and Government-in-the-Sunshine
- Complete Text of Specific Legal Provisions for Taxpayer Rights
- Taxpayer Rights in Section 192.0105, F.S.
- Taxpayer Rights in Rule 12D-9.001, F.A.C.
- Links to Resources on the Internet

Learning Objectives

After completing this training module, the learner should be able to:

- Identify the requirements and components of this training
- Recognize the scope and intended use of this training
- Apply the requirements for completing the training and the exam
- Recognize the components of the Florida Property Assessment Appeal System
- Identify and apply the provisions for taxpayer rights
- Recognize the four sources of Florida law
- Identify the changes enacted in the new statutory law
- Recognize the components of the new rules and forms

2017 Value Adjustment Board Training - Module 1

- 1 • Identify the components of the Uniform Policies and Procedures Manual and
- 2 Accompanying Documents
- 3 • Recognize the requirements for Government-In-The-Sunshine in proceedings of the
- 4 value adjustment board
- 5 • Identify internet resources for administrative reviews
- 6
- 7

8 **Description of This Training Under Florida Law**

9 Florida law requires the Florida Department of Revenue (Department) to provide this
10 annual training for value adjustment boards (Boards) and special magistrates.

11
12 The Department's training is the official training for the Board and special magistrates
13 regarding administrative reviews. See Rule 12D-9.012(5), Florida Administrative Code.

14
15 The Department's training for Boards and special magistrates is open to the public. See
16 Rule 12D-9.012(2), Florida Administrative Code.

17
18 To assure compliance with Florida law, this training content should only be used in
19 conjunction with: the Uniform Policies and Procedures Manual, a compilation of law
20 titled Other Legal Resources Including Statutory Criteria, and legal advice from the
21 Board attorney.

22
23 * These training materials are not rules and do not have the force or effect of law.
24 These training materials should not be used as a substitute for the actual sources of
25 applicable law.

26
27 * For more information on the content and use of this training, see the following
28 section titled "Scope and Intended Use of this Training."

29
30 Rule 12D-9.012(1), Florida Administrative Code, provides that the Department's training
31 for Boards and special magistrates shall address the following topics:

- 32
- 33 1. The law that applies to the administrative review of assessments;
- 34
- 35 2. Taxpayer rights in the administrative review process;
- 36
- 37 3. The composition and operation of the value adjustment board;
- 38
- 39 4. The roles of the Board, Board clerk, Board legal counsel, special magistrates, and
- 40 the property appraiser or tax collector and their staff;
- 41
- 42 5. Procedures for conducting hearings;
- 43
- 44 6. Administrative reviews of just valuations, classified use valuations, property
- 45 classifications, exemptions, and portability assessment differences;
- 46

2017 Value Adjustment Board Training - Module 1

- 1 7. The review, admissibility, and consideration of evidence;
2
3 8. Requirements for written decisions; and
4
5 9. The Department's standard measures of value, including the guidelines for real and
6 tangible personal property.
7
8

9 **Scope and Intended Use of This Training**

10 In 2008, legislation was enacted requiring the Department to provide training for value
11 adjustment boards and special magistrates (VAB training). See Chapter 2008-197, LOF
12 (HB 909), creating section 194.035(3), F.S.
13

14 In some cases, the Department of Revenue will supplement its training for value
15 adjustment boards and special magistrates by providing informational bulletins
16 regarding administrative reviews of assessments.
17

18 The training and bulletins are not rules and do not have the force or effect of law as do
19 provisions of the constitution, statutes, and duly adopted administrative rules.
20

21 * The training materials and bulletins are aid and assistance as described in section
22 195.002(1), F.S.
23

24 * Board attorneys should not consider the training materials or bulletins as controlling
25 when providing legal advice, but may consider them as persuasive.
26

27 * Boards and special magistrates should not consider the training materials or
28 bulletins as controlling for findings of fact, conclusions of law, or reasons for
29 upholding or overturning determinations of the property appraiser or tax collector,
30 but may consider the training materials and bulletins as persuasive.
31

32 * The training materials and bulletins are separate and distinct from the Uniform
33 Policies and Procedures Manual required by section 194.011(5)(b), F.S., the
34 contents of which manual do have the force and effect of law.
35

36 * To avoid confusion between the training materials required by section 194.035(3),
37 F.S., and the Uniform Policies and Procedures Manual required by section
38 194.011(5)(b), F.S., these training materials should not be referred to as a "manual."
39

40 The training contains information about the law of which Boards, Board attorneys, and
41 special magistrates should be aware.
42

43 * The training also contains the Department's observations, explanations, examples,
44 and recommendations intended to assist Boards, Board attorneys, and special
45 magistrates in performing their duties consistent with law.
46

2017 Value Adjustment Board Training - Module 1

1 * The Department's explanations and recommendations may include legal opinions.

2

3 * It is understood that the Legislature expects Boards and special magistrates to
4 comply with law and the Department's Board training to reasonably inform Boards
5 and special magistrates of the actions the Department believes are necessary for
6 compliance with law.

7

8 These training materials are not the "sole guide" for Boards and special magistrates in
9 conducting administrative reviews of assessments.

10

11 * The training materials provide information to boards and special magistrates about
12 key provisions of law and provide limited illustrations or examples of how that
13 information could be applied in some circumstances.

14

15 * The many variations in circumstances that a Board or special magistrate would
16 encounter in the performance of their duties cannot be identified in advance and
17 then addressed in these training materials.

18

19 In conducting their administrative reviews, Boards and special magistrates would be
20 expected to use sources of information other than these training materials, depending
21 upon the facts and issues in each situation. These other sources include:

22

23 (a) Legal advice from the Board attorney;

24

25 (b) Information in the Department's Uniform Policies and Procedures Manual and
26 Accompanying Documents;

27

28 (c) Information referenced in the training materials, including information available at
29 internet links placed in the training materials; and

30

31 (d) Information in professional texts that pertains to professionally accepted appraisal
32 practices not inconsistent with Florida law.

33

34 Boards, board attorneys, and special magistrates are responsible, on a case-by-case
35 basis, for: determining relevant sources of information, determining relevant facts,
36 determining applicable law, and reaching findings of fact and conclusions of law.

37

38 In the context of the Department's responsibility to provide training to assist Boards,
39 Board attorneys, and special magistrates in the performance of their duties, training
40 terms such as "should" and "should not" represents the Department's recommendations
41 for things it believes should be done or should be avoided in order to comply with law.

42

43 * Similarly, terms such as "must" and "must not" represent the Department's
44 recommendations for things it believes must be done or must be avoided in order to
45 comply with law.

46

2017 Value Adjustment Board Training - Module 1

1 The law does not authorize the Department of Revenue to base enforcement or other
2 agency action on the training or bulletins.

3
4 * The law does not provide any penalty for a case where a value adjustment board or
5 special magistrate does not comply with the training or bulletins.

6
7 However, because the training is required by law and contains much information about
8 the law, conscientious review of these training materials will benefit Boards, Board
9 attorneys, and special magistrates and will help to promote a high level of public trust in
10 the value adjustment board process.

11
12 If a Board or special magistrate believes that an area of the training information is
13 incorrect, the Board or special magistrate should seek a legal opinion from the Board
14 attorney before proceeding further.

15
16 If a Board attorney believes that an area of the training information is incorrect, the
17 Department requests that such Board attorney provide to the Department his or her
18 legal opinion that supports such belief, along with recommended revisions for those
19 portions of the training materials that the Board attorney believes are incorrect.

20
21 Board attorneys have a duty to advise the Board on all aspects of the value adjustment
22 board process to ensure that all actions taken by the Board and its appointees meet the
23 requirements of law. See Rule 12D-9.009(1)(a), F.A.C.

24
25 * Board legal counsel shall advise the Board, Board clerk, and special magistrates in a
26 manner that will promote and maintain a high level of public trust and confidence in
27 the administrative review process. See Rule 12D-9.009(1)(b), F.A.C.

28
29 * Board legal counsel must advise the Board, Board clerk, and special magistrates in
30 a manner that ensures the protection of the property taxpayer rights provided in
31 section 192.0105, F.S., and Rule 12D-9.001, F.A.C.

32
33 If a special magistrate receives different legal advice on the same subject from Board
34 attorneys in different counties, the special magistrate should disclose this fact to the
35 Board attorney in each county.

36
37 * The Department requests that Board attorneys receiving such a disclosure advise
38 the Department in cases where the difference in advice is not resolved.

39 40 41 **Numbers and Titles of Modules in This Training**

42 The Department's 2017 training for Boards and special magistrates is organized into 11
43 training modules, as listed and described below:

44
45 Module 1, titled: Introduction and Overview;

2017 Value Adjustment Board Training - Module 1

1 Module 2, titled: The Roles of Participants in the Value Adjustment Board Process;

2
3 Module 3, titled: Procedures Before the Hearing;

4
5 Module 4, titled: Procedures During the Hearing;

6
7 Module 5, titled: Procedures After the Hearing;

8
9 Module 6, titled: Administrative Reviews of Real Property Just Valuations;

10
11 Module 7, titled: Administrative Reviews of Classified Use Valuations and Assessed
12 Valuations;

13
14 Module 8, titled: Administrative Reviews of Tangible Personal Property Just Valuations;

15
16 Module 9, titled: Administrative Reviews of Denials of Exemptions and Classifications;

17
18 Module 10, titled: Administrative Reviews of Assessment Difference Transfers and Tax
19 Deferrals; and

20
21 Module 11, titled: Requirements for Written Decisions.
22
23

Definitions and Abbreviations Used in This Training

24 The following definitions are based on those in Rule 12D-9.003, F.A.C.

25
26
27 *“Agent” means any person, including a family member of the taxpayer, who is*
28 *authorized to represent the taxpayer before the Board.*
29

30 **Note:** The rule text shown in red italics above has been superseded by legislation
31 enacted in 2016 and which was effective July 1, 2016. This legislation has provided
32 specific requirements for representatives of petitioners before the board. The term
33 “agent” is removed as the term used to identify the petitioner’s representative. See
34 Chapter 2016-128, Section 10, Laws of Florida (CS/CS/HB 499).
35

36 “Board” means the county value adjustment board (these terms may be used
37 interchangeably throughout this training).
38

39 “Board clerk” or “Clerk” means the clerk of the county value adjustment board.
40

41 “Department,” unless otherwise designated, means the Department of Revenue.
42

43 “Hearing” means any hearing relating to a petition before a value adjustment board or
44 special magistrate, regardless of whether the parties are physically present or
45 telephonic or other electronic media is used to conduct the hearing, but shall not include

2017 Value Adjustment Board Training - Module 1

1 a proceeding to act upon, consider or adopt special magistrates' recommended
2 decisions at which no testimony or comment is taken or heard from a party.

3
4 "Petitioner" means the taxpayer or the taxpayer as represented by an agent or attorney.

5
6 "Taxpayer" means the person or other legal entity in whose name property is assessed,
7 including an agent of a timeshare period titleholder, and includes exempt owners of
8 property, for purposes of this chapter.

9
10 Other definitions include those listed following and those presented in later modules of
11 this training.

12
13 "Evidence" generally means something (including testimony, documents, or tangible
14 objects) that tends to prove or disprove the existence of a disputed fact. *See Black's Law*
15 *Dictionary, Eighth Edition, page 595.*

16
17 "Taxpayer" and "petitioner" have the same meaning and may be used interchangeably
18 throughout this training.

19
20 "Parties" means the petitioner and either the property appraiser or the tax collector, as
21 applicable.

22
23 "Party" means the petitioner, the property appraiser, or the tax collector, depending on
24 the context.

25
26 "Florida Statutes" is abbreviated as "F.S." and "Florida Administrative Code" is
27 abbreviated as "F.A.C.".

28 29 30 **Intended Audience for This Training**

31 Under Subsections 194.035(1) and (3), F.S., the intended audience for this training is:

- 32
33 1. All special magistrates in counties that use special magistrates; and
34
35 2. In counties that do not use special magistrates, the members of the Board or the
36 Board attorney.

37
38 Note: All special magistrates are required to take this training, but not all are required to
39 complete the training examination.

40
41 * Real property appraiser special magistrates must take Modules 1, 2, 3, 4, 5, 6, 7,
42 and 11.

43
44 * Tangible personal property appraiser special magistrates must take Modules 1, 2, 3,
45 4, 5, 7 (Part 1 only), 8, and 11.

46

2017 Value Adjustment Board Training - Module 1

1 * Attorney special magistrates must take Modules 1, 2, 3, 4, 5, 9, 10, and 11.

2

3 * The Department recommends that all Board attorneys annually complete all
4 modules of this training and complete the training examination.

5

6

Persons Required to Take This Training But Not Complete the Exam

8 Described below are the persons who are required to take this training each year before
9 any hearings are conducted, but who are not required to complete the training
10 examination.

11

12 1. In those counties with a population of 75,000 or less where the Board does not use
13 special magistrates, either all Board members or the Board attorney must take all
14 training modules before conducting any hearings, including any updated training
15 modules.

16

17 2. Each special magistrate with five years of experience, and who is otherwise
18 qualified, must take the required training modules before conducting any hearings
19 and must complete any applicable updated training modules.

20

21 All persons required to take the training but not complete the training exam must
22 provide a signed statement to the Board clerk acknowledging that they have taken the
23 required training modules.

24

25 The acknowledgement statement can be found on the Department's training website.

26

27

Persons Required to Complete This Training and Complete the Exam

29 Before being appointed, each special magistrate with at least three years but less than
30 five years of relevant experience and who is otherwise qualified and wants to substitute
31 the training for two years of the required experience, must complete the required
32 training modules and the required examination and also must complete any applicable
33 updated training modules and examinations.

34

35 Before being appointed, the special magistrates required to complete the exam must
36 receive from the Department a certificate of completion.

37

38 The certificate of completion must be signed by the special magistrate acknowledging
39 that he or she has completed the required training modules and the required
40 examination.

41

42 Each of these special magistrates must provide to the Board clerk a copy of the
43 certificate of completion of the training and examinations, including any applicable
44 updated training modules.

45

46

2017 Value Adjustment Board Training - Module 1

1 **The Florida Property Assessment Appeal System**

2 Florida law provides taxpayers with four opportunities to appeal property assessment
3 determinations made by public officials.

4

5 * None of these four opportunities is a prerequisite for any of the others.

6

7 * Each of these opportunities is summarized below.

8

9 1. Feedback to Taxing Authorities

10 Taxpayers have the right to attend and give opinions at the public hearings where
11 local taxing authorities consider the amount of the proposed property tax and millage
12 (tax) rates.

13

14 * These taxing authorities include cities, counties, school districts, and special
15 districts.

16

17 * At these public hearings: *“The general public shall be allowed to speak and to
18 ask questions prior to adoption of any measures by the governing body.”* See
19 section 200.065(2)(c), (d), and (e), F.S.

20

21 The notices of proposed property taxes (commonly referred to as the Truth-in-
22 Millage or TRIM notices) are sent by first-class mail to property taxpayers of record
23 in mid-to-late August each year.

24

25 * This notice provides information on property value and proposed taxes along with
26 information on the public hearings to be held by taxing authorities that levy
27 property taxes. See section 200.069, F.S.

28

29 2. Informal Conference with the Property Appraiser

30 Taxpayers may contact or visit the property appraiser’s office for an informal
31 conference to express disagreement with the property appraiser’s determinations.
32 See section 194.011(2), F.S., and see Rule 12D-9.002, F.A.C.

33

34 * At this conference, taxpayers may present facts that support their claim for a
35 change in the assessment and property appraisers should present the facts that
36 support their assessment.

37

38 * However, there is no requirement to have an informal conference before a
39 taxpayer files a petition with the Board or files a lawsuit in circuit court.

40

41 3. Petition to the Value Adjustment Board

42 Taxpayers may file petitions with the Board to appeal a property appraiser’s
43 determinations on value, tax exemptions, property classifications, and portability
44 assessment difference transfers.

45

2017 Value Adjustment Board Training - Module 1

1 Taxpayers may also file petitions with the Board to appeal a tax collector's
2 determinations on tax deferrals and associated penalties. See section 194.011, F.S.

3 4 4. Lawsuit in Circuit Court

5 Taxpayers may file lawsuits in local circuit court to challenge assessments. See
6 section 194.171, F.S.

7
8 * A taxpayer is not required to file a petition with the Board before filing a lawsuit.
9

10 11 **Taxpayer Rights**

12 Florida law provides certain rights for property taxpayers in section 192.0105, F.S., and
13 in Rule 12D-9.001, F.A.C. The complete text of each of these taxpayer rights laws is
14 presented later in a separate section of this module.

15
16 Boards, Board clerks, Board attorneys, property appraisers, and special magistrates
17 must comply with these provisions of law to ensure that taxpayer rights are protected in
18 the value adjustment board process.

19
20 The Taxpayer Bill of Rights is found in section 192.0105, F.S. This bill of rights is a
21 compilation of legal requirements from other chapters of the Florida Statutes.

22
23 The four primary categories of Taxpayer Rights in section 192.0105, F.S., are:

- 24
25 1. The Right to Know – includes the right to receive notices and be informed about
26 various aspects of the property tax.
27
28 2. The Right to Due Process – includes the right to an informal conference with the
29 property appraiser, file value adjustment board petitions, receive notices of results
30 from the value adjustment board and file lawsuits.
31
32 3. The Right to Redress – includes the right to discounts, refunds for overpayment of
33 taxes, and redeem tax certificates sold for delinquent taxes on real property.
34
35 4. The Right to Confidentiality – includes the right for certain taxpayer records to be
36 confidential consistent with the provisions of law.
37
38

39 **The Four Sources of Florida Law**

40 Florida law governs the value adjustment board process and provides for taxpayer
41 rights. Provisions of Florida law are presented and cited throughout this training.

42
43 The four sources of Florida law are the Florida Constitution, Florida Statutes, Florida
44 Administrative Code, and case law (certain court decisions), each of which is listed and
45 briefly described below.
46

2017 Value Adjustment Board Training - Module 1

- 1 1. Florida Constitution: This comes from the people. Sections 3 and 4 of Article VII of
2 the Florida Constitution provide for property valuations, tax exemptions, and property
3 classifications.

4
5 Constitutional amendments are required to provide ad valorem tax exemptions and
6 to assess property at less than just value.

- 7
8 2. Florida Statutes, abbreviated as “F.S.”: Florida Statutes come from the Legislature
9 and are a collection of state laws listed by subject area.

10
11 Section 192.0105, F.S. contains property taxpayer rights.

12
13 Chapter 194, Parts 1 and 3, F.S., govern the value adjustment board process.

14
15 Florida’s Sunshine Law is contained in Chapter 286, F.S.

- 16
17 3. Florida Administrative Code, abbreviated as “F.A.C.”: This code is composed of
18 administrative rules produced by state agencies with public input from interested
19 parties.

20
21 Rule Chapter 12D-9, F.A.C., contains property taxpayer rights and also contains
22 procedural rules that must be followed by Boards, special magistrates, Board
23 attorneys, Board clerks, property appraisers, tax collectors, and petitioners. Other
24 Board rules are contained in Rule Chapters 12D-10 and 12D-16, F.A.C.

- 25
26 4. Case Law: These court decisions come from the judicial opinions of the Florida
27 Supreme Court, the Florida District Courts of Appeal, and Federal Courts.

28
29 Note: A new statute, effective in 2009, provides that the new statute preempts any
30 prior case law that is inconsistent with the new statute. See section 194.301(1), F.S.

31
32 Information from Florida court decisions is presented in this training. Most of these
33 court decisions predate the new statutory law. The new statutory law preempts these
34 decisions to the extent these decisions are inconsistent with the new law.

35
36 Thus, the information from these court decisions, as presented in this training, has
37 been modified where appropriate for consistency with the 2009 statutory changes.

(NEW) 2017 Changes to Statutory Law

38
39
40 In 2017, several changes to statutory law were enacted. Except where other dates are
41 noted, these changes will affect administrative reviews of assessments beginning in
42 2017. These new laws are summarized briefly below and are addressed where
43 necessary in various modules of this training. Please refer to the chapter law and
44 statutes to read the legislative changes in context with the surrounding statutory
45 language. The chapter laws are available at: <http://laws.flrules.org/>
46

2017 Value Adjustment Board Training - Module 1

Legislation enacted in 2017:

- Created section 196.102, F.S., to: provide an exemption for certain first responders whose total and permanent disability occurred in the line of duty, and for surviving spouses; extend the exemption application deadline for 2017 to August 1, 2017, or later if extenuating circumstances are shown; and provide for petitions to the value adjustment board for denials of such exemptions. This change is effective June 14, 2017 and applies to assessments and administrative reviews beginning in 2017. See Chapter 2017-105, Sections 2 and 3, Laws of Florida (CS/HB 455).
- Amended section 196.1983, F.S., to clarify provisions requiring landlords to reduce lease payments made by charter schools so that the schools receive the full benefit derived by the landlord from the exemption, effective retroactively to January 1, 2017. See Chapter 2017-36, section 7, Laws of Florida (HB 7109).
- Amended section 192.001(11)(c), F.S., to clarify that the term “inventory” includes specified construction and agricultural equipment weighing 1,000 pounds or more that is returned to a dealership under a rent-to-purchase option and held for sale to customers in the ordinary course of business. This change is effective July 1, 2017, and applies to assessments and administrative reviews beginning in 2018. See Chapter 2017-36, Sections 2 and 59, Laws of Florida (HB 7109).
- Amended section 196.1978(2), F.S., to provide a 50 percent discount on property taxes for specified portions of certain multifamily properties that offer affordable housing to specified low-income persons and families, if application is made by March 1. This amendment also specifies procedures for the application of the discount and provides conditions for the termination of the discount. The amendment is effective starting in 2018. See Chapter 2017-36, section 6, Laws of Florida (HB 7109).
- Amended section 196.012(9), F.S., to include in the terms “nursing home” or “home for special services”, institutions that possess a valid license under chapter 429, part I, F.S., and to make this amendment applicable to the 2017 property tax roll. This change is effective May 25, 2017 and applies to assessments and administrative reviews beginning in 2017. See Chapter 2017-36, Sections 3 and 4, Laws of Florida (HB 7109).
- Amended section 196.1975(4)(c), F.S., to provide that a not-for-profit corporation applying for an exemption for units or apartments under paragraph (4)(a) of the statute must file, with the application, an affidavit from each person who occupies a unit stating the person’s income; the corporation is not required to provide an affidavit from a resident who is a totally and permanently disabled veteran who meets the requirements of s. 196.081, F.S. The amendment also provides that, if the property appraiser determines that additional documentation proving an affiant’s income is necessary, the property appraiser may request it. This change is effective

2017 Value Adjustment Board Training - Module 1

1 July 1, 2017, and applies to assessments and administrative reviews beginning in
2 2018. See Chapter 2017-36, Sections 5 and 59, Laws of Florida (HB 7109).

- 3
- 4 • Amended section 193.624, F.S., to provide, for nonresidential real property, that 80
5 percent of the just value attributable to a renewable energy source device may not
6 be considered in determining the assessed value of the property; this provision
7 applies to devices installed on nonresidential property on or after January 1, 2018,
8 except in a fiscally constrained county for which application for comprehensive plan
9 amendment or planned unit development zoning is made by December 31, 2017.
10 This change is effective July 1, 2017 and applies to assessments and administrative
11 reviews beginning in 2018. See Chapter 2017-118, Sections 2 and 8, Laws of Florida
12 (CS/SB 90).
 - 13
 - 14 • Created section 196.182, F.S. to provide an exemption, from the tangible personal
15 property tax, of 80 percent of the assessed value of certain renewable energy
16 source devices, if the device, as defined in s. 193.624, is considered tangible
17 personal property and:
18
19 (a) Is installed on real property on or after January 1, 2018;
20 (b) Was installed before January 1, 2018, to supply a municipal electric utility located
21 within a consolidated government; or
22 (c) Was installed after August 30, 2016, on municipal land as part of a described
23 project supplying a municipal electric utility for certain purposes.

24

25 This legislation also specifies conditions under which the exemption would not apply,
26 and specifies conditions under which the exemption would apply to devices affixed
27 to property owned or leased by the U.S. Department of Defense. This change is
28 effective July 1, 2017, and applies to assessments and administrative reviews
29 beginning in 2018. See Chapter 2017-118, Sections 3 and 8, Laws of Florida (CS/SB 90).

30 31 32 **2016 Changes to Statutory Law**

33 In 2016, several changes to statutory law were enacted. These changes will affect
34 administrative reviews of assessments beginning in 2016. These new laws are
35 summarized briefly below and are addressed where necessary in various modules of
36 this training. Please refer to the chapter law and statutes to read the legislative changes
37 in context with the surrounding statutory language. The chapter laws are available at:
38 <http://laws.flrules.org/>

39
40
41 Legislation enacted in 2016:

- 42
- 43 • Amended section 192.0105(2)(f), F.S., to provide that a taxpayer has the right, in
44 value adjustment board proceedings, to be represented by a person specified in
45 sections 194.034(1)(a), (b), or (c), F.S. See Chapter 2016-128, Section 1, Laws of Florida
46 (CS/CS/HB 499).

2017 Value Adjustment Board Training - Module 1

- 1
- 2 • Amended section 193.073(1)(a), F.S., to provide that the property appraiser shall
- 3 mail a notice informing the taxpayer that an erroneous or incomplete statement of
- 4 personal property has been filed. Such notice shall be mailed at any time before the
- 5 mailing of the notice required in s. 200.069. The taxpayer has 30 days after the date
- 6 the notice is mailed to provide the property appraiser with a complete return listing
- 7 all property for taxation. See Chapter 2016-128, Section 2, Laws of Florida (CS/CS/HB
- 8 499).
- 9
- 10 • Amended section 193.122, F.S., to provide that apart from an extension of the roll
- 11 under s. 197.323, F.S., the value adjustment board must complete all hearings that
- 12 s. 194.032, F.S., requires and certify the assessment roll to the property appraiser
- 13 by June 1 following the assessment year. The June 1 requirement can extend until
- 14 December 1 in each year in which the number of filed petitions increases by more
- 15 than 10 percent over the previous year. The provisions of this law first apply to the
- 16 2018 tax roll. See Chapter 2016-128, Sections 3 and 4, Laws of Florida (CS/CS/HB 499).
- 17
- 18 • Amended sections 193.155(10), 193.1554(10), and 193.1555(10), F.S., to provide
- 19 that before the property appraiser may file a tax lien on property not entitled to
- 20 receive the property assessment limitations in these sections, the owner must have
- 21 30 days to pay the taxes and any applicable penalties and interest. If the property
- 22 appraiser improperly grants the property assessment limitation because of a clerical
- 23 mistake or the property appraiser's omission, the person or entity improperly
- 24 receiving the property assessment limitation may not be assessed penalties or
- 25 interest. See Chapter 2016-128, Sections 5, 6, and 7, Laws of Florida (CS/CS/HB 499).
- 26
- 27 • Amended section 194.011, F.S., to provide that the taxpayer must sign a petition to
- 28 the value adjustment board or the taxpayer's written authorization or power of
- 29 attorney must accompany the petition at the time of filing unless the person filing the
- 30 petition is listed in s. 194.034(1)(a), F.S. A person listed in s. 194.034(1)(a), F.S.,
- 31 may file a petition with a value adjustment board without the taxpayer's signature or
- 32 written authorization by certifying under penalty of perjury that he or she has
- 33 authorization to file the petition on the taxpayer's behalf. If a taxpayer notifies the
- 34 value adjustment board that someone has filed a petition for the taxpayer's property
- 35 without his or her consent, the value adjustment board may require the person filing
- 36 the petition to provide written authorization from the taxpayer authorizing the person
- 37 to proceed with the appeal before a hearing is held. If the value adjustment board
- 38 finds that a person listed in s. 194.034(1)(a), F.S., willfully and knowingly filed a
- 39 petition that the taxpayer did not authorize, the value adjustment board must require
- 40 the person to provide the taxpayer's written authorization for representation to the
- 41 value adjustment board clerk before any petition filed by that person is heard. The
- 42 taxpayer's written authorization for representation is valid for one assessment year,
- 43 and a new power of attorney or written authorization by the taxpayer is required for
- 44 each subsequent assessment year. This section does not authorize the individual,
- 45 agent, or legal entity to receive or access the taxpayer's confidential information

2017 Value Adjustment Board Training - Module 1

1 without written authorization from the taxpayer. See Chapter 2016-128, Section 8, Laws
2 of Florida (CS/CS/HB 499).

- 3
- 4 • Amended section 194.014, F.S., to change the interest rate for disputed property tax
5 assessments from 12 percent per year to an annual percentage rate equal to the
6 bank prime-loan rate as the Board of Governors of the Federal Reserve System
7 determines on July 1 of the tax year or the next business day if July 1 is a Saturday,
8 Sunday, or legal holiday. Also, each taxing authority will proportionately fund interest
9 on an overpayment related to a petition. See Chapter 2016-128, Section 9, Laws of
10 Florida (CS/CS/HB 499).
 - 11
 - 12 • Amended section 194.032, F.S., to add that the value adjustment board will meet to
13 hear appeals from determinations that a change of ownership, ownership or control,
14 or a qualifying improvement has occurred. See Chapter 2016-128, Section 10, Laws of
15 Florida (CS/CS/HB 499).
 - 16
 - 17 • Amended section 194.032, F.S., to delete the requirement that the petitioner must
18 check the appropriate box on the petition form to request a copy of the property
19 record card containing relevant information that the property appraiser used in
20 computing the current assessment. See Chapter 2016-128, Section 10, Laws of Florida
21 (CS/CS/HB 499).
 - 22
 - 23 • Amended section 194.032, F.S., to provide that the property appraiser must provide
24 a copy of the property record card containing information relevant to the computation
25 of the current assessment, with confidential information redacted. If the property
26 record card is available from the property appraiser online, the property appraiser
27 must notify the petitioner of its availability. See Chapter 2016-128, Section 10, Laws of
28 Florida (CS/CS/HB 499).
 - 29
 - 30 • Amended section 194.032, F.S., to provide that the petitioner or the property
31 appraiser may reschedule the hearing a single time for good cause. In this section,
32 “good cause” means circumstances beyond the control of the person seeking to
33 reschedule the hearing which reasonably prevent him or her from having adequate
34 representation at the hearing. If the hearing is rescheduled, the clerk must notify the
35 petitioner of his or her rescheduled time at least 15 calendar days before the
36 rescheduled appearance, unless waived. See Chapter 2016-128, Section 10, Laws of
37 Florida (CS/CS/HB 499).
 - 38
 - 39 • Amended section 194.034, F.S., to provide that the taxpayer’s employee or an
40 employee of an affiliated entity, an attorney who is a member of The Florida Bar, a
41 real estate appraiser licensed under Ch. 475, F.S., a real estate broker licensed
42 under Ch. 475, F.S., or a certified public accountant licensed under Ch. 473, F.S.,
43 whom the taxpayer retains may represent the petitioner. This person may present
44 testimony and other evidence.
 - 45

2017 Value Adjustment Board Training - Module 1

1 Further amended section 194.034, F.S., to provide that a person with a power of
2 attorney to act on the taxpayer's behalf may also represent the petitioner. This
3 person may present testimony and other evidence. The power of attorney must
4 conform to the requirements of part II of Ch. 709, F.S., is valid only to represent a
5 single petitioner in a single assessment year, and must identify the parcels for which
6 the taxpayer has granted the person the authority to represent the taxpayer. The
7 Department of Revenue must adopt a form that meets the requirements of this
8 paragraph. However, a petitioner is not required to use the department's form to
9 grant the power of attorney.

10
11 Further amended section 194.034, F.S., to provide that a person who has written
12 authorization to act on the taxpayer's behalf and receives no compensation may also
13 represent a petitioner. This person may present testimony and other evidence. The
14 written authorization is valid only to represent a single petitioner in a single
15 assessment year and must identify the parcels for which the taxpayer authorizes the
16 person to represent the taxpayer. The Department of Revenue must adopt a form
17 that meets the requirements of this paragraph. However, a petitioner is not required
18 to use the department's form to grant the authorization.

19
20 Further amended section 194.034, F.S., to provide that an assessment may not be
21 contested unless a return as required by section 193.052, F.S., was timely filed. This
22 law defines "timely filed" as filed by the deadline established in section 193.062,
23 F.S., or before the expiration of any extension under section 193.063, F.S. If the
24 property appraiser mails the notice under section 193.073(1)(a), F.S., the taxpayer
25 must submit a complete return under section 193.073(1)(a), F.S., to contest the
26 assessment.

27
28 Amended section 194.034(2), F.S., to provide that findings of fact must be based on
29 admitted evidence or a lack thereof.

30
31 See Chapter 2016-128, Section 11, Laws of Florida (CS/CS/HB 499).

- 32
- 33 • Amended section 194.035, F.S., to allow an attorney special magistrate to hear
34 issues of the determination that a change of ownership, change of ownership or
35 control, or a qualifying improvement has occurred. Also, when appointing special
36 magistrates or scheduling special magistrates for specific hearings, the board, board
37 attorney, and board clerk may not consider the dollar amount or percentage of any
38 assessment reductions any special magistrate has recommended in the current year
39 or in any previous year. See Chapter 2016-128, Section 12, Laws of Florida (CS/CS/HB
40 499).
 - 41
42 • Amended section 197.3632(4)(a), F.S., to provide that a local government shall
43 adopt a non-ad valorem assessment roll at a public hearing held between January 1
44 and September 15, or between January 1 and September 25 for any county as
45 defined in s. 125.011(1). See Chapter 2016-128, Section 13, Laws of Florida (CS/CS/HB
46 499).

41
42
43
44
45
46

- Amended section 197.3632(5)(a), F.S., to provide that, contingent upon conditions set forth in the statute, by September 15 of each year, or by September 25 for any county as defined in s. 125.011(1), the chair of the local governing board or his or her designee shall certify a non-ad valorem assessment roll. See Chapter 2016-128, Section 13, Laws of Florida (CS/CS/HB 499).
- Repeals sections (4) and (5) of Rule 12D-9.019, Florida Administrative Code, relating to scheduling and notice of a hearing before the value adjustment board. The Department of State must update the Florida Administrative Code to remove those subsections of the rule. See Chapter 2016-128, Section 15, Laws of Florida (CS/CS/HB 499).
- Amended section 193.461(7)(a), F.S., to provide that lands classified for assessment purposes as agricultural lands that a state or federal eradication or quarantine program takes out of production will remain agricultural lands for the remainder of the program. Lands that these programs convert to nonincome-producing uses will continue to be assessed at a minimum value of up to \$50 per acre on a single-year assessment methodology.

Identifies the Citrus Health Response Program as a state or federal eradication or quarantine program. The bill allows land to retain its agricultural classification for five years after the date of execution of a compliance agreement between the landowner and the Department of Agriculture and Consumer Services (DACS) or a federal agency, as applicable, for this program or successor programs.

Lands under these programs that are converted to fallow or otherwise nonincome-producing uses are still agricultural lands assessed at a minimal value of up to \$50 per acre on a single-year assessment methodology while fallow or used for nonincome-producing purposes. Lands under these programs that are replanted in citrus according to the requirements of the compliance agreement are classified as agricultural lands and are assessed at a minimal value of up to \$50 per acre, on a single-year assessment methodology, during the five-year term of agreement.

See Chapter 2016-88, Sections 1 and 5, Laws of Florida (CS/CS/HB 749).

- Amended sections 196.012 and 196.1995, F.S, to provide:

Added language to describe the new businesses and expansions of existing businesses that are eligible to receive the economic development property tax exemption. It states that the new businesses and expansions of existing businesses that are in areas that were designated as enterprise zones under Ch. 290, F.S., as of December 30, 2015, but not in a brownfield area, may qualify for the property tax exemption only if the local governing body approves by motion or resolution, subject to ordinance adoption, or by ordinance enacted before December 31, 2015.

2017 Value Adjustment Board Training - Module 1

1 All data center equipment for a data center will be exempt from property taxation for
2 the term of the approved exemption.

3
4 Any exemption granted under this section will remain in effect for up to 10 years with
5 respect to any particular facility, or up to 20 years for a data center, regardless of
6 any change in the authority of the county or municipality to grant these exemptions
7 or the expiration of the Enterprise Zone Act under Ch. 290, F.S.

8
9 This law's amendments to ss. 196.012 and 196.1995, F.S., which relate to the
10 property tax exemption for certain enterprise zone businesses, are remedial in
11 nature and apply retroactively to December 31, 2015.

12
13 See Chapter 2016-220, Sections 2, 3, and 4, Laws of Florida (HB 7099).

14 15 16 **2015 Changes to Statutory Law**

17 In 2015, several changes to statutory law were enacted. These changes will affect
18 administrative reviews beginning in 2015. These new laws are summarized briefly
19 below and are addressed where necessary in various modules of this training. Please
20 refer to the chapter law and statutes to read the legislative changes in context with the
21 surrounding statutory language. The chapter laws are available at:
22 <http://laws.flrules.org/>.

23
24 Legislation enacted in 2015:

- 25
26 • Amended section 194.011(3)(a), F.S., to provide that the value adjustment board
27 clerk must have available and distribute Department of Revenue forms for filing
28 petitions to the value adjustment board. See Chapter 2015-115, Section 1, Laws of
29 Florida (CS for HB 489).
- 30
31 • Added section 194.011(3)(g), F.S., to provide that an owner of multiple tangible
32 personal property accounts may file with the value adjustment board a single joint
33 petition if the property appraiser determines that the tangible personal property
34 accounts are substantially similar in nature. See Chapter 2015-115, Section 1, Laws of
35 Florida (CS for HB 489).
- 36
37 • Amended section 194.011(4)(b), F.S., to provide that the property appraiser's
38 evidence list must contain the property record card when the property appraiser
39 fulfills the exchange of evidence requirements under section 194.011(4), F.S. This
40 act also removed any role of the board clerk in providing the property record card
41 under this statute. See Chapter 2015-115, Section 1, Laws of Florida (CS for HB 489).
- 42
43 • Added section 193.0235(2)(d), F.S., to provide an additional specific property type
44 that qualifies as a subdivision "common element." This specific property type
45 consists of property located within the same county as the subdivision and used for

2017 Value Adjustment Board Training - Module 1

1 at least 10 years for the exclusive benefit of owners of lots within the subdivision. See
2 Chapter 2015-221, Section 1, Laws of Florida (HB No. 33-A).

- 3
- 4 • Added section 196.199(1)(a)2., F.S., to provide an ad valorem tax exemption for a
5 leasehold interest in and improvements affixed to land owned by the United States,
6 any branch of the United States Armed Forces, or any agency or quasi-
7 governmental agency of the United States if the leasehold and improvements are
8 acquired or constructed and used pursuant to the federal Military Housing
9 Privatization Initiative of 1996. Any such leasehold interest and improvements are
10 exempt from ad valorem taxation regardless of whether title is held by the United
11 States and without necessity of filing an application for the exemption or receiving
12 approval from the property appraiser. This act defines “improvements” to include
13 actual housing units and any facilities that are directly related to such housing units,
14 including any housing maintenance facilities, housing rental and management
15 offices, parks and community centers, and recreational facilities. This law applies
16 retroactively to January 1, 2007. See Chapter 2015-80, Section 1, Laws of Florida (CS for
17 CS for HB 361).

2014 Changes to Statutory Law

18
19
20 In 2014, several changes to statutory law were enacted. These changes will affect
21 administrative reviews of assessments beginning with either 2014 administrative
22 reviews or 2015 administrative reviews, as noted below. These new laws are
23 addressed where relevant in various modules of this training, and below is a brief
24 summary. Please refer to the chapter law to read the legislative changes in context with
25 the surrounding statutory language. The chapter laws are available at:

26 <http://laws.flrules.org/>

2014 Statutory Changes Affecting Administrative Reviews Beginning in 2014

27
28
29 Legislation enacted in 2014:

- 30
31
- 32 • Amended section 193.461, F.S., to provide that an applicant for the agricultural
33 classification who does not file an application by the March 1 filing deadline, can file
34 an application with the property appraiser on or before 25 days after the property
35 appraiser mails the notice of proposed property taxes (TRIM notice). The application
36 must include sufficient evidence that demonstrates the applicant was unable to apply
37 in a timely manner or otherwise demonstrates extenuating circumstances warranting
38 the classification. If the applicant files an application for the classification and fails to
39 provide sufficient evidence to the property appraiser as required, the applicant may
40 file a petition with the value adjustment board on or before 25 days after the property
41 appraiser mails the notice of proposed property taxes (TRIM notice). This change is
42 effective July 1, 2014 and applies to administrative reviews beginning in 2014. See
43 Chapter 2014-150, Section 2, Laws of Florida (HB 7091).

- Amended section 193.461, F.S., to provide that agricultural lands that participate in a dispersed water storage program under a contract with the Department of Environmental Protection or a water management district, which requires flooding of land, will retain the agricultural classification as long as the lands are included in the program or successor programs. The property appraiser will assess these lands as nonproductive agricultural lands. Lands that participate and are diverted from an agricultural use to a nonagricultural use shall be assessed under section 193.011, F.S. This change is effective July 1, 2014 and applies to assessments and administrative reviews beginning in 2015. See Chapter 2014-150, Section 2, Laws of Florida (HB 7091).
 - Amended section 196.1995, F.S, to provide that, in order to qualify for the economic development exemption, the improvements to real property must be made or the tangible personal property must be added or increased after approval by motion or resolution of the local governing body, subject to ordinance adoption, or on or after the day the ordinance is adopted. This legislation is effective May 12, 2014 and applies to assessments and administrative reviews beginning in 2015. See Chapter 2014-40, Section 1, Laws of Florida (HB 7081).
 - Moved the exemption for special districts to newly created section 189.055, F.S., from section 189.403, F.S. See Chapter 2014-22, Section 53, Laws of Florida (SB 1632).

2013 Changes to Statutory Law

25
26
27
28
29
30
31
32

In 2013, several changes to statutory law were enacted. These changes will affect administrative reviews of assessments beginning with either 2013 or 2014 administrative reviews, as noted below. These new laws are addressed where relevant in various modules of this training, and below is a brief summary. Please refer to the chapter law to read the legislative changes in context with the surrounding statutory language. The chapter laws are available at: <http://laws.flrules.org/>

2013 Changes Which Affect 2013 Administrative Reviews

33
34
35

Legislation enacted in 2013:

- 36
37
38
39
40
41
42
43
44
45
- Created Section 192.048, F.S., to authorize the electronic transmission of final decisions of the Board under certain conditions when the recipient consents in writing to receive the document electronically, and amended section 194.034(2), F.S., to include electronic transmission if selected by the taxpayer on the originally filed petition. This legislation is effective July 1, 2013. See Chapter 2013-72, Section 2, Laws of Florida (SB 1830).
 - Amended Sections 193.461(2), 193.503(7), 193.625(2), and 196.194(1), F.S., to remove all authority for the Board to review, on its own motion, the determinations of the property appraiser. This legislation is effective May 30, 2013 and applies

2017 Value Adjustment Board Training - Module 1

- 1 retroactively to January 1, 2013. See Chapter 2013-95, Sections 1 through 4, Laws of
2 Florida (CS/HB 1193).
- 3
- 4 • Amended Section 194.032(2)(a), F.S., to provide that, if the petitioner requests a
5 copy of the property record card, the property appraiser, not the Board clerk, must
6 provide the property record card to the petitioner on receipt of the petition,
7 regardless of whether the petitioner initiates the evidence exchange, unless the
8 property record card is available online from the property appraiser. This legislation
9 is effective July 1, 2013. See Chapter 2013-109, Section 8, Laws of Florida (SB 556).
- 10
- 11 • Amended Section 196.031, F.S., to delete the express requirement that a titleholder
12 of a homestead must live on the homestead in order to qualify for the homestead tax
13 exemption. This amendment follows a 2012 decision of the Florida Supreme Court.
14 See Chapter 2013-72, Section 8, Laws of Florida (SB 1830).
- 15
- 16 • Amended Section 196.082, F.S., to eliminate the requirement for a veteran to be a
17 Florida resident at the time of entering military service to be eligible for the veteran's
18 discount. The law reflects changes to Article VII, Section 6 of the Florida
19 Constitution which became effective January 1, 2013 and affects the 2013 tax roll.
20 See Chapter 2013-72, Section 10, Laws of Florida (SB 1830).
- 21
- 22 • Amended Section 196.1978, F.S., to change the types of ownership required for
23 property to claim an affordable housing exemption. This legislation is effective July
24 1, 2013 and applies retroactively to the 2013 tax roll. See Chapter 2013-72, Section 11,
25 Laws of Florida (SB 1830).
- 26
- 27 • Amended Section 193.461, F.S., to delete the requirement that the property
28 appraiser must reclassify as nonagricultural, lands that have been zoned to a
29 nonagricultural use at the owner's request. This legislation is effective May 30, 2013
30 and applies retroactively to January 1, 2013. See Chapter 2013-95, Section 1, Laws of
31 Florida (CS/HB 1193).
- 32
- 33 • Amended Section 193.461, F.S., to delete authorization for the board of county
34 commissioners to reclassify certain lands to nonagricultural under specified
35 circumstances when the lands are contiguous to urban or metropolitan development.
36 This legislation is effective May 30, 2013 and applies retroactively to January 1,
37 2013. See Chapter 2013-95, Section 1, Laws of Florida (CS/HB 1193).
- 38
- 39 • Amended Section 193.461, F.S., to delete the evidentiary presumption that the land
40 is not being used primarily for bona fide agricultural purposes if the land was sold for
41 a purchase price that is 3 or more times the agricultural assessment. This legislation
42 is effective May 30, 2013 and applies retroactively to January 1, 2013. See Chapter
43 2013-95, Section 1, Laws of Florida (CS/HB 1193).
- 44

2017 Value Adjustment Board Training - Module 1

2013 Changes Which Affect 2014 Administrative Reviews But Do Not Apply to 2013 Assessments or to 2013 Administrative Reviews

Legislation enacted in 2013:

- Amended Section 193.451, F.S., to include aquaculture crops as crops exempt from taxation until they have reached maturity or a stage of marketability and have passed from the hands of the producer or offered for sale. This legislation is effective July 1, 2013. See Chapter 2013-72, Section 5, Laws of Florida (SB 1830).
- Amended Section 193.461, F.S., to revise the definition of “agricultural purposes” to include algaculture. This legislation is effective July 1, 2013. See Chapter 2013-72, Section 6, Laws of Florida (SB 1830).
- Created Section 193.624, F.S., to provide for assessment of a “renewable energy source device” installed on or after January 1, 2013, to new and existing residential real property. When determining the assessed value of real property used for residential purposes, an increase in the just value of the property attributable to the installation of a renewable energy source device may not be considered. This requirement is an exception to certain provisions in Sections 193.155 and 193.1554, F.S. This legislation is effective July 1, 2013 and applies to assessments and administrative reviews beginning in 2014. See Chapter 2013-77, Section 1, Laws of Florida (HB 277).
- Amended Section 193.155, F.S., to provide that a property transfer is not a change of ownership if the transfer is to a person who is entitled to the homestead exemption both before and after the transfer and the person is a lessee entitled to the homestead exemption under section 196.041(1), F.S. This legislation is effective July 1, 2013 and applies to assessments and administrative reviews beginning in 2014. See Chapter 2013-72, Section 4, Laws of Florida (SB 1830).
- Amended Section 196.198, F.S., to change the types of ownership required for property to claim an educational property exemption. This legislation is effective July 1, 2013. See Chapter 2013-72, Section 12, Laws of Florida (SB 1830).
- Amended Section 196.061, F.S., to provide that rental of the homestead after January 1 of any year does not affect the homestead exemption for tax purposes for that particular year unless the property is rented for more than 30 days per calendar year for 2 consecutive years. This legislation is effective July 1, 2013 and applies to assessments and administrative reviews beginning in 2014. See Chapter 2013-64, Section 1, Laws of Florida (SB 342).

Statutory Law Effective Beginning With 2009 Assessments

An important change to Florida Statutes was passed in the 2009 legislative session and then approved by the Governor on June 4, 2009. See section 194.301, F.S., as amended by Chapter 2009-121, Laws of Florida (House Bill 521).

A complete copy of this legislation is available at the following web address:
http://laws.flrules.org/files/Ch_2009-121.pdf

This law applies to the administrative review of assessments beginning in 2009.

Board attorneys are responsible for ensuring that this important legislation is implemented for all administrative reviews of assessments, starting in 2009.

This law provides important benefits to taxpayers. Boards and special magistrates must comply with the law to ensure its implementation.

Below are some key points from this law, but users of this training are advised to obtain a copy of the law and review it carefully to understand all of its provisions.

1. The property appraiser's assessment is presumed correct if the appraiser proves by a preponderance of the evidence that the assessment was arrived at by complying with Section 193.011, F.S., any other applicable statutory requirements relating to classified use values or assessment caps, and professionally accepted appraisal practices, including mass appraisal standards, if appropriate.
2. A taxpayer who challenges an assessment is entitled to a determination by the Board of the appropriateness of the appraisal methodology used in making the assessment.
3. The just value of property must be determined by an appraisal methodology that complies with the criteria of section 193.011, F.S., and professionally accepted appraisal practices, including mass appraisal standards, if appropriate.
4. The provisions of this statute preempt any prior case law that is inconsistent with it.
5. Under this law, "preponderance of the evidence" is the only standard of proof that applies in the administrative review of assessments. Board attorneys must ensure that Boards or special magistrates do not use any other standard of proof.
 - * "Preponderance of the evidence" is a standard (level) of proof that means "greater weight of the evidence."
 - * This standard of proof applies to petitions on valuations, property classifications, exemptions, assessment difference transfers, and tax deferrals and associated penalties.
 - * This is a significant change from prior law that provided for a different standard of proof.

2017 Value Adjustment Board Training - Module 1

1 For administrative reviews of valuations, this statute also provides criteria for a Board or
2 special magistrate to apply in:

- 3
- 4 1. Determining whether the property appraiser established a presumption of
5 correctness;
- 6
- 7 2. Determining whether the property appraiser's determination is incorrect, when
8 applicable;
- 9
- 10 3. When appropriate, determining whether to revise the assessment or to remand the
11 assessment to the property appraiser; and
- 12
- 13 4. Revising the assessment when required.
- 14

15 Before 2009 and the adoption of House Bill 521, section 194.301, F.S., provided that
16 the Board may establish the assessment when authorized.

17
18 * However, this statute and related rules (see below) provide that the Board shall
19 establish a revised assessment when authorized. This is a significant change from
20 prior law.

21
22 This statute also requires the property appraiser to follow appropriate remand directions
23 from the Board. This requirement is a significant change from prior law.

24
25 Provisions of this law are addressed in other modules of this training where appropriate.

26 27 28 **Administrative Rules and Forms, Effective March 30, 2010**

29 On February 24, 2010, the Governor and Cabinet, acting as the head of the Department,
30 approved the following changes to the Florida Administrative Code:

- 31
- 32 1. The adoption of the Department's Rule Chapter 12D-9 and accompanying forms;
- 33 2. A partial repeal of the rules in Rule Chapter 12D-10; and
- 34 3. Amendments to Rule 12D-16.002, F.A.C., regarding forms to be used by the Board.
- 35

36 The effective date of the rules and forms is March 30, 2010, [with recent substantive](#)
37 [amendments to these rules, effective March 2017, and recent substantive amendments](#)
38 [to these forms, effective January 2017.](#)

39
40 These rules and forms are contained in the Department's Uniform Policies and
41 Procedures Manual for value adjustment boards, and are available on the Department's
42 website at the following link: <http://floridarevenue.com/property/Pages/VAB.aspx>

43
44 Boards, Board clerks, taxpayers, property appraisers, and tax collectors are required to
45 follow these rules, as stated in sections 195.027(1) and 194.011(5)(b), F.S.

46

2017 Value Adjustment Board Training - Module 1

1 These rules supersede any local rules or prior Department rules on the subject.

2

3 Rule Chapter 12D-9, F.A.C., is the primary component of the Department's Uniform
4 Policies and Procedures Manual for value adjustment boards, and also is a primary
5 component of this training for value adjustment boards and special magistrates.

6

7

8 **Uniform Policies and Procedures Manual and Accompanying** 9 **Documents**

10 Section 194.011(5)(b), Florida Statutes, states:

11

12 *"The department shall develop a uniform policies and procedures manual that shall be*
13 *used by value adjustment boards, special magistrates, and taxpayers in proceedings*
14 *before value adjustment boards. The manual shall be made available, at a minimum, on*
15 *the department's website and on the existing websites of the clerks of circuit courts."*

16

17 The Florida Department of Revenue has developed the Uniform Policies and
18 Procedures Manual and has made it available, along with accompanying documents, on
19 its website as stated below.

20

21 Along with the accompanying documents listed below, the Uniform Policies and
22 Procedures Manual must be made available on the existing website of the Board clerk
23 in each of the 67 counties.

24

25 The Department requests that Board clerks retain and use the document titles as
26 provided in this manual when placing these documents on their websites.

27

28 The Uniform Policies and Procedures Manual and Accompanying Documents:

29 The three sets of documents described below are available on the Department's
30 website at the following web address: <http://floridarevenue.com/property/Pages/VAB.aspx>

31

32 1. The "Uniform Policies and Procedures Manual" for value adjustment boards, which is
33 composed of the following items:

34

35 a) Taxpayer rights as provided in Florida Statutes and the recently adopted rules;

36

37 b) The recently adopted rules of procedure for value adjustment board proceedings;

38

39 c) Recently adopted forms for value adjustment boards;

40

41 d) Florida Statutes regarding value adjustment board procedures; and

42

43 e) A notice regarding the use of case law.

44

45 Accompanying the Uniform Policies and Procedures Manual are two sets of documents
46 titled:

2017 Value Adjustment Board Training - Module 1

1
2 2. “Other Legal Resources Including Statutory Criteria”, and

3
4 3. “Reference Materials Including Guidelines”.

5
6 Each of these three sets of documents contains an introduction that provides orientation
7 on the authority, content, and use of that respective set.

8
9 Board clerks must ensure that all members of the Board, special magistrates, and
10 Board attorneys are provided with a copy of these three sets of documents.

11 12 13 **The Value Adjustment Board and Government-in-the-Sunshine**

14 An opinion of the Florida Attorney General has concluded that the official acts of both
15 Boards and special magistrates are subject to Florida’s Government-in-the-Sunshine
16 law found in section 286.011, F.S. See Attorney General Opinion [2010-15](#).

17
18 In the opinion, the Attorney General recognized that a value adjustment board is a
19 quasi-judicial governmental body and that a special magistrate is a quasi-judicial officer
20 who “stands in the shoes” of the Board in carrying out decision-making duties delegated
21 by the Board. See Attorney General Opinion [2010-15](#).

22
23 The Board attorney shall advise the Board, Board clerk, and special magistrates on
24 public meeting and open government laws. See Rule 12D-9.009(1)(e)4., F.A.C.

25
26 At one of its organizational meetings held prior to conducting hearings, the Board shall
27 make available to the public, special magistrates, and Board members the requirements
28 of Florida’s Government in the Sunshine / open government laws including information
29 on where to obtain the current Government-In-The-Sunshine manual. See Rule 12D-
30 9.013(1)(g), F.A.C.

31
32 Florida’s Government-In-The-Sunshine Manual is available at the following internet link:
33 <http://www.myfloridalegal.com/sun.nsf/sunmanual>

34
35 Orientation meetings conducted by Board designees for special magistrates shall be
36 related to local operating or ministerial procedures only and shall be open to the public
37 for observation. See Rule 12D-9.012(5), F.A.C.

38
39 * These meetings or orientations must be reasonably noticed to the public in the same
40 manner as an organizational meeting of the Board, or posted as reasonable notice on
41 the Board clerk’s website. See Rule 12D-9.012(6), F.A.C.

42
43 All petition hearings shall be open to the public, including hearings conducted by
44 electronic media. See Rule 12D-9.024(2) and 12D-9.026 (4), F.A.C.

2017 Value Adjustment Board Training - Module 1

1 The Department's training for special magistrates shall be open to the public. See Rule
2 12D-9.012(2), F.A.C.

3 4 5 **Complete Text of Specific Legal Provisions for Taxpayer Rights**

6 Florida law provides specific rights for property taxpayers.

7
8 These rights are found in section 192.0105, F.S., and in Rule 12D-9.001, F.A.C.

9
10 These provisions of law are presented in their entirety in following sections of Module 1.

11
12 Boards, Board legal counsel, Board clerks, special magistrates, and property appraisers
13 must understand these taxpayer rights and take the steps necessary to ensure that
14 these rights are afforded all property taxpayers.

15 16 17 **Taxpayer Rights in Section 192.0105, F.S.**

18 The entire text of this section of Florida Statutes is presented below in italics, with
19 legislative history and notes immediately following.

20
21 *"There is created a Florida Taxpayer's Bill of Rights for property taxes and assessments*
22 *to guarantee that the rights, privacy, and property of the taxpayers of this state are*
23 *adequately safeguarded and protected during tax levy, assessment, collection, and*
24 *enforcement processes administered under the revenue laws of this state. The*
25 *Taxpayer's Bill of Rights compiles, in one document, brief but comprehensive*
26 *statements that summarize the rights and obligations of the property appraisers, tax*
27 *collectors, clerks of the court, local governing Boards, the Department of Revenue, and*
28 *taxpayers. Additional rights afforded to payors of taxes and assessments imposed*
29 *under the revenue laws of this state are provided in s. 213.015. The rights afforded*
30 *taxpayers to assure that their privacy and property are safeguarded and protected*
31 *during tax levy, assessment, and collection are available only insofar as they are*
32 *implemented in other parts of the Florida Statutes or rules of the Department of*
33 *Revenue. The rights so guaranteed to state taxpayers in the Florida Statutes and the*
34 *departmental rules include:*

35 36 (1) **THE RIGHT TO KNOW.—**

37
38 (a) *The right to be sent a notice of proposed property taxes and proposed or adopted*
39 *non-ad valorem assessments (see ss. 194.011(1), 200.065(2)(b) and (d) and (13)(a),*
40 *and 200.069). The notice must also inform the taxpayer that the final tax bill may*
41 *contain additional non-ad valorem assessments (see ¹s. 200.069(9)).*

42
43 (b) *The right to notification of a public hearing on each taxing authority's tentative*
44 *budget and proposed millage rate and advertisement of a public hearing to finalize the*
45 *budget and adopt a millage rate (see s. 200.065(2)(c) and (d)).*

2017 Value Adjustment Board Training - Module 1

1 (c) *The right to advertised notice of the amount by which the tentatively adopted*
2 *millage rate results in taxes that exceed the previous year's taxes (see s. 200.065(2)(d)*
3 *and (3)). The right to notification of a comparison of the amount of the taxes to be levied*
4 *from the proposed millage rate under the tentative budget change, compared to the*
5 *previous year's taxes, and also compared to the taxes that would be levied if no budget*
6 *change is made (see ss. 200.065(2)(b) and 200.069(2), (3), (4), and (8)).*
7

8 (d) *The right that the adopted millage rate will not exceed the tentatively adopted*
9 *millage rate. If the tentative rate exceeds the proposed rate, each taxpayer shall be*
10 *mailed notice comparing his or her taxes under the tentatively adopted millage rate to*
11 *the taxes under the previously proposed rate, before a hearing to finalize the budget*
12 *and adopt millage (see s. 200.065(2)(d)).*
13

14 (e) *The right to be sent notice by first-class mail of a non-ad valorem assessment*
15 *hearing at least 20 days before the hearing with pertinent information, including the total*
16 *amount to be levied against each parcel. All affected property owners have the right to*
17 *appear at the hearing and to file written objections with the local governing Board (see*
18 *s. 197.3632(4)(b) and (c) and (10)(b)2.b.).*
19

20 (f) *The right of an exemption recipient to be sent a renewal application for that*
21 *exemption, the right to a receipt for homestead exemption claim when filed, and the*
22 *right to notice of denial of the exemption (see ss. 196.011(6), 196.131(1), 196.151, and*
23 *196.193(1)(c) and (5)).*
24

25 (g) *The right, on property determined not to have been entitled to homestead*
26 *exemption in a prior year, to notice of intent from the property appraiser to record notice*
27 *of tax lien and the right to pay tax, penalty, and interest before a tax lien is recorded for*
28 *any prior year (see s. 196.161(1)(b)).*
29

30 (h) *The right to be informed during the tax collection process, including: notice of tax*
31 *due; notice of back taxes; notice of late taxes and assessments and consequences of*
32 *nonpayment; opportunity to pay estimated taxes and non-ad valorem assessments*
33 *when the tax roll will not be certified in time; notice when interest begins to accrue on*
34 *delinquent provisional taxes; notice of the right to prepay estimated taxes by installment;*
35 *a statement of the taxpayer's estimated tax liability for use in making installment*
36 *payments; and notice of right to defer taxes and non-ad valorem assessments on*
37 *homestead property (see ss. 197.322(3), 197.3635, 197.343, 197.363(2)(c), 197.222(3)*
38 *and (5), 197.2301(3), 197.3632(8)(a), 193.1145(10)(a), and 197.254(1)).*
39

40 (i) *The right to an advertisement in a newspaper listing names of taxpayers who are*
41 *delinquent in paying tangible personal property taxes, with amounts due, and giving*
42 *notice that interest is accruing at 18 percent and that, unless taxes are paid, warrants*
43 *will be issued, prior to petition made with the circuit court for an order to seize and sell*
44 *property (see s. 197.402(2)).*
45

2017 Value Adjustment Board Training - Module 1

1 (j) *The right to be sent a notice when a petition has been filed with the court for an*
2 *order to seize and sell property and the right to be mailed notice, and to be served*
3 *notice by the sheriff, before the date of sale, that application for tax deed has been*
4 *made and property will be sold unless back taxes are paid (see ss. 197.413(5),*
5 *197.502(4)(a), and 197.522(1)(a) and (2)).*

6
7 (k) *The right to have certain taxes and special assessments levied by special districts*
8 *individually stated on the “Notice of Proposed Property Taxes and Proposed or Adopted*
9 *Non-Ad Valorem Assessments” (see s. 200.069).*

10
11 *Notwithstanding the right to information contained in this subsection, under s. 197.122*
12 *property owners are held to know that property taxes are due and payable annually and*
13 *are charged with a duty to ascertain the amount of current and delinquent taxes and*
14 *obtain the necessary information from the applicable governmental officials.*

15 16 (2) *THE RIGHT TO DUE PROCESS.—*

17
18 (a) *The right to an informal conference with the property appraiser to present facts the*
19 *taxpayer considers to support changing the assessment and to have the property*
20 *appraiser present facts supportive of the assessment upon proper request of any*
21 *taxpayer who objects to the assessment placed on his or her property (see s.*
22 *194.011(2)).*

23
24 (b) *The right to petition the value adjustment board over objections to assessments,*
25 *denial of exemption, denial of agricultural classification, denial of historic classification,*
26 *denial of high-water recharge classification, disapproval of tax deferral, and any*
27 *penalties on deferred taxes imposed for incorrect information willfully filed. Payment of*
28 *estimated taxes does not preclude the right of the taxpayer to challenge his or her*
29 *assessment (see ss. 194.011(3), 196.011(6) and (9)(a), 196.151, 196.193(1)(c) and (5),*
30 *193.461(2), 193.503(7), 193.625(2), 197.2425, 197.301(2), and 197.2301(11)).*

31
32 ²(c) *The right to file a petition for exemption or agricultural classification with the value*
33 *adjustment board when an application deadline is missed, upon demonstration of*
34 *particular extenuating circumstances for filing late (see ss. 193.461(3)(a) and*
35 *196.011(1), (7), (8), and (9)(e)).*

36
37 (d) *The right to prior notice of the value adjustment board’s hearing date, the right to*
38 *the hearing at the scheduled time, the right to the hearing at the scheduled time, and*
39 *the right to have the hearing rescheduled if the hearing is not commenced within a*
40 *reasonable time, not to exceed 2 hours, after the scheduled time (see s. 194.032(2)).*

41
42 (e) *The right to notice of date of certification of tax rolls and receipt of property record*
43 *card if requested (see ss. 193.122(2) and (3) and 194.032(2)).*

44
45 (f) *The right, in value adjustment board proceedings, to have all evidence presented*
46 *and considered at a public hearing at the scheduled time, to be represented by a person*

2017 Value Adjustment Board Training - Module 1

1 specified in s. 194.034(1)(a), (b), or (c), to have witnesses sworn and cross-examined,
2 and to examine property appraisers or evaluators employed by the board who present
3 testimony (see ss. 194.034(1)(d) and (4), and 194.035(2)).
4

5 (g) The right to be sent a timely written decision by the value adjustment board
6 containing findings of fact and conclusions of law and reasons for upholding or
7 overturning the determination of the property appraiser, and the right to advertised
8 notice of all board actions, including appropriate narrative and column descriptions, in
9 brief and nontechnical language (see ss. 194.034(2) and 194.037(3)).
10

11 (h) The right at a public hearing on non-ad valorem assessments or municipal special
12 assessments to provide written objections and to provide testimony to the local
13 governing board (see ss. 197.3632(4)(c) and 170.08).
14

15 (i) The right to bring action in circuit court to contest a tax assessment or appeal value
16 adjustment board decisions to disapprove exemption or deny tax deferral (see ss.
17 194.036(1)(c) and (2), 194.171, 196.151, and 197.2425).
18

19 (3) THE RIGHT TO REDRESS.— 20

21 (a) The right to discounts for early payment on all taxes and non-ad valorem
22 assessments collected by the tax collector, except for partial payments as defined in s.
23 197.374, the right to pay installment payments with discounts, and the right to pay
24 delinquent personal property taxes under a payment program when implemented by the
25 county tax collector (see ss. 197.162, 197.3632(8) and (10)(b)3., 197.222(1), and
26 197.4155).
27

28 (b) The right, upon filing a challenge in circuit court and paying taxes admitted in good
29 faith to be owing, to be issued a receipt and have suspended all procedures for the
30 collection of taxes until the final disposition of the action (see s. 194.171(3)).
31

32 (c) The right to have penalties reduced or waived upon a showing of good cause when
33 a return is not intentionally filed late, and the right to pay interest at a reduced rate if the
34 court finds that the amount of tax owed by the taxpayer is greater than the amount the
35 taxpayer has in good faith admitted and paid (see ss. 193.072(4) and 194.192(2)).
36

37 (d) The right to a refund when overpayment of taxes has been made under specified
38 circumstances (see ss. 193.1145(8)(e) and 197.182(1)).
39

40 (e) The right to an extension to file a tangible personal property tax return upon
41 making proper and timely request (see s. 193.063).
42

43 (f) The right to redeem real property and redeem tax certificates at any time before full
44 payment for a tax deed is made to the clerk of the court, including documentary stamps
45 and recording fees, and the right to have tax certificates canceled if sold where taxes
46 had been paid or if other error makes it void or correctable. Property owners have the

2017 Value Adjustment Board Training - Module 1

1 *right to be free from contact by a certificateholder for 2 years after April 1 of the year the*
2 *tax certificate is issued (see ss. 197.432(13) and (14), 197.442(1), 197.443, and*
3 *197.472(1) and (6)).*

4
5 *(g) The right of the taxpayer, property appraiser, tax collector, or the department, as*
6 *the prevailing party in a judicial or administrative action brought or maintained without*
7 *the support of justiciable issues of fact or law, to recover all costs of the administrative*
8 *or judicial action, including reasonable attorney's fees, and of the department and the*
9 *taxpayer to settle such claims through negotiations (see ss. 57.105 and 57.111).*

10
11 **(4) THE RIGHT TO CONFIDENTIALITY.—**

12
13 *(a) The right to have information kept confidential, including federal tax information, ad*
14 *valorem tax returns, social security numbers, all financial records produced by the*
15 *taxpayer, Form DR-219 returns for documentary stamp tax information, and sworn*
16 *statements of gross income, copies of federal income tax returns for the prior year,*
17 *wage and earnings statements (W-2 forms), and other documents (see ss. 192.105,*
18 *193.074, 193.114(5), 195.027(3) and (6), and 196.101(4)(c)).*

19
20 *(b) The right to limiting access to a taxpayer's records by a property appraiser, the*
21 *Department of Revenue, and the Auditor General only to those instances in which it is*
22 *determined that such records are necessary to determine either the classification or the*
23 *value of taxable nonhomestead property (see s. 195.027(3)).”*

24
25 **History.—**ss. 11, 15, ch. 2000-312; s. 7, ch. 2001-137; s. 1, ch. 2002-18; s. 2, ch. 2003-34; s. 13,
26 ch. 2004-5; s. 3, ch. 2006-312; s. 34, ch. 2008-4; s. 6, ch. 2009-157; s. 2, ch. 2009-165; s. 21, ch.
27 2010-5; s. 53, ch. 2011-151; s. 2, ch. 2012-193; s. 1, ch. 2016-128.

Taxpayer Rights in Rule 12D-9.001, F.A.C.

31 This rule section is titled “Taxpayer Rights in Value Adjustment Board Proceedings”.

32
33 The entire text of this section of the Florida Administrative Code is presented below in
34 italics.

35
36 *“(1) Taxpayers are granted specific rights by Florida law concerning value adjustment*
37 *board procedures.*

38
39 *(2) These rights include:*

40
41 *(a) The right to be notified of the assessment of each taxable item of property in*
42 *accordance with the notice provisions set out in Florida Statutes for notices of proposed*
43 *property taxes;*

44
45 *(b) The right to request an informal conference with the property appraiser regarding the*
46 *correctness of the assessment or to petition for administrative or judicial review of*

2017 Value Adjustment Board Training - Module 1

1 *property assessments. An informal conference with the property appraiser is not a*
2 *prerequisite to filing a petition for administrative review or an action for judicial review;*

3
4 *(c) The right to file a petition on a form provided by the county that is substantially the*
5 *same as the form prescribed by the department or to file a petition on the form provided*
6 *by the department for this purpose;*

7
8 *(d) The right to state on the petition the approximate time anticipated by the taxpayer to*
9 *present and argue his or her petition before the Board;*

10
11 *(e) The right to be sent prior notice of the date for the hearing of the taxpayer's petition*
12 *by the value adjustment board and the right to the hearing within a reasonable time of*
13 *the scheduled hearing;*

14
15 *(f) The right to request and be granted a change in the hearing date as described in this*
16 *chapter;*

17
18 **Note:** The rule text shown in red font above has been superseded by legislation
19 enacted in 2016, effective July 1, 2016. This legislation provided that the petitioner or
20 the property appraiser may reschedule the hearing a single time for good cause. In this
21 section, "good cause" means circumstances beyond the control of the person seeking to
22 reschedule the hearing which reasonably prevent him or her from having adequate
23 representation at the hearing. If the hearing is rescheduled, the clerk must notify the
24 petitioner of his or her rescheduled time at least 15 calendar days before the
25 rescheduled appearance. See Chapter 2016-128, Section 10, Laws of Florida (CS/CS/HB
26 499).

27
28 *(g) The right to be notified of the date of certification of the county's tax rolls and to be*
29 *sent a property record card if requested;*

30
31 **Note:** The rule text shown in red font above has been superseded by legislation
32 enacted in 2013 effective July 1, 2013, and legislation enacted in 2016, effective July 1,
33 2016. The 2013 legislation amended section 194.032(2)(a), F.S., and required the
34 property appraiser, not the Board clerk, to provide the property record card to a Board
35 petitioner (if requested by the petitioner) upon receipt of the petition, regardless of
36 whether the petitioner initiates the evidence exchange, unless the property record card
37 is available online from the property appraiser. The 2016 legislation further amended
38 section 194.032(2)(a), F.S., and deleted the requirement that the petitioner request the
39 property record card and requires the property appraiser to provide the property record
40 card when the property appraiser receives the petition from the clerk, unless the
41 property record card is available online from the property appraiser, in which case the
42 property appraiser must notify the petitioner that the property record card is available
43 online. See Chapter 2013-109, Section 8, Laws of Florida (SB 556), and Chapter 2016-128,
44 Section 10, Laws of Florida (CS/CS/HB 499).

45

2017 Value Adjustment Board Training - Module 1

1 *(h) The right to represent himself or herself or to be represented by an attorney or an*
2 *agent;*

3
4 **Note:** The rule text shown in red font above has been superseded by legislation
5 enacted in 2016 and which was effective July 1, 2016. This legislation added that the
6 taxpayer must sign a petition to the value adjustment board or the taxpayer's written
7 authorization or power of attorney must accompany the petition at the time of filing
8 unless the person filing the petition is listed in s. 194.034(1)(a), F.S. A person listed in s.
9 194.034(1)(a), F.S., may file a petition with a value adjustment board without the
10 taxpayer's signature or written authorization by certifying under penalty of perjury that
11 he or she has authorization to file the petition on the taxpayer's behalf. If a taxpayer
12 notifies the value adjustment board that someone has filed a petition for the taxpayer's
13 property without his or her consent, the value adjustment board may require the person
14 filing the petition to provide written authorization from the taxpayer authorizing the
15 person to proceed with the appeal before a hearing is held. If the value adjustment
16 board finds that a person listed in s. 194.034(1)(a), F.S., willfully and knowingly filed a
17 petition that the taxpayer did not authorize, the value adjustment board must require the
18 person to provide the taxpayer's written authorization for representation to the value
19 adjustment board clerk before any petition filed by that person is heard. The taxpayer's
20 written authorization for representation is valid for one assessment year, and a new
21 power of attorney or written authorization by the taxpayer is required for each
22 subsequent assessment year. This section does not authorize the individual, agent, or
23 legal entity to receive or access the taxpayer's confidential information without written
24 authorization from the taxpayer. See Chapter 2016-128, Section 8, Laws of Florida
25 (CS/CS/HB 499).

26
27 *(i) The right to have evidence presented and considered at a public hearing or at a time*
28 *when the petitioner has been given reasonable notice;*

29
30 *(j) The right to have witnesses sworn and cross-examined;*

31
32 *(k) The right to be issued a timely written decision within 20 calendar days of the last*
33 *day the Board is in session pursuant to Section 194.032, F.S., by the value adjustment*
34 *board containing findings of fact and conclusions of law and reasons for upholding or*
35 *overturning the determination of the property appraiser or tax collector;*

36
37 *(l) The right to advertised notice of all Board actions, including appropriate narrative and*
38 *column descriptions, in brief and nontechnical language;*

39
40 *(m) The right to bring an action in circuit court to appeal a value adjustment board*
41 *valuation decision or decision to disapprove a classification, exemption, portability*
42 *assessment difference transfer, or to deny a tax deferral or to impose a tax penalty;*

43
44 *(n) The right to have federal tax information, ad valorem tax returns, social security*
45 *numbers, all financial records produced by the taxpayer and other confidential taxpayer*
46 *information, kept confidential; and*

2017 Value Adjustment Board Training - Module 1

- 1
- 2 *(o) The right to limiting the property appraiser's access to a taxpayer's records to only*
- 3 *those instances in which it is determined that such records are necessary to determine*
- 4 *either the classification or the value of taxable nonhomestead property."*

Module 2: The Roles of Participants in the Value Adjustment Board Process

19 **Training Module 2 addresses the following topics:**

- 20
21
22
23
24
25
26
27
28
29
30
31
32
33
34
35
- The Composition of the Value Adjustment Board
 - The Role of the Value Adjustment Board
 - The Role of the Clerk of the Value Adjustment Board
 - Requirements for Appointment of Board Legal Counsel
 - The Role of Legal Counsel to the Value Adjustment Board
 - Requirements for Appointment of Special Magistrates
 - The Role of Special Magistrates
 - The Role of the Property Appraiser
 - The Role of the Petitioner

36 **Learning Objectives**

37 After completing this training module, the learner should be able to:

- 38
39
40
41
42
43
44
45
- Recognize the required composition of the value adjustment board
 - Identify the responsibilities of the value adjustment board
 - Recognize the responsibilities of the Board clerk
 - Distinguish between the roles of the Board clerk and Board legal counsel
 - Identify the criteria for the appointment of Board legal counsel
 - Identify the responsibilities of the Board legal counsel
 - Recognize the requirements for legal advice from Board legal counsel
 - Identify the criteria for the appointment of special magistrates
 - Recognize the general responsibilities of special magistrates
 - Identify the property appraiser's responsibilities
 - Distinguish between the roles of the Board clerk and the property appraiser
 - Recognize the role of the petitioner

36 **The Composition of the Value Adjustment Board**

37 The entire text of Rule 12D-9.004, F.A.C., titled "Composition of the Value Adjustment
38 Board", is presented below in italics.

39
40 *“(1) Every county shall have a value adjustment board which consists of:*

41
42 *(a) Two members of the governing body of the county, elected by the governing body*
43 *from among its members, one of whom shall be elected as the chairperson of the value*
44 *adjustment board;*

2017 Value Adjustment Board Training - Module 2

1 (b) One member of the school Board of the county, elected by the school Board from
2 among its members; and

3
4 (c) Two citizen members:

5
6 1. One who owns homestead property in the county appointed by the county's
7 governing body;

8
9 2. One who owns a business that occupies commercial space located within the school
10 district appointed by the school Board of the county. This person must, during the entire
11 course of service, own a commercial enterprise, occupation, profession, or trade
12 conducted from a commercial space located within the school district and need not be
13 the sole owner.

14
15 3. Citizen members must not be:

16
17 a. A member or employee of any taxing authority in this state;

18
19 b. A person who represents property owners, property appraisers, tax collectors, or
20 taxing authorities in any administrative or judicial review of property taxes.

21
22 4. Citizen members shall be appointed in a manner to avoid conflicts of interest or the
23 appearance of conflicts of interest.

24
25 (2)(a) Each elected member of the value adjustment board shall serve on the Board
26 until he or she is replaced by a successor elected by his or her respective governing
27 body or school Board or is no longer a member of the governing body or school Board
28 of the county.

29
30 (b) When an elected member of the value adjustment board ceases being a member of
31 the governing body or school Board whom he or she represents, that governing body or
32 school Board must elect a replacement.

33
34 (c) When the citizen member of the value adjustment board appointed by the governing
35 body of the county is no longer an owner of homestead property within the county, the
36 governing body must appoint a replacement.

37
38 (d) When the citizen member appointed by the school Board is no longer an owner of a
39 business occupying commercial space located within the school district, the school
40 Board must appoint a replacement.

41
42 (3)(a) At the same time that it selects a primary member of the value adjustment board,
43 the governing body or school Board may select an alternate to serve in place of the
44 primary member as needed. The method for selecting alternates is the same as that for
45 selecting the primary members.

46

2017 Value Adjustment Board Training - Module 2

1 *(b) At any time during the value adjustment board process the chair of the county*
2 *governing body or the chair of the school Board may appoint a temporary replacement*
3 *for its elected member of the value adjustment board or for a citizen member it has*
4 *appointed to serve on the value adjustment board.*

5
6 *(4)(a) To have a quorum of the value adjustment board, the members of the Board who*
7 *are present must include at least:*

8
9 *1. One member of the governing body of the county;*

10
11 *2. One member of the school Board; and*

12
13 *3. One of the two citizen members.*

14
15 *(b) The quorum requirements of Section 194.015, F.S., may not be waived by anyone,*
16 *including the petitioner.*

17
18 *(5) The value adjustment board cannot hold its organizational meeting until all members*
19 *of the Board are appointed, even if the number and type of members appointed are*
20 *sufficient to constitute a quorum. If Board legal counsel has not been previously*
21 *appointed for that year, such appointment must be the first order of business.”*

The Role of the Value Adjustment Board

22
23
24
25 The general role of the value adjustment board is to hear appeals filed by petitioners
26 regarding certain determinations of the property appraiser or tax collector.

27
28 The Board may publish fee schedules adopted by the Board. See Rule 12D-9.005(2)(a),
29 F.A.C.

30
31 The Florida Attorney General has recognized that a value adjustment board is a quasi-
32 judicial governmental body that is subject to Florida’s Government-in-the-Sunshine law
33 found in Section 286.011, F.S. See [AGO 2010-15](#).

34
35 * The Board must ensure that all Board meetings are duly noticed under Section
36 286.011, F.S., and are held in accordance with the law. See Rule 12D-9.005(3), F.A.C.

37
38 The Board shall meet not earlier than 30 days and not later than 60 days after the
39 mailing of the notice of proposed property taxes. See Rule 12D-9.005(1)(a), F.A.C.

40
41 * However, no Board hearing shall be held before approval of all or any part of the
42 county’s assessment rolls by the Department of Revenue. See Rule 12D-9.005(1)(a),
43 F.A.C.

44
45 The Board shall meet for the following purposes (See Rule 12D-9.005(1)(a), F.A.C.):
46

2017 Value Adjustment Board Training - Module 2

- 1 1. Hearing petitions relating to assessments filed pursuant to Section 194.011(3), F.S.;
- 2
- 3 2. Hearing complaints relating to homestead exemptions as provided for under Section
- 4 196.151, F.S.;
- 5
- 6 3. Hearing appeals from exemptions denied, or disputes arising from exemptions
- 7 granted, upon the filing of exemption applications under Section 196.011, F.S.; or
- 8
- 9 4. Hearing appeals concerning ad valorem tax deferrals and classifications.

10
11 **Note:** Legislation enacted in 2016, and which was effective July 1, 2016, added that
12 the value adjustment board will meet to hear appeals from determinations that a change
13 of ownership, ownership or control, or a qualifying improvement has occurred. See
14 Chapter 2016-128, Section 10, Laws of Florida (CS/CS/HB 499).

15
16 The Board may not meet earlier than July 1 to hear appeals pertaining to the denial of
17 exemptions, agricultural and high-water recharge classifications, classifications as
18 historic property used for commercial or certain nonprofit purposes, and deferrals. See
19 Rule 12D-9.005(1)(b), F.A.C.

20
21 The Board shall remain in session until its duties are completed concerning all
22 assessment rolls or parts of assessment rolls. See Rule 12D-9.005(1)(c), F.A.C.

23
24 The Board may temporarily recess, but shall reconvene when necessary to hear
25 petitions, complaints, or appeals and disputes filed upon the roll or portion of the roll
26 when approved. See Rule 12D-9.005(1)(c), F.A.C.

27
28 Failure on three occasions in any single tax year for the Board to convene at the
29 scheduled time of meetings of the Board shall constitute grounds for removal from office
30 by the Governor for neglect of duties. See Rule 12D-9.005(5), F.A.C.

31
32 The Board shall make its decisions timely so that the Board clerk may observe the
33 requirement that the decisions be issued within 20 calendar days of the last day the
34 Board is in session pursuant to Section 194.032, F.S. See Rule 12D-9.005(1)(c), F.A.C.

35
36 Boards may have additional internal operating procedures, not rules, which do not
37 conflict with, change, expand, suspend, or negate the rules adopted in this rule chapter
38 or other provisions of law, and only to the extent indispensable for the efficient operation
39 of the Board process. See Rule 12D-9.005(2)(a), F.A.C.

40
41 * These internal operating procedures may include methods for creating the verbatim
42 record, provisions for parking by participants, assignment of hearing rooms,
43 compliance with the Americans with Disabilities Act, and other ministerial type
44 procedures. See Rule 12D-9.005(2)(b), F.A.C.

45

2017 Value Adjustment Board Training - Module 2

1 The Board shall not provide notices or establish a local procedure instructing petitioners
2 to contact the property appraiser's or tax collector's office or any other agency with
3 questions about Board hearings or procedures. See Rule 12D-9.005(2)(c), F.A.C.

4
5 * The Board, Board legal counsel, Board clerk, special magistrate or other Board
6 representative shall not otherwise enlist the property appraiser's or tax collector's
7 office to perform administrative duties for the Board. See Rule 12D-9.005(2)(c), F.A.C.

8
9 * Personnel performing any of the Board's duties shall be independent of the property
10 appraiser's and tax collector's office. See Rule 12D-9.005(2)(c), F.A.C.

11
12 However, Rule 12D-9.005, F.A.C., does not prevent:

- 13
14 1. The Board clerk or personnel performing Board duties from referring petitioners to
15 the property appraiser or tax collector for issues within the responsibility of the
16 property appraiser or tax collector; or
17
18 2. The property appraiser from providing data to assist the Board clerk with the notice
19 of tax impact. See Rule 12D-9.005(2)(c), F.A.C.

20
21 Other duties of value adjustment boards are set forth in other areas of Florida law.
22 Value adjustment boards shall perform all duties required by law and shall abide by all
23 limitations on their authority as provided by law. See Rule 12D-9.005(4), F.A.C.

The Role of the Clerk of the Value Adjustment Board

24
25
26 The clerk of the governing body of the county shall be the clerk of the value adjustment
27 board. See Rule 12D-9.006(1), F.A.C.

28
29
30 The Board clerk may delegate to a member of his or her staff the day-to-day
31 responsibilities for the Board, but is ultimately responsible for the operation of the
32 Board. See Rule 12D-9.006(1), F.A.C.

33
34 It is the Board clerk's responsibility to verify, through Board legal counsel, that the Board
35 has met all of the requirements for the organizational meeting before the Board or
36 special magistrates hold hearings. See Rule 12D-9.007(1), F.A.C.

37
38 * If the Board clerk determines that any of the requirements are not met, he or she
39 shall contact the Board legal counsel or the Board chair regarding the deficiencies
40 and shall cancel any scheduled hearings until the requirements are met. See Rule
41 12D-9.007(1), F.A.C.

42
43 In counties with a population of more than 75,000, the Board clerk shall provide
44 notification annually to qualified individuals or their professional associations of
45 opportunities to serve as special magistrates. See Rule 12D-9.007(7), F.A.C.

2017 Value Adjustment Board Training - Module 2

1 The Board clerk shall make petition forms available to the public upon request. See Rule
2 12D-9.007(2), F.A.C.

3
4 The Board clerk shall receive and acknowledge completed petitions and promptly
5 furnish a copy of all completed and timely filed petitions to the property appraiser or tax
6 collector. See Rule 12D-9.007(3), F.A.C.

7
8 * Alternatively, the property appraiser or the tax collector may obtain the relevant
9 information from the Board clerk electronically. See Rule 12D-9.007(3), F.A.C.

10
11 The Board clerk shall prepare a schedule of appearances before the Board based on
12 petitions timely filed with him or her. See Rule 12D-9.007(4), F.A.C.

13
14 * If the petitioner has indicated on the petition an estimate of the amount of time he or
15 she will need to present and argue the petition, the Board clerk must take this
16 estimate into consideration when scheduling the hearing. See Rule 12D-9.007(4),
17 F.A.C.

18
19 The Board clerk shall schedule hearings to allow sufficient time for evidence to be
20 presented and considered and to allow for hearings to begin at their scheduled time.
21 See Rule 12D-9.007(9), F.A.C.

22
23 * The Board clerk shall advise the Board chair if the Board's tentative schedule for
24 holding hearings is insufficient to allow for proper scheduling. See Rule 12D-9.007(9),
25 F.A.C.

26
27 Under Rule 12D-9.007(5), F.A.C., no less than 25 calendar days before the day of the
28 petitioner's scheduled appearance for the hearing, the Board clerk must:

- 29
30 1. Notify the petitioner of the date and time scheduled for the appearance; and
31
32 2. Simultaneously notify the property appraiser or tax collector.

33
34 Under Rule 12D-9.007(6), F.A.C., if an incomplete petition, which includes a petition not
35 accompanied by the required filing fee, is received within the time required, the Board
36 clerk shall:

- 37
38 1. Notify the petitioner of the incomplete petition; and
39
40 2. Allow the petitioner an opportunity to complete the petition within 10 calendar days
41 from the date the notice of incomplete petition is mailed.

42
43 * The re-filed petition shall be considered timely if completed and filed, including
44 payment of the fee if previously unpaid, within the time frame provided in the
45 Board clerk's notice of incomplete petition. See Rule 12D-9.007(6), F.A.C.

46

2017 Value Adjustment Board Training - Module 2

1 The Board clerk shall ensure public notice of and access to all hearings. See Rule 12D-
2 9.007(8), F.A.C.

3
4 * This public notice shall contain a general description of the locations, dates, and
5 times hearings are being scheduled. See Rule 12D-9.007(8), F.A.C.

6
7 * This public notice requirement may be satisfied by making the notice available on
8 the Board clerk's website. See Rule 12D-9.007(8), F.A.C.

9
10 Hearings must be conducted in facilities that are clearly identified for such purpose and
11 are freely accessible to the public while hearings are being conducted. See Rule 12D-
12 9.007(8), F.A.C.

13
14 * The Board clerk shall assure proper signage to identify the hearing facilities. See
15 Rule 12D-9.007(8), F.A.C.

16
17 The Board clerk shall timely notify the petitioner by first class mail of the Board's
18 decision so that the decision shall be issued within 20 calendar days of the last day the
19 Board is in session pursuant to section 194.032, F.S., and shall otherwise notify the
20 property appraiser or tax collector of the decision. See Rule 12D-9.007(10), F.A.C.

21
22 **Note:** Legislation enacted in 2013 created section 192.048, F.S., to authorize the
23 electronic transmission of Board final decisions under certain conditions when the
24 recipient consents in writing to receive the document electronically, and amended
25 section 194.034(2), F.S., to include electronic transmission if selected by the taxpayer
26 on the originally filed petition. This legislation is effective July 1, 2013. See Chapter 2013-
27 72, Section 2, Laws of Florida (SB 1830).

28
29 In counties using special magistrates, the Board clerk shall also make available to both
30 parties as soon as practicable a copy of the recommended decision of the special
31 magistrate by mail or electronic means. See Rule 12D-9.007(10), F.A.C.

32
33 No party shall have access to decisions prior to any other party. See Rule 12D-9.007(10),
34 F.A.C.

35
36 After the Board has decided all petitions, complaints, appeals and disputes, the Board
37 clerk shall make public notice of the findings and results of the Board in the manner
38 prescribed in Section 194.037, F.S., and by the Department. See Rule 12D-9.007(11),
39 F.A.C.

40
41 Rule 12D-9.007(12), F.A.C., states the following.

42
43 *"The Board clerk is the official record keeper for the Board and shall maintain a record*
44 *of the proceedings which shall consist of:*

45
46 (a) All filed documents;

(b) A verbatim record of any hearing;

(c) All tangible exhibits and documentary evidence presented;

(d) Any meeting minutes; and

(e) Any other documents or materials presented on the record by the parties or by the Board or special magistrate.”

Under Rule 12D-9.007(12), F.A.C., the Board clerk shall maintain the hearing record as follows:

1. For four years after the final decision has been rendered by the Board, if no appeal is filed in circuit court; or
2. For five years if an appeal is filed in circuit court; or
3. If requested by one of the parties, until the final disposition of any subsequent judicial proceeding relating to the property.

The Board clerk shall make available to the public copies of all additional internal operating procedures and forms of the Board or special magistrates described in Rule 12D-9.005, F.A.C., and shall post any such procedures and forms on the Board clerk’s website, if the Board clerk has a website. See Rule 12D-9.007(13), F.A.C.

* These materials shall be consistent with Department rules and forms. See Rule 12D-9.007(13), F.A.C.

* Making materials available on a website is sufficient; however, the Board clerk shall make appropriate provisions for persons that have hardship. See Rule 12D-9.007(13), F.A.C.

The Board clerk shall notify the chief executive officer of each municipality within which petitioned property is located, as provided in Section 193.116, F.S. See Rule 12D-9.007(14), F.A.C.

The Board clerk shall also publish any notice required by Section 196.194, F.S. See Rule 12D-9.007(14), F.A.C.

The Board clerk shall have such other duties as set forth elsewhere in Rule Chapters 12D-9 and 12D-10, F.A.C., and in the Florida Statutes and as assigned by the Board not inconsistent with law. See Rule 12D-9.007(15), F.A.C.

2017 Value Adjustment Board Training - Module 2

1 **Requirements for Appointment of Board Legal Counsel**

2 Each value adjustment board must appoint private legal counsel to assist the Board.
3 See Rule 12D-9.008(1), F.A.C.

4
5 Under Rule 12D-9.008(2), F.A.C., to be appointed as Board legal counsel, an attorney:

- 6
7 1. Must be an attorney in private practice;
- 8
9 2. Must not be employed by government; and
- 10
11 3. Must have practiced law for over five years and must meet the requirements of
12 section 194.015, F.S.

13
14 An attorney may represent more than one value adjustment board. See Rule 12D-
15 9.008(3), F.A.C.

16
17 The private counsel may not represent the property appraiser, the tax collector, any
18 taxing authority, or any property owner in any administrative or judicial review of
19 property taxes. See Section 194.015, F.S.

20
21 * An attorney may represent a Board, even if another member of the attorney's law
22 firm represents one of the parties listed in Section 194.015, F.S., so long as the
23 representation is not before the Board. See Rule 12D-9.008(4), F.A.C.

24
25 The Department has issued two bulletins containing additional information about the
26 qualifications for Board legal counsel. These bulletins are available on the
27 Department's website at the following links:

28
29 <http://floridarevenue.com/property/Documents/bulletin0812.pdf>

30
31 <http://floridarevenue.com/property/Documents/bulletin0818.pdf>

32
33 The Florida Attorney General has issued an opinion regarding the qualifications for
34 Board legal counsel. See AGO [2008-55](#).

35 36 37 **The Role of Legal Counsel to the Value Adjustment Board**

38 Rule 12D-9.009(1), F.A.C., states the following:

39
40 *"The Board legal counsel shall have the responsibilities listed below consistent with the
41 provisions of law.*

- 42
43 (a) *The primary role of the Board legal counsel shall be to advise the Board on all
44 aspects of the value adjustment board review process to ensure that all actions
45 taken by the Board and its appointees meet the requirements of law.*

46

2017 Value Adjustment Board Training - Module 2

- 1 (b) *Board legal counsel shall advise the Board in a manner that will promote and*
2 *maintain a high level of public trust and confidence in the administrative review*
3 *process.*
4
- 5 (c) *The Board legal counsel is not an advocate for either party in a value adjustment*
6 *board proceeding, but instead ensures that the proceedings are fair and consistent*
7 *with the law.*
8
- 9 (d) *Board legal counsel shall advise the Board of the actions necessary for compliance*
10 *with the law.*
11
- 12 (e) *Board legal counsel shall advise the Board regarding:*
13
- 14 1. *Composition and quorum requirements;*
 - 15
 - 16 2. *Statutory training and qualification requirements for special magistrates and*
17 *members of the Board;*
 - 18
 - 19 3. *Legal requirements for recommended decisions and final decisions;*
20
 - 21 4. *Public meeting and open government laws; and*
22
 - 23 5. *Any other duties, responsibilities, actions or requirements of the Board consistent*
24 *with the laws of this state.”*
25

26 Legal counsel must avoid conflicts of interest or the appearance of a conflict of interest
27 in their representation of the Board. See Rule 12D-9.008(5), F.A.C.
28

29 The Board attorney shall review and respond to written complaints alleging
30 noncompliance with the law by the Board, special magistrates, Board clerk, and the
31 parties. See Rule 12D-9.009(1)(f), F.A.C.
32

33 * This requirement does not apply to routine requests for reconsideration, requests for
34 rescheduling, and pleadings and argument in petitions. See Rule 12D-9.009(1)(f),
35 F.A.C.
36

37 * The Board attorney shall send a copy of the complaint along with the response to
38 the Department of Revenue. See Rule 12D-9.009(1)(f), F.A.C.
39

40 Upon being appointed, the Board attorney shall send his or her contact information to
41 the Department of Revenue by mail, fax, or e-mail. See Rule 12D-9.009(2), F.A.C.
42

43 * The contact information must include the legal counsel's name, mailing address,
44 telephone number, fax number, and e-mail address. See Rule 12D-9.009(2), F.A.C.
45

2017 Value Adjustment Board Training - Module 2

The Role of Board Legal Counsel Regarding Applicable Statutory Criteria

It is critical that the Board attorney assure, by the beginning of the hearing, that the Board or special magistrate is aware of and has copies of the statutory criteria that apply to the petition under review.

* In counties that do not use special magistrates, it is especially important for the Board attorney to provide to each Board member, by the beginning of the hearing, copies of the statutory criteria that apply to the petition under review and to clearly answer any questions Board members may have regarding such criteria.

Requirements for Appointment of Special Magistrates

In counties with populations of more than 75,000, the Board shall appoint special magistrates to take testimony and make recommendations on petitions filed with the Board. See Rule 12D-9.010(1), F.A.C.

Special magistrates shall be selected from a list maintained by the Board clerk of qualified individuals who are willing to serve. See Rule 12D-9.010(1), F.A.C.

Rule 12D-9.010(5)(b), F.A.C., requires that the selection of a special magistrate must:

1. Be based solely on the experience and qualifications of the magistrate; and
2. Not be influenced by any party, or prospective party, to a Board proceeding or by any such party with an interest in the outcome of the proceeding.

When appointing special magistrates or scheduling special magistrates for specific hearings, the board, board attorney, and board clerk may not consider the dollar amount or percentage of any assessment reductions any special magistrate has recommended in the current year or in any previous year. See Chapter 2016-128, Section 12, Laws of Florida (CS/CS/HB 499).

In counties with populations of 75,000 or less, the Board shall have the option of using special magistrates. See Rule 12D-9.010(2), F.A.C.

* The Department shall make available to these counties a list of qualified special magistrates. See Rule 12D-9.010(2), F.A.C.

A person does not have to be a resident of the county in which he or she serves as a special magistrate. See Rule 12D-9.010(3), F.A.C.

Rule 12D-9.010(4), F.A.C., states the following:

"The special magistrate must meet the following qualifications:

2017 Value Adjustment Board Training - Module 2

- 1 (a) *A special magistrate must not be an elected or appointed official or employee of the*
2 *county.*
- 3
- 4 (b) *A special magistrate must not be an elected or appointed official or employee of a*
5 *taxing jurisdiction or of the State.*
- 6
- 7 (c) *During a tax year in which a special magistrate serves, he or she must not*
8 *represent any party before the Board in any administrative review of property taxes.*
- 9
- 10 (d) *All special magistrates must meet the qualifications specified in Section 194.035,*
11 *F.S.”*
- 12

13 Rule 12D-9.010(4)(d)1., F.A.C., provides that a special magistrate appointed to hear
14 issues of exemptions, classifications, and portability assessment difference transfers
15 must have met one of the following requirements:

16

- 17 1. Be a member of The Florida Bar with no less than five years of experience in the
18 area of ad valorem taxation and have taken the Department’s training; or
- 19
- 20 2. Be a member of The Florida Bar with no less than three years of experience in the
21 area of ad valorem taxation and have completed the Department’s training including
22 the exam.
- 23

24 Rule 12D-9.010(4)(d)2., F.A.C., provides that a special magistrate appointed to hear
25 petitions regarding the valuation of real estate shall be a state certified real estate
26 appraiser and must have met one of the following requirements:

27

- 28 1. Have not less than five years of real property valuation experience and have taken
29 the Department’s training; or
- 30
- 31 2. Have not less than three years of real property valuation experience and have
32 completed the Department’s training including the exam.
- 33

34 A real property valuation special magistrate must be certified under Chapter 475, Part II,
35 F.S. See Rule 12D-9.010(4)(d)2., F.A.C.

36

- 37 1. A Florida certified residential appraiser appointed by the Board shall only hear
38 petitions on the valuation of residential real property of one to four residential units
39 and shall not hear petitions on other types of real property. See Rule 12D-
40 9.010(4)(d)2.a., F.A.C.
- 41
- 42 2. A Florida certified general appraiser appointed by the Board may hear petitions on
43 the valuation of any type of real property. See Rule 12D-9.010(4)(d)2.b., F.A.C.
- 44

45 Rule 12D-9.010(4)(d)3., F.A.C., provides that a special magistrate appointed to hear
46 petitions regarding the valuation of tangible personal property shall be a designated

2017 Value Adjustment Board Training - Module 2

1 member of a nationally recognized appraiser's organization and must have met one of
2 the following requirements:

- 3
- 4 1. Have not less than five years of experience in tangible personal property valuation
5 and have taken the Department's training; or
- 6
- 7 2. Have not less than three years of experience in tangible personal property valuation
8 and have completed the Department's training including the exam.
- 9

10 All special magistrates shall take or complete an annual training program provided by
11 the Department of Revenue. See Rule 12D-9.010(4)(d)4., F.A.C.

12

13 * Special magistrates with less than five years of experience must show that they
14 have completed the training by taking a written examination provided by the
15 Department. See Rule 12D-9.010(4)(d)4., F.A.C.

16

17 * A special magistrate must take or complete any required training prior to holding
18 hearings. See Rule 12D-9.010(4)(d)4., F.A.C.

19

20 The Board or Board legal counsel must verify a special magistrate's qualifications
21 before appointing the special magistrate. See Rule 12D-9.010(5)(a), F.A.C.

22

23

24 **The Role of Special Magistrates**

25 The Florida Attorney General has recognized that:

- 26
- 27 1. A special magistrate is a quasi-judicial officer who "stands in the shoes" of the Board
28 in carrying out decision-making duties delegated by the Board; and
- 29
- 30 2. The official acts of the special magistrate are subject to Florida's Government-in-the-
31 Sunshine law found in section 286.011, F.S. See Attorney General Opinion [2010-15](#).
- 32

33 Rule 12D-9.011(1), F.A.C., states the following:

34

35 *"The role of the special magistrate is to conduct hearings, take testimony and make*
36 *recommendations to the Board regarding petitions filed before the Board. In carrying out*
37 *these duties the special magistrate shall:*

- 38
- 39 (a) *Accurately and completely preserve all testimony, documents received, and*
40 *evidence admitted for consideration;*
- 41
- 42 (b) *At the request of either party, administer the oath upon the property appraiser or*
43 *tax collector, each petitioner and all witnesses testifying at a hearing;*
- 44
- 45 (c) *Conduct all hearings in accordance with the rules prescribed by the Department*
46 *and the laws of the state; and*

2017 Value Adjustment Board Training - Module 2

1
2 (d) *Make recommendations to the Board which shall include proposed findings of fact,*
3 *proposed conclusions of law, and the reasons for upholding or overturning the*
4 *determination of the property appraiser or tax collector. Also, see Rule 12D-9.030,*
5 *F.A.C.”*
6

7 Special magistrates must adhere to Rule 12D-9.022, F.A.C., relating to disqualification
8 or recusal. See Rule 12D-9.010(5)(b), F.A.C.
9

10 The special magistrate shall perform other duties as set out in the rules of the
11 Department and other areas of Florida law, and shall abide by all limitations on the
12 special magistrate’s authority as provided by law. See Rule 12D-9.011(2), F.A.C.
13
14

15 **The Role of the Property Appraiser**

16 The property appraiser shall assess all property located within the county each year.
17 See Section 192.011, F.S.
18

19 Each year, the property appraiser shall prepare the real property assessment roll and
20 the tangible personal property assessment roll. See Section 193.114, F.S.
21

22 Each year, the property appraiser shall prepare and deliver by first class mail to each
23 taxpayer listed on the current year’s assessment roll a notice of proposed property
24 taxes. See Section 200.069, F.S.
25

26 *“The property appraiser or a member of his or her staff shall confer with the taxpayer*
27 *regarding the correctness of the assessment.”* See Rule 12D-9.002(2), F.A.C.
28

29 The property appraiser shall make available to petitioners the blank petition form
30 adopted or approved by the Department. See section 194.011(3)(a), F.S., and Rule 12D-
31 9.015(5), F.A.C.
32

33 **Note:** Legislative changes have eliminated the requirement for the petitioner to request
34 the property record card and have eliminated any role of the Board clerk in providing the
35 property record card to the petitioner. Current law, section 194.032(2)(a), F.S., requires
36 the property appraiser, regardless of whether the petitioner initiates the evidence
37 exchange, to provide the property record card to the petitioner when the property
38 appraiser receives the petition from the Board clerk, unless the property record card is
39 available online from the property appraiser, in which case the property appraiser must
40 notify the petitioner that the property record card is available online. See Chapter 2013-
41 109, Section 8, Laws of Florida (SB 556), and Chapter 2016-128, Section 10, Laws of Florida
42 (CS/CS/HB 499).
43

44 When requested by a petitioner for purposes of filing a petition, the property appraiser
45 shall provide to the petitioner a determination of whether certain multiple, contiguous,
46 undeveloped parcels are substantially similar in nature. See Rule 12D-9.015(5), F.A.C.

2017 Value Adjustment Board Training - Module 2

1
2 Legislation enacted in 2015 added section 194.011(3)(g), F.S., to provide that an owner
3 of multiple tangible personal property accounts may file with the value adjustment board
4 a single joint petition if the property appraiser determines that the tangible personal
5 property accounts are substantially similar in nature. See Chapter 2015-115, Section 1,
6 Laws of Florida (CS for HB 489).

7
8 When requested by a petitioner for purposes of filing a petition on behalf of association
9 members, the property appraiser shall provide to the petitioner a determination of
10 whether certain multiple real property parcels are substantially similar regarding
11 location, proximity to amenities, number of rooms, living area, and condition. See Rule
12 12D-9.015(5), F.A.C.

13
14 The property appraiser shall not provide information to taxpayers regarding Board
15 hearings or procedures, and shall not perform administrative duties for the Board. See
16 Rule 12D-9.005(2)(c), F.A.C.

17
18 The property appraiser shall not attempt to control or influence any part of the value
19 adjustment board process. See Rule 12D-9.023(1), F.A.C.

20
21 The property appraiser must not attempt to influence the selection of any special
22 magistrate. See Subsection 194.035(1), F.S., and Rule 12D-9.010(5)(b), F.A.C.

23
24 If the property appraiser communicates a reasonable belief that a Board member or
25 special magistrate has a bias, prejudice, or conflict of interest, the basis for that belief
26 shall be stated in the record of the proceeding or submitted prior to the hearing in writing
27 to the Board legal counsel. See Rule 12D-9.022(4)(a), F.A.C.

28
29 The property appraiser must avoid ex parte communication. See Rules 12D-9.017(1)(a)
30 and 12D-9.029(8)(b), F.A.C.

31
32 No later than seven (7) days before the hearing, if the property appraiser receives the
33 petitioner's documentation and if requested in writing by the petitioner, the property
34 appraiser shall:

35
36 1. Provide the petitioner with a list and summary of evidence to be presented at the
37 hearing accompanied by copies of documentation to be presented by the property
38 appraiser at the hearing;

39
40 2. *Include in the evidence list the property record card; and*

41
42 3. In calculating the seven (7) days, use calendar days and not include the day of the
43 hearing in the calculation, and count backwards from the day of the hearing. See
44 Rule 12D-9.020(2)(c), F.A.C.

45

2017 Value Adjustment Board Training - Module 2

1 After the opening of a hearing, the property appraiser shall indicate for the record his or
2 her determination of value, tax exemption, property classification, or “portability”
3 assessment difference. See Rule 12D-9.024(7), F.A.C.

4
5 Under Subsection 194.301(1), F.S., in a hearing on just, classified use, or assessed
6 value, the property appraiser shall present evidence first. See Rule 12D-9.024(7), F.A.C.

7
8 In the Board or special magistrate hearing, the property appraiser is responsible for
9 presenting relevant and credible evidence in support of his or her determination. See
10 Rule 12D-9.025(3)(a), F.A.C.

11
12 A property appraiser shall not present undisclosed evidence that was not supplied to the
13 petitioner as required under the evidence exchange rule, Rule 12D-9.020, F.A.C. See
14 Rules 12D-9.020(7) and 12D-9.025(4)(f)2., F.A.C.

15
16 After receiving a Board or special magistrate’s remand decision from the Board clerk,
17 the property appraiser shall follow the appropriate directions from the Board or special
18 magistrate and shall produce a written remand review. See Rule 12D-9.029(8)(a), F.A.C.

19
20 The property appraiser may provide data to assist the Board clerk with the notice of tax
21 impact. See Rules 12D-9.005(2)(c) and 12D-9.038(1), F.A.C.

22
23 When delivered by the Board, the property appraiser shall attach a copy of the Board’s
24 certification of the assessment roll to each copy of each assessment roll prepared by
25 the property appraiser. See Rule 12D-9.037(1)(b), F.A.C.

26
27 Other responsibilities of Florida property appraisers are set forth in Florida law.
28
29

The Role of the Petitioner

30
31 The petitioner is responsible for completing the applicable petition form in accordance
32 with 2016 legislative amendments referenced in the following note. The updated petition
33 forms in the Form DR-486 series are available at:

34 <http://floridarevenue.com/property/Pages/Forms.aspx#ui-id-21>

35
36 **Note:** The requirements for filing petitions have been amended by 2016 legislation.
37 Some of the requirements of Rules 12D-9.015(2) and (9), F.A.C. have been superseded
38 by the 2016 legislation. Also, section 194.034, F.S., was amended to specify who may
39 represent petitioners before the board. See Chapter 2016-128, Sections 10 and 11, Laws of
40 Florida (CS/CS/HB 499).

41
42 The petitioner is responsible for paying the appropriate filing fee if required. See Rule
43 12D-9.015(9)(b), F.A.C.

44
45 The petitioner is responsible for timely filing the petition form in accordance with the
46 requirements of Rule 12D-9.015(10), F.A.C.; or

2017 Value Adjustment Board Training - Module 2

- 1
- 2 * When a petitioner wishes to file a late-filed petition, the petitioner is responsible for
- 3 demonstrating in writing “good cause” that justifies the late-filed petition, in
- 4 accordance with Rule 12D-9.015(11), F.A.C.
- 5
- 6 The petitioner must avoid ex parte communication as described in Rule 12D-
- 7 9.017(1)(a), F.A.C.
- 8
- 9 The petitioner must not influence the selection of any special magistrate. See Rule 12D-
- 10 9.010(5)(b), F.A.C.
- 11
- 12 For petitions other than those challenging a portability assessment difference, if the
- 13 petitioner does not wish to appear at the hearing but would like for the Board or special
- 14 magistrate to consider his or her evidence, the petitioner is responsible for indicating
- 15 this desire to the Board clerk and for submitting his or her evidence to the Board clerk
- 16 and the property appraiser before the hearing. See Rule 12D-9.024(9), F.A.C.
- 17
- 18 Other aspects of the petitioner’s role in the value adjustment board process are
- 19 specified in Rule Chapter 12D-9, F.A.C.

26
27

Training Module 3 addresses the following topics:

- Avoiding Conflicts of Interest
- Organizational Meeting of the Value Adjustment Board
- Prehearing Checklist for the Value Adjustment Board
- Requirements for Petition Form and Filing Fee
- Procedures for Late Filed Petitions
- Acknowledgement of Timely Filed Petitions
- Requirements for Filing and Service of Documents
- Prohibition of Ex Parte Communication
- Representation of the Taxpayer
- Procedures for Scheduling Hearings
- Procedures for Notifying the Parties of the Scheduled Hearing
- Procedures for Rescheduling Hearings
- Procedures for the Exchange of Evidence
- Petitions Withdrawn, Settled, or Acknowledged as Correct
- Non-Appearance and Summary Disposition of Petitions
- Legislation Affecting Certain Board Petitions

Learning Objectives

After completing this training module, the learner should be able to:

- Identify and avoid conflicts of interest
- Recognize the requirements for the Board organizational meeting under Rule 12D-9.013(1), F.A.C.,
- Identify the components of the Board's prehearing checklist
- Select the correct components for a completed petition form
- Recognize the requirements and procedures for a late filed petition
- Identify the requirements for the filing and service of documents
- Recognize ex parte communication and its remedies
- Identify the procedures and requirements for scheduling hearings
- Select the correct elements for a notice of hearing
- Recognize the conditions for rescheduling hearings
- Recognize the procedures for the exchange of evidence
- Identify the correct procedure for handling withdrawn or settled petitions
- Recognize the conditions for a summary disposition of a petition
- Identify the conditions under which a written decision must be produced

2017 Value Adjustment Board Training - Module 3

1 **Avoiding Conflicts of Interest**

2 Citizen members of the Board shall be appointed in a manner to avoid conflicts of
3 interest or the appearance of conflicts of interest. See Rule 12D-9.004(1)(c)4., F.A.C.

4
5 Legal counsel must avoid conflicts of interest or the appearance of a conflict of interest
6 in their representation of the Board. See Rule 12D-9.008(5), F.A.C.

7
8 During a tax year in which a special magistrate serves, he or she must not represent
9 any party before the Board in any administrative review of property taxes. See Rule 12D-
10 9.010(4)(c), F.A.C.

11
12 Board members and special magistrates must conduct themselves in a manner that
13 promotes and maintains a high level of public trust in the fairness of the Board process.

14
15 Board members and special magistrates must avoid conflicts of interest or the
16 appearance of a conflict of interest in their respective roles as a quasi-judicial hearing
17 body and quasi-judicial hearing officers.

18
19 The Board clerk shall perform his or her duties in a manner to avoid the appearance of
20 a conflict of interest. See Rule 12D-9.023(1), F.A.C.

21
22 * Hearing rooms, office space, computer systems, personnel, and other resources
23 used for any of the Board's functions shall be controlled by the Board through the
24 Board clerk. See Rule 12D-9.023(1), F.A.C.

25
26 * The Board clerk shall not use the resources of the property appraiser's or tax
27 collector's office and shall not allow the property appraiser or tax collector to control
28 or influence any part of the value adjustment board process. See Rule 12D-9.023(1),
29 F.A.C.

30 31 **Code of Judicial Conduct and Related Information**

32 The information below is intended to assist Boards, Board attorneys, and special
33 magistrates with avoiding ex parte communication and avoiding an actual or apparent
34 conflict of interest in their quasi-judicial roles in administrative reviews of assessments.

35
36 Given their quasi-judicial roles, Boards, Board attorneys, and special magistrates should
37 review and, where applicable, use relevant parts of the Code of Judicial Conduct as a
38 guide for their own conduct.

39
40 * While is no legal requirement that Boards, Board attorneys, or special magistrates
41 adhere to the Code of Judicial Conduct, relevant parts of this code can be used to
42 help promote a high level of public trust in the value adjustment board process.

43
44 * The [Code of Judicial Conduct](#) is published on the Florida Supreme Court's website.

45

2017 Value Adjustment Board Training - Module 3

1 The Judicial Ethics Benchguide contains information on the Code of Judicial Conduct,
2 advisory opinions of the Judicial Ethics Advisory Committee, and Florida Supreme Court
3 opinions involving judicial discipline.

4
5 * Boards, Board attorneys, and special magistrates should review and consider the
6 relevant information in the [Judicial Ethics Benchguide](#).

7
8 * NOTE: As used in the Judicial Ethics Benchguide (for example, see pages xix and
9 178), the term "special magistrate" refers to those appointed by an Article V (Florida
10 Constitution) court in a judicial proceeding and does not refer to the special
11 magistrates appointed under section 194.035, F.S.

12
13 Boards, Board attorneys, and special magistrates should review and consider an
14 opinion of the Judicial Ethics Advisory Committee (JEAC) cautioning that a judge should
15 not accept as Facebook "friends" attorneys who may appear before the judge.

16
17 * This [JEAC Opinion Number 2010-06](#) was issued March 26, 2010.

18
19 Boards, Board attorneys, and special magistrates should also review and consider
20 [JEAC Opinion Number 2001-02](#) (issued February 19, 2001), which disapproved a
21 judge's participation in an email forum where issues that could be brought before the
22 judge are discussed by those who could appear before the judge.

23
24 Boards, Board attorneys, and special magistrates should also review and consider
25 Florida Attorney General Opinion [AGO 2008-65](#).

26
27 * In this opinion, the Attorney General recognized that discussions via electronic
28 bulletin boards are meetings subject to notices and public access under the
29 Sunshine Laws of this state.

30
31 The information above is not intended to impede professional networking activities that
32 do not result in ex parte communication or an actual or apparent conflict of interest by
33 Boards, Board attorneys, or special magistrates in their quasi-judicial roles.

34
35 More information on avoiding conflicts of interest is presented in Module 4 under the
36 section titled "Disqualification or Recusal of Special Magistrates or Board Members".
37

Organizational Meeting of the Value Adjustment Board

38
39 The Board shall annually hold one or more organizational meetings, at least one of
40 which shall meet the requirements of Rule 12D-9.013, F.A.C.

41
42
43 * The Board shall hold this organizational meeting prior to the holding of Board
44 hearings. See Rule 12D-9.013(1), F.A.C.
45

2017 Value Adjustment Board Training - Module 3

- 1 * The Board shall announce its tentative schedule, taking into consideration the
2 number of petitions filed, the possible need to reschedule, and the requirement that
3 the Board stay in session until all petitions have been heard. See Rule 12D-9.013(2),
4 F.A.C.
5
- 6 The Board shall provide reasonable notice of each organizational meeting and such
7 notice shall include the date, time, location, purpose of the meeting, and information
8 required by Section 286.0105, F.S. See Rule 12D-9.013(1), F.A.C.
9
- 10 Rule 12D-9.013(1), F.A.C., requires the Board to do the following 12 items at one of its
11 organizational meetings.
12
- 13 1. Introduce the members of the Board and provide contact information;
14
 - 15 2. Introduce the Board clerk or any designee of the Board clerk and provide the Board
16 clerk's contact information;
17
 - 18 3. Appoint or ratify the private Board legal counsel. At the meeting at which Board legal
19 counsel is appointed, this item shall be the first order of business;
20
 - 21 4. Appoint or ratify special magistrates, if the Board will be using them for that year;
22
 - 23 5. Make available to the public, special magistrates, and Board members, Rule
24 Chapter 12D-9, F.A.C., containing the uniform rules of procedure for hearings before
25 value adjustment boards and special magistrates (if applicable), and the associated
26 forms that have been adopted by the Department;
27
 - 28 6. Make available to the public, special magistrates, and Board members, Rule
29 Chapter 12D-10, F.A.C., containing the rules applicable to the requirements for
30 hearings and decisions;
31
 - 32 7. Make available to the public, special magistrates and Board members the
33 requirements of Florida's Government in the Sunshine / open government laws
34 including information on where to obtain the current Government-In-The-Sunshine
35 manual;
36
 - 37 8. Discuss, take testimony on and adopt or ratify with any required revision or
38 amendment any local administrative procedures and forms of the Board.
39
 - 40 a) Such procedures must be ministerial in nature and not be inconsistent with
41 governing statutes, case law, attorney general opinions or rules of the
42 Department.
43
 - 44 b) All local administrative procedures and forms of the Board or special magistrates
45 shall be made available to the public and shall be accessible on the Board clerk's
46 website, if any;

2017 Value Adjustment Board Training - Module 3

- 1
2 9. Discuss general information on Florida's property tax system, respective roles within
3 this system, taxpayer opportunities to participate in the system, and property
4 taxpayer rights;
- 5
6 10. Make available to the public, special magistrates and Board members, Rules 12D-
7 51.001, 51.002, 51.003, F.A.C., and Chapters 192 through 195, F.S., as reference
8 information containing the guidelines and statutes applicable to assessments and
9 assessment administration;
- 10
11 11. Adopt or ratify by resolution any filing fee for petitions for that year, in an amount
12 not to exceed \$15; and
- 13
14 12. For purposes of this rule, making available to the public means, in addition to
15 having copies at the meeting, the Board may refer to a website containing copies of
16 such documents.

17
18 The Board may hold additional meetings for the purpose of addressing administrative
19 matters. See Rule 12D-9.013(3), F.A.C.

20 21 22 **Prehearing Checklist for the Value Adjustment Board**

23 The entire text of Rule 12D-9.014, F.A.C., titled "Prehearing Checklist", is presented
24 below in italics.

25
26 *"(1) The Board clerk shall not allow the holding of scheduled hearings until the Board
27 legal counsel has verified that all requirements in Chapter 194, F.S., and department
28 rules, were met as follows:*

29
30 *(a) The composition of the Board is as provided by law;*

31
32 *(b) Board legal counsel has been appointed as provided by law;*

33
34 *(c) Board legal counsel meets the requirements of Section 194.015, F.S.;*

35
36 *(d) No Board members represent other government entities or taxpayers in any
37 administrative or judicial review of property taxes, and citizen members are not
38 members or employees of a taxing authority, during their membership on the Board;*

39
40 *(e) In a county that does not use special magistrates, either all Board members have
41 received the department's training or Board legal counsel has received the department's
42 training;*

43
44 *(f) The organizational meeting, as well as any other Board meetings, will be or were
45 noticed in accordance with Section 286.011, F.S., and will be or were held in
46 accordance with law;*

2017 Value Adjustment Board Training - Module 3

1
2 *(g) The department's uniform value adjustment board procedures, consisting of this rule*
3 *chapter, were made available at the organizational meeting and copies were provided to*
4 *special magistrates and Board members;*

5
6 *(h) The department's uniform policies and procedures manual is available on the*
7 *existing website of the Board clerk, if the Board clerk has a website;*

8
9 *(i) The qualifications of special magistrates were verified, including that special*
10 *magistrates received the department's training, and that special magistrates with less*
11 *than five years of required experience successfully completed the department's training*
12 *including any updated modules and an examination, and were certified;*

13
14 *(j) The selection of special magistrates was based solely on proper experience and*
15 *qualifications and neither the property appraiser nor any petitioners influenced the*
16 *selection of special magistrates. This provision does not prohibit the Board from*
17 *considering any written complaint filed with respect to a special magistrate by any party*
18 *or citizen;*

19
20 *(k) All procedures and forms of the Board or special magistrate are in compliance with*
21 *Chapter 194, F.S., and this rule chapter;*

22
23 *(l) The Board is otherwise in compliance with Chapter 194, F.S., and this rule chapter;*
24 *and*

25
26 *(m) Notice has been given to the chief executive officer of each municipality as provided*
27 *in Section 193.116, F.S.*

28
29 *(2) The Board clerk shall notify the Board legal counsel and the Board chair of any*
30 *action needed to comply with subsection (1)."*

Requirements for Petition Form and Filing Fee

31
32
33 For the purpose of requesting a hearing before the Board, the Department prescribes
34 the Form DR-486 series. See Rule 12D-9.015(1)(a), F.A.C.

35
36
37 * These forms are available on the Department's website at the following link:
38 <http://floridarevenue.com/property/Pages/Forms.aspx#ui-id-21>

39
40 * The Department, the Board clerk, and the property appraiser or tax collector shall
41 make available to petitioners the blank petition forms adopted or approved by the
42 Department. See Rule 12D-9.015(5), F.A.C.

43
44 * Current and up-to-date petition forms must be used.
45

2017 Value Adjustment Board Training - Module 3

1 A “completed” petition is one that provides information for all the required elements that
2 are displayed on the Department’s form, and is accompanied by the appropriate filing
3 fee if required. See Rules 12D-9.015(9)(b) and 12D-9.015(2) F.A.C.

4
5 Under Rule 12D-9.015(2), F.A.C., petition forms must contain the following elements so
6 that when filed with the Board clerk the form will be considered a “completed” petition as
7 indicated below:

- 8
9 1. Describe the property by parcel number;
- 10
11 2. Be sworn by the petitioner;
- 12
13 3. State the approximate time anticipated by the petitioner for presenting his or her
14 case, which the Board clerk must consider in scheduling the hearing; and contain a
15 space for the petitioner to indicate dates of non-availability for scheduling purposes if
16 applicable;
- 17
18 4. Contain a space for the petitioner to indicate on the petition form that he or she does
19 not wish to attend the hearing but would like for the Board or special magistrate to
20 consider the petitioner’s evidence without the petitioner attending the hearing;
- 21
22 5. Contain a statement that the petitioner has the right, regardless of whether the
23 petitioner initiates the evidence exchange, to receive from the property appraiser a
24 copy of the property record card containing information relevant to the computation
25 of the current assessment, with confidential information redacted, along with a
26 statement that when the property appraiser receives the petition, the property
27 appraiser will either send the property record card to the petitioner or notify the
28 petitioner how to obtain the property record card online.
- 29
30 6. Contain a signature field to be signed by the taxpayer, or if the taxpayer is a legal
31 entity, signed by the employee of the legal entity with authority to file such petitions;
- 32
33 * Contain a signature field to be signed by an authorized agent. If the authorized
34 agent is subject to licensure as described in Rule 12D-9.018, F.A.C., a space is
35 needed to provide identification of the licensing body and license number;
- 36
37 * If the authorized agent is not subject to licensure, for example a family member,
38 a space is needed to indicate that the petition is accompanied by a written
39 authorization of the taxpayer if not otherwise signed by the taxpayer;
- 40

41 **Note:** 2016 legislation has provided specific requirements for representatives of
42 petitioners before the board, in sections 194.011(3) and 194.034(1), F.S. See Chapter
43 2016-128, Sections 8 and 11, Laws of Florida (CS/CS/HB 499).

2017 Value Adjustment Board Training - Module 3

1 7. A space for the petitioner to indicate whether the property is four or less residential
2 units or another property type, provided the Board clerk shall accept the petition
3 even if this space is not filled in; and
4

5 8. A statement that a tangible personal property assessment may not be contested
6 until a return required by section 193.052, F.S., is filed.
7

8 The petition form shall provide notice to the petitioner that the person signing the
9 petition becomes the agent of the taxpayer for the purpose of serving process to obtain
10 personal jurisdiction over the taxpayer for the entire Board proceeding, including any
11 appeals to circuit court of a Board decision by the property appraiser or tax collector.
12 See Rule 12D-9.015(3), F.A.C.
13

14 The petition form shall provide notice to the petitioner of his or her right to an informal
15 conference with the property appraiser and that this conference is not a prerequisite to
16 filing a petition nor does it alter the time frame for filing a timely petition. See Rule 12D-
17 9.015(4), F.A.C.
18

19 If the taxpayer or agent's name, address, telephone, or similar contact information on
20 the petition changes after filing the petition, the taxpayer or agent shall notify the Board
21 clerk in writing. See Rule 12D-9.015(6), F.A.C.
22

23 The Board clerk shall accept for filing any completed petition that is timely submitted on
24 a form approved by the Department, with payment if required. See Rule 12D-9.015(9)(a),
25 F.A.C.
26

27 *The Board clerk shall rely on the licensure information provided by a licensed agent, or*
28 *written authorization provided by an unlicensed agent, in accepting the petition. See Rule*
29 *12D-9.015(9)(c), F.A.C.*
30

31 **Note:** The rule text shown in red italics above has been superseded by legislation
32 enacted in 2016 and which was effective July 1, 2016. This legislation requires that the
33 taxpayer must sign a petition to the value adjustment board or the taxpayer's written
34 authorization or power of attorney must accompany the petition at the time of filing
35 unless the person filing the petition is listed in s. 194.034(1)(a), F.S. A person listed in s.
36 194.034(1)(a), F.S., may file a petition with a value adjustment board without the
37 taxpayer's signature or written authorization by certifying under penalty of perjury that
38 he or she has authorization to file the petition on the taxpayer's behalf. If a taxpayer
39 notifies the value adjustment board that someone has filed a petition for the taxpayer's
40 property without his or her consent, the value adjustment board may require the person
41 filing the petition to provide written authorization from the taxpayer authorizing the
42 person to proceed with the appeal before a hearing is held. If the value adjustment
43 board finds that a person listed in s. 194.034(1)(a), F.S., willfully and knowingly filed a
44 petition that the taxpayer did not authorize, the value adjustment board must require the
45 person to provide the taxpayer's written authorization for representation to the value
46 adjustment board clerk before any petition filed by that person is heard. The taxpayer's

2017 Value Adjustment Board Training - Module 3

1 written authorization for representation is valid for one assessment year, and a new
2 power of attorney or written authorization by the taxpayer is required for each
3 subsequent assessment year. This section does not authorize the individual, agent, or
4 legal entity to receive or access the taxpayer's confidential information without written
5 authorization from the taxpayer. See Chapter 2016-128, Section 8, Laws of Florida
6 (CS/CS/HB 499).

7
8 If an incomplete petition is received, the Board clerk shall notify the petitioner and give
9 the petitioner an opportunity to complete and re-file the petition within 10 calendar days
10 from the date the notice of incomplete petition is mailed. See Rules 12D-9.007(6) and 12D-
11 9.015(9)(a), F.A.C.

12
13 * A completed petition shall be considered timely if completed and re-filed within the
14 time frame provided in the Board clerk's notice of incomplete petition. See Rule 12D-
15 9.015(9)(a), F.A.C.

16
17 Petitions related to valuation issues may be filed at any time during the taxable year but
18 must be filed on or before the 25th day following the mailing of the notice of proposed
19 property taxes. See Rule 12D-9.015(10), F.A.C.

20
21 * Filing timeframes for other types of petitions are specified in Rule 12D-9.015(10),
22 F.A.C.

23
24 To petition either a denial of a portability assessment limitation transfer or the amount of
25 the transfer, a petitioner may file, on Form DR-486PORT, a petition with the Board in
26 the county where the new homestead is located. See Rule 12D-9.028(2), F.A.C.

27
28 * This portability petition may be filed at any time during the taxable year but must be
29 filed on or before the 25th day following the mailing of the notice of proposed
30 property taxes as provided in section 194.011, F.S. See Rule 12D-9.028(2), F.A.C.

31 32 33 **Procedures for Late Filed Petitions**

34 The Board may not extend the time for filing a petition. See Rule 12D-9.015(11)(a), F.A.C.

35
36 The Board is not authorized to set and publish a deadline for late filed petitions. See
37 Rule 12D-9.015(11)(a), F.A.C.

38
39 However, the failure to meet the statutory deadline for filing a petition to the Board does
40 not prevent consideration of such a petition by the Board or special magistrate when the
41 Board or Board designee determines that:

- 42
43 1. That the petitioner has demonstrated "good cause" justifying consideration of the
44 petition; and
45

2017 Value Adjustment Board Training - Module 3

1 2. The delay will not, in fact, be harmful to the performance of Board functions in the
2 taxing process. See Rule 12D-9.015(11)(a), F.A.C.

3
4 Under Rule 12D-9.015(11)(a), F.A.C., “Good cause” means the verifiable showing of
5 extraordinary circumstances, as follows:

- 6
7 1. Personal, family, or business crisis or emergency at a critical time or for an extended
8 period of time that would cause a reasonable person’s attention to be diverted from
9 filing; or
10
11 2. Physical or mental illness, infirmity, or disability that would reasonably affect the
12 petitioner’s ability to timely file; or
13
14 3. Miscommunication with, or misinformation received from, the Board clerk, property
15 appraiser, or their staff regarding the necessity or the proper procedure for filing that
16 would cause a reasonable person’s attention to be diverted from timely filing; or
17
18 4. Any other cause beyond the control of the petitioner that would prevent a reasonably
19 prudent petitioner from timely filing.
20

21 The Board clerk shall accept but not schedule for hearing a petition submitted to the
22 Board after the statutory deadline has expired. See Rule 12D-9.015(11)(b), F.A.C.

23
24 * The Board clerk shall submit the petition to the Board or Board designee for good
25 cause consideration if the petition is accompanied by a written explanation for the
26 delay in filing. See Rule 12D-9.015(11)(b), F.A.C.

27
28 * Unless scheduled together or by the same notice, the decision regarding good
29 cause for late filing of the petition must be made before a hearing is scheduled, and
30 the parties shall be notified of this decision. See Rule 12D-9.015(11)(b), F.A.C.

31
32 The Board clerk shall forward a copy of completed but untimely filed petitions to the
33 property appraiser or tax collector at the time they are received or upon the
34 determination of good cause. See Rule 12D-9.015(11)(c), F.A.C.

35
36 The Board is authorized to, but need not, require good cause hearings before good
37 cause determinations are made. See Rule 12D-9.015(11)(d), F.A.C.

38
39 * The Board or a Board designee, which includes the Board legal counsel or a special
40 magistrate, shall determine whether the petitioner has demonstrated, in writing, good
41 cause justifying consideration of the petition. See Rule 12D-9.015(11)(d), F.A.C.

42
43 * If the Board or a Board designee determines that the petitioner has demonstrated
44 good cause, the Board clerk shall accept the petition for filing and so notify the
45 petitioner and the property appraiser or the tax collector. See Rule 12D-9.015(11)(d),
46 F.A.C.

2017 Value Adjustment Board Training - Module 3

1
2 * If the Board or a Board designee determines that the petitioner has not
3 demonstrated good cause, or if the petition is not accompanied by a written
4 explanation for the delay in filing, the Board clerk shall notify the petitioner and the
5 property appraiser or tax collector. See Rule 12D-9.015(11)(e), F.A.C.
6

7 A person who files a petition may timely file an action in circuit court to preserve the
8 right to proceed in circuit court (See sections 193.155(8)(l), 194.036, 194.171(2), and
9 196.151, F.S.). See Rule 12D-9.015(11)(f), F.A.C.
10

Acknowledgement of Timely Filed Petitions

11
12 The Board clerk shall accept all completed petitions, as defined by statute and Rule
13 12D-9.015(2), F.A.C. See Rule 12D-9.015(12), F.A.C.
14

15
16 Upon receipt of a completed and filed petition, the Board clerk shall provide to the
17 petitioner an acknowledgment of receipt of this petition and shall provide to the property
18 appraiser or tax collector a copy of the petition. See Rule 12D-9.015(12), F.A.C.
19

20 The Board clerk shall send the notice of hearing so that it will be received by the
21 petitioner no less than twenty-five (25) calendar days prior to the day of the scheduled
22 hearing. See Rule 12D-9.015(13), F.A.C.
23

24 * The Board clerk will have prima facie complied with the requirements of this section
25 if the notice was deposited in the U.S. mail thirty (30) days prior to the day of such
26 scheduled appearance. See Rule 12D-9.015(13), F.A.C.
27
28

Requirements for Filing and Service of Documents

29 In construing these rules or any order of the Board, special magistrate, or a Board
30 designee, filing shall mean received by the Board clerk during open hours or by the
31 Board, special magistrate, or a Board designee during a meeting or hearing. See Rule
32 12D-9.016(1), F.A.C.
33

34
35 Any hand-delivered or mailed document received by the office of the Board clerk, after
36 close of business as determined by the Board clerk, shall be considered as filed the
37 next regular business day. See Rule 12D-9.016(2)(a), F.A.C.
38

39 If the Board clerk accepts documents filed by FAX or other electronic transmission,
40 documents received on or after 11:59:59 P.M. of the day they are due shall be
41 considered as filed the next regular business day. See Rule 12D-9.016(2)(b), F.A.C.
42

43 If the Board and the Board clerk have the necessary electronic resources and no party
44 is prejudiced, any document that is required to be filed, served, provided, or made
45 available may be filed, served, provided, or made available electronically. See Rule 12D-
46 9.016(2)(c), F.A.C.

2017 Value Adjustment Board Training - Module 3

1
2 **Note:** Legislation enacted in 2013 created section 192.048, F.S., to authorize the
3 electronic transmission of Board final decisions under certain conditions when the
4 recipient consents in writing to receive the document electronically, and amended
5 section 194.034(2), F.S., to include electronic transmission if selected by the taxpayer
6 on the originally filed petition. This legislation is effective July 1, 2013. See Chapter 2013-
7 72, Section 2, Laws of Florida (SB 1830).

8
9 Any party who elects to file any document by FAX or other electronic transmission shall
10 be responsible for any delay, disruption, or interruption of the electronic signals and
11 accepts the full risk that the document may not be properly filed with the Board clerk as
12 a result. See Rule 12D-9.016(4), F.A.C.

13
14 Local procedure may supersede provisions regarding the number of copies that must be
15 provided. See Rule 12D-9.016(2)(d), F.A.C.

16
17 When a party files a document with the Board, other than the petition, that party shall
18 serve copies of the document to all parties in the proceeding. See Rule 12D-9.016(3),
19 F.A.C.

20
21 Under Rule 12D-9.016(3), F.A.C., when a document is filed that does not clearly
22 indicate it has been provided to the other party, then the Board clerk, Board legal
23 counsel, Board members and special magistrates shall:

- 24
25 1. Inform the filing party of the requirement to provide a copy of the document to the
26 other party; or
27
28 2. Shall exercise care to ensure that a copy is provided to the other party and that no
29 ex parte communication occurs.
30

31 **Prohibition of Ex Parte Communication**

32 A participant shall not communicate with a Board member or the special magistrate
33 regarding the issues in the petition without:
34

- 35
36 1. The other party being present; or
37
38 2. Providing a copy of any written communication to the other party. See Rule 12D-
39 9.017(1)(a), F.A.C.
40

41 * In this context, "participant" includes the petitioner, the property appraiser, the Board
42 clerk, the special magistrate, a Board member, any other person directly or indirectly
43 interested in the proceeding, and anyone authorized to act on behalf of any party.
44

2017 Value Adjustment Board Training - Module 3

1 * This rule shall not prohibit internal communications among the Board clerk, Board,
2 special magistrates, and Board legal counsel, regarding internal operations of the
3 Board and other administrative matters. See Rule 12D-9.017(1)(b), F.A.C.

4
5 * The special magistrate is specifically authorized to communicate with the Board's
6 legal counsel or Board clerk on legal matters or other issues regarding a petition.
7 See Rule 12D-9.017(1)(b), F.A.C.

8
9 A Board member or special magistrate shall immediately place on the record any
10 attempt by the property appraiser, tax collector, taxpayer, or taxpayer's agent to provide
11 information or discuss issues, without the presence of the opposing party, with the
12 Board member or special magistrate regarding a petition before or after the hearing.
13 See Rule 12D-9.017(2), F.A.C.

14
15 Under Rule 12D-9.017(3), F.A.C., the Board or the special magistrate shall not consider
16 the ex parte communication unless each of the following three elements is true:

- 17 1. All parties have been notified about the ex parte communication;
- 18 2. No party objects to consideration of the communication; and
- 19 3. All parties have an opportunity during the hearing to cross-examine, object, or
20 otherwise address the communication.
21
22
23
24
25

Representation of the Taxpayer

26
27 *A taxpayer has the right, at the taxpayer's own expense, to be represented by an*
28 *attorney or by an agent. See Rule 12D-9.018(1), F.A.C.*

29
30 *The individual, agent, or legal entity that signs the petition becomes the agent of the*
31 *taxpayer for the purpose of serving process to obtain jurisdiction over the taxpayer for*
32 *the entire Board proceedings, including any appeals of a Board decision by the property*
33 *appraiser or tax collector. See Rule 12D-9.018(2), F.A.C.*

34
35 *The agent need not be a licensed individual or person with specific qualifications and*
36 *may be any person, including a family member, authorized by the taxpayer to represent*
37 *the taxpayer before the Board. See Rule 12D-9.018(3), F.A.C.*

38
39 *A petition filed by an unlicensed agent must also be signed by the taxpayer or*
40 *accompanied by a written authorization from the taxpayer. See Rule 12D-9.018(4), F.A.C.*

41
42 *As used in this rule chapter, the term "licensed" refers to holding a license or*
43 *certification under Chapter 475, Part I or Part II, F.S., being a Florida certified public*
44 *accountant under Chapter 473, F.S., or membership in the Florida Bar. See Rule 12D-*
45 *9.018(5), F.A.C.*

46

2017 Value Adjustment Board Training - Module 3

1 When duplicate petitions are filed on the same property, the Board clerk shall contact
2 the property owner and all petitioners to resolve the issue. See Rule 12D-9.018(6), F.A.C.

3
4 *The Board clerk may require the use of an agent number to facilitate scheduling of*
5 *hearings as long as such use is not inconsistent with the Department's rules. See Rule*
6 *12D-9.018(7), F.A.C.*

7
8 **Note:** The rule text shown in red italics above has been superseded by legislation
9 enacted in 2016, effective July 1, 2016. This legislation provided that the taxpayer's
10 employee or an employee of an affiliated entity, an attorney who is a member of The
11 Florida Bar, a real estate appraiser licensed under Ch. 475, F.S., a real estate broker
12 licensed under Ch. 475, F.S., or a certified public accountant licensed under Ch. 473,
13 F.S., whom the taxpayer retains may represent the petitioner. This person may present
14 testimony and other evidence.

15
16 A person with a power of attorney to act on the taxpayer's behalf may also represent the
17 petitioner. This person may present testimony and other evidence. The power of
18 attorney must conform to the requirements of part II of Ch. 709, F.S., is valid only to
19 represent a single petitioner in a single assessment year, and must identify the parcels
20 for which the taxpayer has granted the person the authority to represent the taxpayer.
21 The Department of Revenue must adopt a form that meets the requirements of this
22 paragraph. However, a petitioner is not required to use the department's form to grant
23 the power of attorney.

24
25 A person who has written authorization to act on the taxpayer's behalf and receives no
26 compensation may also represent a petitioner. This person may present testimony and
27 other evidence. The written authorization is valid only to represent a single petitioner in
28 a single assessment year and must identify the parcels for which the taxpayer
29 authorizes the person to represent the taxpayer. The Department of Revenue must
30 adopt a form that meets the requirements of this paragraph. However, a petitioner is not
31 required to use the department's form to grant the authorization. See Chapter 2016-128,
32 Section 11, Laws of Florida (CS/CS/HB 499)

33 34 35 **Procedures for Scheduling Hearings**

36 The Board clerk shall prepare a schedule of appearances before the Board or special
37 magistrates based on timely filed petitions. See Rule 12D-9.019(1)(a), F.A.C.

38
39 Under Rule 12D-9.019(1)(b), F.A.C., when scheduling hearings, the Board clerk shall
40 consider the following:

- 41
42 1. The petitioner's anticipated amount of time if indicated on the petition;
- 43
44 2. The experience of the petitioner;
- 45
46 3. The complexity of the issues or the evidence to be presented;

2017 Value Adjustment Board Training - Module 3

- 1
- 2 4. The number of petitions/parcels to be heard at a single hearing;
- 3
- 4 5. The efficiency or difficulty for the petitioner of grouping multiple hearings for a single
- 5 petitioner on the same day; and
- 6
- 7 6. The likelihood of withdrawals, cancellations of hearings or failure to appear.
- 8

9 Upon request of a party, the Board clerk shall consult with the petitioner and the
10 property appraiser or tax collector to ensure that, within the Board clerk's judgment, an
11 adequate amount of time is provided for presenting and considering evidence. See Rule
12 12D-9.019(1)(c), F.A.C.

13
14 For petitions related to valuation issues, no hearing shall be scheduled prior to
15 completion by the governing body of each taxing authority of the public hearing on the
16 tentative budget and proposed millage rate. See Rule 12D-9.019(2), F.A.C.

Procedures for Notifying the Parties of the Scheduled Hearing

17
18
19 The Board clerk shall notify each petitioner of the scheduled time of appearance at the
20 hearing, and shall simultaneously notify the property appraiser or tax collector. See Rule
21 12D-9.019(1)(a), F.A.C.

- 22
23
24 * The Board clerk may electronically send this notification to the petitioner, if the
25 petitioner indicates on his or her petition this means of communication for receiving
26 notices, materials, and communications. See Rule 12D-9.019(1)(a), F.A.C.

27
28 The notice of hearing shall be in writing, and shall be delivered by regular or certified
29 U.S. mail or personal delivery, or in the manner requested by the petitioner on Form
30 DR-486. See Rule 12D-9.019(3)(a), F.A.C.

- 31
32 * The hearing notice shall be received by the petitioner no less than twenty-five (25)
33 calendar days prior to the day of the scheduled appearance at the hearing. See Rule
34 12D-9.019(3)(a), F.A.C.

35
36 The form for the notice of hearing shall meet the requirements of the Department's rules
37 and is subject to approval by the Department. See Rule 12D-9.019(3)(a), F.A.C.

- 38
39 * The Department provides Form DR-481 as a format for the hearing notice.

- 40
41 * This form is available on the Department's website at the following link:
42 <http://floridarevenue.com/property/Pages/Forms.aspx#ui-id-21>

- 43
44 * A current and up-to-date form must be used.

45

2017 Value Adjustment Board Training - Module 3

1 Under Rule 12D-9.019(3)(b), F.A.C., the hearing notice shall include the following
2 elements:

- 3
- 4 1. The parcel number, account number or legal address of all properties being heard at
5 the scheduled hearing;
- 6
- 7 2. The type of hearing scheduled;
- 8
- 9 3. The date and time of the scheduled hearing;

10
11 **Note:** 2012 legislation now requires that the notice indicate whether the petition has
12 been scheduled to be heard at a particular time or during a block of time. If the
13 petition has been scheduled to be heard within a block of time, the beginning and
14 ending of the block of time must be indicated on the notice. See Chapter 2012-193,
15 Section 11, Laws of Florida.

- 16
- 17 4. The time reserved, or instructions on how to obtain this information;
- 18
- 19 5. The location of the hearing, including the hearing room number if known, together
20 with Board clerk contact information including office address and telephone number,
21 for petitioners to request assistance in finding hearing rooms;
- 22
- 23 6. Instructions on how to obtain a list of the potential special magistrates for the type of
24 petition in question;
- 25
- 26 7. A statement of the petitioner's right to participate in the exchange of evidence with
27 the property appraiser;
- 28
- 29 8. A statement that the petitioner has the right to reschedule the hearing one time by
30 making a written request to the Board clerk at least five calendar days before the
31 hearing;
- 32
- 33 9. Instructions on bringing copies of evidence;
- 34
- 35 10. Any information necessary to comply with federal or state disability or accessibility
36 acts; and
- 37
- 38 11. Information regarding where the petitioner may obtain a copy of the uniform rules
39 of procedure.
- 40
- 41

42 **Procedures for Rescheduling Hearings**

43 **Note:** Legislation enacted in 2016 amended the procedures for rescheduling hearings in
44 section 194.032(2)(a), F.S. It provided that the petitioner or the property appraiser may
45 reschedule the hearing a single time for good cause. In this section, "good cause"
46 means circumstances beyond the control of the person seeking to reschedule the

2017 Value Adjustment Board Training - Module 3

1 hearing which reasonably prevent him or her from having adequate representation at
2 the hearing. If the hearing is rescheduled, the clerk must notify the petitioner of his or
3 her rescheduled time at least 15 calendar days before the rescheduled appearance.
4 See Chapter 2016-128, Sections 10 and 15, Laws of Florida (CS/CS/HB 499).

5
6 * Form DR-485WCN is designated by the Department and may be used for giving this
7 notice.

8
9 * This form is available on the Department's website at the following link:
10 <http://floridarevenue.com/property/Pages/Forms.aspx#ui-id-21>

11
12 * A current and up-to-date form must be used.

13
14 If a hearing is rescheduled, the deadlines for the exchange of evidence shall be
15 computed from the new hearing date, if time permits. See Rule 12D-9.019(4), F.A.C.

16
17 If a petitioner's hearing does not commence as scheduled, the Board clerk is authorized
18 to reschedule a petition. See Rule 12D-9.019(5)(a), F.A.C.

19
20 * In no event shall a petitioner be required to wait more than a reasonable time from
21 the scheduled time to be heard. See Rule 12D-9.019(5)(b), F.A.C.

22
23 * **Note:** 2012 legislation provides that a reasonable time cannot exceed 2 hours
24 after the scheduled time for the hearing to begin or, if the petition has been
25 scheduled for a block of time, cannot exceed 2 hours after the beginning of the
26 block of time. See Chapter 2012-193, Section 11, Laws of Florida, amending
27 subsections 194.032(2)(a) and (b), F.S.

28
29 * The Board clerk is authorized to find that a reasonable time has elapsed based on
30 other commitments, appointments, or hearings of the petitioner, lateness in the day,
31 and other hearings waiting to be heard earlier than the petitioner's hearing with the
32 Board or special magistrate. See Rule 12D-9.019(5)(b), F.A.C.

33
34 * **Note:** 2012 legislation provides that a reasonable time cannot exceed 2 hours
35 after the scheduled time for the hearing to begin or, if the petition has been
36 scheduled for a block of time, cannot exceed 2 hours after the beginning of the
37 block of time. See Chapter 2012-193, Section 11, Laws of Florida, amending
38 subsections 194.032(2)(a) and (b), F.S.

39
40 * If his or her petition has not been heard within a reasonable time, the petitioner may
41 request to be heard immediately. See Rule 12D-9.019(5)(b), F.A.C.

42
43 * **Note:** 2012 legislation provides that a reasonable time cannot exceed 2 hours
44 after the scheduled time for the hearing to begin or, if the petition has been
45 scheduled for a block of time, cannot exceed 2 hours after the beginning of the

2017 Value Adjustment Board Training - Module 3

1 block of time. See Chapter 2012-193, Section 11, Laws of Florida, amending
2 subsections 194.032(2)(a) and (b), F.S.

3
4 * If the Board clerk finds that a reasonable time has elapsed and petitioner is not
5 heard, the Board clerk shall reschedule the petitioner's hearing. See Rule 12D-
6 9.019(5)(b), F.A.C.

7
8 * A petitioner is not required to wait any length of time as a prerequisite to filing an
9 action in circuit court. See Rule 12D-9.019(5)(c), F.A.C.

10
11 More information on rescheduling hearings is contained in the following section titled
12 "Procedures for the Exchange of Evidence".

13 14 15 **Procedures for the Exchange of Evidence**

16 Florida Statutes provide that at least fifteen (15) days before the hearing, the petitioner
17 shall provide to the property appraiser a list and summary of evidence to be presented
18 at the hearing accompanied by copies of documentation to be presented at the hearing.
19 See section 194.011(4)(a), F.S.

20
21 * However, Florida Statutes do not provide for exclusion of petitioner's evidence or
22 other penalty for a case where a petitioner does not give evidence as provided in
23 section 194.011(4)(a), F.S.

24
25 * Article I, Section 18, of the Florida Constitution, prohibits the imposition of any
26 penalty except as provided by law.

27
28 Thus, if a petitioner does not comply with section 194.011(4)(a), F.S., the petitioner may
29 still present evidence and the Board or the special magistrate may accept such
30 evidence for consideration, unless the property appraiser asks in writing for specific
31 evidence before the hearing in connection with a filed petition and the petitioner has this
32 evidence and knowingly refuses to provide it to the property appraiser a reasonable
33 time before the hearing, in which case the evidence cannot be presented by the
34 petitioner or accepted for consideration by the Board or special magistrate. See Rule
35 12D-9.025(4)(a), F.A.C.

36
37 * Reasonableness shall be determined by whether the material can be reviewed,
38 investigated, and responded to or rebutted in the time frame remaining before the
39 hearing. See Rule 12D-9.020(1), F.A.C.

40
41 * These requirements are more specifically described in Rules 12D-9.020(8) and 12D-
42 9.025(4)(a) and (f), F.A.C.

43
44 * This evidence summary must be sufficiently detailed as to reasonably inform a party
45 of the general subject matter of the witness' testimony, and the name and address of
46 the witness. See Rule 12D-9.020(5), F.A.C.

2017 Value Adjustment Board Training - Module 3

- 1
- 2 * To calculate the fifteen (15) days, the petitioner shall use calendar days and shall
3 not include the day of the hearing in the calculation, and shall count backwards from
4 the day of the hearing. See Rule 12D-9.020(2)(a), F.A.C.
5
- 6 * If the petitioner shows good cause to the Board clerk for not being able to meet the
7 fifteen (15) day requirement and the property appraiser is unwilling to agree to a
8 different timing of the exchange, the Board clerk is authorized to reschedule the
9 hearing to allow for the exchange of evidence to occur. See Rule 12D-9.020(2)(b),
10 F.A.C.
11
- 12 No later than seven (7) days before the hearing, if the property appraiser receives the
13 petitioner's documentation and if requested in writing by the petitioner, the property
14 appraiser shall provide the petitioner with a list and summary of evidence to be
15 presented at the hearing accompanied by copies of documentation to be presented by
16 the property appraiser at the hearing. See Rule 12D-9.020(2)(c), F.A.C.
17
- 18 * This evidence list must contain the property record card. See Rule 12D-9.020(2)(c),
19 F.A.C.
20
- 21 * This evidence summary must be sufficiently detailed as to reasonably inform a party
22 of the general subject matter of the witness' testimony, and the name and address of
23 the witness. See Rule 12D-9.020(5), F.A.C.
24
- 25 * To calculate the seven (7) days, the property appraiser shall use calendar days and
26 shall not include the day of the hearing in the calculation, and shall count backwards
27 from the day of the hearing. See Rule 12D-9.020(2)(c), F.A.C.
28
- 29 * The last day of the period so computed shall be included unless it is a Saturday,
30 Sunday, or legal holiday, in which event the period shall run until the end of the next
31 previous day which is neither a Saturday, Sunday, or legal holiday. See Rule 12D-
32 9.020(2)(d), F.A.C.
33
- 34 If the petitioner does not provide the information to the property appraiser at least fifteen
35 (15) days prior to the hearing pursuant to Rule 12D-9.020(2)(a), F.A.C., the property
36 appraiser need not provide the information to the petitioner pursuant to Rule 12D-
37 9.020(2)(c), F.A.C. See Rule 12D-9.020(3)(a), F.A.C.
38
- 39 If the property appraiser does not provide the information within the time required by
40 Rule 12D-9.020(2)(c), F.A.C., the hearing shall be rescheduled to allow the petitioner
41 additional time to review the property appraiser's evidence. See Rule 12D-9.020(3)(b),
42 F.A.C.
43
- 44 By agreement of the parties, the evidence exchanged under Rule 12D-9.020(2), F.A.C.,
45 shall be delivered by regular or certified U.S. mail, personal delivery, overnight mail,
46 FAX or email. See Rule 12D-9.020(4), F.A.C.

2017 Value Adjustment Board Training - Module 3

- 1
- 2 * The petitioner and property appraiser may agree to a different timing and method of
3 exchange. See Rule 12D-9.020(4), F.A.C.
4
- 5 * "Provided" means received by the party not later than the time frame provided in this
6 rule section. See Rule 12D-9.020(4), F.A.C.
7
- 8 * If either party does not designate a desired manner for receiving information in the
9 evidence exchange, the information shall be provided by U.S. mail. See Rule 12D-
10 9.020(4), F.A.C.
11
- 12 * The property appraiser shall provide the information at the address listed on the
13 petition form for the petitioner. See Rule 12D-9.020(4), F.A.C.
14
- 15 A property appraiser shall not use at a hearing evidence that was not supplied to the
16 petitioner as required. See Rule 12D-9.020(7), F.A.C.
17
- 18 * The remedy for such noncompliance shall be a rescheduling of the hearing to allow
19 the petitioner an opportunity to review the information of the property appraiser. See
20 Rule 12D-9.020(7), F.A.C.
21
- 22 No petitioner may present for consideration, nor may a Board or special magistrate
23 accept for consideration, testimony or other evidentiary materials that were specifically
24 requested of the petitioner in writing by the property appraiser in connection with a filed
25 petition, of which the petitioner had knowledge and denied to the property appraiser.
26 See Rule 12D-9.020(8), F.A.C.
27
- 28 * Such evidentiary materials shall be considered timely if provided to the property
29 appraiser no later than fifteen (15) days before the hearing in accordance with the
30 exchange of evidence rules in this section. See Rule 12D-9.020(8), F.A.C.
31
- 32 * If provided to the property appraiser less than fifteen (15) days before the hearing,
33 such materials shall be considered timely if the Board or special magistrate
34 determines the materials were provided a reasonable time before the hearing, as
35 described in paragraph 12D-9.025(4)(f), F.A.C. See Rule 12D-9.020(8), F.A.C.
36
- 37 * A petitioner's ability to introduce the evidence, requested of the petitioner in writing
38 by the property appraiser, is lost if not provided to the property appraiser as
39 described in Rule 12D-9.020(8), F.A.C.
40
- 41 * This provision does not preclude rebuttal evidence that was not specifically
42 requested of the petitioner by the property appraiser. See Rule 12D-9.020(8), F.A.C.
43
- 44 As the trier of fact, the Board or special magistrate may independently rule on the
45 admissibility and use of evidence. See Rule 12D-9.020(9), F.A.C.
46

2017 Value Adjustment Board Training - Module 3

1 * If the Board or special magistrate has any questions relating to the admissibility and
2 use of evidence, the Board or special magistrate should consult with the Board legal
3 counsel. See Rule 12D-9.020(9), F.A.C.

4
5 * The basis for any ruling on admissibility of evidence must be reflected in the record.
6 See Rule 12D-9.020(9), F.A.C.

9 **Petitions Withdrawn, Settled, or Acknowledged as Correct**

10 A petitioner may withdraw a petition prior to the scheduled hearing. See Rule 12D-
11 9.021(1), F.A.C.

12
13 Form DR-485WI is prescribed by the Department for such purpose; however, other
14 written or electronic means may be used. See Rule 12D-9.021(1), F.A.C.

15
16 * This form is available on the Department's website at the following link:

17 <http://floridarevenue.com/property/Pages/Forms.aspx#ui-id-21>

18
19 * If the Department's form is used, a current and up-to-date version of the form must
20 be used.

21
22 Under Rule 12D-9.021(1), F.A.C., Form DR-485WI shall indicate the reason for the
23 withdrawal as one of the following:

- 24 1. Petitioner agrees with the determination of the property appraiser or tax collector;
- 25 2. Petitioner and property appraiser or tax collector have reached a settlement of the
26 issues;
- 27 3. Petitioner does not agree with the decision or assessment of the property appraiser
28 or tax collector but no longer wishes to pursue a remedy through the value
29 adjustment board process; or
- 30 4. Other specified reason.

31
32
33
34
35
36 The Board clerk shall cancel the hearing upon receiving a notice of withdrawal from the
37 petitioner and there shall be no further proceeding on the matter. See Rule 12D-9.021(2),
38 F.A.C.

39
40 If a property appraiser or tax collector agrees with a petition challenging a decision to
41 deny an exemption, classification, portability assessment difference transfer, or deferral,
42 the property appraiser or tax collector shall:

- 43 1. Issue the petitioner a notice granting said exemption, classification, portability
44 assessment difference transfer, or deferral; and

2017 Value Adjustment Board Training - Module 3

1 2. File with the Board clerk a notice that the petition was acknowledged as correct.

2
3 * The Board clerk shall cancel the hearing upon receiving the notice of
4 acknowledgement and there shall be no further proceeding on the matter
5 acknowledged as correct. See Rule 12D-9.021(3), F.A.C.
6

7 If parties do not file a notice of withdrawal or notice of acknowledgement but indicate the
8 same at the hearing, the Board or special magistrate shall so state on the hearing
9 record and shall not proceed with the hearing and shall not issue a decision. See Rule
10 12D-9.021(4), F.A.C.
11

12 * If a petition is withdrawn or acknowledged as correct under Rule Subsections 12D-
13 9.021(1), (2), or (3), F.A.C., or settlement is reached and filed by the parties, at any
14 time before a recommended decision or final Board decision is issued, the Board or
15 special magistrate need not issue such decision. See Rule 12D-9.021(4), F.A.C.
16

17 * The Board clerk shall list and report all withdrawals, settlements, acknowledgements
18 of correctness as withdrawn or settled petitions. See Rule 12D-9.021(4), F.A.C.
19

20 * Settled petitions shall include those acknowledged as correct by the property
21 appraiser or tax collector. See Rule 12D-9.021(4), F.A.C.
22

23 For all withdrawn or settled petitions, a special magistrate shall not produce a
24 recommended decision and the Board shall not produce a final decision. See Rule 12D-
25 9.021(5), F.A.C.
26
27

Non-Appearance and Summary Disposition of Petitions

28 **NOTE:** The procedures in this training section do not apply to hearings on portability
29 that are held in the county where the previous homestead was located when that county
30 is different from the county where the new homestead is located. See Rule 12D-
31 9.028(6)(d), F.A.C.
32
33

34 * In such cases, the petitioner is not required to appear at the hearing in the county
35 where the previous homestead was located. See Rule 12D-9.028(6)(d), F.A.C.
36

37 * See Module 10 for information on petitions on assessment difference transfers
38 (portability).
39

40 Except for portability hearings as described above, when a petitioner does not appear
41 by the commencement of a scheduled hearing and the petitioner has not indicated a
42 desire to have their petition heard without their attendance and a good cause request is
43 not pending, the Board or the special magistrate shall:
44

45 1. Not commence or proceed with the hearing; and
46

2017 Value Adjustment Board Training - Module 3

1 2. Produce a decision or recommended decision as described below and in Rule 12D-
2 9.021(8), F.A.C. See Rule 12D-9.021(6), F.A.C.

3
4 If the petitioner makes a good cause request before the decision or recommended
5 decision is issued, the Board or Board designee shall rule on the good cause request
6 before determining that:

7
8 1. The decision or recommended decision should be set aside and the hearing should
9 be rescheduled; or

10
11 2. The Board or special magistrate should issue the decision or recommended
12 decision. See Rule 12D-9.021(6), F.A.C.

13
14 When a petitioner does not appear by the commencement of a scheduled hearing but a
15 good cause request is pending, the Board or Board designee shall rule on the good
16 cause request before determining that:

17
18 1. The hearing should be rescheduled; or

19
20 2. The Board or special magistrate should issue a decision or recommended decision.
21 See Rule 12D-9.021(7), F.A.C.

22
23 * If the Board or Board designee finds good cause for the petitioner's failure to appear,
24 the Board clerk shall reschedule the hearing. See Rule 12D-9.021(7)(a), F.A.C.

25
26 * If the Board or Board designee does not find good cause for the petitioner's failure to
27 appear, the Board or special magistrate shall issue a decision or recommended
28 decision. See Rule 12D-9.021(7)(b), F.A.C.

29
30 Decisions issued under Rule Subsections 12D-9.021(6) or (7), F.A.C., shall not be
31 treated as withdrawn or settled petitions and shall contain:

32
33 1. A finding of fact that the petitioner did not appear at the hearing and did not state
34 good cause; and

35
36 2. A conclusion of law that the relief is denied and the decision is being issued in order
37 that any right the petitioner may have to bring an action in circuit court is not
38 impaired. See Rule 12D-9.021(8), F.A.C.

39 40 41 **Legislation Affecting Certain Board Petitions**

42 Chapter 2011-181, Laws of Florida, effective June 21, 2011, requires a petitioner to:

43
44 * Pay non-ad valorem assessments and a specified amount of the taxes before the
45 later of April 1 or the delinquency date of the year after the taxes were assessed;
46 and

2017 Value Adjustment Board Training - Module 3

1
2 * Pay a penalty if the good faith payment is grossly disproportionate to the amount of
3 tax found to be due and the taxpayer's admission was not made in good faith.

4
5 See sections 194.014, 197.162, and 197.333, F.S.

6
7 Also, this legislation requires the value adjustment board to deny the petition in writing
8 by a certain date if the required amount of taxes is not timely paid.

9
10 Chapter 2016-128, Section 9, Laws of Florida, effective July 1, 2016, changes the
11 interest rate for disputed property tax assessments from 12 percent per year to an
12 annual percentage rate equal to the bank prime loan rate as the Board of Governors of
13 the Federal Reserve System determines on July 1 of the tax year or the next business
14 day if July 1 is a Saturday, Sunday, or legal holiday. Also, each taxing authority will
15 proportionately fund interest on an overpayment related to a petition. See Section
16 194.014(2), F.S.

17
18 The Department has created a web page for posting information regarding the required
19 partial payment of tax by Board petitioners. This web page can be accessed at:
20 http://floridarevenue.com/property/Documents/dr486_port_infosheet.pdf

Module 4: Procedures During the Hearing

Training Module 4 addresses the following topics:

- Disqualification or Recusal of Special Magistrates or Board Members
- Procedures for When One of the Parties Does Not Appear
- Procedures for Managing Time Needed for Hearings
- Procedures for Commencement of a Hearing
- General Procedures for Conducting a Hearing
- Procedures for Presentation of Evidence by the Parties
- Admissibility of Evidence
- The Higgs v. Good Case and Admissibility of Taxpayer Evidence
- Standard of Proof
- Procedures for Asking Questions During the Hearing
- Procedures for Collecting and Presenting Additional Evidence
- Procedures for Conducting a Hearing by Electronic Media

Learning Objectives

After completing this training module, the learner should be able to:

- Recognize the requirements and procedures for disqualification or recusal
- Identify and apply the procedures for when one of the parties does not appear
- Recognize and apply the procedures for managing time needed for hearings
- Identify and apply the procedures for commencement of a hearing
- Recognize and apply the general procedures for conducting a hearing
- Identify and apply the procedures for presentation of evidence by the parties
- Recognize the requirements and procedures for admissibility of evidence
- Identify the applicable standard of proof and how it applies
- Recognize and apply the procedures for asking questions during a hearing
- Identify and apply the procedures for collecting and presenting additional evidence
- Recognize the procedures for conducting a hearing by electronic media

Disqualification or Recusal of Special Magistrates or Board Members

Under Rule 12D-9.022, F.A.C., if either the petitioner or the property appraiser communicates a reasonable belief that a special magistrate does not possess the required statutory qualifications to conduct a particular proceeding, the basis for that belief shall be:

1. Included in the record of the proceeding; or
2. Submitted prior to the hearing in writing to the Board legal counsel.

2017 Value Adjustment Board Training - Module 4

1 Upon review, if the Board or its legal counsel determines that the original special
2 magistrate does not meet the statutory requirements and qualifications, the Board or
3 legal counsel shall enter into the record an instruction to the Board clerk to reschedule
4 the petition before a different special magistrate to hear or rehear the petition without
5 considering actions that may have occurred during any previous hearing. See Rule 12D-
6 9.022(2)(a), F.A.C.

7
8 Upon review, if the Board or its legal counsel determines that the special magistrate
9 does meet the statutory requirements and qualifications:

- 10
11 1. Such determination shall be issued in writing and placed in the record, and the
12 special magistrate will conduct the hearing; or
13
14 2. If a hearing was already held, the recommended decision will be forwarded to the
15 Board in accordance with the Department's rules. See Rule 12D-9.022(2)(b), F.A.C.
16

17 Board members and special magistrates shall recuse themselves from hearing a
18 petition when they have a conflict of interest or an appearance of a conflict of interest.
19 See Rule 12D-9.022(3), F.A.C.
20

21 If either the petitioner or the property appraiser communicates a reasonable belief that a
22 Board member or special magistrate has a bias, prejudice or conflict of interest, the
23 basis for that belief shall be:

- 24
25 1. Stated in the record of the proceeding; or
26
27 2. Submitted prior to the hearing in writing to the Board legal counsel. See Rule 12D-
28 9.022(4)(a), F.A.C.
29

30 If the Board member or special magistrate agrees with the basis stated in the record,
31 the Board member or special magistrate shall recuse himself or herself on the record.
32 See Rule 12D-9.022(4)(b), F.A.C.
33

34 * A special magistrate who recuses himself or herself shall close the hearing on the
35 record and notify the Board clerk of the recusal. See Rule 12D-9.022(4)(b), F.A.C.
36

37 * Upon a Board member's recusal, the hearing shall go forward if there is a quorum.
38 See Rule 12D-9.022(4)(b), F.A.C.
39

40 * Upon a special magistrate's recusal, or a Board member's recusal that results in a
41 quorum not being present, the Board clerk shall reschedule the hearing. See Rule
42 12D-9.022(4)(b), F.A.C.
43

44 If the Board member or special magistrate questions the need for recusal, the Board
45 member or special magistrate shall request an immediate determination on the matter
46 from the Board's legal counsel. See Rule 12D-9.022(4)(c), F.A.C.

45

Upon review, if the Board legal counsel:

1. Determines that a recusal is necessary, the Board member or special magistrate shall recuse himself or herself and the Board clerk shall reschedule the hearing; or
2. Is uncertain whether recusal is necessary, the Board member or special magistrate shall recuse himself or herself and the Board clerk shall reschedule the hearing; or
3. Determines the recusal is unnecessary, the Board legal counsel shall set forth the basis upon which the request was not based on sufficient facts or reasons. See Rule 12D-9.022(4)(d), F.A.C.

In a rescheduled hearing, the Board or special magistrate shall not consider any actions that may have occurred during any previous hearing on the same petition. See Rule 12D-9.022(4)(e), F.A.C.

A rescheduling for disqualification or recusal shall not be treated as the one time rescheduling to which a petitioner has a right upon timely request under Section 194.032(2), F.S. See Rule 12D-9.022(5), F.A.C.

Procedures for When One of the Parties Does Not Appear

If the petitioner does not appear by the commencement of a scheduled hearing, the Board or special magistrate shall not commence the hearing and shall proceed under the requirements set forth in Rule 12D-9.021(6), F.A.C.(see Module 3), unless:

1. The petition is on a “portability” assessment difference transfer in which the previous homestead is the subject of the petition and is located in a county other than the county where the new homestead is located (Rule 12D-9.028(6), F.A.C., provides requirements specific to hearings on these petitions – see Module 10); or
2. The petitioner has indicated that he or she does not wish to appear at the hearing, but would like for the Board or special magistrate to consider evidence submitted by the petitioner. See Rule 12D-9.024(9)(a), F.A.C.

A petitioner who has indicated that he or she does not wish to appear at the hearing, but would like for the Board or special magistrate to consider his or her evidence, shall submit his or her evidence to the Board clerk and property appraiser before the hearing. See Rule 12D-9.024(9)(b), F.A.C.

* Then, the Board clerk shall:

1. Keep the petitioner’s evidence as part of the petition file;

2017 Value Adjustment Board Training - Module 4

1 2. Notify the Board or special magistrate before or at the hearing that the petitioner
2 has indicated he or she will not appear at the hearing, but would like for the
3 Board or special magistrate to consider his or her evidence at the hearing; and
4

5 3. Give the evidence to the Board or special magistrate at the beginning of the
6 hearing. See Rule 12D-9.024(9)(b), F.A.C.
7

8 If the property appraiser or tax collector does not appear by the commencement of a
9 scheduled hearing, except a good cause hearing, the Board or special magistrate shall
10 state on the record that the property appraiser or tax collector did not appear at the
11 hearing. See Rule 12D-9.024(10), F.A.C.
12

13 * Then, the Board or special magistrate shall request the petitioner to state for the
14 record whether he or she wants to have the hearing rescheduled or wants to
15 proceed with the hearing without the property appraiser or tax collector. See Rule
16 12D-9.024(10), F.A.C.
17

18 * If the petitioner elects to have the hearing rescheduled, the Board clerk shall
19 reschedule the hearing. See Rule 12D-9.024(10), F.A.C.
20

21 * If the petitioner elects to proceed with the hearing without the property appraiser or
22 tax collector, the Board or special magistrate shall proceed with the hearing and
23 shall produce a decision or recommended decision. See Rule 12D-9.024(10), F.A.C.
24

25 In any hearing conducted without one of the parties present, the Board or special
26 magistrate must take into consideration the inability of the opposing party to cross-
27 examine the non-appearing party in determining the sufficiency of the evidence of the
28 non-appearing party. See Rule 12D-9.024(11), F.A.C.
29
30

Procedures for Managing Time Needed for Hearings

31 Boards and special magistrates shall adhere as closely as possible to the schedule of
32 hearings established by the Board clerk but must ensure that adequate time is allowed
33 for parties to present evidence and for the Board or special magistrate to consider the
34 admitted evidence. See Rule 12D-9.023(2), F.A.C.
35
36

37 * If the Board or special magistrate determines from the petition form that the hearing
38 has been scheduled for less time than the petitioner requested on the petition, the
39 Board or special magistrate must consider whether the hearing should be extended
40 or continued to provide additional time. See Rule 12D-9.023(2), F.A.C.
41

42 Unless a Board or special magistrate determines that additional time is necessary, the
43 Board or special magistrate shall conclude all hearings at the end of the time scheduled
44 for the hearing. See Rule 12D-9.025(8), F.A.C.
45

2017 Value Adjustment Board Training - Module 4

1 * If a hearing is not concluded by the end of the time scheduled, the Board or special
2 magistrate shall determine the amount of additional time needed to conclude the
3 hearing. See Rule 12D-9.025(8), F.A.C.

4
5 * If the Board or special magistrate determines that the amount of additional time
6 needed to conclude the hearing would not unreasonably disrupt other hearings, the
7 Board or special magistrate is authorized to proceed with conclusion of the hearing.
8 See Rule 12D-9.025(8)(a), F.A.C.

9
10 * If the Board or special magistrate determines that the amount of additional time
11 needed to conclude the hearing would unreasonably disrupt other hearings, the
12 Board or special magistrate shall so state on the record and shall notify the Board
13 clerk to reschedule the conclusion of the hearing as provided in Rule 12D-
14 9.025(8)(b), F.A.C.

Procedures for Commencement of a Hearing

15
16
17
18 If all parties are present and the petition is not withdrawn or settled, a hearing on the
19 petition shall commence. See Rule 12D-9.024(1), F.A.C.

20
21 The hearing shall be open to the public. See Rule 12D-9.024(2), F.A.C.

22
23 Upon the request of either party, a special magistrate shall swear in all witnesses in that
24 proceeding on the record.

25
26 * Upon such request and if the witness has been sworn in during an earlier hearing, it
27 shall be sufficient for the special magistrate to remind the witness that he or she is
28 still under oath. See Rule 12D-9.024(3), F.A.C.

29
30 Before or at the start of the hearing, the Board, the Board's designee or the special
31 magistrate shall give a short overview verbally or in writing of the rules of procedure and
32 any administrative issues necessary to conduct the hearing. See Rule 12D-9.024(4),
33 F.A.C.

34
35 Rule 12D-9.024(5), F.A.C., requires that before or at the start of the hearing, unless
36 waived by the parties, the Board or special magistrate shall make an opening statement
37 or provide a brochure or taxpayer information sheet that:

- 38
39 1. States the Board or special magistrate is an independent, impartial, and unbiased
40 hearing body or officer, as applicable;
41
42 2. States the Board or special magistrate does not work for the property appraiser or
43 tax collector, is independent of the property appraiser or tax collector, and is not
44 influenced by the property appraiser or tax collector;
45
46 3. States the hearing will be conducted in an orderly, fair, and unbiased manner;

2017 Value Adjustment Board Training - Module 4

- 1
- 2 4. States that the law does not allow the Board or special magistrate to review any
- 3 evidence unless it is presented on the record at the hearing or presented upon
- 4 agreement of the parties while the record is open; and
- 5
- 6 5. States that the law requires the Board or special magistrate to evaluate the
- 7 relevance and credibility of the evidence in deciding the results of the petition.
- 8

9 The Board or special magistrate shall ask the parties if they have any questions
10 regarding the verbal or written overview of the procedures for the hearing. See Rule
11 12D-9.024(6), F.A.C.

12
13 * The Board or special magistrate then addresses any questions from the parties.
14
15

16 **General Procedures for Conducting a Hearing**

17 After the opening statement, and clarification of any questions with the parties, the
18 Board or special magistrate shall proceed with the hearing. See Rule 12D-9.024(7),
19 F.A.C.

20
21 No evidence shall be considered by the Board or special magistrate except when
22 presented and admitted during the time scheduled for the petitioner's hearing, or at a
23 time when the petitioner has been given reasonable notice. See Rule 12D-9.025(4)(a),
24 F.A.C.

25
26 Rule 12D-9.025(1), F.A.C., requires the Board or special magistrate to do the following
27 as part of administrative reviews:

- 28
- 29 1. Review the evidence presented by the parties;
- 30
- 31 2. Determine whether the evidence presented is admissible;
- 32
- 33 3. Admit the evidence that is admissible;
- 34
- 35 4. Identify the evidence presented to indicate that it is admitted or not admitted; and
- 36
- 37 5. Consider the admitted evidence.
- 38

39 Generally, the term "evidence" means something (including testimony, documents, and
40 tangible objects) that tends to prove or disprove the existence of a disputed fact. See
41 *Black's Law Dictionary, Eighth Edition*, page 595.

42
43 The Board or special magistrate shall receive, identify for the record, and retain all
44 exhibits presented during the hearing and send them to the Board clerk along with the
45 recommended decision or final decision. See Rule 12D-9.025(7)(a), F.A.C.
46

2017 Value Adjustment Board Training - Module 4

1 * Upon agreement of the parties, the Board clerk is authorized to make an electronic
2 representation of evidence that is difficult to store or maintain. See Rule 12D-
3 9.025(7)(a), F.A.C.

4
5 The Board or special magistrate shall not be required to make, at any time during a
6 hearing, any oral or written finding, conclusion, decision, or reason for decision. See
7 Rule 12D-9.025(9), F.A.C.

8
9 * The Board or special magistrate has the discretion to determine whether to make
10 such determinations during a hearing or to consider the petition and evidence further
11 after the hearing and then make such determinations. See Rule 12D-9.025(9), F.A.C.

12
13 If at any point in a hearing or proceeding the petitioner withdraws the petition or the
14 parties agree to settlement, the petition becomes a withdrawn or settled petition and the
15 hearing or proceeding shall end. See Rule 12D-9.024(8), F.A.C.

16
17 * The Board or special magistrate shall state or note for the record that the petition is
18 withdrawn or settled, shall not proceed with the hearing, shall not consider the
19 petition, and shall not produce a decision or recommended decision. See Rule 12D-
20 9.024(8), F.A.C.

21
22 Representatives of interested municipalities may be heard in hearings as provided in
23 Section 193.116, F.S. See Rule 12D-9.025(7)(c), F.A.C.

Procedures for Presentation of Evidence by the Parties

24
25
26 The property appraiser shall indicate for the record his or her determination of just
27 value, assessed value, classified use value, tax exemption, property classification, or
28 "portability" assessment difference; or, if applicable, the tax collector shall indicate for
29 the record his or her determination of the deferral or penalty. See Rule 12D-9.024(7),
30 F.A.C.

31
32
33 Under section 194.301(1), F.S., in a hearing on just, classified use, or assessed value,
34 the first issue to be considered is whether the property appraiser establishes a
35 presumption of correctness for the assessment. See Rule 12D-9.024(7), F.A.C.

36
37 * The property appraiser shall present evidence on this issue first. See Rule 12D-
38 9.024(7), F.A.C.

39
40 Under Rule 12D-9.025(3)(a), F.A.C., in a Board or special magistrate hearing:

41
42 * The property appraiser or tax collector is responsible for presenting relevant and
43 credible evidence in support of his or her determination; and
44

2017 Value Adjustment Board Training - Module 4

1 * The petitioner is responsible for presenting relevant and credible evidence in support
2 of his or her belief that the property appraiser's or tax collector's determination is
3 incorrect.

4
5 Florida Statutes do not provide for exclusion of petitioner's evidence or other penalty for
6 a case where a petitioner does not give evidence as provided in section 194.011(4)(a),
7 F.S.

8
9 * If a petitioner does not comply with section 194.011(4)(a), F.S., the petitioner may
10 still present the evidence for consideration by the Board or special magistrate.

11
12 However, if the property appraiser asks in writing for specific evidence before the
13 hearing in connection with a filed petition, and the petitioner has this evidence and
14 refuses to provide it to the property appraiser, the evidence cannot be presented by the
15 petitioner or accepted for consideration by the Board or special magistrate. See Rule
16 12D-9.025(4)(a), F.A.C.

17
18 * These requirements are more specifically described in Rule 12D-9.025(4)(f), F.A.C.,
19 as presented below.

20
21 If a party submits evidence to the Board clerk prior to the hearing, the Board or special
22 magistrate shall not review or consider such evidence prior to the hearing. See Rule
23 12D-9.025(4)(b), F.A.C.

24
25 * In order to be reviewed by the Board or special magistrate, any evidence filed with
26 the Board clerk shall be brought to the hearing by the party. See Rule 12D-
27 9.025(4)(c), F.A.C.

28
29 * However, Under Rule 12D-9.025(4)(c), F.A.C., the requirement for a petitioner to
30 bring this evidence to the hearing shall not apply where:

31
32 1. A petitioner does not appear at a hearing on a "portability" assessment difference
33 transfer petition in which the previous homestead is the subject of the petition
34 and is located in a county other than the county where the new homestead is
35 located (Rule 12D-9.028(6), F.A.C., provides requirements specific to hearings
36 on these petitions – see Module 10); or

37
38 2. A petitioner has indicated that he or she does not wish to appear at the hearing
39 but would like for the Board or special magistrate to consider evidence submitted
40 by the petitioner.

41
42 A petitioner who has indicated that he or she does not wish to appear at the hearing, but
43 would like for the Board or special magistrate to consider his or her evidence, shall
44 submit his or her evidence to the Board clerk before the hearing. See Rule 12D-
45 9.025(4)(d), F.A.C.

46

2017 Value Adjustment Board Training - Module 4

1 * Under Rule 12D-9.025(4)(d), F.A.C., when this occurs, the Board clerk shall do each
2 of the following:

- 3
- 4 1. Keep the petitioner's evidence as part of the petition file;
- 5
- 6 2. Notify the Board or special magistrate before or at the hearing that the petitioner
7 has indicated he or she will not appear at the hearing, but would like for the
8 Board or special magistrate to consider his or her evidence at the hearing; and
9
- 10 3. Give the evidence to the Board or special magistrate at the beginning of the
11 hearing.
- 12

13 The Board clerk may provide an electronic system for the filing and retrieval of evidence
14 for the convenience of the parties, but such evidence shall not be considered part of the
15 record and shall not be reviewed by the Board or special magistrate until presented at a
16 hearing. See Rule 12D-9.025(4)(e), F.A.C.

17

18 * Any exchange of evidence should occur between the parties and such evidence is
19 not part of the record until presented by the offering party and deemed admissible at
20 the hearing. See Rule 12D-9.025(4)(e), F.A.C.

21

22 A property appraiser shall not present undisclosed evidence that was not supplied to the
23 petitioner as required under the evidence exchange rule (Rule 12D-9.020, F.A.C.). See
24 Rule 12D-9.025(4)(f)2., F.A.C.

25

26 * The remedy for such noncompliance shall be a rescheduling of the hearing to allow
27 the petitioner an opportunity to review the information of the property appraiser. See
28 Rule 12D-9.025(4)(f)2., F.A.C.

29

30 No petitioner shall present for consideration, nor shall the Board or special magistrate
31 accept for consideration, testimony or other evidentiary materials that were specifically
32 requested of the petitioner in writing by the property appraiser in connection with a filed
33 petition, of which the petitioner had knowledge and denied to the property appraiser.
34 See Rule 12D-9.025(4)(f)1., F.A.C.

35

36 * Under Rule 12D-9.025(4)(f)1., F.A.C., these evidentiary materials shall be
37 considered timely under either of the following two conditions:

- 38
- 39 1. If the evidentiary materials were provided to the property appraiser no later than
40 fifteen (15) days before the hearing in accordance with the exchange of evidence
41 rules in Rule 12D-9.020, F.A.C.; or
42
- 43 2. If provided to the property appraiser less than fifteen (15) days before the
44 hearing, but the Board or special magistrate determines that the evidentiary
45 materials were provided a reasonable time before the hearing.
- 46

2017 Value Adjustment Board Training - Module 4

- 1 * For purposes of Rules 12D-9.020 and 12D-9.025, F.A.C., reasonableness shall be
2 assumed if the property appraiser does not object. See Rule 12D-9.025(4)(f)1., F.A.C.
3
- 4 * Otherwise, reasonableness shall be determined by whether the material can be
5 reviewed, investigated, and responded to or rebutted in the time frame remaining
6 before the hearing. See Rule 12D-9.025(4)(f)1., F.A.C.
7
- 8 * If a petitioner has acted in good faith and not denied evidence to the property
9 appraiser prior to the hearing, as provided by Section 194.034(1)(d), F.S., but
10 wishes to submit evidence at the hearing which is of a nature that would require
11 investigation or verification by the property appraiser, then the special magistrate
12 may allow the hearing to be recessed and, if necessary, rescheduled so that the
13 property appraiser may review such evidence. See Rule 12D-9.025(4)(f)1., F.A.C.
14
- 15 * A petitioner's ability to introduce the evidence, requested of the petitioner in writing
16 by the property appraiser, is lost if the requested evidence is not provided to the
17 property appraiser as described in Rule 12D-9.025(4)(f), F.A.C.
18
- 19 * This provision does not preclude the presentation and consideration of rebuttal
20 evidence that the property appraiser did not specifically request from the petitioner.
21 See Rule 12D-9.025(4)(f)1., F.A.C.
22

Examples of Taxpayer's Rebuttal Evidence

24 Below are three examples of a taxpayer's rebuttal evidence. These examples are
25 intended to assist Boards and special magistrates in determining, when necessary,
26 whether presented evidence qualifies as rebuttal evidence in particular cases.
27

Rebuttal Evidence: Example 1

29 The taxpayer initiates an evidence exchange with the property appraiser.
30

31 The taxpayer first provides his or her evidence to the property appraiser and the
32 property appraiser then provides his or her evidence to the taxpayer.
33

34 After reviewing the property appraiser's evidence and learning of which comparable
35 sales the property appraiser plans to present as evidence, the taxpayer sees that the
36 property appraiser did not include photographs of the comparable sale properties.
37

38 After the exchange of evidence but before the hearing, the taxpayer physically views
39 and takes photographs of each of the property appraiser's comparable sale properties
40 and, at the hearing, presents these photographs solely as rebuttal evidence.
41

42 These photographs can only be rebuttal evidence since the taxpayer had no knowledge
43 prior to the evidence exchange of which comparable sales the property appraiser
44 intended to present as evidence.
45

2017 Value Adjustment Board Training - Module 4

1 These photographs are relevant because they show evidence of property condition
2 under subsection 193.011(6), F.S.

3

Rebuttal Evidence: Example 2

5 The taxpayer initiates an evidence exchange with the property appraiser.

6

7 The taxpayer provides his or her evidence to the property appraiser and the property
8 appraiser provides his or her evidence to the taxpayer.

9

10 After reviewing the property appraiser's evidence and learning of which comparable
11 rental properties the property appraiser plans to present as evidence, the taxpayer sees
12 that the property appraiser did not include a map showing the location of the
13 comparable rental properties relative to the location of the subject property.

14

15 After the exchange of evidence but before the hearing, the taxpayer produces a location
16 map showing the comparables and the subject property and, at the hearing, presents
17 this location map solely as rebuttal evidence.

18

19 This map can only be rebuttal evidence since the taxpayer had no knowledge prior to
20 the evidence exchange of which comparable rentals the property appraiser intended to
21 present as evidence.

22

23 The taxpayer's map is relevant because it relates to property location and income, two
24 of the eight factors under section 193.011, F.S.

25

Rebuttal Evidence: Example 3

27 The taxpayer initiates an evidence exchange with the property appraiser.

28

29 The taxpayer provides his or her evidence to the property appraiser and the property
30 appraiser provides his or her evidence to the taxpayer.

31

32 After reviewing the property appraiser's evidence, the taxpayer sees that the property
33 appraiser's evidence shows incorrect zoning for the subject property.

34

35 After the exchange of evidence but before the hearing, the taxpayer obtains
36 documentation from the local zoning authority showing the correct zoning and, at the
37 hearing, presents this documentation solely as rebuttal evidence.

38

39 This documentation can only be rebuttal evidence since the taxpayer had no knowledge
40 prior to the evidence exchange that the property appraiser's evidence contained
41 incorrect zoning information.

42

43 The taxpayer's zoning documentation is relevant because it relates to subsection
44 193.011(2), F.S.

45

46

2017 Value Adjustment Board Training - Module 4

1 **Admissibility of Evidence**

2 In administrative reviews of assessments, the term “admitted evidence” means
3 evidence that has been admitted into the record for consideration by the Board or
4 special magistrate. See Rule 12D-9.025(2)(a), F.A.C.

5
6 Generally, “relevant evidence” is evidence that is reasonably related, directly or
7 indirectly, to the statutory criteria that apply to the issue under review. See Rule 12D-
8 9.025(2)(b), F.A.C.

9
10 * This description means the evidence meets or exceeds a minimum level of
11 relevance necessary to be admitted for consideration, but does not necessarily
12 mean that the evidence has sufficient relevance to legally justify a particular
13 conclusion. See Rule 12D-9.025(2)(b), F.A.C.

14
15 Rebuttal evidence is relevant evidence used solely to disprove or contradict the original
16 evidence presented by an opposing party. See Rule 12D-9.025(2)(c), F.A.C.

17
18 NOTE: More information on the relevance of evidence is presented in Modules 6, 8, 9,
19 and 11.

20
21 As the trier of fact, the Board or special magistrate may independently rule on the
22 admissibility and use of evidence. See Rule 12D-9.025(2)(d), F.A.C.

23
24 * If the Board or special magistrate has any questions relating to the admissibility and
25 use of evidence, the Board or special magistrate should consult with the Board legal
26 counsel. See Rule 12D-9.025(2)(d), F.A.C.

27
28 * The basis for any ruling on admissibility of evidence must be reflected in the record.
29 See Rule 12D-9.025(2)(d), F.A.C.

30
31 * The special magistrate may delay ruling on the question during the hearing and
32 consult with Board legal counsel after the hearing. See Rule 12D-9.025(2)(d), F.A.C.

33
34 The Board is a quasi-judicial body and special magistrates are quasi-judicial officers.
35 See Redford v. Department of Revenue, 478 So.2d 808 (Fla. 1985) and Subsection 195.027(3),
36 Florida Statutes. Also, see Rodriguez v. Tax Adjustment Experts of Florida, Inc., 551 So.2d 537
37 (Fla. 3d DCA 1989).

38
39 * *“Quasi-judicial proceedings are not controlled by strict rules of evidence and
40 procedure.”* See Jennings v. Dade County, 589 So.2d 1337 (Fla. 3d DCA 1991). Also, see
41 *Ehrhardt’s Florida Evidence, 2008 Edition* (Eagan, MN: Thomson West, 2008), page 5.

42
43 Board and special magistrate proceedings are not controlled by strict rules of evidence
44 and procedure. See Rule 12D-9.025(2)(a), F.A.C.

45
46 * Formal rules of evidence shall not apply, but fundamental due process shall be
47 observed and shall govern the proceedings. See Rule 12D-9.025(2)(a), F.A.C.

2017 Value Adjustment Board Training - Module 4

1
2 Boards and special magistrates must not apply strict standards of relevance or
3 materiality in deciding whether to admit evidence into the record. Any decisions to
4 exclude evidence must not be arbitrary or unreasonable.

5
6 A recent bulletin from the Department regarding Board hearings and confidentiality is
7 PTO Bulletin 10-07, which is available on the Department's website at:
8 <http://floridarevenue.com/property/Documents/bulletin1007.pdf>
9

10 11 **The Higgs v. Good Case and Admissibility of Taxpayer Evidence**

12 In the past, there have been questions on whether the Florida appellate court decision
13 of Higgs v. Good, 813 So.2d 178 (Fla. 3d DCA 2002), applies in Board proceedings
14 under Chapter 194, Part I, F.S.

15
16 * The Higgs court disallowed the consideration of a taxpayer's property income data in
17 a circuit court lawsuit because the taxpayer did not provide the data when requested
18 by the property appraiser in the appraisal development process under section
19 195.027(3), F.S., and Rule 12D-1.005, F.A.C.

20
21 * For reasons described below, the appellate court's holding in Higgs case applied to
22 a judicial review in circuit court under Chapter 194, Part II, F.S., and not to a quasi-
23 judicial, administrative review under Chapter 194, Part I, F.S.

24
25 The Higgs case involved a property appraiser's request, under section 195.027(3), F.S.,
26 for financial records from the taxpayer in April of the tax year for the purpose of
27 assessment roll development.

28
29 * This request for information from the taxpayer was not made in connection with a
30 Board petition under section 194.034(1)(d), F.S.

31
32 The issue of whether necessary financial records are admissible in a Board proceeding
33 is not governed by section 195.027(3), F.S., or by Rule 12D-1.005, F.A.C., but rather is
34 governed by section 194.034(1)(d), F.S.

35
36 No statute authorizes the imposition of a penalty (exclusion of taxpayer evidence) in a
37 value adjustment board proceeding in a case where a property taxpayer does not
38 provide the financial records of non-homestead property that is referenced in section
39 195.027(3), F.S.

40
41 A state agency cannot create a penalty not authorized by statute. Section 18, Article I
42 (titled "Declaration of Rights") of the Florida Constitution states:

43
44 ***"Administrative penalties.— No administrative agency, except the***
45 ***Department of Military Affairs in an appropriately convened court-martial action***
46 ***as provided by law, shall impose a sentence of imprisonment, nor shall it***

2017 Value Adjustment Board Training - Module 4

1 impose any other penalty except as provided by law." [underlined emphasis
2 added]

3
4 * Therefore, the Department's rules for Board proceedings cannot create a penalty
5 (exclusion of taxpayer evidence) that is not specifically authorized by statute.

6
7 * Likewise, a Board or special magistrate cannot impose a penalty that is not
8 specifically authorized by statute.

9
10 * There is no statute or rule authorizing a Board or special magistrate to order the
11 exclusion, based on the Higgs decision, of relevant and otherwise admissible
12 evidence.

13
14 The Department's rules in Chapter 12D-9, F.A.C., are part of the implementation of
15 2008 legislation from Chapter 2008-197, Laws of Florida, which directs the Department
16 to develop a uniform policies and procedures manual for use by Boards.

17
18 * Since there is no legislative authority to implement the Higgs case in rules on
19 administrative review, Chapter 12D-9, F.A.C., does not incorporate the Higgs case.

20
21 If a taxpayer complies with section 194.034(1)(d), F.S., otherwise admissible property
22 income data not provided by the taxpayer when requested during the appraisal
23 development process may still be accepted for consideration in a Board petition.

24
25 There are two statutory provisions by which a property appraiser can request relevant
26 assessment information from a property taxpayer, as described following.

27
28 1. The first of these provisions is found in section 195.027(3), F.S., which provides that
29 the property appraiser can request financial records reasonably necessary to the
30 classification or valuation of non-homestead property.

31
32 * The rule implementing this statute is 12D-1.005, F.A.C.

33
34 * This first provision applies to the process of developing property appraisals and
35 does not refer or apply to the administrative review of those appraisals.

36
37 * Section 195.027(3), F.S., contains no penalty for a case where a property
38 taxpayer does not provide such financial records when requested by the property
39 appraiser in the appraisal development process.

40
41 * The Higgs case specifically involved a request for taxpayer records under section
42 195.027(3), F.S.

43
44 2. The second of these statutory provisions is found in section 194.034(1)(d), F.S.,
45 which provides that no petitioner may present, nor may a board or special magistrate
46 accept for consideration, testimony or other evidentiary materials that were

2017 Value Adjustment Board Training - Module 4

1 specifically requested of the petitioner in writing by the property appraiser in
2 connection with a filed petition, of which the petitioner had knowledge and denied to
3 the property appraiser.

4
5 * This second provision applies to the administrative review of assessments.

6
7 * Section 194.034(1)(d), F.S., does provide a penalty (exclusion of evidence) for a
8 case where a property taxpayer does not provide the appropriate evidence when
9 requested in writing by the property appraiser in connection with a filed Board
10 petition.

11
12 * The Higgs case did not involve the process provided in section 194.034(1)(d),
13 F.S.

14
15 Since there is a separate statutory process for requesting and exchanging evidence in
16 connection with a filed Board petition, until an appellate court or the Legislature
17 expressly applies the Higgs decision in the context of the Board's statutory process, the
18 Higgs decision does not apply in Board proceedings.

19
20 In the Higgs decision, since the court was not reviewing an administrative proceeding,
21 the court's references to administrative review are not part of the holding in the case.

22
23 * The references apparently originated from the form used by the property appraiser
24 to request necessary financial records from property owners.

25
26 * The Higgs decision's gratuitous reference to "administrative" is *obiter dictum*. See
27 Doherty v. Brown, 14 So. 3d 1266, 1267 (Fla. 1st DCA 2009), stating: "[A] purely gratuitous
28 *observation or remark made in pronouncing an opinion and which concerns some rule,*
29 *principle, or application of law not necessarily involved in the case or essential to its*
30 *determination is obiter dictum, pure and simple.*"

31
32 * The case of Higgs v. Good does not apply to Board proceedings (administrative
33 reviews).

34 35 36 **Standard of Proof**

37 In administrative reviews, Boards or special magistrates must consider admitted
38 evidence and then compare the weight of the evidence to a "standard of proof" to make
39 a determination on an issue under review.

40 "Standard of proof" means the level of proof needed by the Board or special magistrate
41 to reach a particular conclusion. See Rule 12D-9.027(5), F.A.C.

42
43 Under section 194.301, F.S., "preponderance of the evidence" is the standard of proof
44 that applies in assessment challenges. See Rule 12D-9.025(3)(b), F.A.C.

45

2017 Value Adjustment Board Training - Module 4

1 * The “clear and convincing evidence” standard of proof no longer applies, starting
2 with 2009 assessments. See Rule 12D-9.025(3)(b), F.A.C.

3
4 * A taxpayer shall never have the burden of proving that the property appraiser’s
5 assessment is not supported by any reasonable hypothesis of a legal assessment.
6 See Rule 12D-9.025(3)(b), F.A.C.

7
8 NOTE: More information on standard of proof and how to apply it in administrative
9 reviews is presented in Modules 6, 8, and 9.

Procedures for Asking Questions During the Hearing

10
11
12 When testimony is presented at a hearing, each party shall have the right to ask
13 questions of any witness. See Rule 12D-9.025(5), F.A.C.

14
15
16 The Board or special magistrate shall have the authority, at a hearing, to ask questions
17 at any time of either party, the witnesses, or Board staff. See Rule 12D-9.025(7)(b), F.A.C.

18
19 * When asking questions, the Board or special magistrate shall not show bias for or
20 against any party or witness. See Rule 12D-9.025(7)(b), F.A.C.

21
22 * The Board or special magistrate shall limit the content of any question asked of a
23 party or witness to matters reasonably related, directly or indirectly, to matters
24 already in the record. See Rule 12D-9.025(7)(b), F.A.C.

25
26 In particular, the Board or special magistrate should ask any questions that are
27 necessary to help the Board or special magistrate meet their duty of determining
28 whether applicable statutory criteria have been satisfied.

Procedures for Collecting and Presenting Additional Evidence

29
30
31 By agreement of the parties entered in the record, the Board or special magistrate may
32 leave the record open and postpone completion of the hearing to a date certain to allow
33 a party to collect and provide additional relevant and credible evidence. See Rule 12D-
34 9.025(6)(a), F.A.C.

35
36
37 * Such postponements shall be limited to instances where, after completing original
38 presentations of evidence, the parties agree to the collection and submittal of
39 additional, specific factual evidence for consideration by the Board or special
40 magistrate. See Rule 12D-9.025(6)(a), F.A.C.

41
42 * In lieu of completing the hearing, upon agreement of the parties the Board or special
43 magistrate is authorized to consider such evidence without further hearing. See Rule
44 12D-9.025(6)(a), F.A.C.

2017 Value Adjustment Board Training - Module 4

1 If additional hearing time is necessary, the hearing must be completed at the date,
2 place, and time agreed upon for presenting the additional evidence to the Board or
3 special magistrate for consideration. See Rule 12D-9.025(6)(b), F.A.C.

4
5 Rule 12D-9.025(6)(c), F.A.C., provides that the following limitations shall apply if the
6 property appraiser seeks to present additional evidence that was unexpectedly
7 discovered and that would increase the assessment.

- 8
9 1. The Board or special magistrate shall ensure that such additional evidence is limited
10 to a correction of a factual error discovered in the physical attributes of the petitioned
11 property; a change in the property appraiser's judgment is not such a correction and
12 shall not justify an increase in the assessment.
- 13
14 2. A notice of revised proposed assessment shall be made and provided to the
15 petitioner in accordance with the notice provisions set out in Florida Statutes for
16 notices of proposed property taxes. The property appraiser shall send a revised
17 property record card, if requested on the petition, unless the revised property record
18 card is available online from the property appraiser.
- 19
20 3. A new hearing shall be scheduled and notice of the hearing shall be sent to the
21 petitioner *along with a copy of the revised property record card if requested.*

22
23 **Note:** The rule text shown in red italics above has been superseded, effective July 1,
24 2016. See Chapter 2013-109, Section 8, Laws of Florida (SB 556), and Chapter 2016-128,
25 Section 10, Laws of Florida (CS/CS/HB 499).

- 26
27 4. The evidence exchange procedures in Rule 12D-9.020, F.A.C., shall be available.
- 28
29 5. The back assessment procedure in section 193.092, F.S., shall be used for any
30 assessment already certified.

31 32 33 **Procedures for Conducting a Hearing by Electronic Media**

34 Hearings conducted by electronic media shall occur only under the conditions set forth
35 in Rule 12D-9.026, F.A.C.

- 36
37 * Hearings conducted by electronic media are subject to Board approval and the
38 availability of the necessary equipment and procedures. See Rule 12D-9.026(1)(a),
39 F.A.C.
 - 40
41 * The special magistrate, if one is used, must agree in each case to the electronic
42 hearing. See Rule 12D-9.026(1)(b), F.A.C.
 - 43
44 * The Board must reasonably accommodate parties that have hardship or lack
45 necessary equipment or ability to access equipment. See Rule 12D-9.026(1)(c), F.A.C.
- 46

2017 Value Adjustment Board Training - Module 4

1 * The Board must provide a physical location at which a party may appear, if
2 requested. See Rule 12D-9.026(1)(c), F.A.C.

3
4 For any hearing conducted by electronic media, the Board shall ensure that all
5 equipment is adequate and functional for allowing clear communication among the
6 participants and for creating the hearing records required by law.

7
8 * The Board procedures shall specify the time period within which a party must
9 request to appear at a hearing by electronic media. See Rule 12D-9.026(2), F.A.C.

10
11 Consistent with Board equipment and procedures:

12
13 * Any party may request to appear at a hearing before a Board or special magistrate,
14 using telephonic or other electronic media. See Rule 12D-9.026(3)(a), F.A.C.

15
16 * However, unless required by other provisions of state or federal law, the Board
17 clerk need not comply with such a request if such telephonic or electronic media
18 are not reasonably available. See Rule 12D-9.026(3)(a), F.A.C.

19
20 * If the Board or special magistrate allows a party to appear by telephone, all
21 members of the Board in the hearing or the special magistrate must be physically
22 present in the hearing room. See Rule 12D-9.026(3)(a), F.A.C.

23
24 * The parties must also all agree on the methods for swearing witnesses, presenting
25 evidence, and placing testimony on the record. Such methods must comply with the
26 provisions of this rule chapter. See Rule 12D-9.026(3)(b), F.A.C.

27
28 * The agreement of the parties must include which parties must appear by telephonic
29 or other electronic media, and which parties will be present in the hearing room. See
30 Rule 12D-9.026(3)(b), F.A.C.

31
32 Hearings conducted by electronic media must be open to the public either by providing
33 the ability for interested members of the public to join the hearing electronically or to
34 monitor the hearing at the location of the Board or special magistrate. See Rule 12D-
35 9.026(4), F.A.C.

1
2
3 **Module 5:**
4 **Procedures After the Hearing**
5

6 **Training Module 5 addresses the following topics:**

- 7 • Procedures for Remanding Value Assessments to the Property Appraiser
8 • Procedures for Recommended Decisions by Special Magistrates
9 • Procedures for Consideration and Adoption of Recommended Decisions by Boards
10 • Procedures for Final Decisions by Boards
11 • Further Judicial Proceedings
12 • Requirements for the Record of the Hearing
13 • Requirements for Certification of Assessment Rolls
14 • Requirements for Public Notice of Findings and Results of the Board
15

16
17 **Learning Objectives**

18 After completing this training module, the learner should be able to:

- 19
20 • Identify and apply the procedures for remanding value assessments
21 • Recognize the procedures and requirements for recommended decisions
22 • Identify and apply the procedures for consideration and adoption of recommended
23 decisions
24 • Recognize the procedures and requirements for final decisions
25 • Identify and apply the requirements for the record of the hearing
26 • Recognize the requirements and procedures for certification of assessment rolls
27 • Identify the requirements for public notice of findings and results of the Board
28
29

30 **Procedures for Remanding Value Assessments to the Property**
31 **Appraiser**

32 In this training, the term “remand” means to send the assessment back to the property
33 appraiser with appropriate directions for establishing the value of the petitioned
34 property.
35

36 Rules 12D-9.029(1) and 12D-9.027(2) and (3), F.A.C., require the Board or appraiser
37 special magistrate to remand a value assessment to the property appraiser when the
38 Board or special magistrate has concluded that:
39

- 40 1. The property appraiser did not establish a presumption of correctness, or has
41 concluded that the property appraiser established a presumption of correctness that
42 is overcome, as provided in Rule 12D-9.027, F.A.C.; and
43

2017 Value Adjustment Board Training - Module 5

1 2. The record does not contain the competent substantial evidence necessary for the
2 Board or special magistrate to establish a revised just value, classified use value, or
3 assessed value, as applicable.
4

5 An attorney special magistrate shall remand an assessment to the property appraiser
6 for a classified use valuation when the special magistrate has concluded that a property
7 classification will be granted. See Rule 12D-9.029(2), F.A.C.
8

9 In a petition heard by the Board, Rule 12D-9.029(3), F.A.C., requires the Board to
10 remand an assessment to the property appraiser for a classified use valuation when the
11 Board:
12

- 13 1. Has concluded that a property classification will be granted; and
- 14
- 15 2. Has concluded that the record does not contain the competent substantial evidence
16 necessary for the Board to establish classified use value.
17

18 For remanding an assessment to the property appraiser, the Board or special
19 magistrate shall produce a written remand decision that shall include appropriate
20 directions to the property appraiser. See Rule 12D-9.029(6), F.A.C.
21

22 Rule 12D-9.029(4), F.A.C., provides that the Board or special magistrate shall produce
23 written findings of fact and conclusions of law necessary to determine that a remand is
24 required, but shall not render a recommended or final decision unless a continuation
25 hearing is held as provided in Rule 12D-9.029(9), F.A.C.
26

27 * For producing these findings and conclusions and remanding an assessment, the
28 Board or special magistrate is required to use Form DR-485R. See Rule 12D-
29 9.029(4), F.A.C.
30

31 * The Form DR-485R is available on the Department's website at the following link:
32 <http://floridarevenue.com/property/Pages/Forms.aspx#ui-id-21>
33

34 * Boards and special magistrates are required to use current and up-to-date forms.
35

36 When an attorney special magistrate remands an assessment to the property appraiser
37 for classified use valuation, an appraiser special magistrate retains authority to produce
38 a recommended decision in accordance with law. See Rule 12D-9.029(5), F.A.C.
39

40 When an appraiser special magistrate remands an assessment to the property
41 appraiser, the special magistrate retains authority to produce a recommended decision
42 in accordance with law. See Rule 12D-9.029(5), F.A.C.
43

44 When the Board remands an assessment to the property appraiser, the Board retains
45 authority to make a final decision on the petition in accordance with law. See Rule 12D-
46 9.029(5), F.A.C.

2017 Value Adjustment Board Training - Module 5

1
2 The Board clerk shall concurrently provide, to the petitioner and the property appraiser,
3 a copy of the written remand decision from the Board or special magistrate. See Rule
4 12D-9.029(7), F.A.C.

5
6 * The petitioner's copy of the written remand decision shall be sent by regular or
7 certified U.S. mail, or by personal delivery, or in the manner requested by the
8 taxpayer on the petition. See Rule 12D-9.029(7), F.A.C.

9
10 After receiving a Board or special magistrate's remand decision from the Board clerk,
11 the property appraiser shall follow the appropriate directions from the Board or special
12 magistrate and shall produce a written remand review. See Rule 12D-9.029(8)(a), F.A.C.

13
14 * The property appraiser or his or her staff shall not have, directly or indirectly, any ex
15 parte communication with the Board or special magistrate regarding the remanded
16 assessment. See Rule 12D-9.029(8)(b), F.A.C.

17
18 Immediately after receipt of the written remand review from the property appraiser, the
19 Board clerk shall send a copy of the written remand review to the petitioner by regular or
20 certified U.S. mail or by personal delivery, or in the manner requested by the petitioner
21 on the petition, and shall send a copy to the Board or special magistrate. See Rule 12D-
22 9.029(9)(a), F.A.C.

23
24 * The Board clerk shall retain, as part of the petition file, the property appraiser's
25 written remand review. See Rule 12D-9.029(9)(a), F.A.C.

26
27 * Together with the petitioner's copy of the written remand review, the Board clerk
28 shall send to the petitioner a copy of Rule 12D-9.029(9), F.A.C. See Rule 12D-
29 9.029(9)(a), F.A.C.

30
31 The Board clerk shall schedule a continuation hearing if the petitioner notifies the Board
32 clerk, within 25 days of the date the Board clerk sends the written remand review, that
33 the results of the property appraiser's written remand review are unacceptable to the
34 petitioner and that the petitioner requests a further hearing on the petition. See Rule
35 12D-9.029(9)(b), F.A.C.

36
37 * The Board clerk shall send the notice of hearing so that it will be received by the
38 petitioner no less than twenty-five (25) calendar days prior to the day of the
39 scheduled continuation hearing, as described in Rule 12D-9.019(3), F.A.C. See Rule
40 12D-9.029(9)(b), F.A.C.

41
42 When a petitioner does not notify the Board clerk that the results of the property
43 appraiser's written remand review are unacceptable to the petitioner and does not
44 request a continuation hearing, or if the petitioner waives a continuation hearing, the
45 Board or special magistrate shall issue a decision or recommended decision. See Rule
46 12D-9.029(9)(b), F.A.C.

2017 Value Adjustment Board Training - Module 5

1
2 * This decision or recommended decision shall contain:

- 3
4 1. A finding of fact that the petitioner did not request a continuation hearing or
5 waived such hearing; and
6
7 2. A conclusion of law that the decision is being issued in order that any right the
8 petitioner may have to bring an action in circuit court is not impaired. See Rule
9 12D-9.029(9)(b), F.A.C.

10
11 * The petition shall be treated and listed as Board action for purposes of the notice
12 required by Rule 12D-9.038, F.A.C. See Rule 12D-9.029(9)(b), F.A.C.

13
14 At a continuation hearing, the Board or special magistrate shall receive and consider the
15 property appraiser's written remand review and additional relevant and credible
16 evidence, if any, from the parties. See Rule 12D-9.029(9)(c), F.A.C.

17
18 * Also, the Board or special magistrate may consider evidence admitted at the original
19 hearing. See Rule 12D-9.029(9)(c), F.A.C.

20
21 In those counties that use special magistrates, if an attorney special magistrate has
22 granted a property classification before the remand decision and the property appraiser
23 has produced a remand classified use value, a real property valuation special
24 magistrate shall conduct the continuation hearing. See Rule 12D-9.029(10), F.A.C.

25
26 In no case shall a Board or special magistrate remand to the property appraiser an
27 exemption, "portability" assessment difference transfer, or property classification
28 determination. See Rule 12D-9.029(11), F.A.C.

29
30 Copies of all evidence shall remain with the Board clerk and be available during the
31 remand process. See Rule 12D-9.029(12), F.A.C.

32
33 In lieu of remand, the Board or special magistrate may postpone conclusion of the
34 hearing upon agreement of the parties if the requirements of Rule 12D-9.025(6), F.A.C.,
35 are met. See Rule 12D-9.029(13), F.A.C.

36 37 38 **Procedures for Recommended Decisions by Special Magistrates**

39 For each petition not withdrawn or settled, special magistrates shall produce a written
40 recommended decision that contains findings of fact, conclusions of law, and reasons
41 for upholding or overturning the property appraiser's determination. See Rule 12D-
42 9.030(1), F.A.C.

43
44 The special magistrate and Board clerk shall observe the petitioner's right to be sent a
45 timely written recommended decision containing proposed findings of fact and proposed

2017 Value Adjustment Board Training - Module 5

1 conclusions of law and reasons for upholding or overturning the determination of the
2 property appraiser. See Rule 12D-9.030(1), F.A.C.

3
4 After producing a recommended decision, the special magistrate shall provide it to the
5 Board clerk. See Rule 12D-9.030(1), F.A.C.

6
7 The Board clerk shall provide copies of the special magistrate's recommended decision
8 to the petitioner and the property appraiser as soon as practicable after receiving the
9 recommended decision. See Rule 12D-9.030(2), F.A.C.

10
11 1. If the Board clerk knows the date, time, and place at which the recommended
12 decision will be considered by the Board, the Board clerk shall include such
13 information when he or she sends the recommended decision to the petitioner and
14 the property appraiser. See Rule 12D-9.030(2)(a), F.A.C.

15
16 2. If the Board clerk does not yet know the date, time, and place at which the
17 recommended decision will be considered by the Board, the Board clerk shall
18 include information on how to find the date, time, and place of the meeting at which
19 the recommended decision will be considered by the Board. See Rule 12D-
20 9.030(2)(b), F.A.C.

21
22 Any Board or special magistrate workpapers, worksheets, notes, or other materials that
23 are made available to a party shall immediately be sent to the other party. See Rule 12D-
24 9.030(3), F.A.C.

25
26 * Any workpapers, worksheets, notes, or other materials created by the Board or
27 special magistrates during the course of hearings or during consideration of petitions
28 and evidence, that contain any material prepared in connection with official
29 business, shall be transferred to the Board clerk and retained as public records. See
30 Rule 12D-9.030(3), F.A.C.

31
32 * Boards or special magistrates using standardized workpapers, worksheets, or notes,
33 whether in electronic format or otherwise, must receive prior Department approval to
34 ensure that such standardized documents comply with the law. See Rule 12D-
35 9.030(3), F.A.C.

36
37 For the purpose of producing the recommended decisions of special magistrates, the
38 Department prescribes the Form DR-485 series, and any electronic equivalent forms
39 approved by the Department under Section 195.022, F.S. See Rule 12D-9.030(4), F.A.C.

40
41 * The Form DR-485 series is available on the Department's website at the following
42 link: <http://floridarevenue.com/property/Pages/Forms.aspx#ui-id-21>

43
44 * Boards and special magistrates are required to use current and up-to-date forms.
45

2017 Value Adjustment Board Training - Module 5

- 1 * Under Rule 12D-9.030(4), F.A.C., all recommended decisions of special
2 magistrates, and all forms used for the recommended decisions, must contain the
3 following required elements:
4
5 1. Findings of fact;
6
7 2. Conclusions of law; and
8
9 3. Reasons for upholding or overturning the determination of the property appraiser.

10
11 As used in this training, the terms “findings of fact” and “conclusions of law” include
12 proposed findings of fact and proposed conclusions of law produced by special
13 magistrates in their recommended decisions. See Rule 12D-9.030(5), F.A.C.

14
15 Legal advice from the Board legal counsel relating to the facts of a petition or to the
16 specific outcome of a decision, if in writing, shall be included in the record and
17 referenced within the findings of fact and conclusions of law. See Rule 12D-9.030(6),
18 F.A.C.

- 19
20 * If not in writing, this legal advice shall be documented within the findings of fact and
21 conclusions of law. See Rule 12D-9.030(6), F.A.C.

Procedures for Consideration and Adoption of Recommended Decisions by Boards

22
23
24 All recommended decisions shall comply with Sections 194.301, 194.034(2), and
25 194.035(1), F.S. See Rule 12D-9.031(1), F.A.C.

- 26
27
28
29 * A special magistrate shall not submit to the Board, and the Board shall not adopt,
30 any recommended decision that is not in compliance with Sections 194.301,
31 194.034(2), and 194.035(1), F.S. See Rule 12D-9.031(1), F.A.C.

32
33 As provided in Sections 194.034(2) and 194.035(1), F.S., the Board shall consider the
34 recommended decisions of special magistrates and may act upon the recommended
35 decisions without further hearing. See Rule 12D-9.031(2), F.A.C.

- 36
37 * If the Board holds further hearing for such consideration, the Board clerk shall send
38 notice of the hearing to the parties. See Rule 12D-9.031(2), F.A.C.

- 39
40 * Any notice of hearing shall be in the same form as specified in Rule 12D-9.019(3)(b),
41 F.A.C., but need not include items specified in subparagraphs 6. through 9. of that
42 subsection. See Rule 12D-9.031(2), F.A.C.

- 43
44 * The Board shall consider whether the recommended decisions meet the
45 requirements of Rule 12D-9.031(1), F.A.C., and may rely on Board legal counsel for
46 such determination. See Rule 12D-9.031(2), F.A.C.

2017 Value Adjustment Board Training - Module 5

1
2 * Adoption of recommended decisions need not include a review of the underlying
3 record. See Rule 12D-9.031(2), F.A.C.

4
5 If the Board determines that a recommended decision meets the requirements of law,
6 the Board shall adopt the recommended decision. See Rule 12D-9.031(3), F.A.C.

7
8 * When a recommended decision is adopted and rendered by the Board, it becomes
9 final. See Rule 12D-9.031(3), F.A.C.

10
11 Under Rule 12D-9.031(4), F.A.C., if the Board determines that a recommended decision
12 does not comply with the requirements of law, the Board shall proceed as follows.

- 13
14 1. The Board shall request the advice of Board legal counsel to evaluate further action
15 and shall take the steps necessary for producing a final decision in compliance with
16 law.
17
18 2. The Board may direct a special magistrate to produce a recommended decision that
19 complies with the law based on, if necessary, a review of the entire record.
20
21 3. The Board shall retain any recommended decisions and all other records of actions
22 taken under Rule 12D-9.031, F.A.C.
23
24

Procedures for Final Decisions by Boards

25
26 For each petition not withdrawn or settled, the Board shall produce a written final
27 decision that contains findings of fact, conclusions of law, and reasons for upholding or
28 overturning the property appraiser's determination. See Rule 12D-9.032(1)(a), F.A.C.

29
30 * The Board may fulfill the requirement to produce a written final decision by adopting
31 a recommended decision of the special magistrate containing the required elements
32 and providing notice that it has done so. See Rule 12D-9.032(1)(a), F.A.C.
33

34 * The Board may adopt the special magistrate's recommended decision as the
35 decision of the Board by incorporating the recommended decision, using a postcard
36 or similar notice. See Rule 12D-9.032(1)(a), F.A.C.
37

38 * The Board shall ensure regular and timely approval of recommended decisions. See
39 Rule 12D-9.032(1)(a), F.A.C.
40

41 Legal advice from the Board legal counsel relating to the facts of a petition or to the
42 specific outcome of a decision, if in writing, shall be included in the record and
43 referenced within the findings of fact and conclusions of law. See Rule 12D-9.032(1)(b),
44 F.A.C.
45

2017 Value Adjustment Board Training - Module 5

1 * If not in writing, such advice shall be documented within the findings of fact and
2 conclusions of law. See Rule 12D-9.032(1)(b), F.A.C.

3
4 A final decision of the Board shall state the just, assessed, taxable, and exempt value,
5 for the county both before and after Board action. See Rule 12D-9.032(2), F.A.C.

6
7 * Board action shall not include changes made as a result of action by the property
8 appraiser. See Rule 12D-9.032(2), F.A.C.

9
10 * If the property appraiser has reduced his or her value or granted an exemption,
11 property classification, or “portability” assessment difference transfer, whether before
12 or during the hearing but before Board action, the values in the “before” column shall
13 reflect the adjusted figure before Board action. See Rule 12D-9.032(2), F.A.C.

14
15 The Board’s final decision shall advise the taxpayer and property appraiser that further
16 proceedings in circuit court shall be as provided in Section 194.036, F.S. See Rule 12D-
17 9.032(3), F.A.C.

18
19 Upon issuance of a final decision by the Board, the Board shall provide it to the Board
20 clerk and the Board clerk shall promptly provide notice of the final decision to the
21 parties. See Rule 12D-9.032(4), F.A.C.

22
23 * Notice of the final decision may be made by providing a copy of the decision. See
24 Rule 12D-9.032(4), F.A.C.

25
26 * The Board shall issue all final decisions within 20 calendar days of the last day the
27 Board is in session pursuant to Section 194.032, F.S. See Rule 12D-9.032(4), F.A.C.

28
29 **Note:** Legislation enacted in 2013 created section 192.048, F.S., to authorize the
30 electronic transmission of Board final decisions under certain conditions when the
31 recipient consents in writing to receive the document electronically, and amended
32 section 194.034(2), F.S., to include electronic transmission if selected by the taxpayer
33 on the originally filed petition. This legislation is effective July 1, 2013. See Chapter 2013-
34 72, Section 2, Laws of Florida (SB 1830).

35
36 For the purpose of producing the final decisions of the Board, the Department
37 prescribes the Form DR-485 series, and any electronic equivalent forms approved by
38 the Department under Section 195.022, F.S. See Rule 12D-9.032(5), F.A.C.

39
40 * The Form DR-485 series is available on the Department’s website at the following
41 link: <http://floridarevenue.com/property/Pages/Forms.aspx#ui-id-21>

42
43 * Boards and special magistrates are required to use current and up-to-date forms.
44

2017 Value Adjustment Board Training - Module 5

- 1 * The Form DR-485 series, or approved electronic equivalent forms, are the only
2 forms that shall be used for producing a final decision of the Board. See Rule 12D-
3 9.032(5), F.A.C.
4
- 5 * Before using any form to notify petitioners of the final decision, the Board shall
6 submit the proposed form to the Department for approval. See Rule 12D-9.032(5),
7 F.A.C.
8
- 9 * The Board shall not use a form to notify the petitioner unless the Department has
10 approved the form. See Rule 12D-9.032(5), F.A.C.
11
- 12 * Under Rule 12D-9.032(5), F.A.C., all decisions of the Board, and all forms used to
13 produce final decisions on petitions heard by the Board, must contain the following
14 required elements:
15
- 16 1. Findings of fact;
 - 17
 - 18 2. Conclusions of law; and
 - 19
 - 20 3. Reasons for upholding or overturning the determination of the property appraiser.
21
- 22 If, prior to a final decision, any communication is received from a party concerning a
23 Board process on a petition or concerning a recommended decision, a copy of the
24 communication shall promptly be furnished to all parties, the Board clerk, and the Board
25 legal counsel. See Rule 12D-9.032(6)(a), F.A.C.
26
- 27 * No such communication shall be furnished to the Board or a special magistrate
28 unless a copy is immediately furnished to all parties. See Rule 12D-9.032(6)(a), F.A.C.
29
- 30 * A party may waive notification or furnishing of copies under Rule 12D-9.032(6)(a),
31 F.A.C.
32
- 33 * The Board legal counsel shall respond to such communication and may advise the
34 Board concerning any action the Board should take concerning the communication.
35 See Rule 12D-9.032(6)(b), F.A.C.
36
- 37 * No reconsideration of a recommended decision shall take place until all parties have
38 been furnished all communications, and have been afforded adequate opportunity to
39 respond. See Rule 12D-9.032(6)(c), F.A.C.
40
- 41 * Under Rule 12D-9.032(6)(d), F.A.C., the Board clerk shall provide to the parties:
42
- 43 1. Notification before the presentation of the matter to the Board; and
 - 44
 - 45 2. Notification of any action taken by the Board.

Further Judicial Proceedings

Rule 12D-9.033, F.A.C., provides that after the Board issues its final decision, further proceedings and the timing thereof are as provided in Sections 194.036 and 194.171, F.S.

Requirements for the Record of the Hearing

Rule 12D-9.034(1), F.A.C., states the following:

The Board clerk shall maintain a record of the proceeding. The record shall consist of:

1. The petition;
2. All filed documents, including all tangible exhibits and documentary evidence presented, whether or not admitted into evidence; and
3. Meeting minutes and a verbatim record of the hearing.

The verbatim record of the hearing may be kept by any electronic means that is easily retrieved and copied. See Rule 12D-9.034(2), F.A.C.

In counties that use special magistrates, the special magistrate shall accurately and completely preserve the verbatim record during the hearing, and may be assisted by the Board clerk. See Rule 12D-9.034(2), F.A.C.

In counties that do not use special magistrates, the Board clerk shall accurately and completely preserve the verbatim record during the hearing. See Rule 12D-9.034(2), F.A.C.

At the conclusion of each hearing, the Board clerk shall retain the verbatim record as part of the petition file. See Rule 12D-9.034(2), F.A.C.

Under Rules 12D-9.034(3) and (4), F.A.C., the Board clerk shall maintain the petition record as follows:

1. For four years after the Board rendered the final decision, if no appeal is filed in circuit court; or
2. For five years if an appeal is filed in circuit court; or
3. If requested by one of the parties, these records shall be retained until the final disposition of any subsequent judicial proceeding related to the same property.

2017 Value Adjustment Board Training - Module 5

1 **Requirements for Certification of Assessment Rolls**

2 When the tax rolls have been extended pursuant to Section 197.323, F.S., the initial
3 certification of the Board shall be made on Form DR-488P. See Rule 12D-9.037(1)(a),
4 F.A.C.

5
6 * Form DR-488P is available on the Department's website at the following link:
7 <http://floridarevenue.com/property/Pages/Forms.aspx#ui-id-21>

8
9 * Boards are required to use current and up-to-date forms.

10
11 After all hearings have been held, the Board shall certify an assessment roll or part of
12 an assessment roll that has been finally approved pursuant to Section 193.1142, F.S.
13 See Rule 12D-9.037(1)(b), F.A.C.

14
15 * The certification shall be on Form DR-488 prescribed by the Department for this
16 purpose. See Rule 12D-9.037(1)(b), F.A.C.

17
18 * A sufficient number of copies of the Board's certification shall be delivered to the
19 property appraiser who shall attach the same to each copy of each assessment roll
20 prepared by the property appraiser. See Rule 12D-9.037(1)(b), F.A.C.

21
22 Rule 12D-9.037(2), F.A.C., requires a certification signed by the Board chair, on behalf
23 of the entire Board, on Form DR-488, designated for this purpose, that all requirements
24 in Chapter 194, F.S., and Department rules, were met as listed below.

- 25
- 26 1. The prehearing checklist pursuant to Rule 12D-9.014, F.A.C., was followed and all
27 necessary actions reported by the Board clerk were taken to comply with Rule 12D-
28 9.014, F.A.C.;
 - 29
30 2. The qualifications of special magistrates were verified, including whether special
31 magistrates completed the department's training;
 - 32
33 3. The selection of special magistrates was based solely on proper qualifications and
34 the property appraiser and parties did not influence the selection of special
35 magistrates;
 - 36
37 4. All petitions considered were either timely filed, or good cause was found for late
38 filing after proper review by the Board or its designee;
 - 39
40 5. All Board meetings were duly noticed pursuant to Section 286.011, F.S., and were
41 held in accordance with law;
 - 42
43 6. No ex parte communications were considered unless all parties were notified and
44 allowed to rebut;
 - 45

2017 Value Adjustment Board Training - Module 5

- 1 7. All petitions were reviewed and considered as required by law unless withdrawn or
2 settled as defined in Rule Chapter 12D-9, F.A.C.;
- 3
- 4 8. All decisions contain required findings of fact and conclusions of law in compliance
5 with Chapter 194, F.S., and Rule Chapter 12D-9, F.A.C.;
- 6
- 7 9. The Board allowed opportunity for public comment at the meeting at which special
8 magistrate recommended decisions were considered and adopted;
- 9
- 10 10. All Board members and the Board's legal counsel have read this certification and a
11 copy of the statement in Rule 12D-9.037(1), F.A.C., is attached; and
- 12
- 13 11. All complaints of noncompliance with Part I, Chapter 194, F.S., or Rule Chapter
14 12D-9, F.A.C., that were called to the Board's attention have been appropriately
15 addressed to conform with the provisions of Part I, Chapter 194, F.S., and Rule
16 Chapter 12D-9, F.A.C.
- 17

18 The Board shall provide a signed original of the certification required under Rule 12D-
19 9.037, F.A.C., to the Department before publication of the notice of the findings and
20 results of the Board required by Section 194.037, F.S. See Rule 12D-9.037(3), F.A.C.

21

22 * See Form DR-529, Notice Tax Impact of Value Adjustment Board.

23

24 * This form is available on the Department's website at the following link:
25 <http://floridarevenue.com/property/Pages/Forms.aspx#ui-id-21>

26

27 * Boards are required to use current and up-to-date forms.

28

29

30 **Requirements for Public Notice of Findings and Results of the Board**

31 After all hearings have been completed, the Board clerk shall publish a public notice
32 advising all taxpayers of the findings and results of the Board decisions, which shall
33 include changes made by the Board to the property appraiser's initial roll. See Rule 12D-
34 9.038(1), F.A.C.

35

36 * The format of the tax impact notice shall be substantially as prescribed in Form DR-
37 529, Notice Tax Impact of Value Adjustment Board. See Rule 12D-9.038(1), F.A.C.

38

39 * The public notice shall be in the form of a newspaper advertisement and shall be
40 referred to as the "tax impact notice". See Rule 12D-9.038(1), F.A.C.

41

42 * Such notice shall be published to permit filing within the timeframe in Rules 12D-
43 17.004(1) and (2), F.A.C., where provided. See Rule 12D-9.038(1), F.A.C.

44

45 * For petitioned parcels, the property appraiser's initial roll shall be the property
46 appraiser's determinations as presented at the commencement of the hearing or as

2017 Value Adjustment Board Training - Module 5

- 1 reduced by the property appraiser during the hearing but before a decision by the
2 Board or a recommended decision by a special magistrate. See Rule 12D-9.038(1),
3 F.A.C.
4
- 5 * Rule 12D-9.038, F.A.C., shall not prevent the property appraiser from providing data
6 to assist the Board clerk with the notice of tax impact.
7
- 8 The notice of the findings and results of the Board shall be published in a newspaper of
9 paid general circulation within the county. See Rule 12D-9.038(3), F.A.C.
10
- 11 * It shall be the specific intent of the publication of notice to reach the largest segment
12 of the total county population. See Rule 12D-9.038(3), F.A.C.
13
- 14 * Any newspaper of less than general circulation in the county shall not be considered
15 for publication except to supplement notices published in a paper of general
16 circulation. See Rule 12D-9.038(3), F.A.C.

Module 6: Administrative Reviews of Real Property Just Valuations

32 **Training Module 6 addresses the following topics:**

- 33 • Recent Statutory Law Beginning in 2009 (See HB 521)
- 34 • Overview of Appraisal Development
- 35 • Legal Provisions on the Real Property Appraisal Guidelines
- 36 • Florida Information on Appraisal Development
- 37 • Scope of Authority for Administrative Reviews
- 38 • The Eight Factors of Just Valuation
- 39 • Proper Consideration of the Just Valuation Factors
- 40 • Standard of Proof for Administrative Reviews
- 41 • Petitioner Not Required to Present Opinion or Estimate of Value
- 42 • Presentation of Evidence by the Parties
- 43 • Evaluation of Evidence by the Board or Special Magistrate
- 44 • Sufficiency of Evidence
- Requirements for Establishing a Presumption of Correctness
- Requirements for Overcoming a Presumption of Correctness
- Establishing a Revised Just Value or Remanding the Assessment
- Competent Substantial Evidence for Establishing a Revised Just Value
- Establishment of Revised Just Values in Administrative Reviews
- Legal Limitations on Administrative Reviews
- Sequence of General Procedural Steps
- Chronological Overview of Subsection 193.011(8), F.S.
- Operation of the Eighth Criterion Under Florida Law
- The Eighth Criterion in Real Property Administrative Reviews

32 **Learning Objectives**

33 After completing this training module, the learner should be able to:

- 34
- 35 • Identify the changes recently enacted in statutory law (HB 521)
- 36 • Distinguish between who does appraisal development and who does NOT
- 37 • Identify legal provisions on the Florida Real Property Appraisal Guidelines
- 38 • Identify legal provisions that represent limitations on the discretion of property
- 39 appraisers
- 40 • Recognize the four components of the definition of personal property
- 41 • Distinguish between appraisal development and administrative reviews
- 42 • Identify the effective date of administrative review and the real property interest to be
- 43 reviewed
- 44 • Recognize and apply the scope of authority for administrative reviews

2017 Value Adjustment Board Training - Module 6

- 1 • Identify the items that a Board or special magistrate may consider in addition to
- 2 admitted evidence
- 3 • Identify the eight factors of just valuation in Section 193.011, F.S.
- 4 • Recognize the legal standards for consideration of the just valuation factors
- 5 • Identify the applicable standard of proof, its definition, and how it is applied
- 6 • Identify standards of proof that do NOT apply in administrative reviews
- 7 • Recognize that a petitioner is NOT required to present an opinion of value
- 8 • Understand the order of presentation of evidence
- 9 • Identify and apply the steps for evaluating evidence in administrative reviews
- 10 • Recognize and apply the provisions for ruling on the admissibility of evidence
- 11 • Identify and apply the definitions of relevant evidence and credible evidence
- 12 • Recognize and apply the standards for determining the sufficiency of evidence
- 13 • Identify types of information that are NOT sufficient evidence for establishing a
- 14 presumption of correctness
- 15 • Recognize the requirements for establishing a presumption of correctness
- 16 • Recognize the requirements for overcoming a presumption of correctness
- 17 • Identify the alternative actions required when a presumption of correctness was not
- 18 established, or was established but later was overcome
- 19 • Identify and apply the elements of the definition of competent substantial evidence
- 20 for establishing a revised assessment
- 21 • Recognize the conditions under which a Board or special magistrate is required to
- 22 establish a revised just value
- 23 • Identify legal limitations on administrative reviews
- 24 • Apply the sequence of general procedural steps for administrative reviews of just
- 25 valuations
- 26 • Identify when the Board or special magistrate is required or is NOT required to make
- 27 determinations such as findings, conclusions, or decisions
- 28 • Recognize the chronology and operation of the eighth criterion for real property
- 29 under Florida law
- 30 • Recognize that the eighth criterion must be properly considered in administrative
- 31 reviews of just valuations of real property, regardless of the appraisal approach or
- 32 technique used and whether an actual sale of the property has occurred
- 33 • Apply procedures for properly considering the eighth criterion in administrative
- 34 reviews of real property

35
36

37 **Recent Statutory Law Beginning in 2009 (See HB 521)**

38 An important change to Florida Statutes was passed in the 2009 legislative session and
39 then approved by the Governor on June 4, 2009. See Section 194.301, Florida
40 Statutes, as amended by Chapter 2009-121, Laws of Florida (House Bill 521).

41

42 The complete text of this legislation is presented following:

43

44 *Be It Enacted by the Legislature of the State of Florida:*

45

2017 Value Adjustment Board Training - Module 6

1 Section 1.

2 *Section 194.301, Florida Statutes, is amended to read:*

3 *194.301 Challenge to ad valorem tax assessment.—*

4

5 *(1) In any administrative or judicial action in which a taxpayer challenges an ad valorem*
6 *tax assessment of value, the property appraiser's assessment is presumed correct if the*
7 *appraiser proves by a preponderance of the evidence that the assessment was arrived*
8 *at by complying with s. 193.011, any other applicable statutory requirements relating to*
9 *classified use values or assessment caps, and professionally accepted appraisal*
10 *practices, including mass appraisal standards, if appropriate. However, a taxpayer who*
11 *challenges an assessment is entitled to a determination by the value adjustment board*
12 *or court of the appropriateness of the appraisal methodology used in making the*
13 *assessment. The value of property must be determined by an appraisal methodology that*
14 *complies with the criteria of s. 193.011 and professionally accepted appraisal practices.*
15 *The provisions of this subsection preempt any prior case law that is inconsistent with this*
16 *subsection.*

17

18 *(2) In an administrative or judicial action in which an ad valorem tax assessment is*
19 *challenged, the burden of proof is on the party initiating the challenge.*

20

21 *(a) If the challenge is to the assessed value of the property, the party initiating the*
22 *challenge has the burden of proving by a preponderance of the evidence that the*
23 *assessed value:*

24

25 *1. Does not represent the just value of the property after taking into account any*
26 *applicable limits on annual increases in the value of the property;*

27

28 *2. Does not represent the classified use value or fractional value of the property if the*
29 *property is required to be assessed based on its character or use; or*

30

31 *3. Is arbitrarily based on appraisal practices that are different from the appraisal practices*
32 *generally applied by the property appraiser to comparable property within the same*
33 *county.*

34

35 *(b) If the party challenging the assessment satisfies the requirements of paragraph (a),*
36 *the presumption provided in subsection (1) is overcome and the value adjustment board*
37 *or the court shall establish the assessment if there is competent, substantial evidence of*
38 *value in the record which cumulatively meets the criteria of s. 193.011 and professionally*
39 *accepted appraisal practices. If the record lacks such evidence, the matter must be*
40 *remanded to the property appraiser with appropriate directions from the value adjustment*
41 *board or the court, and the property appraiser must comply with those directions.*

42

43 *(c) If the revised assessment following remand is challenged, the procedures described*
44 *in this section apply.*

45

2017 Value Adjustment Board Training - Module 6

1 (d) *If the challenge is to the classification or exemption status of the property, there is no*
2 *presumption of correctness and the party initiating the challenge has the burden of*
3 *proving by a preponderance of the evidence that the classification or exempt status*
4 *assigned to the property is incorrect.*

5 6 Section 2.

7 (1) *It is the express intent of the Legislature that a taxpayer shall never have the burden*
8 *of proving that the property appraiser's assessment is not supported by any reasonable*
9 *hypothesis of a legal assessment. All cases establishing the every-reasonable-*
10 *hypothesis standard were expressly rejected by the Legislature on the adoption of chapter*
11 *97-85, Laws of Florida. It is the further intent of the Legislature that any cases published*
12 *since 1997 citing the every-reasonable-hypothesis standard are expressly rejected to the*
13 *extent that they are interpretative of legislative intent.*

14
15 (2) *This section is intended to clarify existing law and apply retroactively.*

16 17 Section 3.

18 *This act shall take effect upon becoming a law and shall first apply to assessments in*
19 *2009.*

20 *Approved by the Governor June 4, 2009.*

21 *Filed in Office Secretary of State June 4, 2009.*

22 *Ch. 2009-121 LAWS OF FLORIDA Ch. 2009-121*

23
24 This law applies to the administrative review of assessments beginning with 2009
25 assessments.

26
27 * Procedural steps for implementing this new legislation for administrative reviews of
28 just valuations are presented later in this training module.

29
30 Board attorneys are responsible for ensuring that this important legislation is
31 implemented for all administrative reviews of assessments, starting in 2009.

32
33 This law changed the standard of review for assessments, and Boards and special
34 magistrates must be familiar with the law to ensure its implementation.

35
36 Where appropriate, key points from this statute are presented in this and other modules
37 of this training. However, users of this training are advised to obtain a copy of this
38 statute and review it carefully to understand all of its provisions.

39
40 The law provides a lower standard of proof, called "preponderance of the evidence," for
41 determining whether the assessment is incorrect.

42
43 * "Preponderance of the evidence" is a standard (level) of proof that means "greater
44 weight of the evidence" or "more likely than not."
45

2017 Value Adjustment Board Training - Module 6

1 In determining whether the assessment is incorrect, Boards and special magistrates
2 must not use any standard of proof other than the preponderance of the evidence
3 standard, as provided in Section 194.301, F.S., as amended by Chapter 2009-121,
4 Laws of Florida (House Bill 521).

5
6 Higher standards of proof no longer apply. The higher standard of proof called “clear
7 and convincing evidence” no longer applies in the administrative review of assessments
8 and must not be used by Boards or special magistrates. See Section 194.301, F.S., as
9 amended by Chapter 2009-121, Laws of Florida (House Bill 521).

10
11 *“It is the express intent of the Legislature that a taxpayer shall never have the burden of*
12 *proving that the property appraiser's assessment is not supported by any reasonable*
13 *hypothesis of a legal assessment.”* See Subsection 194.3015(1), F.S., as created by Chapter
14 2009-121, Laws of Florida (House Bill 521).

15
16 The recently enacted statute provides the following: *“The provisions of this subsection*
17 *preempt any prior case law that is inconsistent with this subsection.”* See Subsection
18 194.301(1), F.S., as amended by Chapter 2009-121, Laws of Florida (House Bill 521).

19
20 References to Florida court decisions are presented in this training. Generally, these
21 court decisions predate this statutory law. This statutory law supersedes these
22 decisions to the extent these decisions are in conflict with the statute.

23
24 Thus, the information from these court decisions, as presented in this training, has been
25 modified where appropriate for consistency with the 2009 changes in the statute.

26
27 For example, court decisions recognize that property appraisers have discretion, which
28 is limited by other provisions of law, in weighing just valuation factors and in selecting
29 an appraisal methodology.

30
31 * The statute contains an additional requirement that the appraisal methodology used
32 in making the assessment must comply with “professionally accepted appraisal
33 practices.”

34
35 * This requirement represents an additional statutory limitation on the property
36 appraiser’s discretion.

37
38 Therefore, where appropriate in this training, the requirement on “professionally
39 accepted appraisal practices” has been added to modify the information from prior court
40 decisions for consistency with the statutory law.

41
42 * This training module includes references to this statutory law where appropriate.

43
44 This training is intended to contain information that is consistent with the statutory
45 provisions in Sections 194.301 and 194.3015, F.S., as amended by Chapter 2009-121,
46 Laws of Florida (House Bill 521).

2017 Value Adjustment Board Training - Module 6

1
2 An overall summary of the provisions of this law is presented in Module 1 of this
3 training. Provisions of this statute are addressed where appropriate in other slides in
4 this module and in other modules of this training.

5
6

7 **Overview of Appraisal Development**

8 Appraisal development, or valuation development, is the process of producing an
9 original appraisal (determination of value) using the overall appraisal process.

10
11 In administrative reviews, Boards and special magistrates are not authorized to perform
12 appraisal development and must not perform appraisal development.

13
14 Property appraisers do appraisal development as part of their annual production of
15 assessment rolls. Private sector appraisers also do appraisal development.

16
17 Generally, property appraisers use a professionally accepted methodology called mass
18 appraisal to develop real property just values each year.

19
20 The Florida Real Property Appraisal Guidelines generally describe the mass appraisal
21 development process under Florida law.

22
23 It is implicit in mass appraisal that, even when properly specified and calibrated mass
24 appraisal models are used, some individual value conclusions will not meet standards of
25 reasonableness, consistency, and accuracy.

26
27

28 **Legal Provisions on the Real Property Appraisal Guidelines**

29 Below are provisions from Section 195.032, Florida Statutes, describing the Florida
30 Real Property Appraisal Guidelines.

31

32 1. *“The standard measures of value shall provide guidelines for the valuation of*
33 *property and methods for property appraisers to employ in arriving at the just*
34 *valuation of particular types of property consistent with section 193.011...”*

35
36 2. *“The standard measures of value shall assist the property appraiser in the valuation*
37 *of property and be deemed prima facie correct, but shall not be deemed to establish*
38 *the just value of any property.”*

39

40 See Rule 12D-51.003, Florida Administrative Code, for more information on the Florida
41 Real Property Appraisal Guidelines.

42

43

2017 Value Adjustment Board Training - Module 6

1 **Florida Information on Appraisal Development**

2 The Florida Real Property Appraisal Guidelines contain descriptions of appraisal
3 methods that may be used by property appraisers to develop just valuations of real
4 property consistent with Florida law.

5
6 Boards and special magistrates are expected to understand these guidelines for
7 purposes of reviewing challenged assessments.

8
9 A copy of these guidelines is available at the following web address:

10 <http://floridarevenue.com/property/Documents/FLrpg.pdf>

11
12 The real property guidelines describe the three real property valuation approaches,
13 which are the following: (1) The Cost Less Depreciation Approach; (2) The Sales
14 Comparison Approach; and (3) The Income Capitalization Approach.

15
16 Section 4, Article VII, of the Florida Constitution, requires a just valuation of all property
17 for ad valorem taxation, with certain conditions.

18
19 Florida's constitution has "delegated to the Legislature the responsibility for deciding the
20 specifics of how that 'just valuation' would be secured." Sunset Harbour Condominium
21 Ass'n v. Robbins, 914 So.2d 925, 931 (Fla. 2005), citing Collier County v. State, 733 So.2d
22 1012, 1019 (Fla. 1999).

23
24 In section 193.011, F.S., the Florida Legislature has effectuated the constitutional
25 requirement for just valuation by specifying the eight factors that must be properly
26 considered in arriving at just valuations of all property.

27
28 In 1963, the Legislature enacted the first seven just valuation factors, effective January
29 1, 1964. See Chapter 63-250, Laws of Florida, creating Section 193.021, F.S., which was re-
30 numbered in 1969 as Section 193.011, F.S., by Chapter 69-55, Laws of Florida.

31
32 In 1965, the Florida Supreme Court held that just value was synonymous with fair
33 market value and defined fair market value as: "*the amount a purchaser willing but not*
34 *obliged to buy, would pay to one willing but not obliged to sell.*" See Walter v. Schuler, 176
35 So.2d 81 (Fla. 1965).

36
37 * Neither the term "fair market value" nor the term "market value" appears in the
38 Florida Constitution. The term "just valuation" appears in the constitution once and
39 the term "just value" appears in the constitution a total of 22 times, all of which terms
40 appear in Article VII pertaining to the valuation of property for ad valorem taxation.

41
42 * NOTE: The eighth just valuation criterion did not exist at the time of Walter v.
43 Schuler. The Legislature can override decisional law. See Dept. of Environmental
44 Protection v. Contractpoint Florida Parks, 986 So.2d 1260, 1269 (Fla. 2008).

45

2017 Value Adjustment Board Training - Module 6

1 Then, in 1967, the legislature added the eighth just valuation criterion (net proceeds of
2 sale) as a new Subsection 193.021(8), F.S. See Chapter 67-167, Laws of Florida, creating
3 Subsection 193.021(8), F.S., which was re-numbered in 1969 as Subsection 193.011(8), F.S., by
4 Chapter 69-55, Laws of Florida.

5
6 Subsection 193.011(8), F.S., generally known as the “eighth criterion,” was last
7 amended in 1979 and is presented below in its entirety.

8
9 *“The net proceeds of the sale of the property, as received by the seller, after deduction
10 of all of the usual and reasonable fees and costs of the sale, including the costs and
11 expenses of financing, and allowance for unconventional or atypical terms of financing
12 arrangements. When the net proceeds of the sale of any property are utilized, directly or
13 indirectly, in the determination of just valuation of realty of the sold parcel or any other
14 parcel under the provisions of this section, the property appraiser, for the purposes of
15 such determination, shall exclude any portion of such net proceeds attributable to
16 payments for household furnishings or other items of personal property.”*

17
18 When the eighth criterion was added in 1967 to the statute containing just valuation
19 factors, the Legislature apparently provided discretion to property appraisers that would
20 allow for, but not require, just value to be a number different than before enactment of
21 the “net proceeds of sale” factor.

22
23 The rule of statutory interpretation is to assume that the Legislature intended its
24 amendment to serve a useful purpose. “Likewise, when a statute is amended, it is
25 presumed that the Legislature intended it to have a meaning different from that
26 accorded to it before the amendment.” Carlisle v. Game and Freshwater Fish Commission,
27 354 So.2d 362 (Fla. 1977); see also Okeechobee Health Care v. Collins, 726 So.2d 775 (Fla. 1st
28 DCA 1998).

29
30 For many years, Florida property appraisers have interpreted subsection 193.011(8),
31 F.S., by applying across-the-board, eighth criterion adjustments in arriving at just
32 valuations of real property.

33
34 Since its enactment and amendments, this eighth just valuation criterion has been
35 applied by property appraisers in actual practice to produce a just value for real property
36 that is generally less than fair market value.

37
38 In 1984, when reviewing a 1980 assessment, a federal appellate court found that just
39 value as determined under Subsection 193.011(8), F.S., does not represent full market
40 value. See Louisville and Nashville Railroad Co. v. Department of Revenue, State of Fla., 736
41 F.2d 1495 (11th Cir.(Fla.) July 24, 1984).

42
43 A Florida appellate court stated the following in an example regarding the eighth
44 criterion: “*Subtracting the \$15,000 (cost of sale) from the \$100,000 selling price leaves
45 a net value of \$85,000. We find no impropriety in using this approach to valuation.*” See

2017 Value Adjustment Board Training - Module 6

1 Southern Bell Telephone and Telegraph Co. v. Broward County, 665 So.2d 272 (Fla. 4th DCA
2 1995) review denied 673 So.2d 30 (Fla. 1996).

3
4 The eighth criterion is addressed in more detail in the last three sections of this module.

5
6 Appraisal is an art, not a science. See Powell v. Kelly, 223 So.2d 305 (Fla. 1969).

7
8 The determination of just value inherently and necessarily requires the exercise of
9 appraisal judgment by the property appraiser. See Department of Revenue v. Howard, 916
10 So.2d 640 (Fla. 2005).

11
12 * Note: However, as indicated following, the property appraiser's discretion is not
13 unbridled and is limited by several other provisions of law including Sections
14 194.301 and 194.3015, F.S., as amended by Chapter 2009-121, Laws of Florida
15 (House Bill 521).

16
17 Several Florida court decisions have described the limitations on the property
18 appraiser's discretion, including the four indicated below:

- 19
20 1. The statute on just valuation factors (now Section 193.011, F.S.) was not intended to
21 give property appraisers unbridled discretion; rather, the statute's purpose is to
22 require property appraisers to adhere to the constitutional mandate of just valuation.
23 See Walter v. Schuler, 176 So.2d 81 (Fla. 1965); Section 193.011, F.S.; and Chapter 67-167,
24 Laws of Florida, creating Subsection 193.021(8), F.S., which was re-numbered in 1969 as
25 Subsection 193.011(8), F.S., by Chapter 69-55, Laws of Florida.
26
27 2. The property appraiser's discretion is limited by the standard of just valuation and by
28 the statutory criteria for just valuation (now Section 193.011, F.S.). See Keith
29 Investments, Inc. v. James, 220 So.2d 695 (Fla. 4th DCA 1969).
30
31 3. The statutory valuation criteria are intended to limit the property appraiser's
32 discretion and to tie the property appraiser more closely to the uniform constitutional
33 standard of just valuation. See Cassady v. McKinney, 296 So.2d 94 (Fla. 2nd DCA 1974).
34
35 4. The property appraiser's discretion is limited by the constitutional requirement for a
36 just valuation and by statute (Section 193.011, F.S.). See In re Steffen, 342 B.R. 861
37 (Bkrcty. M.D. Fla. 2006). Also, see Section 194.301, F.S., as amended by Chapter 2009-121,
38 Laws of Florida (House Bill 521), which requires that the assessment methodology comply
39 with professionally accepted appraisal practices.
40

41 The property appraiser is required to consider, but is not required to use, all three
42 approaches to value. See Mastroianni v. Barnett Banks, Inc., 664 So.2d 284 (Fla. 1st DCA
43 1995) review denied 673 So.2d 29 (Fla. 1996).

44
45 * Note: However, a presumption of correctness for the assessment will not be
46 established if the property appraiser does not prove by a preponderance of the

2017 Value Adjustment Board Training - Module 6

1 evidence that the just value was developed in compliance with Section 193.011,
2 F.S., and professionally accepted appraisal practices, including mass appraisal
3 standards, if appropriate.
4

5 The property appraiser's valuation methodology must comply with the criteria in Section
6 193.011, F.S., and professionally accepted appraisal practices. See Section 194.301, F.S.,
7 as amended by Chapter 2009-121, Laws of Florida (House Bill 521), and Section 193.011, F.S.
8

9 Florida law defines real property as land, buildings, fixtures, and all other improvements
10 to land. See Subsection 192.001(12), F.S.
11

12 Florida law defines personal property as being divided into the following four categories:
13 1) household goods, 2) intangible personal property, 3) inventory, and 4) tangible
14 personal property. See Subsection 192.001(11), F.S.
15

16 Subsection 193.011(8), F.S., states the following in pertinent part: "*When the net
17 proceeds of the sale of any property are utilized, directly or indirectly, in the
18 determination of just valuation of realty of the sold parcel or any other parcel under the
19 provisions of this section, the property appraiser, for the purposes of such
20 determination, shall exclude any portion of such net proceeds attributable to payments
21 for household furnishings or other items of personal property.*"
22

23 The just value of any personal property must be excluded from just valuations of real
24 property.
25
26

Scope of Authority for Administrative Reviews

27 The administrative review of just valuations is performed by Boards or special
28 magistrates under Chapter 194, Parts 1 and 3, F.S.; Rule Chapters 12D-9, 12D-10, and
29 12D-16, F.A.C.; and other provisions of Florida law.
30
31

32 The administrative review process performed by Boards and special magistrates is
33 separate and different from the mass appraisal development process performed by
34 property appraisers.
35

36 In administrative reviews, Boards and special magistrates are not authorized to perform
37 appraisal development and must not perform appraisal development.
38

39 In administrative reviews, Boards and special magistrates are not authorized to perform
40 any independent factual research into attributes of the subject property or any other
41 property.
42

43 Boards and special magistrates must follow the provisions of law on the administrative
44 review of assessments. See Chapter 194, Parts 1 and 3, F.S.; Rule Chapters 12D-9, 12D-10,
45 and 12D-16, F.A.C.; and other provisions of Florida law.
46

2017 Value Adjustment Board Training - Module 6

1 In establishing revised just values when required by law, Boards and special
2 magistrates are bound by the same standards and practices as property appraisers.
3 See Rule 12D-10.003(1), F.A.C., treated favorably in Bystrom v. Equitable Life Assurance
4 Society, 416 So.2d 1133 (Fla. 3d DCA 1982), and see Section 194.301, F.S., as amended by
5 Chapter 2009-121, Laws of Florida (House Bill 521).

6
7 * However, when observing this requirement, Boards and special magistrates must
8 act within their scope of authority.

9
10 The effective date of administrative review is January 1 each year, and the real property
11 interest to be reviewed is the unencumbered fee simple estate.

12
13 The Board or special magistrate has no authority to develop original just valuations of
14 property and may not take the place of the property appraiser, but shall revise the
15 assessment when required under Florida law. See Rule 12D-10.003(1), F.A.C., and Section
16 194.301, F.S., as amended by Chapter 2009-121, Laws of Florida (House Bill 521).

17
18 * See Simpson v. Merrill, 234 So.2d 350 (Fla. 1970), stating that a court may not take the place
19 of the property appraiser but may reduce the assessment.

20
21 * Also, see Blake v. Farrand Corporation, Inc., 321 So.2d 118 (Fla. 3d DCA 1975), holding
22 that the determination of the weight to be accorded evidence rests upon the trial judge, as
23 trier of facts, and if competent substantial evidence is introduced demonstrating the
24 assessment to be erroneous, the judge may reduce that assessment.

25
26 The Board or special magistrate is required to revise the assessment under the
27 conditions specified in Section 194.301, F.S., as amended by Chapter 2009-121, Laws
28 of Florida (House Bill 521). These conditions are described in detail later in this module.

29
30 *"In establishing a revised just value, the board or special magistrate is not restricted to*
31 *any specific value offered by one of the parties."* See Rule 12D-9.027(2)(b)3.a., F.A.C.

32
33 * Also, see Blake v. Farrand Corporation, Inc., 321 So.2d 118 (Fla. 3d DCA 1975), holding
34 that the reviewing judge could arrive at a value that was different from either of the values
35 presented by the parties when the judge's value was based on competent substantial evidence
36 in the record.

37
38 The Board or special magistrate is authorized to make calculations, and to make an
39 adjustment to the property appraiser's value based on competent substantial evidence
40 of just value in the record. See Section 194.301, F.S., as amended by Chapter 2009-121, Laws
41 of Florida (House Bill 521), and see Cassady v. McKinney, 343 So.2d 955 (Fla. 2nd DCA 1977),
42 stating that when the record contains competent substantial evidence of value the court may
43 make necessary value calculations or adjustments based on such evidence.

44
45 If the hearing record does not contain competent substantial evidence of just value, the
46 Board or special magistrate cannot substitute its own independent judgment. See Section
47 194.301, F.S., as amended by Chapter 2009-121, Laws of Florida (House Bill 521), and see

2017 Value Adjustment Board Training - Module 6

1 Cassady v. McKinney, 343 So.2d 955 (Fla. 2nd DCA 1977), stating that in the absence of
2 competent substantial evidence of value the court cannot substitute its own independent
3 judgment.

4
5 The Board or special magistrate has no authority to adjust assessments across-the-
6 board. Their authority to review just valuations is limited to the review of individual
7 petitions filed. See Spooner v. Askew, 345 So.2d 1055 (Fla. 1976).

8
9 The Board has the limited function of reviewing and correcting individual assessments
10 developed by the property appraiser. See Bath Club, Inc. v. Dade County, 394 So.2d 110
11 (Fla. 1981).

12
13 The Board has no authority to review, on its own volition, a decision of the property
14 appraiser to deny an exemption. See Redford v. Department of Revenue, 478 So.2d 808
15 (Fla. 1985).

16
17 **Note:** Prior to 2013, the Board had statutory authority to review, on its own motion,
18 decisions by the property appraiser to grant exemptions and certain classifications.
19 However, legislation enacted in 2013 removed all authority for the Board to review, on
20 its own motion, the determinations of the property appraiser. This law is effective May
21 30, 2013 and applies retroactively to January 1, 2013. See sections 1 through 4 of Chapter
22 2013-95, Laws of Florida (CS/HB 1193), which amended, respectively, sections 193.461(2),
23 193.503(7), 193.625(2), and 196.194(1), F.S.

24
25 *“For the purposes of review of a petition, the board may consider assessments among*
26 *comparable properties within homogeneous areas or neighborhoods.”* See Subsection
27 194.034(5), F.S.

28
29 In administrative reviews, Boards and special magistrates are not authorized to consider
30 any evidence except evidence properly presented by the parties and properly admitted
31 into the record for consideration. See Rule 12D-9.025(4)(a), F.A.C.

32
33 In addition to admitted evidence, Boards and special magistrates are authorized to
34 consider only the following items in administrative reviews:

- 35
- 36 1. Legal advice from the Board legal counsel;
 - 37
 - 38 2. Information contained or referenced in the Department’s Uniform Policies and
39 Procedures Manual and Accompanying Documents;
 - 40
 - 41 3. Information contained or referenced in the Department’s training for value
42 adjustment boards and special magistrates; and
 - 43
 - 44 4. Professional texts that pertain only to professionally accepted appraisal practices
45 that are not inconsistent with Florida law.
 - 46

The Eight Factors of Just Valuation

Section 193.011, Florida Statutes, provides the following on just valuation.

“Factors to consider in deriving just valuation. – *In arriving at just valuation as required under s. 4, Art. VII of the State Constitution, the property appraiser shall take into consideration the following factors:*

(1) The present cash value of the property, which is the amount a willing purchaser would pay a willing seller, exclusive of reasonable fees and costs of purchase, in cash or the immediate equivalent thereof in a transaction at arm's length;

(2) The highest and best use to which the property can be expected to be put in the immediate future and the present use of the property, taking into consideration the legally permissible use of the property, including any applicable judicial limitation, local or state land use regulation, or historic preservation ordinance, and any zoning changes, concurrency requirements, and permits necessary to achieve the highest and best use, and considering any moratorium imposed by executive order, law, ordinance, regulation, resolution, or proclamation adopted by any governmental body or agency or the Governor when the moratorium or judicial limitation prohibits or restricts the development or improvement of property as otherwise authorized by applicable law. The applicable governmental body or agency or the Governor shall notify the property appraiser in writing of any executive order, ordinance, regulation, resolution, or proclamation it adopts imposing any such limitation, regulation, or moratorium;

(3) The location of said property;

(4) The quantity or size of said property;

(5) The cost of said property and the present replacement value of any improvements thereon;

(6) The condition of said property;

(7) The income from said property; and

(8) The net proceeds of the sale of the property, as received by the seller, after deduction of all of the usual and reasonable fees and costs of the sale, including the costs and expenses of financing, and allowance for unconventional or a typical terms of financing arrangements. When the net proceeds of the sale of any property are utilized, directly or indirectly, in the determination of just valuation of realty of the sold parcel or any other parcel under the provisions of this section, the property appraiser, for the purposes of such determination, shall exclude any portion of such net proceeds attributable to payments for household furnishings or other items of personal property.”

2017 Value Adjustment Board Training - Module 6

1 **Proper Consideration of the Just Valuation Factors**

2 Section 193.011, Florida Statutes, states that property appraisers must consider the
3 factors of just valuation.

4
5 Florida court decisions have used the terms *lawfully*, *properly*, *duly*, and *carefully* to
6 describe the standard of care required of property appraisers in considering each of the
7 eight factors.

8
9 * For example, one court decision used the terms *lawfully* and *properly* to describe the
10 property appraiser's standard of care. See Mazourek v. Wal-Mart Stores, 831 So.2d 85
11 (Fla. 2002).

12
13 * Another court decision used the term *duly* to describe the property appraiser's
14 standard of care. See Atlantic International Investment Corp. v. Turner, 383 So.2d 919
15 (Fla. 5th DCA 1980).

16
17 * Other court decisions and the Florida Attorney General have used the terms
18 *carefully* and *careful* to describe the property appraiser's standard of care for
19 considering each of the eight factors.

20
21 * The property appraiser is required to *carefully* consider each factor and give each
22 factor the weight justified by the facts, but is not required to give each factor equal
23 weight. See Lanier v. Walt Disney World Co., 316 So.2d 59 (Fla. 4th DCA 1975), and
24 Daniel v. Canterbury Towers, Inc., 462 So.2d 497 (Fla. 2nd DCA 1985). Also, see Florida
25 Attorney General's Opinion [AGO 77-106](#), September 29, 1977.

26
27 * "*Just value is to be determined by giving careful consideration to each of the factors*
28 *contained in s. 193.011 and by giving such weight to a factor as a particular factual*
29 *situation may justify.*" See Florida Attorney General's Opinion [AGO 77-106](#), September
30 29, 1977.

31
32 After lawfully considering the factors, the property appraiser may discard entirely any
33 factor that is not probative (indicative) of just value under the circumstances, as long as
34 the appraisal methodology used complies with professionally accepted appraisal
35 practices. See Mazourek v. Wal-Mart Stores, 831 So.2d 85 (Fla. 2002), and Section 194.301,
36 F.S., as amended by Chapter 2009-121, Laws of Florida (House Bill 521). Also, see In re
37 Steffen, 342 B.R. 861 (Bkrtcy. M.D. Fla. 2006).

38
39 However, the property appraiser cannot simply "out of hand" reject, without careful
40 consideration, a just valuation factor as being inappropriate in a particular case. See
41 Daniel v. Canterbury Towers, Inc., 462 So.2d 497 (Fla. 2nd DCA 1985).

42
43 In administrative reviews, the property appraiser is responsible for proving by a
44 preponderance of the evidence that he or she complied with Section 193.011, F.S., by
45 properly considering each of the eight factors in developing original just valuations. See
46 Subsection 194.301(1), F.S.

2017 Value Adjustment Board Training - Module 6

1
2 If the property appraiser does not prove by a preponderance of the evidence that he or
3 she properly considered each of the eight factors in developing the just value
4 assessment, the Board or special magistrate must conclude that the property appraiser
5 did not establish a presumption of correctness for the assessment. See Subsection
6 194.301(1), F.S.

7 8 9 **Standard of Proof for Administrative Reviews**

10 In administrative reviews, Boards or special magistrates must consider admitted
11 evidence and then compare the weight of the evidence to a “standard of proof” to make
12 a determination on an issue under review.

13
14 Generally, the term “evidence” means something (including testimony, documents, and
15 tangible objects) that tends to prove or disprove the existence of a disputed fact. See
16 *Black’s Law Dictionary, Eighth Edition*, page 595.

17
18 “Standard of proof” means the level of proof needed by the Board or special magistrate
19 to reach a particular conclusion. See Rule 12D-9.027(5), F.A.C.

20
21 The standard of proof that applies in administrative reviews is called “preponderance of
22 the evidence,” which means “greater weight of the evidence.” See Rule 12D-9.027(5),
23 F.A.C.

24
25 Also, the Florida Supreme Court has defined “preponderance of the evidence” as
26 “greater weight of the evidence” or evidence that “more likely than not” tends to prove a
27 certain proposition. See Gross v. Lyons, 763 So.2d 276 (Fla. 2000).

28
29 “Greater weight of the evidence” means the more persuasive and convincing force and
30 effect of the entire evidence in the case. See Florida Standard Civil Jury Instructions,
31 approved for publication by the Florida Supreme Court.

32
33 The Board or special magistrate must determine whether the admitted evidence is
34 sufficiently relevant and credible to reach the “preponderance of the evidence” standard
35 of proof.

36
37 This standard of proof is the scale by which the Board or special magistrate measures
38 the weight (relevance and credibility) of the admitted evidence in making a
39 determination.

40
41 A higher standard of proof called “clear and convincing evidence” no longer applies in
42 the administrative review of assessments and must not be used by Boards or special
43 magistrates. See Section 194.301, F.S., as amended by Chapter 2009-121, Laws of Florida
44 (House Bill 521).

45

2017 Value Adjustment Board Training - Module 6

1 In no case shall the taxpayer be required to prove that the property appraiser's
2 assessment is not supported by any reasonable hypothesis of a legal assessment. See
3 Subsection 194.3015(1), F.S., as created by Chapter 2009-121, Laws of Florida (House Bill 521).

6 **Petitioner Not Required to Present Opinion or Estimate of Value**

7 The petitioner is not required to provide an opinion or estimate of just value.

8
9 No provision of law requires the petitioner to present an opinion or estimate of value.

10
11 The Board or special magistrate is not authorized to require a petitioner to provide an
12 opinion or estimate of just value.

13
14 The petitioner has the option of choosing whether to present an opinion or estimate of
15 just value.

18 **Presentation of Evidence by the Parties**

19 In a Board or special magistrate hearing, the property appraiser is responsible for
20 presenting relevant and credible evidence in support of his or her determination. See
21 Rule 12D-9.025(3)(a), F.A.C.

22
23 Under Subsection 194.301(1), F.S., in a hearing on just value, the first issue to be
24 considered is whether the property appraiser establishes a presumption of correctness.

25
26 * The property appraiser shall present evidence on this issue first. See Rule 12D-
27 9.024(7), F.A.C.

28
29 * While the property appraiser is required to present evidence on this issue first, the
30 Board or special magistrate must allow the petitioner a chance to present evidence
31 on this issue before deciding whether the presumption of correctness is established.

32
33 In a Board or special magistrate hearing, the petitioner is responsible for presenting
34 relevant and credible evidence in support of his or her belief that the property
35 appraiser's determination is incorrect. See Rule 12D-9.025(3)(a), F.A.C.

36
37 If the property appraiser establishes a presumption of correctness by proving by a
38 preponderance of the evidence that the just value assessment was arrived at by
39 complying with Section 193.011, F.S., and professionally accepted appraisal practices,
40 including mass appraisal standards, if appropriate, the petitioner must prove by a
41 preponderance of the evidence that:

- 42
43 1. The property appraiser's just valuation does not represent just value; or
- 44
45 2. The property appraiser's just valuation is arbitrarily based on appraisal practices that
46 are different from the appraisal practices generally applied by the property appraiser

2017 Value Adjustment Board Training - Module 6

1 to comparable property within the same county. See Subsection 194.301(2)(a), F.S., as
2 amended by Chapter 2009-121, Laws of Florida (House Bill 521).

3
4 However, if the property appraiser does not establish a presumption of correctness
5 because he or she did not prove by a preponderance of the evidence that the just
6 valuation was arrived at by complying with Section 193.011, F.S., and professionally
7 accepted appraisal practices, including mass appraisal standards, if appropriate, the
8 Board or special magistrate must take one of the two following actions:

- 9
10 1. If the record contains competent substantial evidence of just value that cumulatively
11 meets the requirements of Section 193.011, F.S., and professionally accepted
12 appraisal practices, the Board or special magistrate must establish a revised just
13 value; or
14
15 2. If the record lacks such competent substantial evidence, the Board or special
16 magistrate must remand the assessment to the property appraiser with appropriate
17 directions with which the property appraiser must comply.
18
19

Evaluation of Evidence by the Board or Special Magistrate

20 Under Rule 12D-9.025(1), F.A.C., as part of administrative reviews, the Board or special
21 magistrate must:
22

- 23
24 1. Review the evidence presented by the parties;
25
26 2. Determine whether the evidence presented is admissible;
27
28 3. Admit the evidence that is admissible;
29
30 4. Identify the evidence presented to indicate that it is admitted or not admitted; and
31
32 5. Consider the admitted evidence.
33

34 The term “admitted evidence” means evidence that has been admitted into the record
35 for consideration by the Board or special magistrate. See Rule 12D-9.025(2)(a), F.A.C.
36

37 *“No evidence shall be considered by the board or special magistrate except when*
38 *presented and admitted during the time scheduled for the petitioner’s hearing, or at a*
39 *time when the petitioner has been given reasonable notice.”* See Rule 12D-9.025(4)(a),
40 F.A.C.
41

42 *“If a party submits evidence to the board clerk prior to the hearing, the board or special*
43 *magistrate shall not review or consider such evidence prior to the hearing.”* See Rule
44 12D-9.025(4)(b), F.A.C.
45

46 Rule 12D-9.025(2)(d), F.A.C., contains the following four provisions:

2017 Value Adjustment Board Training - Module 6

- 1
2 1. *“As the trier of fact, the board or special magistrate may independently rule on the*
3 *admissibility and use of evidence.”*
4
- 5 2. *“If the board or special magistrate has any questions relating to the admissibility and*
6 *use of evidence, the board or special magistrate should consult with the board legal*
7 *counsel.”*
8
- 9 3. *“The basis for any ruling on admissibility of evidence must be reflected in the*
10 *record.”*
11
- 12 4. *“The special magistrate may delay ruling on the question during the hearing and*
13 *consult with board legal counsel after the hearing.”*
14

15 The Board or special magistrate shall consider the admitted evidence. See Rule 12D-
16 9.025(1)(d), F.A.C.

17
18 A property owner generally is qualified, on account of ownership, to testify regarding the
19 just value of his or her property. See In re Steffen, 342 B.R. 861 (Bkrcty. M.D. Fla. 2006).

20
21 NOTE: More information on the admissibility of evidence is presented in Module 4 of
22 this training.
23

24 25 **Sufficiency of Evidence**

26 When applied to evidence, the term “sufficient” is a test of adequacy. See Rule 12D-
27 9.027(6), F.A.C.
28

29 Sufficient evidence is admitted evidence that has enough overall weight, in terms of
30 relevance and credibility, to legally justify a particular conclusion. See Rule 12D-9.027(6),
31 F.A.C.
32

33 The Florida Supreme Court stated the following regarding sufficient evidence:
34 *“Sufficiency is a test of adequacy. Sufficient evidence is such evidence, in character,*
35 *weight, or amount, as will legally justify the judicial or official action demanded.”* See
36 Tibbs v. State, 397 So.2d 1120 (Fla. 1981). Also, see Moore v. State, 800 So.2d 747 (Fla. 5th
37 DCA 2001).
38

39 A particular conclusion is justified when the overall weight of the admitted evidence
40 meets the standard of proof that applies to the issue under consideration. See Rule 12D-
41 9.027(6), F.A.C.
42

43 The Board or special magistrate must consider the admitted evidence and determine
44 whether it is sufficiently relevant and credible to reach the “preponderance of the
45 evidence” standard of proof explained previously. See Rules 12D-9.025(1)(d), 12D-
46 9.027(5), and 12D-9.027(6), F.A.C.

2017 Value Adjustment Board Training - Module 6

1
2 Rule 12D-9.027(6), F.A.C., states the following in pertinent part: *“In determining*
3 *whether the admitted evidence is sufficient for a particular issue under consideration,*
4 *the board or special magistrate shall:*

- 5
6 (a) *Consider the relevance and credibility of the admitted evidence as a whole,*
7 *regardless of which party presented the evidence;*
8
9 (b) *Determine the relevance and credibility, or overall weight, of the evidence;*
10
11 (c) *Compare the overall weight of the evidence to the standard of proof;*
12
13 (d) *Determine whether the overall weight of the evidence is sufficient to reach the*
14 *standard of proof; and*
15
16 (e) *Produce a conclusion of law based on the determination of whether the overall*
17 *weight of the evidence has reached the standard of proof.”*

18
19 For administrative reviews of just valuations, “relevant evidence” is evidence that is
20 reasonably related, directly or indirectly, to the statutory criteria that apply to the just
21 valuation of the petitioned property. See Rule 12D-9.025(2)(b), F.A.C.

22
23 * This description means the evidence meets or exceeds a minimum level of
24 relevance necessary to be admitted for consideration, but does not necessarily
25 mean that the evidence has sufficient relevance to legally justify a particular
26 conclusion. See Rule 12D-9.025(2)(b), F.A.C.

27
28 In evaluating the relevance of evidence, the Board or special magistrate must consider,
29 as of the January 1 assessment date, how well the evidence relates to the petitioned
30 property and to the statutory criteria found in Section 193.011, F.S., and in Section
31 194.301, F.S.

32
33 For administrative reviews of just valuations, “credible evidence” means evidence that is
34 worthy of belief (believable). See *Black’s Law Dictionary, Eighth Edition*, page 596.

35
36 NOTE: More information on evaluating the relevance and credibility of evidence is
37 presented in Module 11 of this training.

38
39 By itself, the property record card is not sufficient evidence for establishing a
40 presumption of correctness for the assessment under Subsection 194.301(1), F.S.

41
42 Materials describing the general appraisal practices of the property appraiser alone,
43 without discussing how those practices were applied to the assessment at issue, are not
44 sufficient to establish a presumption of correctness for the assessment. See Property Tax
45 Informational Bulletin PTO 09-29.

46

2017 Value Adjustment Board Training - Module 6

1 The approval of an assessment roll by the Department of Revenue is not evidence that
2 a particular assessment was made in compliance with statutory requirements and is not
3 sufficient to establish a presumption of correctness for the assessment. See Property Tax
4 Informational Bulletin PTO 09-29.

Requirements for Establishing a Presumption of Correctness

8 A presumption of correctness for the assessment is not established unless the property
9 appraiser proves by a preponderance of the evidence that the property appraiser's just
10 valuation methodology complies with Section 193.011, F.S., and professionally
11 accepted appraisal practices, including mass appraisal standards, if appropriate. See
12 Rule 12D-9.027(2)(a), F.A.C.

14 A presumption of correctness for the assessment is established only when the property
15 appraiser proves by a preponderance of the evidence that the property appraiser's just
16 valuation methodology complies with Section 193.011, F.S., and professionally
17 accepted appraisal practices, including mass appraisal standards, if appropriate.

Requirements for Overcoming a Presumption of Correctness

21 If the property appraiser establishes a presumption of correctness, the petitioner can
22 overcome the presumption of correctness by proving by a preponderance of the
23 evidence one of the following:

- 25 1. The property appraiser's just valuation does not represent just value; or
- 27 2. The property appraiser's just valuation is arbitrarily based on appraisal practices that
28 are different from the appraisal practices generally applied by the property appraiser
29 to comparable property within the same county. See Subsection 194.301(2)(a), F.S., as
30 amended by Chapter 2009-121, Laws of Florida (House Bill 521).

32 If the property appraiser establishes a presumption of correctness and the petitioner
33 does not overcome the presumption of correctness as described above, the
34 assessment stands.

Establishing a Revised Just Value or Remanding the Assessment

38 If the property appraiser does not establish a presumption of correctness for the
39 assessment, or if the petitioner overcomes the presumption of correctness, the Board or
40 special magistrate must take one of the two following actions:

- 42 1. If the record contains competent substantial evidence of just value that cumulatively
43 meets the requirements of Section 193.011, F.S., and professionally accepted
44 appraisal practices, the Board or special magistrate must establish a revised just
45 value; or

2017 Value Adjustment Board Training - Module 6

- 1 2. If the record lacks such competent substantial evidence, the Board or special
2 magistrate must remand the assessment to the property appraiser with appropriate
3 directions with which the property appraiser must comply.
4

5 NOTE: Information on the procedural requirements for remanded assessments is
6 presented in Module 5 of this training.
7
8

9 **Competent Substantial Evidence for Establishing a Revised Just 10 Value**

11 Competent substantial evidence for establishing a revised just value, as part of an
12 administrative review under Chapter 194, Parts 1 and 3, F.S., means evidence that:
13

- 14 1. Cumulatively meets the criteria of Section 193.011, F.S., and professionally
15 accepted appraisal practices;
16
17 2. Tends to prove (is probative of) just value as of January 1 of the assessment year
18 under review;
19
20 3. Is sufficiently relevant and credible to be accepted as adequate to support (legally
21 justify) the conclusion reached; and
22
23 4. Otherwise meets all requirements of law.
24
25

26 **Establishment of Revised Just Values in Administrative Reviews**

27 The Board or special magistrate is required to establish a revised just value under either
28 of the two following conditions:
29

- 30 1. The property appraiser does not establish a presumption of correctness for the
31 assessment and the hearing record contains competent substantial evidence for
32 establishing a revised just value as described above; or
33
34 2. The petitioner overcomes a presumption of correctness established by the property
35 appraiser and the hearing record contains competent substantial evidence for
36 establishing a revised just value as described above.
37

38 Within their scope of authority, the Board or special magistrate shall establish a revised
39 just value based upon the competent substantial evidence for establishing a revised just
40 value. See Section 194.301, F.S., as amended by Chapter 2009-121, Laws of Florida (House
41 Bill 521).
42

43 Prior to 2009 and the adoption of House Bill 521, Section 194.301, F.S., provided that
44 the Board may establish the assessment when authorized.
45

2017 Value Adjustment Board Training - Module 6

1 However, the new statute, effective for administrative reviews in 2009, specifically
2 requires that the Board shall establish the just value when authorized by law. See Section
3 194.301, F.S., as amended by Chapter 2009-121, Laws of Florida (House Bill 521).

4
5 *“In establishing a revised just value, the board or special magistrate is not restricted to*
6 *any specific value offered by one of the parties.”* See Rule 12D-9.027(2)(b)3.a., F.A.C.

7
8 In establishing a revised just value when required by law, Boards and special
9 magistrates are not required, and are not authorized, to complete an independent
10 valuation approach.

11
12 The establishment of a revised just value does not require the evidence necessary to
13 complete an independent valuation approach.

14
15 The establishment of a revised just value only requires enough evidence to legally
16 justify making an adjustment to the property appraiser’s original just valuation.

17
18 In establishing a revised just value when required by law, Boards and special
19 magistrates are authorized to make the necessary calculations.

20 21 22 **Legal Limitations on Administrative Reviews**

23 No evidence shall be considered by the Board or special magistrate except when
24 presented during the time scheduled for the petitioner’s hearing, or at a time when the
25 petitioner has been given reasonable notice. See Subsection 194.034(1)(c), F.S. Also, see
26 Rule 12D-9.025(4)(a), F.A.C.

27
28 Other provisions of law address the responsibilities of petitioners and property
29 appraisers that may affect the review and consideration of evidence at a hearing.

30
31 * The Board or special magistrate must consult with the Board legal counsel on any
32 questions about the review and consideration of evidence.

33
34 In administrative reviews, the Board or special magistrate shall not consider the tax
35 consequences of the valuation of a specific property. See Rule 12D-10.003(1), F.A.C.

36
37 The Board or special magistrate has no power to grant relief by adjusting the value of a
38 property on the basis of hardship of a particular taxpayer. See Rule 12D-10.003(1), F.A.C.

39
40 A just valuation challenge must stand or fall on its own validity, unconnected with the
41 just value of any prior or subsequent year. See Keith Investments, Inc. v. James, 220 So.2d
42 695 (Fla. 4th DCA 1969); Also, see Dade County v. Tropical Park, Inc., 251 So.2d 551 (Fla. 3rd
43 DCA 1971).

2017 Value Adjustment Board Training - Module 6

1 The prior year's just value is not competent evidence of just value in the current year,
2 even when there is no evidence showing a change in circumstances between the two
3 dates of assessment. See Simpson v. Merrill, 234 So.2d 350 (Fla. 1970).

6 **Sequence of General Procedural Steps**

7 This section sets forth below a sequence of general procedural steps for Boards and
8 special magistrates to follow in administrative reviews of just valuations in order to fulfill
9 the procedural requirements of Section 194.301, F.S., and Rule 12D-9.027(2), F.A.C.

10
11 This sequence of steps applies to: the consideration of evidence, the development of
12 conclusions, and the production of written decisions. See Rule 12D-9.027(1), F.A.C.

13
14 *"The board or special magistrate shall not be required to make, at any time during a*
15 *hearing, any oral or written finding, conclusion, decision, or reason for decision."* See
16 Rule 12D-9.025(9), F.A.C.

17
18 *"The board or special magistrate has the discretion to determine whether to make such*
19 *determinations during a hearing or to consider the petition and evidence further after the*
20 *hearing and then make such determinations."* See Rule 12D-9.025(9), F.A.C.

21
22 In following this sequence of steps, Boards or special magistrates must also meet the
23 requirements of Rule 12D-9.025(1), F.A.C., which are the following:

- 24
25 * Review the evidence presented by the parties;
- 26
27 * Determine whether the evidence presented is admissible;
- 28
29 * Admit the evidence that is admissible; and
- 30
31 * Identify the evidence presented to indicate that it is admitted or not admitted.

32
33 The sequence of general procedural steps presented below is based on Rule 12D-
34 9.027(2), F.A.C. The sequence of general procedural steps is as follows.

- 35
36 1. Consider the admitted evidence presented by the parties.
- 37
38 2. Identify and consider the essential characteristics of the petitioned property based on
39 the admitted evidence and the factors in Section 193.011, F.S.
- 40
41 3. Identify the appraisal methodology used by the property appraiser in developing his
42 or her just valuation of the petitioned property, and consider this appraisal
43 methodology in light of the essential characteristics of the petitioned property.
- 44
45 4. Determine whether the admitted evidence proves by a preponderance of the
46 evidence that the property appraiser's methodology complies with Section 193.011,

2017 Value Adjustment Board Training - Module 6

- 1 F.S., and professionally accepted appraisal practices, including mass appraisal
2 standards, if appropriate.
3
- 4 5. Determine whether the property appraiser's appraisal methodology is appropriate
5 and whether the property appraiser established a presumption of correctness for the
6 assessment.
7
- 8 a) The property appraiser's just valuation methodology is not appropriate and a
9 presumption of correctness is not established unless the admitted evidence
10 proves by a preponderance of the evidence that the property appraiser's just
11 valuation methodology complies with Section 193.011, F.S., and professionally
12 accepted appraisal practices, including mass appraisal standards, if appropriate.
13
- 14 b) The property appraiser's just valuation methodology is appropriate and the
15 presumption of correctness is established only when the admitted evidence
16 proves by a preponderance of the evidence that the property appraiser's just
17 valuation methodology complies with Section 193.011, F.S., and professionally
18 accepted appraisal practices, including mass appraisal standards, if appropriate.
19
- 20 6. If the Board or special magistrate determines that a presumption of correctness is
21 established, the Board or special magistrate must then determine whether the
22 admitted evidence proves by a preponderance of the evidence that:
23
- 24 a) The property appraiser's just valuation does not represent just value; or
25
- 26 b) The property appraiser's just valuation is arbitrarily based on appraisal practices
27 that are different from the appraisal practices generally applied by the property
28 appraiser to comparable property within the same county. In making this
29 determination, the Board or special magistrate may consider any admitted
30 evidence regarding assessments among comparable properties within
31 homogeneous areas or neighborhoods.
32
- 33 7. If the Board or special magistrate determines that one or both of the conditions
34 specified under Step 6 exist, the presumption of correctness is overcome.
35
- 36 8. If the property appraiser does not establish a presumption of correctness, or if the
37 presumption of correctness is overcome, the Board or special magistrate must
38 determine whether the hearing record contains competent, substantial evidence of
39 just value which cumulatively meets the criteria of Section 193.011, F.S., and
40 professionally accepted appraisal practices.
41
- 42 a) If the hearing record contains competent, substantial evidence for establishing a
43 revised just value, the Board or an appraiser special magistrate must establish a
44 revised just value based only upon such evidence. In establishing a revised just
45 value, the Board or special magistrate is not restricted to any specific value
46 offered by one of the parties.

2017 Value Adjustment Board Training - Module 6

1
2 b) If the hearing record lacks competent, substantial evidence for establishing a
3 revised just value, the Board or special magistrate must remand the assessment
4 to the property appraiser with appropriate directions for establishing just value.
5 The property appraiser is required to follow these directions.
6

7 9. If the property appraiser establishes a presumption of correctness as described in
8 Step 5 above and that presumption of correctness is not overcome as described in
9 Step 6 above, the assessment stands.
10

Chronological Overview of Subsection 193.011(8), F.S.

11
12 In 1963, the first seven just valuation factors were enacted, effective January 1, 1964.
13 See Chapter 63-250, Laws of Florida, creating Section 193.021, F.S., which was re-numbered in
14 1969 as Section 193.011, F.S., by Chapter 69-55, Laws of Florida.
15

16
17 In 1965, the Florida Supreme Court held that just value was synonymous with fair
18 market value and defined fair market value as: "the amount a purchaser willing but not
19 obliged to buy, would pay to one willing but not obliged to sell." See Walter v. Schuler, 176
20 So.2d 81 (Fla. 1965).
21

22 NOTE: The eighth just valuation criterion did not exist at the time of Walter v. Schuler.
23 The Legislature can override decisional law. See Dept. of Environmental Protection v.
24 Contractpoint Florida Parks, 986 So.2d 1260, 1269 (Fla. 2008).
25

26 Then, in 1967, the Legislature enacted the first part of the eighth criterion as subsection
27 193.021(8), F.S., in the form presented below. See Chapter 67-167, Laws of Florida,
28 creating Subsection 193.021(8), F.S., which was re-numbered in 1969 as Subsection 193.011(8),
29 F.S., by Chapter 69-55, Laws of Florida.
30

31 *(8) The net proceeds of the sale of the property, as received by the seller, after*
32 *deduction of all of the usual and reasonable fees and costs of the sale, including the*
33 *costs and expenses of financing.*
34

35 In 1977, the language underlined below was added to subsection 193.011(8), F.S. See
36 Chapter 67-167, Laws of Florida, creating Subsection 193.021(8), F.S., which was re-numbered
37 in 1969 as Subsection 193.011(8), F.S., by Chapter 69-55, Laws of Florida.
38

39 *(8) The net proceeds of the sale of the property, as received by the seller, after*
40 *deduction of all of the usual and reasonable fees and costs of the sale, including the*
41 *costs and expenses of financing, and allowance for unconventional or atypical terms*
42 *of financing arrangements.*
43

44 In 1979, the language underlined below was added to subsection 193.011(8), F.S. See
45 Chapter 79-334, Laws of Florida.
46

2017 Value Adjustment Board Training - Module 6

1 (8) *The net proceeds of the sale of the property, as received by the seller, after*
2 *deduction of all of the usual and reasonable fees and costs of the sale, including the*
3 *costs and expenses of financing, and allowance for unconventional or atypical terms*
4 *of financing arrangements. When the net proceeds of the sale of any property are*
5 *utilized, directly or indirectly, in the determination of just valuation of realty of the*
6 *sold parcel or any other parcel under the provisions of this section, the property*
7 *appraiser, for the purposes of such determination, shall exclude any portion of such*
8 *net proceeds attributable to payments for household furnishings or other items of*
9 *personal property.*

10
11 Through 2012, no further amendments have been made to subsection 193.011(8), F.S.

12
13 In 1984, when reviewing a 1980 assessment, a federal appellate court found that just
14 value as determined under subsection 193.011(8), F.S., does not represent full market
15 value. See Louisville and Nashville Railroad Co. v. Department of Revenue, State of Fla., 736
16 F.2d 1495 (11th Cir.(Fla.) July 24, 1984).

17
18 In 1982, the Legislature enacted subsection 192.001(18), F.S. See Chapter 82-388, Laws
19 of Florida.

20
21 * This statute provides minimum reporting standards for a property appraiser's
22 complete submission of an assessment roll to the Department of Revenue. These
23 standards include the following for adjustments made by the property appraiser
24 under subsection 193.011(8), F.S:

25
26 *“(18) ‘Complete submission of the roll’ includes, but is not necessarily limited*
27 *to,...an accurate tabular summary by property class of any adjustments made to*
28 *recorded selling prices or fair market value in arriving at assessed value, as*
29 *prescribed by department rule;...” (underlined emphasis added).*

30
31 Rule 12D-8.002(4), F.A.C., which implements subsection 192.001(18), F.S., was
32 adopted effective September 30, 1982.

33
34 * Rule 12D-8.002(4), F.A.C., provides the following requirement for submittals of
35 preliminary assessment rolls to the Department:

36
37 *“(4) Accompanying the assessment roll submitted to the Executive Director shall be,*
38 *on a form provided by the Department, an accurate tabular summary by property*
39 *class of any adjustments made to recorded selling prices or fair market value in*
40 *arriving at assessed value. Complete, clear, and accurate documentation for each*
41 *adjustment under section 193.011(8), Florida Statutes, exceeding fifteen percent*
42 *shall accompany this summary detailing how that percentage adjustment was*
43 *calculated. This documentation shall include individual data for all sales used and a*
44 *narrative on the procedures used in the study.” (underlined emphasis added)*
45

2017 Value Adjustment Board Training - Module 6

1 It is important to note that this rule does not, in any way, indicate that property
2 appraisers are required to apply any particular eighth criterion adjustment. Though not
3 required by law, in their actual practice, property appraisers do make across-the-board,
4 eighth criterion adjustments in arriving at their annual just values of real property.

5
6 * The statement in the rule regarding 15 percent is merely a reporting threshold that, if
7 exceeded, would require a documented research study to justify the reported
8 adjustment.

9
10 To facilitate annual reporting of eighth criterion adjustments in accordance with
11 subsection 192.001(18), F.S., and Rule 12D-8.002(4), F.A.C., the Department of
12 Revenue developed Form DR-493 for each property appraiser to use.

13
14 * Each year, using Form DR-493, property appraisers are required to report to the
15 Department the adjustments made by the property appraiser to recorded selling
16 prices or fair market value for each parcel within each of the 18 real property use
17 code groups listed on the form.

18
19 * The Forms DR-493 that are completed and certified annually by each Property
20 Appraiser are available on the Department's website at:
21 <http://floridarevenue.com/property/Pages/DataPortal.aspx#ui-id-5>.

Operation of the Eighth Criterion Under Florida Law

22
23
24 Subsection 193.011(8), F.S., requires proper consideration of the "net proceeds of
25 sale," regardless of whether an actual sale of the property has occurred. See Turner v.
26 Tokai Financial Services, Inc., 767 So.2d 494 (Fla. 2nd DCA 2000) review denied 780 So.2d
27 916 (Fla. 2001).

28
29
30 * However, the statute does not require the property appraiser to select the value
31 generated by the application of Subsection 193.011(8), F.S., and apply it in a blanket
32 fashion to all assessments. See Turner v. Tokai Financial Services, Inc., 767 So.2d 494
33 (Fla. 2nd DCA 2000) review denied 780 So.2d 916 (Fla. 2001).

34
35 There is no legal requirement that the net proceeds of sale constitute the deciding factor
36 in just valuation. See In re Steffen, 342 B.R. 861 (Bkrtcy. M.D. Fla. 2006).

37
38 The use of net sales price alone, without considering and weighing the other factors, is
39 legally insufficient to constitute compliance with the mandate of Section 193.011, F.S.
40 See Florida Attorney General's Opinion [AGO 77-106](#), September 29, 1977.

41
42 At least two court decisions have approved an adjustment for the eighth criterion in just
43 valuations. See Roden v. GAC Liquidating Trust, 462 So.2d 92 (Fla. 2nd DCA 1985). Also,
44 see Southern Bell Telephone and Telegraph Co. v. Broward County, 665 So.2d 272 (Fla. 4th
45 DCA 1995) review denied 673 So.2d 30 (Fla. 1996) , stating the following in an example:

2017 Value Adjustment Board Training - Module 6

1 *“Subtracting the \$15,000 (cost of sale) from the \$100,000 selling price leaves a net value of*
2 *\$85,000. We find no impropriety in using this approach to valuation.”*

3
4 Under Florida law, property appraisers are authorized, but are not required, to make
5 eighth criterion adjustments in real property just valuations.

6
7 * Though not required by law, in arriving at their annual just values property
8 appraisers make across-the-board adjustments to recorded selling prices or fair
9 market value of real property to reflect their consideration of subsection 193.011(8),
10 F.S. See Department of Revenue Form DR-493 reported each year.

11
12 At least two court decisions have noted the practice of making across-the-board
13 adjustments to real property for the eighth criterion. See Louisville and Nashville Railroad
14 Co. v. Department of Revenue, State of Fla., 736 F.2d 1495 (11th Cir.(Fla.) July 24, 1984), and
15 Southern Bell Telephone and Telegraph Co. v. Broward County, 665 So.2d 272 (Fla. 4th DCA
16 1995) review denied 673 So.2d 30 (Fla. 1996).

17
18 Each year, property appraisers are required to lawfully report to the Department of
19 Revenue the lawful adjustments the property appraiser made to recorded selling prices
20 or fair market value of real property in consideration of subsection 193.011(8), F.S. See
21 Subsection 192.001(18), F.S.; Rule 12D-8.002(4), F.A.C.; and Form DR-493 reported each year.

22
23 Property appraisers report these adjustments using Form DR-493, and are required to
24 report the adjustments made to recorded selling prices or fair market values within each
25 of the real property use code groups listed on the form.

26
27 * The property appraiser lawfully making and reporting these adjustments is a
28 professionally accepted appraisal practice under section 194.301, F.S.

29
30 * See Forms DR-493 that are certified and reported by property appraisers each year,
31 available on the Department’s website at:
32 <http://floridarevenue.com/property/Pages/DataPortal.aspx#ui-id-5>.

33
34 The property appraiser is responsible for lawfully determining whether adjustments for
35 the eighth factor are necessary for just valuation and is responsible for lawfully
36 determining and reporting the amount of the adjustments made.

37
38 The Department of Revenue does not determine whether the property appraiser should
39 make adjustments in consideration of subsection 193.011(8), F.S., and does not
40 determine the amount of any lawful adjustments made by the property appraiser.

41
42 The Department administers a reporting threshold that requires justifying research,
43 data, analysis, and documentation from the property appraiser under certain conditions.
44 See Rule 12D-8.002(4), F.A.C.

2017 Value Adjustment Board Training - Module 6

Other Examples of Reporting Across-the-Board Eighth Criterion Adjustments

An example of an actual reported practice of making across-the-board, eighth criterion adjustments is contained in the Hillsborough County property appraiser's 2010 Mass Appraisal Report (authored by Tim Wilmath, MAI, Director of Valuation).

* This 2010 Mass Appraisal Report was presented as evidence at Board hearings.

* Below are excerpts from this report explaining how across-the-board, eighth criterion adjustments are made to all property without regard to whether a property was sold and without regard to which valuation approach or technique was used.

"The property appraiser considers the 8th criterion by adjusting all sale prices downward by 15% to reflect costs of sale. This downward adjustment is made before the sales are used to value the population of properties."

"Each year, the property appraiser's office submits Form DR-493 to the Department of Revenue, indicating the costs of sale adjustments that were made to sale prices. As indicated below, the Hillsborough County Property Appraiser's office adjusts recorded sale prices by 15% in arriving at assessed values."

"In the cost/market hybrid approach, the costs of sale adjustment is applied by deducting 15% from sale prices before calculating the appropriate base rate. For example, after deducting land value and extra feature value, the contributory value of an average quality single family home based on 4th quarter sales, is \$54.50 per square foot. Deducting 15% results in a base rate for single family homes of \$46.00 per square foot (rounded). This same exercise is conducted for every property type. Once all base rate adjustments have been made, a review of sales ratios is conducted to ensure the assessments are at or below 85% of sale prices."

"A more common approach to deducting the 15% costs of sale, is to apply rates and factors that achieve an assessment ratio of 85% or less. By ensuring that assessments are at or below 85% of sales prices, the 15% costs of sale adjustment is effectively factored into assessments. When there are no sales of a given property type for a given tax year, the rates extracted from Marshall Valuation Service are adjusted to reflect the 15% costs of sale. For all property types, whether sales exist or not, rates are adjusted to reflect the 15% costs of sale."

"For land valuation, the goal is a land assessment to vacant sale ratio of 85% or less. When few or even no vacant land sales exist, ratios are reviewed to ensure the estimated land value for any given neighborhood results in an improved assessment-to-sale ratio of 85% or less."

"In the sales comparison approach, sale prices are adjusted by 15% before adjustments for various factors are applied. This adjustment is evident in the screen shot below."

2017 Value Adjustment Board Training - Module 6

1 *“The income models created by our office are designed to arrive at values that are*
2 *approximately 85% or less of gross sale prices of similar properties.”*

3
4 *“For all property types, the property appraiser strives to achieve assessed values*
5 *that are at or below 15% of the prior year's selling prices. This is evident in the graph*
6 *below that illustrates the difference between assessments and selling prices over the*
7 *past 6 years.”*

8
9 In another example of an actual reported practice, a document produced in 2011 by
10 another Florida property appraiser contains the following description of how his office
11 applies across-the-board, eighth criterion adjustments in all three approaches to just
12 valuation of all real property, without regard to whether the property was sold.

13
14 *“In the Office of the...County Property Appraiser, all recorded sales of real property*
15 *are reduced by 15% to reflect the seller's typical “costs of sale.” Thus, only 85% of*
16 *the recorded sales price is recognized by the Property Appraiser. This adjusted*
17 *sales prices (reflecting the seller's “net proceeds”) are then entered into the Property*
18 *Appraiser's Computer Assisted Mass Appraisal (CAMA) program, along with other*
19 *data pertaining to the remaining seven statutory criteria enumerated in section*
20 *193.011, Florida Statutes. From this mass compilation of data involving thousands of*
21 *entries, the Property Appraiser's computer system generates a market value*
22 *assessment for the particular kind of property. This is how value indications of real*
23 *property are developed. The CAMA system, therefore, determines a real property*
24 *assessment which is based upon the consideration and use, where appropriate, of*
25 *all eight factors and complies with the requirements of §193.011.”*

26
27 *“The CAMA-generated assessment is neither a sales comparison approach to*
28 *determining value nor an income capitalization approach to value nor a cost less*
29 *depreciation approach to value. Rather, it is a hybrid of all three appraisal methods*
30 *in which the eighth criteria is properly considered and used when deriving just*
31 *value.”*

The Eighth Criterion in Real Property Administrative Reviews

32
33
34 The eighth criterion is one of the statutory criteria in section 193.011, F.S., which
35 Boards and special magistrates must properly consider in administrative reviews of real
36 property just valuations under section 194.301, F.S., and Rule 12D-9.027(2), F.A.C.

37
38
39 Boards and special magistrates should determine whether the property appraiser has
40 reported to the Department an eighth criterion adjustment for the petitioned real
41 property type and whether the Department has accepted the reported adjustment.

42
43 * This determination can be made by reviewing the Form DR-493 submitted annually
44 by each property appraiser and accepted by the Department.

45

2017 Value Adjustment Board Training - Module 6

1 * These documents are available for each county at the following internet address:
2 <http://floridarevenue.com/property/Pages/DataPortal.aspx#ui-id-5>

3
4 * The property appraiser lawfully making and reporting these adjustments is a
5 professionally accepted appraisal practice under section 194.301, F.S.
6

7 In determining whether the property appraiser's just valuation complies with section
8 193.011, F.S., and professionally accepted appraisal practices, the Board or special
9 magistrate is authorized to ask related questions to enable the parties to provide the
10 evidence necessary for making this determination. See Rule 12D-9.025(7)(b), F.A.C.
11

12 * To help determine how the property appraiser properly considered the eighth
13 criterion in developing the just value presented by the property appraiser, the Board
14 or special magistrate should ask questions regarding the eighth criterion
15 adjustments reported on the Form DR-493.
16

17 * The Board or special magistrate should also ask questions regarding whether the
18 property appraiser applied, in arriving at his or her just value for the petitioned
19 property, the same eighth criterion adjustment reported for the subject property
20 use code group on the Form DR-493.
21

22 * If, in arriving at his or her just value for the petitioned property, the property
23 appraiser applied an eighth criterion adjustment that is different from the
24 adjustment that he or she applied to parcels in the subject use code group as
25 reported on the Form DR-493, the Board or special magistrate should consider
26 whether the appraisal practice applied to the subject property is arbitrary under
27 subparagraph 194.301(2)(a)3., F.S.
28

29 * If the reported and accepted Form DR-493 is not voluntarily presented as evidence,
30 the Board or special magistrate should request a copy of such Form DR-493 from
31 the property appraiser.
32

33 NOTE: Under subsection 194.301(1), F.S., a Board petitioner is entitled to a
34 determination by the Board or special magistrate of the appropriateness of the appraisal
35 methodology used in making the assessment.
36

37 * The just value of property must be determined by an appraisal methodology that
38 complies with the criteria of section 193.011, F.S., and professionally accepted
39 appraisal practices.
40

41 Professionally accepted appraisal practices are recognized by the Florida Legislature as
42 a statutory just valuation criterion that must be properly considered by Boards and
43 special magistrates in administrative reviews of assessments. See section 194.301, F.S.
44

2017 Value Adjustment Board Training - Module 6

1 * Florida law now requires Boards and special magistrates to employ both section
2 193.011, F.S., and professionally accepted appraisal practices, in reviewing just
3 valuations including revising just valuations when required by section 194.301, F.S.

4
5 Boards and special magistrates must avoid using arbitrary appraisal practices as
6 described in subparagraph 194.301(2)(a)3., F.S.

7
8 Below are examples of how the Board or special magistrate should properly consider
9 the eighth criterion in administrative reviews.

Example of When a Board or Special Magistrate Should Make an Eighth Criterion Adjustment to a Just Value Presented by the Property Appraiser

- 10
11
12
13
14 1. The Board or special magistrate determines from the accepted Form DR-493 that
15 the property appraiser has reported and the Department has accepted a certain
16 percentage adjustment for the eighth criterion for all real property within the
17 petitioned property use code group.
18
19 2. The Board or special magistrate determines from the admitted evidence that the
20 property appraiser has not made an eighth criterion adjustment in arriving at the just
21 value presented by the property appraiser for the petitioned property.

22
23 * An example of such evidence would be testimonial or documentary evidence
24 from the property appraiser sufficient to prove that he or she did not make an
25 eighth criterion adjustment in developing the just value presented by the property
26 appraiser for the petitioned property.

- 27
28 3. In such case, the Board or special magistrate should make, to the just value
29 presented by the property appraiser for the petitioned property, the same eighth
30 criterion adjustment reported by the property appraiser for the subject use code
31 group on Form DR-493.

32
33 NOTE: The Board or special magistrate must avoid double-counting this adjustment.
34 In cases where the property appraiser has already made, in arriving at his or her
35 presented just value for the petitioned property, the same eighth criterion adjustment
36 reported on Form DR-493, the Board or special magistrate must not make an
37 additional eighth criterion adjustment to the property appraiser's presented just value
38 for the petitioned property.

Example of When a Board or Special Magistrate Should NOT Make an Eighth Criterion Adjustment to a Just Value Presented by the Property Appraiser

- 39
40
41
42
43 1. The Board or special magistrate determines from the accepted Form DR-493 that
44 the property appraiser has reported and the Department has accepted a certain
45 percentage adjustment for the eighth criterion for all real property within the
46 petitioned property use code group.

2017 Value Adjustment Board Training - Module 6

- 1 2. The Board or special magistrate determines from the admitted evidence that the
2 property appraiser has already made, in arriving at the just value presented by the
3 property appraiser for the petitioned property, an eighth criterion adjustment that is
4 equal to the adjustment reported for the subject use code group on Form DR-493.
5
6 * An example of such evidence would be testimonial or documentary evidence
7 from the property appraiser sufficient to prove that he or she did make, in
8 developing the just value presented by the property appraiser for the petitioned
9 property, an eighth criterion adjustment equal to the adjustment reported for the
10 subject use code group on Form DR-493.
11
12 3. The Board or special magistrate must avoid repeating the eighth criterion adjustment
13 that has already been made by the property appraiser in arriving at the just value
14 presented by the property appraiser for the petitioned property.
15
16

Considering the Eighth Criterion and Evidence of a Real Property Sale

17 When considering admitted evidence of an arm's length sale of real property, the Board
18 or special magistrate must determine whether an eighth criterion adjustment should be
19 made to the presented sale price under sections 194.301 and 193.011, F.S.
20
21

- 22 * The Board or special magistrate must avoid double-counting this adjustment and not
23 repeat any adjustment amount that has already been made to the presented sale
24 price, whether such adjustment amount was made as a dollar amount or a
25 percentage amount.
26
27 * The Board or special magistrate is not precluded from making an eighth criterion
28 adjustment to the presented, arm's length sale price when such adjustment would
29 not result in double-counting and when such adjustment is justified by sufficiently
30 relevant and credible evidence.
31
32 * In considering whether an eighth criterion adjustment to the presented sale price is
33 justified, the Board or special magistrate must first determine the basis or origin of
34 the presented sale price and determine whether the presented sale price has
35 already been adjusted for the eighth criterion.
36
37 * The Board or special magistrate should make, to the presented arm's length sale
38 price, the eighth criterion adjustment that is justified by sufficiently relevant and
39 credible evidence when such adjustment would not result in double-counting.
40
41 * In considering whether an eighth criterion adjustment to the presented sale price is
42 justified, the Board or special magistrate should consider the adjustment lawfully
43 made and lawfully reported by the property appraiser on Form DR-493 for the
44 property use code group of the sold property.
45

2017 Value Adjustment Board Training - Module 6

1 * If the Board or special magistrate determines that the arm's length sale price
2 presented by one of the parties is equal to the recorded selling price, the Board or
3 special magistrate should make, to such sale price, a percentage adjustment for the
4 eighth criterion that is equal to the percentage adjustment lawfully made and
5 reported by the property appraiser on Form DR-493 for the property use code group
6 of the sold property.

7
8 * If the presented sale price is determined to be different from the recorded selling
9 price and if an eighth criterion adjustment would not result in double-counting, the
10 Board or special magistrate should make, to such presented sale price, an eighth
11 criterion adjustment that results in consistency with the adjustment lawfully made
12 and reported by the property appraiser on Form DR-493 for the property use code
13 group of the sold property.

14
15 NOTE: If a party believes an overall eighth criterion adjustment greater than that
16 reported on Form DR-493 is justified for a particular sale, the party is responsible for
17 presenting relevant and credible evidence in support of that belief.

18
19 * Then, the Board or special magistrate is responsible for determining, in accordance
20 with law, whether the hearing record contains sufficient evidence to justify a higher
21 overall eighth criterion adjustment to that particular sale price.

22
23 After making an appropriate eighth criterion adjustment, if any, to the presented sale
24 price, the Board or special magistrate should then compare the sold property to the
25 petitioned property in light of the other seven just valuation factors and in accordance
26 with Section 194.301, F.S., as amended by Chapter 2009-121, Laws of Florida (House
27 Bill 521).

28
29 * The information above does not suggest or indicate that a Board or special
30 magistrate should "chase sales," which in this context would mean to automatically
31 adjust the just value of a petitioned property (that was recently sold) to a number that
32 is equal to its adjusted recorded selling price (after an eighth criterion adjustment)
33 while ignoring the other seven just valuation factors.

34
35 * There is no legal requirement that the net proceeds of sale constitute the deciding
36 factor in just valuation. See In re Steffen, 342 B.R. 861 (Bkrcty. M.D. Fla. 2006).

37
38 * The use of net sales price alone, without considering and weighing the other factors,
39 is legally insufficient to constitute compliance with the mandate of Section 193.011,
40 F.S. See Florida Attorney General's Opinion [AGO 77-106](#), September 29, 1977.

41
42 As stated previously in this training module, the just value of any personal property must
43 be excluded from just valuations of real property.

44

2017 Value Adjustment Board Training - Module 6

Applicability of the Eighth Criterion in Other Valuation Approaches

Provisions of section 194.301, F.S., require that the just valuation standards of section 193.011, F.S., which include the eighth criterion, must be followed regardless of:

1) whether the property was sold, 2) the valuation approach used, or 3) whether single property appraisal techniques or mass appraisal techniques were used.

* None of these three items are supported in current law as just valuation criteria.

The eighth criterion requires proper consideration of the “net proceeds of sale” of the property, regardless of whether an actual sale of the property has occurred. See Turner v. Tokai Financial Services, Inc., 767 So.2d 494 (Fla. 2nd DCA 2000) review denied 780 So.2d 916 (Fla. 2001).

* When an actual sale of the property has not occurred, the appraiser must, in arriving at just valuation, place himself or herself in the position of the parties to a hypothetical sale. See Southern Bell Telephone and Telegraph Co. v. Dade County, 275 So.2d 4 (Fla. 1973) and Turner v. Tokai Financial Services, Inc., 767 So.2d 494 (Fla. 2nd DCA 2000) review denied 780 So.2d 916 (Fla. 2001).

In long-established and accepted practice, Florida property appraisers routinely apply across-the-board, eighth criterion adjustments in just valuations of real property, without regard to the valuation approach or technique used or whether the property was sold.

* These adjustments are certified and reported annually by property appraisers on Forms DR-493, which are available on the Department’s website at: <http://floridarevenue.com/property/Pages/DataPortal.aspx#ui-id-5>

* At least two court decisions have noted the practice of making across-the-board adjustments to real property for the eighth criterion. See Louisville and Nashville Railroad Co. v. Department of Revenue, State of Fla., 736 F.2d 1495 (11th Cir.(Fla.) July 24, 1984), and Southern Bell Telephone and Telegraph Co. v. Broward County, 665 So.2d 272 (Fla. 4th DCA 1995) review denied 673 So.2d 30 (Fla. 1996).

To not apply, when otherwise warranted, the eighth criterion in an administrative review because the property has not been sold, or based on the valuation approach or technique used, would result in an arbitrary appraisal practice under subparagraph 194.301(2)(a)3., F.S.

The case of Bystrom v. Equitable Life Assurance Society, 416 So.2d 1133 (Fla. 3rd DCA 1982) has been cited in support of the proposition that the eighth criterion does not apply to valuation approaches other than the sales comparison approach or unless the subject property was sold.

* Such proposition is not supported by current law and is contrary to the long-established, professionally accepted appraisal practice employed by property

2017 Value Adjustment Board Training - Module 6

1 appraisers of making across-the-board, eighth criterion adjustments without regard
2 to whether the property was sold or to which valuation approach is used.

3
4 * The Bystrom case reviewed a 1978 assessment based on 1977 statutes. Later, in
5 1979, the eighth criterion was amended to add a personal property component. See
6 Chapter 79-334, Laws of Florida.

7
8 * The eighth criterion now requires proper consideration of an adjustment for both
9 costs of sale and any personal property. See subsection 193.011(8), F.S.

10
11 * Bystrom reflects no record evidence of the professionally accepted appraisal
12 practice established long ago by property appraisers of making across-the-board,
13 eighth criterion adjustments to all sales and to all parcels regardless of whether a
14 parcel was sold and regardless of which valuation approach or technique is used.

15
16 * Perhaps Bystrom does not reflect such record evidence because it predates the
17 statutory amendment that now requires the property appraiser to report the
18 across-the-board, eighth criterion adjustments made by the property appraiser
19 regardless of whether the property was sold and regardless of the valuation
20 approach used. See Chapter 82-388, Laws of Florida, creating subsection 192.001(18),
21 F.S., and see Rule 12D-8.002(4), F.A.C.

22
23 * The Bystrom case is clearly distinguishable from current practice and, thus,
24 generally would not apply in administrative reviews of assessments under
25 Chapter 194, Part 3, F.S.

26
27 * The Bystrom holding has been superseded by section 194.301, F.S., which
28 precludes arbitrary just valuation practices and provides that all just valuations must
29 comply with section 193.011, F.S., and professionally accepted appraisal practices.

30
31 * The law on which the long-established operation of the eighth criterion is based has
32 changed substantially since the assessment date in Bystrom.

33
34 * The facts in Bystrom reveal that the decision was based on “unconventional or
35 atypical financing.”

36
37 * Thus, the holding in Bystrom is limited to only factual situations where an
38 adjustment for “unconventional or atypical financing” is the issue. Accordingly,
39 Bystrom would *not preclude* a typical eighth criterion adjustment, in any valuation
40 approach, for “usual and reasonable fees and costs of the sale...”

Eighth Criterion Applies in Both Mass Appraisal and Single Property Appraisal

41
42
43 Some have argued that the eighth criterion applies only to the mass appraisal of groups
44 of properties and is inapplicable to a single property analysis such as a Board petition.
45
46

2017 Value Adjustment Board Training - Module 6

- 1 * Such argument is not supported in fact or law, and is contrary to the long-
2 established, professionally accepted appraisal practice employed by property
3 appraisers of making across-the-board, eighth criterion adjustments without regard
4 to whether mass appraisal or single property appraisal is used.
5
- 6 * Florida law does not provide for any variation in the applicability of the factors in
7 section 193.011, F.S., based on whether mass appraisal or single property appraisal
8 is used.
9
- 10 * To not apply, when otherwise warranted, the eighth criterion in an administrative
11 review because the assessment is being reviewed using single property analysis
12 would result in an arbitrary appraisal practice under subparagraph 194.301(2)(a)3.,
13 F.S.
14
- 15 * In fact, a Florida appellate court has approved an eighth criterion adjustment made
16 in the just valuation of a single parcel under judicial review. See Roden v. GAC
17 Liquidating Trust, 462 So.2d 92 (Fla. 2nd DCA 1985).
18
19

Properly Considering the Eighth Criterion in Other Valuation Approaches

20 A previous section in this module addressed the proper consideration of the eighth
21 criterion when comparable sales are used (the sales comparison approach).
22

- 23
- 24 * This section addresses the proper consideration of the eighth criterion in the other
25 two valuation approaches, the income capitalization approach and the cost less
26 depreciation approach.
27

28 When considering a value indicator developed by either of these two valuation
29 approaches, the Board or special magistrate must determine whether an eighth criterion
30 adjustment should be made to such value indicator.
31

- 32 * The Board or special magistrate must avoid double-counting this adjustment and
33 must not repeat any adjustment amount that has already been made, whether such
34 adjustment amount was made as a dollar amount or a percentage amount.
35
- 36 * The Board or special magistrate is not precluded from making an eighth criterion
37 adjustment to a value indicator developed by the income capitalization approach or
38 the cost less depreciation approach when such adjustment would not result in
39 double-counting and when such adjustment is justified by sufficient evidence.
40
- 41 * In determining whether to make an eighth criterion adjustment to a value indicator
42 developed by either of these two approaches, the Board or special magistrate must
43 first determine how such value indicator was developed and determine whether the
44 indicator has already been adjusted for the eighth criterion.
45

2017 Value Adjustment Board Training - Module 6

1 * The Board or special magistrate should make, to a value indicator developed by the
2 income capitalization approach or cost less depreciation approach, the eighth
3 criterion adjustment that is justified by sufficient evidence when this adjustment
4 would not result in double-counting.

5
6 * In determining whether to make an eighth criterion adjustment to such a value
7 indicator, the Board or special magistrate should consider the adjustment lawfully
8 made and lawfully reported by the property appraiser on Form DR-493 for the use
9 code group that contains the use code of the subject property.

10
11 * When double-counting would not result, the Board or special magistrate should
12 make, to a value indicator developed by either of these two approaches, an eighth
13 criterion adjustment that results in consistency with the adjustment lawfully made
14 and lawfully reported by the property appraiser on Form DR-493 for the use code
15 group of the subject property.

16
17 NOTE: If a party believes an overall eighth criterion adjustment greater than that
18 reported on Form DR-493 is justified for a particular value indicator, the party is
19 responsible for presenting relevant and credible evidence in support of that belief.

20
21 * Then, the Board or special magistrate is responsible for determining, in accordance
22 with law, whether the hearing record contains sufficient evidence to justify a higher
23 overall eighth criterion adjustment to that particular value indicator.

24
25 As stated previously in this training module, the just value of any personal property must
26 be excluded from just valuations of real property.

Module 7: Administrative Reviews of Classified Use Valuations and Assessed Valuations

Training Module 7 addresses the following topics:

PART 1

Administrative Reviews of Classified Use Valuations

- Overview of Classified Use Valuation
- Statutory Criteria for Valuing Different Types of Classified Property
 - Statutory Criteria for Valuing Agricultural Property
 - Agricultural Property: The Income Approach
 - Agricultural Property: Quarantine and Eradication Programs
 - Agricultural Property: Special Types
 - Pollution Control Devices
 - Noncommercial Recreation and Conservation Lands
 - Historic Property: Sections 193.503 and 193.505, F.S.
 - High Water Recharge Property
 - Working Waterfront Property (Classification Effective in 2010)
 - Renewable Energy Source Device
- Competent Substantial Evidence for Establishing a Revised Classified Use Value
- The Administrative Review Process for Classified Use Valuations

PART 2

Administrative Reviews of Assessed Valuations

- Statutory Criteria for Assessed Valuation of Limited Increase Property
 - Assessment Increase Limitation for Homestead Real Property
 - Assessment Increase Limitation for Non-Homestead Real Property
 - Differences in Administration Between Sections 193.1554 and 193.1555, F.S.
- Authority for Administrative Reviews of Assessed Valuations
- Competent Substantial Evidence for Establishing a Revised Assessed Value
- The Administrative Review Process for Assessed Valuations

Learning Objectives

After completing this training module, the learner should be able to:

- Identify and apply the definition of classified use value
- Recognize and apply the statutory criteria for classified use valuation
- Identify when the Board or special magistrate is required or is NOT required to make determinations such as findings, conclusions, or decisions

2017 Value Adjustment Board Training - Module 7

- 1 • Identify and apply the sequence of general procedural steps for administrative
- 2 reviews of classified use valuations
- 3 • Recognize how to apply the preponderance of the evidence standard of proof in
- 4 administrative reviews of classified use valuations
- 5 • Identify the alternative actions required when a presumption of correctness was not
- 6 established, or was established but later was overcome
- 7 • Identify and apply the elements of the definition of competent substantial evidence
- 8 for establishing a revised classified use value
- 9 • Recognize the conditions under which a Board or special magistrate is required to
- 10 establish a revised classified use value
- 11 • Identify and apply the definition of assessed value
- 12 • Recognize and apply the statutory criteria for the assessed valuation of homestead
- 13 property
- 14 • Recognize and apply the statutory criteria for the assessed valuation of non-
- 15 homestead property
- 16 • Recognize differences in administration of limitations on non-homestead residential
- 17 property with nine or fewer units and other non-homestead property
- 18 • Identify and apply the sequence of general procedural steps for administrative
- 19 reviews of assessed valuations of limited increase properties
- 20 • Recognize how to apply the preponderance of the evidence standard of proof in
- 21 administrative reviews of assessed valuations of limited increase properties
- 22 • Identify and apply the elements of the definition of competent substantial evidence
- 23 for establishing a revised assessed value
- 24 • Recognize the conditions under which a Board or special magistrate is required to
- 25 establish a revised assessed value

26
27

PART 1

28
29

Overview of Classified Use Valuation

30
31 “Classified use value” means an annual determination of the value of property that is
32 assessed solely based on character or use, without regard to the property’s highest and
33 best use.

34

35 Classified use valuations are provided in Section 4(a), (b), and (e), Article VII, of the
36 Florida Constitution (agricultural land, noncommercial recreational land, high water
37 recharge, conservation land, historic property) and in Section 4(j), Article VII of the State
38 Constitution (working waterfront properties).

39

40 NOTE: Legislation has not been enacted to implement assessment exclusions for
41 residential improvements for resistance to wind damage under Section 4(i), Article VII,
42 of the Florida Constitution.

43

44 Except for working waterfront property, the statutory criteria for valuation of classified
45 use property are provided in Chapter 193, Part 2, F.S.

46

2017 Value Adjustment Board Training - Module 7

1 The statutory criteria for working waterfront property are set forth in Section 4(j), Article
2 VII, of the Florida Constitution.

3

4

5 **Statutory Criteria for Valuing Different Types of Classified Property**

6 Statutory criteria for the following types of property classifications are presented below.

7

8 Types of Property Classifications

- 9 • Agricultural Property
- 10 • Pollution Control Devices
- 11 • Noncommercial Recreational and Conservation Lands
- 12 • Historic Property
- 13 • High Water Recharge Property
- 14 • Working Waterfront Property
- 15 • Renewable Energy Source Device

16

17

18 **Statutory Criteria for Valuing Agricultural Property**

19 Under Subsection 193.461(6)(a), F.S., the classified use valuation of agricultural land
20 shall consider the following use factors only:

21

22 * The quantity and size of the property;

23

24 * The condition of the property;

25

26 * The present market value of the property as agricultural land;

27

28 * The income produced by the property;

29

30 * The productivity of the land in its current use;

31

32 * The economic merchantability of the agricultural product; and

33

34 * Such other agricultural factors as may from time to time become applicable and
35 which are reflective of the standard present practices of agricultural use and
36 production.

37

38

39 **Agricultural Property: The Income Approach**

40 Under Subsection 193.461(6), F.S., when using the income approach to value
41 agricultural land, the appraiser shall consider the average of the income from the
42 property for the past five years, rather than the income from the last year alone.

43

44 * Irrigation systems, including pumps and motors physically attached to the land, shall
45 be considered part of the acreage under the income approach and not have a
46 separately assessable value.

2017 Value Adjustment Board Training - Module 7

- 1
2 * Likewise, litter and waste containment structures on poultry and dairy farms shall be
3 considered part of the acreage under the income approach and not have a
4 separately assessable value.
5
6

Agricultural Property: Quarantine and Eradication Programs

7 Under Subsection 193.461(7), F.S., agricultural land taken out of production due to a
8 state or federal quarantine or eradication program shall continue to be classified as
9 agricultural property.
10

- 11
12 * If the land in the program lies fallow or is used for non-income producing purposes,
13 the land shall have a de minimus value of no more than \$50 per acre.
14

- 15 * If the land in the program is used for another permissible agricultural use, the land
16 shall be assessed based on that usage.
17

- 18 * If the land is converted to a non-agricultural use, it will be assessed as non-
19 agricultural property under section 193.011, F.S.
20

21 **Note:** Legislation was enacted in 2016 to amend section 193.461(7)(a), F.S., to provide
22 that lands classified for assessment purposes as agricultural lands that a state or
23 federal eradication or quarantine program takes out of production will remain agricultural
24 lands for the remainder of the program. Lands that these programs convert to
25 nonincome-producing uses will continue to be assessed at a minimum value of up to
26 \$50 per acre on a single-year assessment methodology.
27

28 Identifies the Citrus Health Response Program as a state or federal eradication or
29 quarantine program. The bill allows land to retain its agricultural classification for five
30 years after the date of execution of a compliance agreement between the landowner
31 and the Department of Agriculture and Consumer Services (DACS) or a federal agency,
32 as applicable, for this program or successor programs.
33

34 Lands under these programs that are converted to fallow or otherwise nonincome-
35 producing uses are still agricultural lands assessed at a minimal value of up to \$50 per
36 acre on a single-year assessment methodology while fallow or used for nonincome-
37 producing purposes. Lands under these programs that are replanted in citrus according
38 to the requirements of the compliance agreement are classified as agricultural lands
39 and are assessed at a minimal value of up to \$50 per acre, on a single-year
40 assessment methodology, during the five-year term of agreement.
41

42 See Chapter 2016-88, Sections 1 and 5, Laws of Florida (CS/CS/HB 749).
43
44

2017 Value Adjustment Board Training - Module 7

1 **Agricultural Property: Special Types**

2 In addition to the classified use assessments of agricultural land discussed previously,
3 there are additional provisions in Sections 193.451 and 193.4615, F.S., which address
4 specific kinds of agricultural property.

5
6 These provisions usually deal with the assessment of tangible personal property and
7 instruct that such property should either have no value placed upon it or that it should
8 be valued at salvage value.

9
10 Items with no value:

- 11 * Growing annual crops
- 12 * Nonbearing fruit trees
- 13 * Raw agricultural products (until offered for sale)

14
15 Items valued as salvage:

- 16 * Citrus grading and classification equipment leased from the Department of
17 Agriculture
- 18 * Obsolete agricultural equipment

19
20

21 **Pollution Control Devices**

22 This property classification and its valuation are governed by Section 193.621, F.S.,
23 which provides the following:

24
25 * Pollution control devices installed in manufacturing or industrial plants or installations
26 shall be valued as salvage;

27
28 * Demolition and reconstruction of part of such a facility for the purpose of reducing
29 pollution, and which does not substantially increase the productivity of the facility,
30 shall not increase the facility's assessed value;

31
32 * The property appraiser is authorized to seek a recommendation from the
33 Department of Environmental Protection as to what constitutes pollution control; and

34
35 * The Department of Environmental Protection is authorized to promulgate rules
36 concerning this classification.

37
38 "Salvage value" is defined in rules of the Department of Environmental Protection as
39 follows:

40
41 *"the estimated fair market value, if any, which may be realized upon the sale or other*
42 *disposition of a pollution control facility when it can no longer be used for the purpose*
43 *for which it was designed."* See Rule 62-8.020, F.A.C.

44
45
46

2017 Value Adjustment Board Training - Module 7

1 **Noncommercial Recreation and Conservation Lands**

2 This property classification and its valuation are governed by Section 193.501, F.S.

3
4 To receive this classification, property must be subject to a conservation easement,
5 qualified as environmentally endangered land, designated as conservation land, or used
6 for outdoor recreational or park purposes.

7
8 If the covenant or conveyance extends for more than ten years, the property shall be
9 valued considering no factors other than those relative to its value for the present use
10 as restricted by the covenant or conveyance.

11
12 If the covenant has less than ten years left, the property will be valued at just value
13 considering the restrictions imposed by the covenant.

14 15 16 **Historic Property: Sections 193.503 and 193.505, F.S.**

17 Under Subsection 193.503(5), F.S., historic property is to be assessed using the
18 following factors only:

- 19
20 * Quantity and size of property;
21 * Condition of property;
22 * Present market value as historic property used for commercial or certain nonprofit
23 purposes; and
24 * Income produced by the property.

25
26 The historic property addressed under Subsection 193.505(3), F.S., must be valued
27 recognizing the nature and length of the restriction placed on the use of the property
28 under the provisions of the conveyance or covenant.

29 30 31 **High Water Recharge Property**

32 To allow this classification, the county must choose to adopt an ordinance providing for
33 this classification and its valuation. See Subsections 193.625(1) and (5), F.S.

34
35 The county's ordinance must provide the formula for assessing property that qualifies
36 for this classification. See Subsection 193.625(5)(b), F.S.

37
38 In counties that choose to adopt such ordinance, municipalities may also adopt an
39 ordinance providing for classification and valuation of this property type. See Subsection
40 193.625(5)(d), F.S.

41 42 43 **Working Waterfront Property (Classification Effective 2010)**

44 The Florida Constitution sets forth criteria for classifying and valuing working waterfront
45 property.

46

2017 Value Adjustment Board Training - Module 7

1 The provisions of Amendment 6, regarding working waterfronts, have been placed in
2 the Florida Constitution at Article VII, Section (4)(j), effective for the 2010 assessment
3 year. These provisions state as follows:
4

- 5 *“(j)(1) The assessment of the following working waterfront properties shall*
6 *be based upon the current use of the property:*
7 *a. Land used predominantly for commercial fishing purposes.*
8 *b. Land that is accessible to the public and used for vessel launches*
9 *into waters that are navigable.*
10 *c. Marinas and drystacks that are open to the public.*
11 *d. Water-dependent marine manufacturing facilities, commercial*
12 *fishing facilities, and marine vessel construction and repair*
13 *facilities and their support activities.*
14 *(2) The assessment benefit provided by this subsection is subject to*
15 *conditions and limitations and reasonable definitions as specified by*
16 *the legislature by general law.”*
17

18 The constitutional amendment on working waterfront property is self-executing with
19 authorization for the legislature to elaborate by general law.
20

21 In the 2009 and 2010 sessions, the legislature considered bills that did not pass but that
22 would have contained guidance for classifying and valuing working waterfront property.
23 These bills would have applied to the 2010 tax year if they had become law.
24

25 Amendment 6, creating classification of property used for working waterfronts, is
26 effective for the 2010 year in the absence of legislation.
27

Renewable Energy Source Device Classification

- 28
29 * Legislation enacted in 2013 created section 193.624, F.S., to provide for
30 assessment of a "renewable energy source device" installed on or after January 1,
31 2013, to new and existing residential real property.
32
33 * When determining the assessed value of real property used for residential purposes,
34 an increase in the just value of the property attributable to the installation of a
35 renewable energy source device may not be considered.
36
37 * This requirement is an exception to certain provisions relating to assessment of
38 changes, additions, or improvements in sections 193.155 and 193.1554, F.S.
39
40 * This legislation is effective July 1, 2013 and applies to assessments and
41 administrative reviews beginning in 2014. See Chapter 2013-77, Sections 1, 2, and 3,
42 Laws of Florida (HB 277).
43

44 **Note:** Legislation enacted in 2017 amended section 193.624, F.S., to provide that, for
45 nonresidential real property, 80 percent of the just value attributable to a renewable
46 energy source device may not be considered in determining the assessed value of the

2017 Value Adjustment Board Training - Module 7

1 property; this provision applies to devices installed on nonresidential property on or after
2 January 1, 2018, except in a fiscally constrained county for which application for
3 comprehensive plan amendment or planned unit development zoning is made by
4 December 31, 2017. This change is effective July 1, 2017 and applies to assessments
5 and administrative reviews beginning in 2018. See Chapter 2017-118, Sections 2 and 8,
6 Laws of Florida (CS/SB 90).

9 **Competent Substantial Evidence for Establishing a Revised Classified** 10 **Use Value**

11 Competent substantial evidence for establishing a revised classified use value, as part
12 of an administrative review under Chapter 194, Parts 1 and 3, F.S., means evidence
13 that:

- 14 1. Cumulatively meets the statutory criteria that apply to the classified use valuation of
15 the petitioned property;
- 16 2. Tends to prove (is probative of) classified use value as of January 1 of the
17 assessment year under review;
- 18 3. Is sufficiently relevant and credible to be accepted as adequate to support (legally
19 justify) the conclusion reached; and
- 20 4. Otherwise meets all requirements of law.

21 **The Administrative Review Process for Classified Use Valuations**

22 Below is a sequence of general procedural steps for Boards and special magistrates to
23 follow in administrative reviews of classified use valuations to fulfill the procedural
24 requirements of Section 194.301, F.S., and Rule 12D-9.027(3), F.A.C.

25 This sequence of steps applies to: the consideration of evidence, the development of
26 conclusions, and the production of written decisions. See Rule 12D-9.027(1), F.A.C.

27 *“The board or special magistrate shall not be required to make, at any time during a
28 hearing, any oral or written finding, conclusion, decision, or reason for decision.”* See
29 Rule 12D-9.025(9), F.A.C.

30 *“The board or special magistrate has the discretion to determine whether to make such
31 determinations during a hearing or to consider the petition and evidence further after the
32 hearing and then make such determinations.”* See Rule 12D-9.025(9), F.A.C.

33 In following this sequence of steps, Boards or special magistrates must also meet the
34 requirements of Rule 12D-9.025(1), F.A.C., which are the following:

- 35 * Review the evidence presented by the parties;

2017 Value Adjustment Board Training - Module 7

- 1
- 2 * Determine whether the evidence presented is admissible;
- 3
- 4 * Admit the evidence that is admissible; and
- 5
- 6 * Identify the evidence presented to indicate that it is admitted or not admitted.
- 7

8 The sequence of general procedural steps presented below is based on Rule 12D-
9 9.027(3), F.A.C.

- 10
- 11 1. Consider the admitted evidence presented by the parties.
- 12
- 13 2. Identify and consider the statutory criteria that apply to the classified use valuation of
14 the petitioned property.
- 15
- 16 3. Identify and consider the essential characteristics of the petitioned property based on
17 the admitted evidence and the statutory criteria that apply to the classified use
18 valuation of the property.
- 19
- 20 4. Identify the valuation methodology used by the property appraiser in developing the
21 classified use valuation of the petitioned property, and consider this valuation
22 methodology in light of the essential characteristics of the property.
- 23
- 24 5. Determine whether the admitted evidence proves by a preponderance of the
25 evidence that the property appraiser's methodology complies with the statutory
26 criteria that apply to the classified use valuation of the property.
- 27
- 28 6. Determine whether the property appraiser's classified use valuation methodology is
29 appropriate and whether the property appraiser established a presumption of
30 correctness for the assessment.
- 31
- 32 a) The property appraiser's classified use valuation methodology is not appropriate
33 and a presumption of correctness is not established unless the admitted
34 evidence proves by a preponderance of the evidence that the property
35 appraiser's classified use valuation methodology complies the statutory criteria
36 that apply to the classified use valuation of the property.
- 37
- 38 b) The property appraiser's classified use valuation methodology is appropriate and
39 the presumption of correctness is established only when the admitted evidence
40 proves by a preponderance of the evidence that the property appraiser's
41 classified use valuation methodology complies with the statutory criteria that
42 apply to the classified use valuation of the property.
- 43
- 44 7. If the Board or special magistrate determines that a presumption of correctness is
45 established, the Board or special magistrate must then determine whether the
46 admitted evidence proves by a preponderance of the evidence that:

2017 Value Adjustment Board Training - Module 7

- 1
- 2 a) The property appraiser's classified use valuation does not represent classified
- 3 use value; or
- 4
- 5 b) The property appraiser's classified use valuation is arbitrarily based on valuation
- 6 practices that are different from the valuation practices generally applied by the
- 7 property appraiser to comparable property within the same county.
- 8
- 9 8. If the Board or special magistrate determines that one or both of the conditions
- 10 specified under Step 7 exist, the presumption of correctness is overcome.
- 11
- 12 9. If the property appraiser does not establish a presumption of correctness, or if the
- 13 presumption of correctness is overcome, the Board or special magistrate shall
- 14 determine whether the hearing record contains competent, substantial evidence of
- 15 classified use value that cumulatively meets the statutory criteria that apply to the
- 16 classified use valuation of the property.
- 17
- 18 a) If the hearing record contains competent, substantial evidence for establishing a
- 19 revised classified use value, the Board or an appraiser special magistrate shall
- 20 establish a revised classified use value based only upon such evidence. In
- 21 establishing a revised classified use value, the Board or special magistrate is not
- 22 restricted to any specific value offered by one of the parties.
- 23
- 24 b) If the hearing record lacks competent, substantial evidence for establishing a
- 25 revised classified use value, the Board or special magistrate shall remand the
- 26 assessment to the property appraiser with appropriate directions for establishing
- 27 classified use value. The property appraiser is required to follow these directions.
- 28
- 29 10. If the property appraiser establishes a presumption of correctness as described in
- 30 Step 6 above and that presumption of correctness is not overcome as described in
- 31 Step 7 above, the assessment stands.
- 32
- 33
- 34

PART 2

Statutory Criteria for Assessed Valuation of Limited Increase Property

The assessed value of certain types of properties can be less than their just value because of limitations and classifications under the Florida Constitution.

"Assessed value" means an annual determination of the value of:

- * Homestead property as limited pursuant to Section 4(d), Article VII of the State Constitution (lesser of 3 percent or percentage change in consumer price index); or

2017 Value Adjustment Board Training - Module 7

1 * Non-homestead property as limited pursuant to Sections 4(g) and (h), Article VII of
2 the State Constitution (10 percent).
3

4 **Assessment Increase Limitation for Homestead Real Property**

5 Beginning in 1995, for homestead property there is a limitation on the annual increase in
6 assessed value that is equal to the lesser of 3 percent or the percent change in the
7 consumer price index. See Rules 12D-8.0061 through 12D-8.0064, F.A.C.
8

9
10 Homestead real property shall be assessed at just value on the January 1 following a
11 change of ownership. See Section 193.155, F.S.
12

13 Under Section 193.155(3)(a), F.S., a change of ownership means any sale, foreclosure,
14 or transfer of legal title or beneficial title in equity to any person, except:
15

16 1. If after transfer, the same person is entitled to the homestead exemption as was
17 previously entitled and the transfer:
18

19 a. Is to correct an error;
20

21 b. Is between legal and equitable title; or
22

23 c. Is by an instrument in which the owner is both grantor and grantee of the real
24 property and one or more other individuals are additionally named as grantee.
25 However, a change of ownership occurs if such individual applies for a
26 homestead exemption on the property;
27

28 2. If the transfer is between husband and wife;
29

30 3. If the transfer occurs by operation of law under Section 732.4015, F.S.; or
31

32 4. If on the death of the owner, the transfer is between the owner and another who is
33 a permanent resident and is legally or naturally dependent upon the owner.
34

35 **Note:** Legislation enacted in 2013 amended section 193.155, F.S., to provide that a
36 property transfer is not a change of ownership if the transfer is to a person who is
37 entitled to the homestead exemption both before and after the transfer and the person is
38 a lessee entitled to the homestead exemption under section 196.041(1), F.S.
39

40 * These changes are effective July 1, 2013, and apply to assessments and
41 administrative reviews beginning in 2014. See Chapter 2013-72, Section 4, Laws of
42 Florida (SB 1830).
43
44

2017 Value Adjustment Board Training - Module 7

1 **Assessment Increase Limitation for Non-Homestead Real Property**

2 Beginning in 2009, for non-homestead property there is a 10 percent limitation on the
3 annual increase in assessed value.

4
5 The types of property eligible for the 10 percent cap are provided under Section
6 193.1554, F.S., and Section 193.1555, F.S.

7
8 Section 193.1554, F.S., relates to the assessment of non-homesteaded residential
9 property that contains nine or fewer dwelling units that does not receive a homestead
10 exemption under Section 196.031, F.S., including vacant property zoned and platted for
11 residential use.

12
13 Section 193.1555, F.S., relates to residential property with 10 or more units, and to non-
14 residential real property.

15
16 “Non-residential real property” means real property that is not subject to the assessment
17 limitations set forth in subsection 4(a), (b), (c), (d), or (g), Article VII of the Florida
18 Constitution. This involves property classified agricultural, high water recharge, non-
19 commercial recreational, conservation, and homestead limited increase property.

20
21 When ownership or control of the property changes, the property is subject to
22 reassessment at just value.

23
24 A person or entity that owns non-homestead property subject to receiving the 10
25 percent assessment increase limitation under Sections 193.1554 or 193.1555, F.S.,
26 must notify the property appraiser of the county where the property is located of any
27 change of ownership or control as defined in Sections 193.1554(5) and 193.1555(5),
28 F.S. See section 193.1556, F.S.

29
30 Rule 12D-8.00659, F.A.C., (Notice of Change of Ownership or Control of Non-
31 Homestead Property) contains detailed provisions explaining the change in ownership
32 and control. Forms are included for the owner to notify the property appraiser as
33 provided in sections 193.1554 and 193.1555, F.S.

34
35 NOTE: In Orange County Property Appraiser v. Sommers, 84 So.3d 1277 (Fla. 5th DCA
36 2012), the court held that when residential property changes from homestead to non-
37 homestead, but ownership does not change, the ten percent cap for non-homestead
38 property cannot be applied to the assessed value from the previous homestead cap.
39 Rather, in the year following the change from homestead to non-homestead status, the
40 new assessed value for the property (as non-homestead) must be equal to just value.
41 Then, the new assessed value must be the base to which the ten percent cap for non-
42 homestead property can be applied in future years. This is also addressed in 2012
43 legislation. See Chapter 2012-193, Sections 6 and 7, Laws of Florida.

44
45

2017 Value Adjustment Board Training - Module 7

Differences in Administration Between Sections 193.1554 and 193.1555, F.S.

The administration of Sections 193.1554 and 193.1555, F.S., is similar but has four main differences. These differences are:

1. For residential with nine or fewer dwelling units Section 193.1554, F.S., there is no change in ownership if the transfer is between husband and wife, including a transfer to a surviving spouse or a transfer due to a dissolution of marriage.

* This provision is not in Section 193.1555, F.S.

2. For residential with 10 units or more and nonresidential, Section 193.1555, F.S., property must be reassessed at just value if there is a “qualifying” improvement, meaning any substantially completed improvement that increases the just value of the property by at least 25 percent.

* “Improvement” is an addition or change to land or buildings that increases their value and is more than a repair or a replacement.

* This provision is not in Section 193.1554, F.S.

3. Under Section 193.1554, F.S., changes, additions, or improvements include improvements to common areas or other property that directly benefit the property.

* Such changes are assessed at just value and apportioned among the benefitting parcels.

* This provision is not in Section 193.1555, F.S.

4. Under Section 193.1554, F.S., provisions relating to the replacement of property damaged or destroyed by misfortune or calamity state that the assessed value is not to increase if the total square footage of the property as changed or improved does not exceed 1,500 square feet.

* This provision is not in Section 193.1555, F.S.

* The latter section, however, states that the improvements cannot have changed the property’s character or use, a provision not in Section 193.1554, F.S.

Authority for Administrative Reviews of Assessed Valuations

It is clear under Section 194.301, F.S., amended by HB 521, that the Board or special magistrate may consider petitions on the current year assessed value. Section 194.301(1), F.S. states:

2017 Value Adjustment Board Training - Module 7

1 “... if the appraiser proves by a preponderance of the evidence that the
2 assessment was arrived at by complying with s. 193.011, any other applicable
3 statutory requirements relating to classified use values or assessment caps, ...”
4

5 Section 194.301(2)(a), F.S., states the Board or special magistrate may determine:
6

7 “... that the assessed value:

8 1. Does not represent the just value of the property after taking into account any
9 applicable limits on annual increases in the value of the property;...
10

11 These provisions refer to the calculation of limited increase property and refer to the
12 statutory criteria applicable to assessment of such properties. Also, see Rule 12D-
13 9.027(3)(a), (b), and (d), F.A.C.
14

15 Thus, it is clear that a petitioner may appeal an assessed valuation for the current year
16 under the statutory criteria pertaining to calculation of assessed value.
17
18

Competent Substantial Evidence for Establishing a Revised Assessed Value

21 Competent substantial evidence for establishing a revised assessed value, as part of an
22 administrative review under Chapter 194, Parts 1 and 3, F.S., means evidence that:
23

- 24 1. Cumulatively meets the statutory criteria that apply to the assessed valuation of the
25 petitioned property;
- 26 2. Tends to prove (is probative of) assessed value as of January 1 of the assessment
27 year under review;
- 28 3. Is sufficiently relevant and credible to be accepted as adequate to support (legally
29 justify) the conclusion reached; and
- 30 31 3. Is sufficiently relevant and credible to be accepted as adequate to support (legally
31 justify) the conclusion reached; and
- 32 33 4. Otherwise meets all requirements of law.
34
35

The Administrative Review Process for Assessed Valuations

37 Below is a sequence of general procedural steps for Boards and special magistrates to
38 follow in administrative reviews of assessed valuations of limited increase property to
39 fulfill the procedural requirements of Section 194.301, F.S., and Rule 12D-9.027(3),
40 F.A.C.
41

42 This sequence of steps applies to: the consideration of evidence, the development of
43 conclusions, and the production of written decisions. See Rule 12D-9.027(1), F.A.C.
44

2017 Value Adjustment Board Training - Module 7

1 *“The board or special magistrate shall not be required to make, at any time during a*
2 *hearing, any oral or written finding, conclusion, decision, or reason for decision.” See*
3 *Rule 12D-9.025(9), F.A.C.*

4
5 *“The board or special magistrate has the discretion to determine whether to make such*
6 *determinations during a hearing or to consider the petition and evidence further after the*
7 *hearing and then make such determinations.” See Rule 12D-9.025(9), F.A.C.*

8
9 In following this sequence of steps, Boards or special magistrates must also meet the
10 requirements of Rule 12D-9.025(1), F.A.C., listed following:

- 11 a) Review the evidence presented by the parties;
- 12 b) Determine whether the evidence presented is admissible;
- 13 c) Admit the evidence that is admissible; and
- 14 d) Identify the evidence presented to indicate that it is admitted or not admitted.

15
16 The sequence of general procedural steps presented below is based on Rule 12D-
17 9.027(3), F.A.C.

- 18 1. Consider the admitted evidence presented by the parties.
- 19 2. Identify and consider the statutory criteria that apply to the assessed valuation of the
20 petitioned property.
- 21 3. Identify and consider the essential characteristics of the petitioned property based on
22 the admitted evidence and the statutory criteria that apply to the assessed valuation
23 of the property.
- 24 4. Identify the valuation methodology used by the property appraiser in developing the
25 assessed valuation of the petitioned property, and consider this valuation
26 methodology in light of the essential characteristics of the property.
- 27 5. Determine whether the admitted evidence proves by a preponderance of the
28 evidence that the property appraiser’s methodology complies with the statutory
29 criteria that apply to the assessed valuation of the property.
- 30 6. Determine whether the property appraiser’s assessed valuation methodology is
31 appropriate and whether the property appraiser established a presumption of
32 correctness for the assessment.
 - 33 a) The property appraiser’s assessed valuation methodology is not appropriate and
34 a presumption of correctness is not established unless the admitted evidence
35 proves by a preponderance of the evidence that the property appraiser’s

2017 Value Adjustment Board Training - Module 7

- 1 assessed valuation methodology complies the statutory criteria that apply to the
2 assessed valuation of the property.
3
- 4 b) The property appraiser's assessed valuation methodology is appropriate and the
5 presumption of correctness is established only when the admitted evidence
6 proves by a preponderance of the evidence that the property appraiser's
7 assessed valuation methodology complies with the statutory criteria that apply to
8 the assessed valuation of the property.
9
- 10 7. If the Board or special magistrate determines that a presumption of correctness is
11 established, the Board or special magistrate must then determine whether the
12 admitted evidence proves by a preponderance of the evidence that:
13
- 14 a) The property appraiser's assessed valuation does not represent assessed value;
15 or
16
- 17 b) The property appraiser's assessed valuation is arbitrarily based on valuation
18 practices that are different from the valuation practices generally applied by the
19 property appraiser to comparable property within the same county.
20
- 21 8. If the Board or special magistrate determines that one or both of the conditions
22 specified under Step 7 exist, the presumption of correctness is overcome.
23
- 24 9. If the property appraiser does not establish a presumption of correctness, or if the
25 presumption of correctness is overcome, the Board or special magistrate shall
26 determine whether the hearing record contains competent, substantial evidence of
27 assessed value that cumulatively meets the statutory criteria that apply to the
28 assessed valuation of the property.
29
- 30 a) If the hearing record contains competent, substantial evidence for establishing a
31 revised assessed value, the Board or an appraiser special magistrate shall
32 establish a revised assessed value based only upon such evidence. In
33 establishing a revised assessed value, the Board or special magistrate is not
34 restricted to any specific value offered by one of the parties.
35
- 36 b) If the hearing record lacks competent, substantial evidence for establishing a
37 revised assessed value, the Board or special magistrate shall remand the
38 assessment to the property appraiser with appropriate directions for establishing
39 assessed value. The property appraiser is required to follow these directions.
40
- 41 10. If the property appraiser establishes a presumption of correctness as described in
42 Step 6 above and that presumption of correctness is not overcome as described in
43 Step 7 above, the assessment stands.

Module 8: Administrative Reviews of Tangible Personal Property Just Valuations

7 **Training Module 8 addresses the following topics:**

- 8 • Recent Statutory Law Beginning in 2009 (See HB 521)
- 9 • Overview of Appraisal Development
- 10 • Legal Provisions on the Tangible Personal Property Appraisal Guidelines
- 11 • Florida Information on Appraisal Development
- 12 • Scope of Authority for Administrative Reviews
- 13 • Definition of Tangible Personal Property (TPP)
- 14 • Exemptions for Tangible Personal Property
- 15 • Requirement for Taxpayers to File TPP Returns
- 16 • The Eight Factors of Just Valuation
- 17 • Proper Consideration of the Just Valuation Factors
- 18 • Consideration of Previous Year's Board-Adjusted Assessment
- 19 • Standard of Proof for Administrative Reviews
- 20 • Petitioner Not Required to Present Opinion or Estimate of Value
- 21 • Presentation of Evidence by the Parties
- 22 • Evaluation of Evidence by the Board or Special Magistrate
- 23 • Sufficiency of Evidence
- 24 • Requirements for Establishing a Presumption of Correctness
- 25 • Requirements for Overcoming a Presumption of Correctness
- 26 • Establishing a Revised Just Value or Remanding the Assessment
- 27 • Competent Substantial Evidence for Establishing a Revised Just Value
- 28 • Establishment of Revised Just Values in Administrative Reviews
- 29 • Legal Limitations on Administrative Reviews
- 30 • Sequence of General Procedural Steps
- 31 • Operation of the Eighth Criterion Under Florida Law
- 32 • The Eighth Criterion in Reviews of Tangible Personal Property

35 **Learning Objectives**

36 After completing this training module, the learner should be able to:

- 37
- 38 • Identify the changes enacted in the new statutory law (HB 521)
 - 39 • Distinguish between who does appraisal development and who does NOT
 - 40 • Identify legal provisions on the Tangible Personal Property Appraisal Guidelines
 - 41 • Identify legal provisions that represent limitations on the discretion of property
 - 42 appraisers
 - 43 • Recognize that the factor in Section 193.011(8), F.S., must be properly considered in
 - 44 the just valuation of tangible personal property (TPP)
 - 45 • Recognize the four components of the definition of personal property

2017 Value Adjustment Board Training - Module 8

- 1 • Identify how the Florida Supreme Court has addressed intangible personal property
- 2 in the just valuation of tangible personal property
- 3 • Recognize the requirement that personal property types other than TPP must be
- 4 excluded from just valuations of TPP
- 5 • Distinguish between appraisal development and administrative reviews
- 6 • Recognize and apply the scope of authority for administrative reviews
- 7 • Identify the items that a Board or special magistrate may consider in addition to
- 8 admitted evidence
- 9 • Recognize and apply the definition of tangible personal property (TPP)
- 10 • Identify the requirements for filing a TPP return (Form DR-405)
- 11 • Recognize the types of information required on a filed return (Form DR-405)
- 12 • Identify how the property appraiser may use a filed TPP return
- 13 • Recognize the link between the requirement to file a TPP return with the property
- 14 appraiser and the right to file a petition with the Board
- 15 • Identify the eight factors of just valuation in Section 193.011, F.S.
- 16 • Recognize the legal standards for consideration of the just valuation factors
- 17 • Identify the provisions of Section 193.016, F.S., regarding the property appraiser's
- 18 consideration of the previous year's Board-adjusted assessment
- 19 • Recognize how the Florida Supreme Court has addressed Section 193.016, F.S.
- 20 • Identify the applicable standard of proof, its definition, and how it is applied
- 21 • Identify standards of proof that do NOT apply in administrative reviews
- 22 • Recognize that a petitioner is NOT required to present an opinion of value
- 23 • Understand the order of presentation of evidence
- 24 • Identify and apply the steps for evaluating evidence in administrative reviews
- 25 • Recognize and apply the provisions for ruling on the admissibility of evidence
- 26 • Identify and apply the definitions of relevant evidence and credible evidence
- 27 • Recognize and apply the standards for determining the sufficiency of evidence
- 28 • Identify types of information that are NOT sufficient evidence for establishing a
- 29 presumption of correctness
- 30 • Recognize the requirements for establishing a presumption of correctness
- 31 • Recognize the requirements for overcoming a presumption of correctness
- 32 • Identify the alternative actions required when a presumption of correctness was not
- 33 established, or was established but later was overcome
- 34 • Identify and apply the elements of the definition of competent substantial evidence
- 35 for establishing a revised assessment
- 36 • Recognize the conditions under which a Board or special magistrate is required to
- 37 establish a revised just value
- 38 • Identify legal limitations on administrative reviews
- 39 • Apply the sequence of general procedural steps for administrative reviews of just
- 40 valuations
- 41 • Identify when the Board or special magistrate is required or is NOT required to make
- 42 determinations such as findings, conclusions, or decisions
- 43 • Recognize that the factor in Section 193.011(8), F.S., must be properly considered in
- 44 administrative reviews of just valuations of tangible personal property, regardless of
- 45 whether an actual sale of the property has occurred
- 46
- 47

2017 Value Adjustment Board Training - Module 8

1 **Recent Statutory Law Beginning in 2009 (See HB 521)**

2 An important change to Florida Statutes was passed in the 2009 legislative session and
3 then approved by the Governor on June 4, 2009. See Section 194.301, Florida
4 Statutes, as amended by Chapter 2009-121, Laws of Florida (House Bill 521).

5
6 The complete text of this new legislation is presented following:

7
8 *Be It Enacted by the Legislature of the State of Florida:*

9 10 Section 1.

11 *Section 194.301, Florida Statutes, is amended to read:*

12 *194.301 Challenge to ad valorem tax assessment.—*

13
14 *(1) In any administrative or judicial action in which a taxpayer challenges an ad valorem*
15 *tax assessment of value, the property appraiser's assessment is presumed correct if the*
16 *appraiser proves by a preponderance of the evidence that the assessment was arrived*
17 *at by complying with s. 193.011, any other applicable statutory requirements relating to*
18 *classified use values or assessment caps, and professionally accepted appraisal*
19 *practices, including mass appraisal standards, if appropriate. However, a taxpayer who*
20 *challenges an assessment is entitled to a determination by the value adjustment board*
21 *or court of the appropriateness of the appraisal methodology used in making the*
22 *assessment. The value of property must be determined by an appraisal methodology that*
23 *complies with the criteria of s. 193.011 and professionally accepted appraisal practices.*
24 *The provisions of this subsection preempt any prior case law that is inconsistent with this*
25 *subsection.*

26
27 *(2) In an administrative or judicial action in which an ad valorem tax assessment is*
28 *challenged, the burden of proof is on the party initiating the challenge.*

29
30 *(a) If the challenge is to the assessed value of the property, the party initiating the*
31 *challenge has the burden of proving by a preponderance of the evidence that the*
32 *assessed value:*

33
34 *1. Does not represent the just value of the property after taking into account any*
35 *applicable limits on annual increases in the value of the property;*

36
37 *2. Does not represent the classified use value or fractional value of the property if the*
38 *property is required to be assessed based on its character or use; or*

39
40 *3. Is arbitrarily based on appraisal practices that are different from the appraisal practices*
41 *generally applied by the property appraiser to comparable property within the same*
42 *county.*

43
44 *(b) If the party challenging the assessment satisfies the requirements of paragraph (a),*
45 *the presumption provided in subsection (1) is overcome and the value adjustment board*
46 *or the court shall establish the assessment if there is competent, substantial evidence of*
47 *value in the record which cumulatively meets the criteria of s. 193.011 and professionally*

2017 Value Adjustment Board Training - Module 8

1 *accepted appraisal practices. If the record lacks such evidence, the matter must be*
2 *remanded to the property appraiser with appropriate directions from the value adjustment*
3 *board or the court, and the property appraiser must comply with those directions.*

4
5 *(c) If the revised assessment following remand is challenged, the procedures described*
6 *in this section apply.*

7
8 *(d) If the challenge is to the classification or exemption status of the property, there is no*
9 *presumption of correctness and the party initiating the challenge has the burden of*
10 *proving by a preponderance of the evidence that the classification or exempt status*
11 *assigned to the property is incorrect.*

12 13 Section 2.

14 *(1) It is the express intent of the Legislature that a taxpayer shall never have the burden*
15 *of proving that the property appraiser's assessment is not supported by any reasonable*
16 *hypothesis of a legal assessment. All cases establishing the every-reasonable-*
17 *hypothesis standard were expressly rejected by the Legislature on the adoption of chapter*
18 *97-85, Laws of Florida. It is the further intent of the Legislature that any cases published*
19 *since 1997 citing the every-reasonable-hypothesis standard are expressly rejected to the*
20 *extent that they are interpretative of legislative intent.*

21
22 *(2) This section is intended to clarify existing law and apply retroactively.*

23 24 Section 3.

25 *This act shall take effect upon becoming a law and shall first apply to assessments in*
26 *2009.*

27 *Approved by the Governor June 4, 2009.*

28 *Filed in Office Secretary of State June 4, 2009.*

29 *Ch. 2009-121 LAWS OF FLORIDA Ch. 2009-121*

30
31 This law is now in effect and applies to the administrative review of assessments
32 beginning with 2009 assessments.

33
34 * Procedural steps for implementing this new legislation for administrative reviews of
35 just valuations are presented later in this training module.

36
37 Board attorneys are responsible for ensuring that this important new legislation is
38 implemented for all administrative reviews of assessments, starting in 2009.

39
40 This new law significantly changes the standard of review for assessments, and Boards
41 and special magistrates must become familiar with the new law to ensure its
42 implementation.

43
44 Where appropriate, key points from this new law are presented in this and other
45 modules of this training. However, users of this training are advised to obtain a copy of
46 the new law and review it carefully to understand all of its provisions.

47

2017 Value Adjustment Board Training - Module 8

1 The new law provides a lower standard of proof, called “preponderance of the
2 evidence,” for determining whether the assessment is incorrect.

3
4 * “Preponderance of the evidence” is a standard (level) of proof that means “greater
5 weight of the evidence” or “more likely than not.”

6
7 In determining whether the assessment is incorrect, Boards and special magistrates
8 must not use any standard of proof other than the preponderance of the evidence
9 standard, as provided in Section 194.301, F.S., as amended by Chapter 2009-121,
10 Laws of Florida (House Bill 521).

11
12 Higher standards of proof no longer apply. The higher standard of proof called “clear
13 and convincing evidence” no longer applies in the administrative review of assessments
14 and must not be used by Boards or special magistrates. See Section 194.301, F.S., as
15 amended by Chapter 2009-121, Laws of Florida (House Bill 521).

16
17 *“It is the express intent of the Legislature that a taxpayer shall never have the burden of*
18 *proving that the property appraiser’s assessment is not supported by any reasonable*
19 *hypothesis of a legal assessment.”* See Subsection 194.3015(1), F.S., as created by Chapter 2009-
20 121, Laws of Florida (House Bill 521).

21
22 The new statute provides the following: *“The provisions of this subsection preempt any*
23 *prior case law that is inconsistent with this subsection.”* See Subsection 194.301(1), F.S., as
24 amended by Chapter 2009-121, Laws of Florida (House Bill 521).

25
26 References to Florida court decisions are presented in this training. Generally, these
27 court decisions predate the new statutory law. The new statutory law supersedes these
28 decisions to the extent these decisions are in conflict with the new law.

29
30 Thus, the information from these court decisions, as presented in this training, has been
31 modified where appropriate for consistency with the 2009 changes in the statute.

32
33 For example, court decisions recognize that property appraisers have discretion, which
34 is limited by other provisions of law, in weighing just valuation factors and in selecting
35 an appraisal methodology.

36
37 * The new statute contains an additional requirement that the appraisal methodology
38 used in making the assessment must comply with “professionally accepted appraisal
39 practices.”

40
41 * This new requirement represents an additional statutory limitation on the property
42 appraiser’s discretion.

43
44 Therefore, where appropriate in this training, the new requirement on “professionally
45 accepted appraisal practices” has been added to modify the information from prior court
46 decisions for consistency with the new statutory law.

47

2017 Value Adjustment Board Training - Module 8

1 * This training module includes references to this new statutory law where
2 appropriate.

3
4 This training is intended to contain information that is consistent with the new statutory
5 provisions in Sections 194.301 and 194.3015, F.S., as amended by Chapter 2009-121,
6 Laws of Florida (House Bill 521).

7
8 An overall summary of the provisions of this new law is presented in Module 1 of this
9 training. Provisions of this new statute are addressed where appropriate in other slides
10 in this module and in other modules of this training.

11 12 13 **Overview of Appraisal Development**

14 Appraisal development, or valuation development, is the process of producing an
15 original appraisal (determination of value) using the overall appraisal process.

16
17 In administrative reviews, Boards and special magistrates are not authorized to perform
18 appraisal development and must not perform appraisal development.

19
20 Property appraisers do appraisal development as part of their annual production of
21 assessment rolls. Private sector appraisers also do appraisal development.

22
23 Generally, property appraisers use a professionally accepted methodology called mass
24 appraisal to develop tangible personal property (TPP) just values each year.

25
26 The Tangible Personal Property (TPP) Appraisal Guidelines generally describe the
27 mass appraisal development process for TPP under Florida law.

28
29 It is implicit in mass appraisal that, even when properly specified and calibrated mass
30 appraisal models are used, some individual value conclusions will not meet standards of
31 reasonableness, consistency, and accuracy.

32 33 34 **Legal Provisions on the Tangible Personal Property Appraisal 35 Guidelines**

36 Below are provisions from Section 195.032, Florida Statutes, describing the Tangible
37 Personal Property Appraisal Guidelines.

- 38
39 1. *“The standard measures of value shall provide guidelines for the valuation of
40 property and methods for property appraisers to employ in arriving at the just
41 valuation of particular types of property consistent with section 193.011...”*
42
43 2. *“The standard measures of value shall assist the property appraiser in the valuation
44 of property and be deemed prima facie correct, but shall not be deemed to establish
45 the just value of any property.”*
46

2017 Value Adjustment Board Training - Module 8

1 See Rule 12D-51.002, Florida Administrative Code, for more information on the
2 Tangible Personal Property (TPP) Appraisal Guidelines.

3 4 5 **Florida Information on Appraisal Development**

6 The Tangible Personal Property Appraisal Guidelines contain descriptions of appraisal
7 methods that may be used by property appraisers to develop just valuations of tangible
8 personal property consistent with Florida law.

9
10 Boards and special magistrates are expected to understand these guidelines for
11 purposes of reviewing challenged assessments.

12
13 A copy of these guidelines is available at the following web address:

14 http://floridarevenue.com/property/Pages/Taxpayers_TangiblePersonalProperty.aspx

15
16 Section 4, Article VII, of the Florida Constitution, requires a just valuation of all property
17 for ad valorem taxation, with certain conditions.

18
19 Florida's constitution has "delegated to the Legislature the responsibility for deciding the
20 specifics of how that 'just valuation' would be secured." Sunset Harbour Condominium
21 Ass'n v. Robbins, 914 So.2d 925, 931 (Fla. 2005), citing Collier County v. State, 733 So.2d
22 1012, 1019 (Fla. 1999).

23
24 In section 193.011, F.S., the Florida Legislature has effectuated the constitutional
25 requirement for just valuation by specifying the eight factors that must be considered in
26 arriving at just valuations of all property.

27
28 In 1963, the Legislature enacted the first seven just valuation factors, effective January
29 1, 1964. See Chapter 63-250, Laws of Florida, creating Section 193.021, F.S., which was re-
30 numbered in 1969 as Section 193.011, F.S., by Chapter 69-55, Laws of Florida.

31
32 In 1965, the Florida Supreme Court held that just value was synonymous with fair
33 market value and defined fair market value as: "*the amount a purchaser willing but not*
34 *obliged to buy, would pay to one willing but not obliged to sell.*" See Walter v. Schuler, 176
35 So.2d 81 (Fla. 1965).

36
37 * Neither the term "fair market value" nor the term "market value" appears in the
38 Florida Constitution. The term "just valuation" appears in the constitution once and
39 the term "just value" appears in the constitution a total of 22 times, all of which terms
40 appear in Article VII pertaining to the valuation of property for ad valorem taxation.

41
42 * NOTE: The eighth just valuation criterion did not exist at the time of Walter v.
43 Schuler. The Legislature can override decisional law. See Dept. of Environmental
44 Protection v. Contractpoint Florida Parks, 986 So.2d 1260, 1269 (Fla. 2008).

45
46 Then, in 1967, the legislature added the eighth just valuation criterion (net proceeds of
47 sale) as a new Subsection 193.021(8), Florida Statutes. See Chapter 67-167, Laws of

2017 Value Adjustment Board Training - Module 8

1 Florida, creating Subsection 193.021(8), F.S., which was re-numbered in 1969 as Subsection
2 193.011(8), F.S., by Chapter 69-55, Laws of Florida.

3
4 Subsection 193.011(8), F.S., generally known as the “eighth criterion,” was last
5 amended in 1979 and is presented below in its entirety.

6
7 *“The net proceeds of the sale of the property, as received by the seller, after deduction
8 of all of the usual and reasonable fees and costs of the sale, including the costs and
9 expenses of financing, and allowance for unconventional or atypical terms of financing
10 arrangements. When the net proceeds of the sale of any property are utilized, directly or
11 indirectly, in the determination of just valuation of realty of the sold parcel or any other
12 parcel under the provisions of this section, the property appraiser, for the purposes of
13 such determination, shall exclude any portion of such net proceeds attributable to
14 payments for household furnishings or other items of personal property.”*

15
16 * The eighth criterion must be properly considered in the just valuation of tangible
17 personal property. See Turner v. Tokai Financial Services, Inc., 767 So.2d 494 (Fla. 2nd
18 DCA 2000) review denied 780 So.2d 916 (Fla. 2001).

19
20 NOTE: More information on the eighth criterion is presented later in this section and in
21 the last two sections of this module.

22
23 Appraisal is an art, not a science. See Powell v. Kelly, 223 So.2d 305 (Fla. 1969).

24
25 The determination of just value inherently and necessarily requires the exercise of
26 appraisal judgment by the property appraiser. See Department of Revenue v. Howard, 916
27 So.2d 640 (Fla. 2005).

28
29 * However, as indicated following, the property appraiser’s discretion is not unbridled
30 and is limited by several other provisions of law including Sections 194.301 and
31 194.3015, F.S., as amended by Chapter 2009-121, Laws of Florida (House Bill 521).

32
33 Several Florida court decisions have described the limitations on the property
34 appraiser’s discretion, including the four indicated below:

35
36 1. The statute on just valuation factors (now Section 193.011, F.S.) was not intended to
37 give property appraisers unbridled discretion; rather, the statute’s purpose is to
38 require property appraisers to adhere to the constitutional mandate of just valuation.
39 See Walter v. Schuler, 176 So.2d 81 (Fla. 1965); Section 193.011, F.S.; and Chapter 67-167,
40 Laws of Florida, creating Subsection 193.021(8), F.S., which was re-numbered in 1969 as
41 Subsection 193.011(8), F.S., by Chapter 69-55, Laws of Florida.

42
43 2. The property appraiser’s discretion is limited by the standard of just valuation and by
44 the statutory criteria for just valuation (now Section 193.011, F.S.). See Keith
45 Investments, Inc. v. James, 220 So.2d 695 (Fla. 4th DCA 1969).

46

2017 Value Adjustment Board Training - Module 8

- 1 3. The statutory valuation criteria are intended to limit the property appraiser's
2 discretion and to tie the property appraiser more closely to the uniform constitutional
3 standard of just valuation. See Cassady v. McKinney, 296 So.2d 94 (Fla. 2nd DCA 1974).
4
- 5 4. The property appraiser's discretion is limited by the constitutional requirement for a
6 just valuation and by statute (Section 193.011, F.S.). See In re Steffen, 342 B.R. 861
7 (Bkrcty. M.D. Fla. 2006). Also, see Section 194.301, F.S., as amended by Chapter 2009-121,
8 Laws of Florida (House Bill 521) , which requires that the assessment methodology comply
9 with professionally accepted appraisal practices.

10
11 The property appraiser is required to consider, but is not required to use, all three
12 approaches to value. See Mastroianni v. Barnett Banks, Inc., 664 So.2d 284 (Fla. 1st DCA
13 1995) review denied 673 So.2d 29 (Fla. 1996).

- 14
15 * Note: However, a presumption of correctness for the assessment will not be
16 established if the property appraiser does not prove by a preponderance of the
17 evidence that the just value was developed in compliance with Section 193.011,
18 F.S., and professionally accepted appraisal practices, including mass appraisal
19 standards, if appropriate.

20
21 The property appraiser's valuation methodology must comply with the criteria in Section
22 193.011, F.S., and professionally accepted appraisal practices. See Section 194.301, F.S.,
23 as amended by Chapter 2009-121, Laws of Florida (House Bill 521), and Section 193.011, F.S.

24
25 Florida law defines real property as land, buildings, fixtures, and all other improvements
26 to land. See Subsection 192.001(12), F.S.

27
28 Florida law defines personal property as being divided into the following four categories:
29 1) household goods, 2) intangible personal property, 3) inventory, and 4) tangible
30 personal property. See Subsection 192.001(11), F.S.

31
32 Subsection 193.011(8), F.S., states the following in pertinent part: "*When the net
33 proceeds of the sale of any property are utilized, directly or indirectly, in the
34 determination of just valuation of realty of the sold parcel or any other parcel under the
35 provisions of this section, the property appraiser, for the purposes of such
36 determination, shall exclude any portion of such net proceeds attributable to payments
37 for household furnishings or other items of personal property.*"

38
39 The eighth criterion provides for the deduction of personal property in arriving at net
40 proceeds of sale of real property, but does not specifically address the deduction of
41 personal property to arrive at net proceeds of sale of tangible personal property.

- 42
43 * However, the Florida Supreme Court found that it is unconstitutional for a property
44 appraiser to include intangible personal property value in the just valuation of
45 tangible personal property. See Havill v. Scripps Howard Cable Co., 742 So.2d 210 (Fla.
46 1998).

2017 Value Adjustment Board Training - Module 8

1 * Given this decision and the statutory definition of personal property that includes
2 intangible personal property, the personal property component of the eighth criterion
3 must be properly considered in the just valuation of tangible personal property.
4

5 The just value of personal property types other than tangible personal property must be
6 excluded from just valuations of tangible personal property.
7
8

9 **Scope of Authority for Administrative Reviews**

10 The administrative review of just valuations is performed by Boards or special
11 magistrates under Chapter 194, Parts 1 and 3, F.S.; Rule Chapters 12D-9, 12D-10, and
12 12D-16, F.A.C.; and other provisions of Florida law.
13

14 The administrative review process performed by Boards and special magistrates is
15 separate and different from the mass appraisal development process performed by
16 property appraisers.
17

18 In administrative reviews, Boards and special magistrates are not authorized to perform
19 appraisal development and must not perform appraisal development.
20

21 In administrative reviews, Boards and special magistrates are not authorized to perform
22 any independent factual research into attributes of the subject property or any other
23 property.
24

25 Boards and special magistrates must follow the provisions of law on the administrative
26 review of assessments. See Chapter 194, Parts 1 and 3, F.S.; Rule Chapters 12D-9, 12D-10,
27 and 12D-16, F.A.C.; and other provisions of Florida law.
28

29 In establishing revised just values when required by law, Boards and special
30 magistrates are bound by the same standards and practices as property appraisers. See
31 Rule 12D-10.003(1), F.A.C., treated favorably in Bystrom v. Equitable Life Assurance Society,
32 416 So.2d 1133 (Fla. 3d DCA 1982), and see Section 194.301, F.S., as amended by Chapter
33 2009-121, Laws of Florida (House Bill 521).
34

35 * However, when observing this requirement, Boards and special magistrates must
36 act within their scope of authority.
37

38 The effective date of administrative review is January 1 each year, and the property
39 interest to be reviewed is the unencumbered fee simple estate.
40

41 The Board or special magistrate has no authority to develop original just valuations of
42 property and may not take the place of the property appraiser, but shall revise the
43 assessment when required under Florida law. See Rule 12D-10.003(1), F.A.C., and Section
44 194.301, F.S., as amended by Chapter 2009-121, Laws of Florida (House Bill 521).
45

46 * See Simpson v. Merrill, 234 So.2d 350 (Fla. 1970), stating that a court may not take the place
47 of the property appraiser but may reduce the assessment.

2017 Value Adjustment Board Training - Module 8

1
2 * Also, see Blake v. Farrand Corporation, Inc., 321 So.2d 118 (Fla. 3d DCA 1975), holding
3 that the determination of the weight to be accorded evidence rests upon the trial judge, as
4 trier of facts, and if competent substantial evidence is introduced demonstrating the
5 assessment to be erroneous, the judge may reduce that assessment.
6

7 The Board or special magistrate is required to revise the assessment under the
8 conditions specified in Section 194.301, F.S., as amended by Chapter 2009-121, Laws
9 of Florida (House Bill 521). These conditions are described in detail later in this module.
10

11 *“In establishing a revised just value, the board or special magistrate is not restricted to*
12 *any specific value offered by one of the parties.”* See Rule 12D-9.027(2)(b)3.a., F.A.C.
13

14 * Also, see Blake v. Farrand Corporation, Inc., 321 So.2d 118 (Fla. 3d DCA 1975), holding
15 that the reviewing judge could arrive at a value that was different from either of the values
16 presented by the parties when the judge’s value was based on competent substantial evidence
17 in the record.
18

19 The Board or special magistrate is authorized to make calculations, and to make an
20 adjustment to the property appraiser’s value based on competent substantial evidence
21 of just value in the record. See Section 194.301, F.S., as amended by Chapter 2009-121, Laws
22 of Florida (House Bill 521), and see Cassady v. McKinney, 343 So.2d 955 (Fla. 2nd DCA 1977),
23 stating that when the record contains competent substantial evidence of value the court may
24 make necessary value calculations or adjustments based on such evidence.
25

26 If the hearing record does not contain competent substantial evidence of just value, the
27 Board or special magistrate cannot substitute its own independent judgment. See Section
28 194.301, F.S., as amended by Chapter 2009-121, Laws of Florida (House Bill 521), and see
29 Cassady v. McKinney, 343 So.2d 955 (Fla. 2nd DCA 1977), stating that in the absence of
30 competent substantial evidence of value the court cannot substitute its own independent
31 judgment.
32

33 The Board or special magistrate has no authority to adjust assessments across-the-
34 board. Their authority to review just valuations is limited to the review of individual
35 petitions filed. See Spooner v. Askew, 345 So.2d 1055 (Fla. 1976).
36

37 The Board has the limited function of reviewing and correcting individual assessments
38 developed by the property appraiser. See Bath Club, Inc. v. Dade County, 394 So.2d 110
39 (Fla. 1981).
40

41 The Board has no authority to review, on its own volition, a decision of the property
42 appraiser to deny an exemption. See Redford v. Department of Revenue, 478 So.2d 808
43 (Fla. 1985).
44

45 **Note:** Prior to 2013, the Board had statutory authority to review, on its own motion,
46 decisions by the property appraiser to grant exemptions and certain classifications.
47 However, legislation enacted in 2013 removed all authority for the Board to review, on

2017 Value Adjustment Board Training - Module 8

1 its own motion, the determinations of the property appraiser. This law is effective May
2 30, 2013 and applies retroactively to January 1, 2013. See sections 1 through 4 of Chapter
3 2013-95, Laws of Florida (CS/HB 1193), which amended, respectively, sections 193.461(2),
4 193.503(7), 193.625(2), and 196.194(1), F.S.

5
6 *“The powers, authority, duties and functions of the board, insofar as they are*
7 *appropriate, apply equally to real property and tangible personal property (including*
8 *taxable household goods).” See Rule 12D-10.003(2), F.A.C.*

9
10 In administrative reviews, Boards and special magistrates are not authorized to consider
11 any evidence except evidence properly presented by the parties and properly admitted
12 into the record for consideration. See Rule 12D-9.025(4)(a), F.A.C.

13
14 In addition to admitted evidence, Boards and special magistrates are authorized to
15 consider only the following items in administrative reviews.

- 16
17 1. Legal advice from the Board legal counsel;
- 18
19 2. Information contained or referenced in the Department’s Uniform Policies and
20 Procedures Manual and Accompanying Documents;
- 21
22 3. Information contained or referenced in the Department’s training for value
23 adjustment boards and special magistrates; and
- 24
25 4. Professional texts that pertain only to professionally accepted appraisal practices
26 that are not inconsistent with Florida law.

Definition of Tangible Personal Property (TPP)

27
28
29 *“Tangible personal property” means all goods, chattels, and other articles of value (but*
30 *does not include the vehicular items enumerated in s. 1(b), Art. VII of the State*
31 *Constitution and elsewhere defined) capable of manual possession and whose chief*
32 *value is intrinsic to the article itself. ‘Construction work in progress’ consists of those*
33 *items of tangible personal property commonly known as fixtures, machinery, and*
34 *equipment when in the process of being installed in new or expanded improvements to*
35 *real property and whose value is materially enhanced upon connection or use with a*
36 *preexisting, taxable, operational system or facility. Construction work in progress shall*
37 *be deemed substantially completed when connected with the preexisting, taxable,*
38 *operational system or facility. Inventory and household goods are expressly excluded*
39 *from this definition.” See Subsection 192.001(11)(d), F.S.*

Exemptions for Tangible Personal Property

40
41
42
43 Chapter 196, Florida Statutes, exempts certain property from the TPP tax.

44
45
46 Exempt property may be subject to TPP return filing requirements.

47

2017 Value Adjustment Board Training - Module 8

1 TPP may be exempt only if it meets the requirements for an exemption set forth in
2 Chapter 196, Florida Statutes.

3
4 NOTE: For those interested, more information on exemptions for tangible personal
5 property is presented in Module 9 of this training. However, appraiser special
6 magistrates are not required to complete Module 9 of this training.
7
8

9 **Requirement for Taxpayers to File TPP Returns**

10 A TPP return (Form DR-405) is a Florida Department of Revenue form that owners of
11 certain TPP are required by law to complete and file with the property appraiser each
12 year by April 1st, unless a lawful extension has been granted.
13

14 Form DR-405 can be viewed on the Department's website at the following link:
15 http://floridarevenue.com/property/Pages/Taxpayers_TangiblePersonalProperty.aspx
16

17 Owners of TPP valued at \$25,000 or less may receive a filing waiver from the property
18 appraiser upon filing an initial return.
19

20 Florida law provides for financial penalties when TPP returns are not lawfully filed. See
21 Sections 193.072 and 196.183, F.S.
22

23 The TPP return contains information that the property appraiser may consider in arriving
24 at just value.
25

26 The TPP return is the property appraiser's primary data collection method for TPP
27 characteristics.
28

29 Other data collection methods, such as physical inspections, may be used when
30 necessary.
31

32 A TPP assessment may not be contested with the Board unless the required TPP return
33 was timely-filed with the property appraiser. The term "timely filed" means filed by the
34 deadline established in section 193.062, F.S., or before the expiration of any extension
35 granted under section 193.063, F.S. If notice is mailed pursuant to section
36 193.073(1)(a), F.S., a complete return must be submitted under section 193.073(1)(a),
37 F.S., for the assessment to be contested. See Subsection 194.034(1)(j), F.S.
38
39

40 **The Eight Factors of Just Valuation**

41 Section 193.011, Florida Statutes, provides the following on just valuation.

42 ***"Factors to consider in deriving just valuation.*** – *In arriving at just valuation as*
43 *required under s. 4, Art. VII of the State Constitution, the property appraiser shall take*
44 *into consideration the following factors:*
45

2017 Value Adjustment Board Training - Module 8

- 1 (1) *The present cash value of the property, which is the amount a willing purchaser*
2 *would pay a willing seller, exclusive of reasonable fees and costs of purchase, in cash*
3 *or the immediate equivalent thereof in a transaction at arm's length;*
4
- 5 (2) *The highest and best use to which the property can be expected to be put in the*
6 *immediate future and the present use of the property, taking into consideration the*
7 *legally permissible use of the property, including any applicable judicial limitation, local*
8 *or state land use regulation, or historic preservation ordinance, and any zoning*
9 *changes, concurrency requirements, and permits necessary to achieve the highest and*
10 *best use, and considering any moratorium imposed by executive order, law, ordinance,*
11 *regulation, resolution, or proclamation adopted by any governmental body or agency or*
12 *the Governor when the moratorium or judicial limitation prohibits or restricts the*
13 *development or improvement of property as otherwise authorized by applicable law.*
14 *The applicable governmental body or agency or the Governor shall notify the property*
15 *appraiser in writing of any executive order, ordinance, regulation, resolution, or*
16 *proclamation it adopts imposing any such limitation, regulation, or moratorium;*
17
- 18 (3) *The location of said property;*
19
- 20 (4) *The quantity or size of said property;*
21
- 22 (5) *The cost of said property and the present replacement value of any improvements*
23 *thereon;*
24
- 25 (6) *The condition of said property;*
26
- 27 (7) *The income from said property; and*
28
- 29 (8) *The net proceeds of the sale of the property, as received by the seller, after*
30 *deduction of all of the usual and reasonable fees and costs of the sale, including the*
31 *costs and expenses of financing, and allowance for unconventional or atypical terms of*
32 *financing arrangements. When the net proceeds of the sale of any property are utilized,*
33 *directly or indirectly, in the determination of just valuation of realty of the sold parcel or*
34 *any other parcel under the provisions of this section, the property appraiser, for the*
35 *purposes of such determination, shall exclude any portion of such net proceeds*
36 *attributable to payments for household furnishings or other items of personal property.”*
37
38

Proper Consideration of the Just Valuation Factors

40 Section 193.011, Florida Statutes, states that property appraisers must consider the
41 factors of just valuation.

42
43 Florida court decisions have used the terms *lawfully, properly, duly, and carefully* to
44 describe the standard of care required of property appraisers in considering each of the
45 eight factors.
46

2017 Value Adjustment Board Training - Module 8

- 1 * For example, one court decision used the terms *lawfully* and *properly* to describe the
2 property appraiser's standard of care. See Mazourek v. Wal-Mart Stores, 831 So.2d 85
3 (Fla. 2002).
4
- 5 * Another court decision used the term *duly* to describe the property appraiser's
6 standard of care. See Atlantic International Investment Corp. v. Turner, 383 So.2d 919
7 (Fla. 5th DCA 1980).
8
- 9 * Other court decisions and the Florida Attorney General have used the terms
10 *carefully* and *careful* to describe the property appraiser's standard of care for
11 considering each of the eight factors.
12
- 13 * The property appraiser is required to *carefully* consider each factor and give each
14 factor the weight justified by the facts, but is not required to give each factor equal
15 weight. See Lanier v. Walt Disney World Co., 316 So.2d 59 (Fla. 4th DCA 1975), and
16 Daniel v. Canterbury Towers, Inc., 462 So.2d 497 (Fla. 2nd DCA 1985). Also, see Florida
17 Attorney General's Opinion [AGO 77-106](#), September 29, 1977.
18
- 19 * "*Just value is to be determined by giving careful consideration to each of the factors*
20 *contained in s. 193.011 and by giving such weight to a factor as a particular factual*
21 *situation may justify.*" See Florida Attorney General's Opinion [AGO 77-106](#), September
22 29, 1977.
23

24 After lawfully considering the factors, the property appraiser may discard entirely any
25 factor that is not probative (indicative) of just value under the circumstances, as long as
26 the appraisal methodology used complies with professionally accepted appraisal
27 practices. See Mazourek v. Wal-Mart Stores, 831 So.2d 85 (Fla. 2002), and Section 194.301,
28 F.S., as amended by Chapter 2009-121, Laws of Florida (House Bill 521). Also, see In re
29 Steffen, 342 B.R. 861 (Bkrcty. M.D. Fla. 2006).
30

31 However, the property appraiser cannot simply "out of hand" reject, without careful
32 consideration, a just valuation factor as being inappropriate in a particular case. See
33 Daniel v. Canterbury Towers, Inc., 462 So.2d 497 (Fla. 2nd DCA 1985).
34

35 In administrative reviews, the property appraiser is responsible for proving by a
36 preponderance of the evidence that he or she complied with Section 193.011, F.S., by
37 properly considering each of the eight factors in developing original just valuations. See
38 Subsection 194.301(1), F.S., as amended by Chapter 2009-121, Laws of Florida (House Bill
39 521).
40

41 If the property appraiser does not prove by a preponderance of the evidence that he or
42 she properly considered each of the eight factors in developing the just value
43 assessment, the Board or special magistrate must conclude that the property appraiser
44 did not establish a presumption of correctness for the assessment. See Subsection
45 194.301(1), F.S., as amended by Chapter 2009-121, Laws of Florida (House Bill 521).
46
47

2017 Value Adjustment Board Training - Module 8

1 **Consideration of Previous Year's Board-Adjusted Assessment**

2 Section 193.016, Florida Statutes, provides the following.

3
4 ***“Property appraiser's assessment; effect of determinations by value adjustment***
5 ***board.*** – *If the property appraiser's assessment of the same items of tangible personal*
6 *property in the previous year was adjusted by the value adjustment board and the*
7 *decision of the board to reduce the assessment was not successfully appealed by the*
8 *property appraiser, the property appraiser shall consider the reduced values determined*
9 *by the value adjustment board in assessing those items of tangible personal property. If*
10 *the property appraiser adjusts upward the reduced values previously determined by the*
11 *value adjustment board, the property appraiser shall assert additional basic and*
12 *underlying facts not properly considered by the value adjustment board as the basis for*
13 *the increased valuation notwithstanding the prior adjustment by the board.”*

14
15 * This statute was upheld by the Florida Supreme Court. See Department of Revenue v.
16 Howard, 916 So.2d 640 (Fla. 2005).

17 18 19 **Standard of Proof for Administrative Reviews**

20 In administrative reviews, Boards or special magistrates must consider admitted
21 evidence and then compare the weight of the evidence to a “standard of proof” to make
22 a determination on an issue under review.

23
24 Generally, the term “evidence” means something (including testimony, documents, and
25 tangible objects) that tends to prove or disprove the existence of a disputed fact. See
26 *Black's Law Dictionary, Eighth Edition*, page 595.

27
28 “Standard of proof” means the level of proof needed by the Board or special magistrate
29 to reach a particular conclusion. See Rule 12D-9.027(5), F.A.C.

30
31 The standard of proof that applies in administrative reviews is called “preponderance of
32 the evidence,” which means “greater weight of the evidence.” See Rule 12D-9.027(5),
33 F.A.C.

34
35 Also, the Florida Supreme Court has defined “preponderance of the evidence” as
36 “greater weight of the evidence” or evidence that “more likely than not” tends to prove a
37 certain proposition. See Gross v. Lyons, 763 So.2d 276 (Fla. 2000).

38
39 “Greater weight of the evidence” means the more persuasive and convincing force and
40 effect of the entire evidence in the case. See Florida Standard Civil Jury Instructions,
41 approved for publication by the Florida Supreme Court.

42
43 The Board or special magistrate must determine whether the admitted evidence is
44 sufficiently relevant and credible to reach the “preponderance of the evidence” standard
45 of proof.

2017 Value Adjustment Board Training - Module 8

1 This standard of proof is the scale by which the Board or special magistrate measures
2 the weight (relevance and credibility) of the admitted evidence in making a
3 determination.

4
5 A higher standard of proof called “clear and convincing evidence” no longer applies in
6 the administrative review of assessments and must not be used by Boards or special
7 magistrates. See Section 194.301, F.S., as amended by Chapter 2009-121, Laws of Florida
8 (House Bill 521).

9
10 In no case shall the taxpayer be required to prove that the property appraiser’s
11 assessment is not supported by any reasonable hypothesis of a legal assessment. See
12 Subsection 194.3015(1), F.S., as created by Chapter 2009-121, Laws of Florida (House Bill 521).

15 **Petitioner Not Required to Present Opinion or Estimate of Value**

16 The petitioner is not required to provide an opinion or estimate of just value.

17
18 No provision of law requires the petitioner to present an opinion or estimate of value.

19
20 The Board or special magistrate is not authorized to require a petitioner to provide an
21 opinion or estimate of just value.

22
23 The petitioner has the option of choosing whether to present an opinion or estimate of
24 just value.

27 **Presentation of Evidence by the Parties**

28 In a Board or special magistrate hearing, the property appraiser is responsible for
29 presenting relevant and credible evidence in support of his or her determination. See
30 Rule 12D-9.025(3)(a), F.A.C.

31
32 Under Subsection 194.301(1), F.S., in a hearing on just value, the first issue to be
33 considered is whether the property appraiser establishes a presumption of correctness.

34
35 * The property appraiser shall present evidence on this issue first. See Rule 12D-
36 9.024(7), F.A.C.

37
38 * While the property appraiser is required to present evidence on this issue first, the
39 Board or special magistrate must allow the petitioner a chance to present evidence
40 on this issue before deciding whether the presumption of correctness is established.

41
42 *“In a Board or special magistrate hearing, the petitioner is responsible for presenting*
43 *relevant and credible evidence in support of his or her belief that the property*
44 *appraiser’s determination is incorrect.”* See Rule 12D-9.025(3)(a), F.A.C.

45
46 If the property appraiser establishes a presumption of correctness by proving by a
47 preponderance of the evidence that the just value assessment was arrived at by

2017 Value Adjustment Board Training - Module 8

1 complying with Section 193.011, F.S., and professionally accepted appraisal practices,
2 including mass appraisal standards, if appropriate, the petitioner must prove by a
3 preponderance of the evidence that:

- 4
- 5 1. The property appraiser's just valuation does not represent just value; or
 - 6
 - 7 2. The property appraiser's just valuation is arbitrarily based on appraisal practices that
8 are different from the appraisal practices generally applied by the property appraiser
9 to comparable property within the same county. See Subsection 194.301(2)(a), F.S., as
10 amended by Chapter 2009-121, Laws of Florida (House Bill 521).

11

12 However, if the property appraiser does not establish a presumption of correctness
13 because he or she did not prove by a preponderance of the evidence that the just
14 valuation was arrived at by complying with Section 193.011, F.S., and professionally
15 accepted appraisal practices, including mass appraisal standards, if appropriate, the
16 Board or special magistrate must take one of the two following actions:

- 17
- 18 1. If the record contains competent substantial evidence of just value that cumulatively
19 meets the requirements of Section 193.011, F.S., and professionally accepted
20 appraisal practices, the Board or special magistrate must establish a revised just
21 value; or
 - 22
 - 23 2. If the record lacks such competent substantial evidence, the Board or special
24 magistrate must remand the assessment to the property appraiser with appropriate
25 directions with which the property appraiser must comply.

Evaluation of Evidence by the Board or Special Magistrate

26

27

28 Under Rule 12D-9.025(1), F.A.C., as part of administrative reviews, the Board or special
29 magistrate must:

- 30
- 31
 - 32 1. Review the evidence presented by the parties;
 - 33
 - 34 2. Determine whether the evidence presented is admissible;
 - 35
 - 36 3. Admit the evidence that is admissible;
 - 37
 - 38 4. Identify the evidence presented to indicate that it is admitted or not admitted; and
 - 39
 - 40 5. Consider the admitted evidence.

41

42 The term "admitted evidence" means evidence that has been admitted into the record
43 for consideration by the Board or special magistrate. See Rule 12D-9.025(2)(a), F.A.C.

44

45 *"No evidence shall be considered by the board or special magistrate except when*
46 *presented and admitted during the time scheduled for the petitioner's hearing, or at a*

2017 Value Adjustment Board Training - Module 8

1 *time when the petitioner has been given reasonable notice.”* See Rule 12D-9.025(4)(a),
2 F.A.C.

3
4 *“If a party submits evidence to the board clerk prior to the hearing, the board or special*
5 *magistrate shall not review or consider such evidence prior to the hearing.”* See Rule
6 12D-9.025(4)(b), F.A.C.

7
8 Rule 12D-9.025(2)(d), F.A.C., contains the following four provisions:
9

- 10 1. *“As the trier of fact, the board or special magistrate may independently rule on the*
11 *admissibility and use of evidence.”*
- 12
13 2. *“If the board or special magistrate has any questions relating to the admissibility and*
14 *use of evidence, the board or special magistrate should consult with the board legal*
15 *counsel.”*
- 16
17 3. *“The basis for any ruling on admissibility of evidence must be reflected in the*
18 *record.”*
- 19
20 4. *“The special magistrate may delay ruling on the question during the hearing and*
21 *consult with board legal counsel after the hearing.”*

22
23 The Board or special magistrate shall consider the admitted evidence. See Rule 12D-
24 9.025(1)(d), F.A.C.

25
26 A property owner generally is qualified, on account of ownership, to testify regarding the
27 just value of his or her property. See In re Steffen, 342 B.R. 861 (Bkrcty. M.D. Fla. 2006).

28
29 NOTE: More information on the admissibility of evidence is presented in Module 4 of
30 this training.

31 32 33 **Sufficiency of Evidence**

34 When applied to evidence, the term “sufficient” is a test of adequacy. See Rule 12D-
35 9.027(6), F.A.C.

36
37 Sufficient evidence is admitted evidence that has enough overall weight, in terms of
38 relevance and credibility, to legally justify a particular conclusion. See Rule 12D-9.027(6),
39 F.A.C.

40
41 The Florida Supreme Court stated the following regarding sufficient evidence:
42 *“Sufficiency is a test of adequacy. Sufficient evidence is such evidence, in character,*
43 *weight, or amount, as will legally justify the judicial or official action demanded.”* See
44 Tibbs v. State, 397 So.2d 1120 (Fla. 1981). Also, see Moore v. State, 800 So.2d 747 (Fla. 5th
45 DCA 2001).

2017 Value Adjustment Board Training - Module 8

1 A particular conclusion is justified when the overall weight of the admitted evidence
2 meets the standard of proof that applies to the issue under consideration. See Rule 12D-
3 9.027(6), F.A.C.

4
5 The Board or special magistrate must consider the admitted evidence and determine
6 whether it is sufficiently relevant and credible to reach the “preponderance of the
7 evidence” standard of proof explained previously. See Rules 12D-9.025(1)(d), 12D-
8 9.027(5), and 12D-9.027(6), F.A.C.

9
10 Rule 12D-9.027(6), F.A.C., states the following in pertinent part: *“In determining
11 whether the admitted evidence is sufficient for a particular issue under consideration,
12 the board or special magistrate shall:*

- 13
14 (a) *Consider the relevance and credibility of the admitted evidence as a whole,
15 regardless of which party presented the evidence;*
16
17 (b) *Determine the relevance and credibility, or overall weight, of the evidence;*
18
19 (c) *Compare the overall weight of the evidence to the standard of proof;*
20
21 (d) *Determine whether the overall weight of the evidence is sufficient to reach the
22 standard of proof; and*
23
24 (e) *Produce a conclusion of law based on the determination of whether the overall
25 weight of the evidence has reached the standard of proof.”*

26
27 For administrative reviews of just valuations, “relevant evidence” is evidence that is
28 reasonably related, directly or indirectly, to the statutory criteria that apply to the just
29 valuation of the petitioned property. See Rule 12D-9.025(2)(b), F.A.C.

30
31 * This description means the evidence meets or exceeds a minimum level of
32 relevance necessary to be admitted for consideration, but does not necessarily
33 mean that the evidence has sufficient relevance to legally justify a particular
34 conclusion. See Rule 12D-9.025(2)(b), F.A.C.

35
36 In evaluating the relevance of evidence, the Board or special magistrate must consider,
37 as of the January 1 assessment date, how well the evidence relates to the petitioned
38 property and to the statutory criteria found in Section 193.011, F.S., and in Section
39 194.301, F.S.

40
41 For administrative reviews of just valuations, “credible evidence” means evidence that is
42 worthy of belief (believable). See *Black’s Law Dictionary, Eighth Edition*, page 596.

43
44 NOTE: More information on evaluating the relevance and credibility of evidence is
45 presented in Module 11 of this training.

46

2017 Value Adjustment Board Training - Module 8

1 By itself, the property record card is not sufficient evidence for establishing a
2 presumption of correctness for the assessment under Subsection 194.301(1), F.S.

3
4 Materials describing the general appraisal practices of the property appraiser alone,
5 without discussing how those practices were applied to the assessment at issue, are not
6 sufficient to establish a presumption of correctness for the assessment. See Property Tax
7 Informational Bulletin PTO 09-29.

8
9 The approval of an assessment roll by the Department of Revenue is not evidence that
10 a particular assessment was made in compliance with statutory requirements and is not
11 sufficient to establish a presumption of correctness for the assessment. See Property Tax
12 Informational Bulletin PTO 09-29.

13 14 15 **Requirements for Establishing a Presumption of Correctness**

16 A presumption of correctness for the assessment is not established unless the property
17 appraiser proves by a preponderance of the evidence that the property appraiser's just
18 valuation methodology complies with Section 193.011, F.S., and professionally
19 accepted appraisal practices, including mass appraisal standards, if appropriate. See
20 Rule 12D-9.027(2)(a), F.A.C.

21
22 A presumption of correctness for the assessment is established only when the property
23 appraiser proves by a preponderance of the evidence that the property appraiser's just
24 valuation methodology complies with Section 193.011, F.S., and professionally
25 accepted appraisal practices, including mass appraisal standards, if appropriate.

26 27 28 **Requirements for Overcoming a Presumption of Correctness**

29 If the property appraiser establishes a presumption of correctness, the petitioner can
30 overcome the presumption of correctness by proving by a preponderance of the
31 evidence one of the following:

- 32
- 33 1. The property appraiser's just valuation does not represent just value; or
 - 34 2. The property appraiser's just valuation is arbitrarily based on appraisal practices that
35 are different from the appraisal practices generally applied by the property appraiser
36 to comparable property within the same county. See Subsection 194.301(2)(a), F.S., as
37 amended by Chapter 2009-121, Laws of Florida (House Bill 521).

38
39
40 If the property appraiser establishes a presumption of correctness and the petitioner
41 does not overcome the presumption of correctness as described above, the
42 assessment stands.

2017 Value Adjustment Board Training - Module 8

Establishing a Revised Just Value or Remanding the Assessment

If the property appraiser does not establish a presumption of correctness for the assessment, or if the petitioner overcomes the presumption of correctness, the Board or special magistrate must take one of the two following actions:

1. If the record contains competent substantial evidence of just value that cumulatively meets the requirements of Section 193.011, F.S., and professionally accepted appraisal practices, the Board or special magistrate must establish a revised just value; or
2. If the record lacks such competent substantial evidence, the Board or special magistrate must remand the assessment to the property appraiser with appropriate directions with which the property appraiser must comply.

NOTE: Information on the procedural requirements for remanded assessments is presented in Module 5 of this training.

Competent Substantial Evidence for Establishing a Revised Just Value

Competent substantial evidence for establishing a revised just value, as part of an administrative review under Chapter 194, Parts 1 and 3, F.S., means evidence that:

1. Cumulatively meets the criteria of Section 193.011, F.S., and professionally accepted appraisal practices;
2. Tends to prove (is probative of) just value as of January 1 of the assessment year under review;
3. Is sufficiently relevant and credible to be accepted as adequate to support (legally justify) the conclusion reached; and
4. Otherwise meets all requirements of law.

Establishment of Revised Just Values in Administrative Reviews

The Board or special magistrate is required to establish a revised just value under either of the two following conditions:

1. The property appraiser does not establish a presumption of correctness for the assessment and the hearing record contains competent substantial evidence for establishing a revised just value as described above; or
2. The petitioner overcomes a presumption of correctness established by the property appraiser and the hearing record contains competent substantial evidence for establishing a revised just value as described above.

2017 Value Adjustment Board Training - Module 8

1
2 Within their scope of authority, the Board or special magistrate shall establish a revised
3 just value based upon the competent substantial evidence for establishing a revised just
4 value. See Section 194.301, F.S., as amended by Chapter 2009-121, Laws of Florida (House
5 Bill 521).

6
7 Prior to 2009 and the adoption of House Bill 521, Section 194.301, F.S., provided that
8 the Board may establish the assessment when authorized.

9
10 However, the new statute, effective for administrative reviews in 2009, specifically
11 requires that the Board shall establish the just value when authorized by law. See Section
12 194.301, F.S., as amended by Chapter 2009-121, Laws of Florida (House Bill 521).

13
14 *“In establishing a revised just value, the board or special magistrate is not restricted to*
15 *any specific value offered by one of the parties.”* See Rule 12D-9.027(2)(b)3.a., F.A.C.

16
17 In establishing a revised just value when required by law, Boards and special
18 magistrates are not required, and are not authorized, to complete an independent
19 valuation approach.

20
21 The establishment of a revised just value does not require the evidence necessary to
22 complete an independent valuation approach.

23
24 The establishment of a revised just value only requires enough evidence to legally
25 justify making an adjustment to the property appraiser’s original just valuation.

26
27 In establishing a revised just value when required by law, Boards and special
28 magistrates are authorized to make the necessary calculations.

Legal Limitations on Administrative Reviews

29
30
31 No evidence shall be considered by the Board or special magistrate except when
32 presented during the time scheduled for the petitioner’s hearing, or at a time when the
33 petitioner has been given reasonable notice. See Subsection 194.034(1)(c), F.S. Also, see
34 Rule 12D-9.025(4)(a), F.A.C.

35
36
37 Other provisions of law address the responsibilities of petitioners and property
38 appraisers that may affect the review and consideration of evidence at a hearing.

39
40 * The Board or special magistrate must consult with the Board legal counsel on any
41 questions about the review and consideration of evidence.

42
43 In administrative reviews, the Board or special magistrate shall not consider the tax
44 consequences of the valuation of a specific property. See Rule 12D-10.003(1), F.A.C.

45
46 The Board or special magistrate has no power to grant relief by adjusting the value of a
47 property on the basis of hardship of a particular taxpayer. See Rule 12D-10.003(1), F.A.C.

2017 Value Adjustment Board Training - Module 8

1
2 Unless the provisions of Section 193.016, F.S., apply, a just valuation challenge must
3 stand or fall on its own validity, unconnected with the just value of any prior or
4 subsequent year. See Keith Investments, Inc. v. James, 220 So.2d 695 (Fla. 4th DCA 1969);
5 Also, see Dade County v. Tropical Park, Inc., 251 So.2d 551 (Fla. 3rd DCA 1971).

6
7 Unless the provisions of Section 193.016, F.S., apply, the prior year's just value is not
8 competent evidence of just value in the current year, even when there is no evidence
9 showing a change in circumstances between the two dates of assessment. See Simpson
10 v. Merrill, 234 So.2d 350 (Fla. 1970).

11 12 13 **Sequence of General Procedural Steps**

14 This section sets forth below a sequence of general procedural steps for Boards and
15 special magistrates to follow in administrative reviews of just valuations in order to fulfill
16 the procedural requirements of Section 194.301, F.S., and Rule 12D-9.027(2), F.A.C.

17
18 This sequence of steps applies to: the consideration of evidence, the development of
19 conclusions, and the production of written decisions. See Rule 12D-9.027(1), F.A.C.

20
21 *"The board or special magistrate shall not be required to make, at any time during a*
22 *hearing, any oral or written finding, conclusion, decision, or reason for decision."* See
23 Rule 12D-9.025(9), F.A.C.

24
25 *"The board or special magistrate has the discretion to determine whether to make such*
26 *determinations during a hearing or to consider the petition and evidence further after the*
27 *hearing and then make such determinations."* See Rule 12D-9.025(9), F.A.C.

28
29 In following this sequence of steps, Boards or special magistrates must also meet the
30 requirements of Rule 12D-9.025(1), F.A.C., which are the following:

- 31
32 * Review the evidence presented by the parties;
33
34 * Determine whether the evidence presented is admissible;
35
36 * Admit the evidence that is admissible; and
37
38 * Identify the evidence presented to indicate that it is admitted or not admitted.

39
40 The sequence of general procedural steps presented below is based on Rule 12D-
41 9.027(2), F.A.C. The sequence of general procedural steps is as follows.

- 42
43 1. Consider the admitted evidence presented by the parties.
44
45 2. Identify and consider the essential characteristics of the petitioned property based on
46 the admitted evidence and the factors in Section 193.011, F.S.
47

2017 Value Adjustment Board Training - Module 8

- 1 3. Identify the appraisal methodology used by the property appraiser in developing his
2 or her just valuation of the petitioned property, and consider this appraisal
3 methodology in light of the essential characteristics of the petitioned property.
4
- 5 4. Determine whether the admitted evidence proves by a preponderance of the
6 evidence that the property appraiser's methodology complies with Section 193.011,
7 F.S., and professionally accepted appraisal practices, including mass appraisal
8 standards, if appropriate.
9
- 10 5. Determine whether the property appraiser's appraisal methodology is appropriate
11 and whether the property appraiser established a presumption of correctness for the
12 assessment.
13
 - 14 a) The property appraiser's just valuation methodology is not appropriate and a
15 presumption of correctness is not established unless the admitted evidence
16 proves by a preponderance of the evidence that the property appraiser's just
17 valuation methodology complies with Section 193.011, F.S., and professionally
18 accepted appraisal practices, including mass appraisal standards, if appropriate.
19
 - 20 b) The property appraiser's just valuation methodology is appropriate and the
21 presumption of correctness is established only when the admitted evidence
22 proves by a preponderance of the evidence that the property appraiser's just
23 valuation methodology complies with Section 193.011, F.S., and professionally
24 accepted appraisal practices, including mass appraisal standards, if appropriate.
25
- 26 6. If the Board or special magistrate determines that a presumption of correctness is
27 established, the Board or special magistrate must then determine whether the
28 admitted evidence proves by a preponderance of the evidence that:
29
 - 30 a) The property appraiser's just valuation does not represent just value; or
 - 31 b) The property appraiser's just valuation is arbitrarily based on appraisal practices
32 that are different from the appraisal practices generally applied by the property
33 appraiser to comparable property within the same county.
34
- 35 7. If the Board or special magistrate determines that one or both of the conditions
36 specified under Step 6 exist, the presumption of correctness is overcome.
37
- 38 8. If the property appraiser does not establish a presumption of correctness, or if the
39 presumption of correctness is overcome, the Board or special magistrate must
40 determine whether the hearing record contains competent, substantial evidence of
41 just value which cumulatively meets the criteria of Section 193.011, F.S., and
42 professionally accepted appraisal practices.
43
 - 44 a) If the hearing record contains competent, substantial evidence for establishing a
45 revised just value, the Board or an appraiser special magistrate must establish a
46 revised just value based only upon such evidence. In establishing a revised just
47

2017 Value Adjustment Board Training - Module 8

1 value, the Board or special magistrate is not restricted to any specific value
2 offered by one of the parties.

- 3
4 b) If the hearing record lacks competent, substantial evidence for establishing a
5 revised just value, the Board or special magistrate must remand the assessment
6 to the property appraiser with appropriate directions for establishing just value.
7 The property appraiser is required to follow these directions.

- 8
9 9. If the property appraiser establishes a presumption of correctness as described in
10 Step 5 above and that presumption of correctness is not overcome as described in
11 Step 6 above, the assessment stands.

12 13 14 **Operation of the Eighth Criterion Under Florida Law**

15 Subsection 193.011(8), F.S., known as the “eighth criterion,” requires proper
16 consideration of the “net proceeds of sale.” The “eighth criterion” was last amended in
17 1979 and is presented below in its entirety.

18
19 *“The net proceeds of the sale of the property, as received by the seller, after deduction*
20 *of all of the usual and reasonable fees and costs of the sale, including the costs and*
21 *expenses of financing, and allowance for unconventional or atypical terms of financing*
22 *arrangements. When the net proceeds of the sale of any property are utilized, directly or*
23 *indirectly, in the determination of just valuation of realty of the sold parcel or any other*
24 *parcel under the provisions of this section, the property appraiser, for the purposes of*
25 *such determination, shall exclude any portion of such net proceeds attributable to*
26 *payments for household furnishings or other items of personal property.”*

27
28 Subsection 193.011(8), F.S., requires proper consideration of the “net proceeds of sale”
29 of tangible personal property, regardless of whether an actual sale of the property has
30 occurred. See Turner v. Tokai Financial Services, Inc., 767 So.2d 494 (Fla. 2nd DCA 2000)
31 review denied 780 So.2d 916 (Fla. 2001).

32
33 However, the statute does not require the property appraiser to select the value
34 generated by the application of Subsection 193.011(8), F.S., and apply it in a blanket
35 fashion to all assessments. See Turner v. Tokai Financial Services, Inc., 767 So.2d 494 (Fla.
36 2nd DCA 2000) review denied 780 So.2d 916 (Fla. 2001).

37
38 There is no legal requirement that the net proceeds of sale constitute the deciding factor
39 in just valuation. See In re Steffen, 342 B.R. 861 (Bkrcty. M.D. Fla. 2006).

40
41 The use of net sales price alone, without considering and weighing other factors, is
42 legally insufficient to constitute compliance with the mandate of Section 193.011, F.S.
43 See Florida Attorney General’s Opinion [AGO 77-106](#), September 29, 1977.

44
45 The eighth criterion must be properly considered in the just valuation of tangible
46 personal property. See Turner v. Tokai Financial Services, Inc., 767 So.2d 494 (Fla. 2nd DCA
47 2000) review denied 780 So.2d 916 (Fla. 2001).

2017 Value Adjustment Board Training - Module 8

1
2 * In administrative reviews of tangible personal property just valuations, Boards and
3 special magistrates must also properly consider the eighth criterion.

4
5 However, Florida law does not provide for the same information regarding the eighth
6 criterion on tangible personal property assessment rolls as for real property rolls.

7
8 * There are no recorded selling prices for tangible personal property as there are for
9 real property.

10
11 * Property appraisers are not required to report selling prices for tangible personal
12 property to the Department as they are required to do for real property.

13
14 NOTE: More information on the eighth criterion and the just valuation of tangible
15 personal property is presented earlier in this module in the section titled "Florida
16 Information on Appraisal Development."

17
18
19 **The Eighth Criterion in Reviews of Tangible Personal Property**
20 In the development of tangible personal property assessment rolls, property appraisers
21 are responsible for properly considering the eighth criterion in the just valuation of
22 tangible personal property.

23
24 In administrative reviews of just valuations of tangible personal property, the parties are
25 responsible for presenting relevant and credible evidence, in accordance with law,
26 regarding how the eighth criterion applies to the just valuation of tangible personal
27 property.

28
29 Boards and special magistrates are responsible for determining, based on admitted
30 evidence and in accordance with law, how the eighth criterion applies in administrative
31 reviews of just valuations of tangible personal property.

Module 9: Administrative Reviews of Denials of Exemptions and Property Classifications

This training module addresses the following topics:

PART 1: Introduction

- Overview of Exemptions and Property Classifications
- Applications for Exemptions and Property Classifications
- Denials of Exemptions and Property Classifications
- Scope of Authority for Administrative Reviews
- Overview of Statutory Criteria
- Standard of Proof for Administrative Reviews
- Evaluation of Evidence by the Board or Special Magistrate
- Sufficiency of Evidence

PART 2: Administrative Reviews of Denials of Exemptions

- The Administrative Review Process for Denials of Exemptions
- Statutory Criteria for Exemptions

Statutory Criteria for Different Types of Personal Exemptions

- Homestead Exemption: Qualifications and Benefits
- Homestead Exemption: Permanent Residence
- Homestead Exemption: Rental
- Homestead Exemption: Additional Exemption for Low Income Seniors
- Homestead Exemption: Save Our Homes
- Homestead Exemption: Damaged or Destroyed Property
- Homestead Exemption: Living Quarters for Parents and Grandparents
- Homestead Exemption: Totally and Permanently Disabled Persons
- Exemptions for Veterans
- Exemption for Veterans: Discount for Disabled Veterans
- Exemption for Deployed Service Members Beginning in 2011
- Exemptions for First Responders Who Were Totally and Permanently Disabled in the Line of Duty, and For Surviving Spouses

Statutory Criteria for Different Types of Institutional Exemptions

- Government Property
- Exempt Entities
- Lands Used for Conservation Purposes
- Specific Educational Exemptions
- Exemptions for Tangible Personal Property
- Other Exemptions

2017 Value Adjustment Board Training - Module 9

1 **PART 3: Administrative Reviews of Denials of Property Classifications**

- 2 • The Administrative Review Process for Denials of Classifications
- 3 • Statutory Criteria for Property Classifications

5 **Statutory Criteria for Different Types of Property Classifications**

- 6 • Agricultural Property
 - 7 • Agricultural Property: Dispersed Water Storage Programs
 - 8 • Agricultural Property: Quarantine and Eradication Programs
 - 9 • Agricultural Property: Special Types
- 10 • Pollution Control Devices
- 11 • Noncommercial Recreational and Conservation Lands
- 12 • Historic Property
- 13 • Historic Property: Section 193.503, F.S.
- 14 • Historic Property: Section 193.505, F.S.
- 15 • High Water Recharge Property
- 16 • Working Waterfront Property
- 17 • Renewable Energy Source Device

19 **PART 4: Legislative Repeal of VAB Authority to Conduct** 20 **Administrative Reviews on Its Own Motion**

23 **Learning Objectives**

24 After completing this training module, the learner should be able to:

- 26 • Identify what is subtracted from assessed value to arrive at taxable value.
- 27 • Recognize the statutory order in which exemptions must be deducted to arrive at
28 taxable value (see Section 196.031, F.S.)
- 29 • Recognize that the disabled veterans discount is deducted after exemptions are
30 deducted to arrive at taxable value.
- 31 • Distinguish between a property classification and classified use value
- 32 • Identify the requirements for applications for exemptions and property classifications
- 33 • Recognize the requirements for denials of exemptions and property classifications
- 34 • Identify the statutory criteria for a valid denial of an exemption by the property
35 appraiser
- 36 • Apply the correct procedures for determining whether a denial of an exemption by
37 the property appraiser is valid
- 38 • Apply the correct procedures when a denial of an exemption by the property
39 appraiser has been determined to be invalid
- 40 • Apply the correct procedures when a denial of an exemption by the property
41 appraiser has been determined to be valid
- 42 • Recognize and apply the scope of authority for administrative reviews of denials of
43 exemptions and property classifications
- 44 • Identify the items that a Board or special magistrate may consider in addition to
45 admitted evidence

2017 Value Adjustment Board Training - Module 9

- 1 • Recognize that there is no presumption of correctness for a property appraiser's
- 2 determination on an exemption or classification
- 3 • Identify the applicable standard of proof, its definition, and how it is applied
- 4 • Identify and apply the steps for evaluating evidence in administrative reviews
- 5 • Recognize and apply the provisions for ruling on the admissibility of evidence
- 6 • Identify and apply the definitions of relevant evidence and credible evidence
- 7 • Recognize and apply the standards for determining the sufficiency of evidence
- 8 • Identify when the Board or special magistrate is required or is NOT required to make
- 9 determinations such as findings, conclusions, or decisions
- 10 • Apply the sequence of general procedural steps for administrative reviews of denials
- 11 of exemptions
- 12 • Apply the sequence of general procedural steps for administrative reviews of denials
- 13 of property classifications
- 14 • Distinguish between the sequence of general procedural steps for administrative
- 15 reviews of denials of exemptions and the sequence of general procedural steps for
- 16 administrative reviews of denials of property classifications
- 17 • Recognize the conditions under which a Board or special magistrate must grant an
- 18 exemption or classification
- 19 • Recognize the conditions under which a Board or special magistrate must NOT grant
- 20 an exemption or classification
- 21 • Identify and apply the statutory criteria for administrative reviews of denials of
- 22 exemptions and property classifications
- 23
- 24

PART 1: Introduction

Overview of Exemptions and Property Classifications

28 Sections 3, 4, and 6, Article VII, of the Florida Constitution, provide for exemptions and
29 property classifications.

31 Generally, after the property appraiser has considered the just value of a property and
32 produced an assessed value, the assessed value is then reduced by any exemptions to
33 produce the taxable value.

35 After the assessed value is correctly determined, the exempt amounts are deducted in
36 the order provided by law (see Section 196.031, F.S.). After that, any discounts, such as
37 the disabled veteran's discount, are applied.

39 "Exemption" means exemptions under Chapter 196, Florida Statutes, and other Florida
40 Statutes.

- 42 * For purposes of this training, exemptions include the following: veteran's discount,
43 immunity where a claim of tax immunity for government property is being made, and
44 portability assessment differences.

2017 Value Adjustment Board Training - Module 9

1 “Property Classification” or “Classification” means a classification of property for
2 assessment purposes according to applicable statutory criteria, including those in
3 Chapter 193, Part II, F.S., and an assessment of the property at its classified use value.
4

5 “Classified use value” means the value of a property that is based solely on the
6 property’s character or use and based on the applicable statutory criteria, without regard
7 to the property’s highest and best use. See Subsection 192.001(2), F.S.
8
9

Applications for Exemptions and Property Classifications

10 A property owner must apply for an exemption by the applicable deadline in order to
11 receive the exemption. See Subsection 196.011(1)(a), F.S.
12
13

14 If a property owner failed to timely file for an exemption, he or she must late file for the
15 exemption with the property appraiser by the 25th day after the mailing of the notice of
16 proposed property taxes (TRIM notice).
17

18 If the property appraiser determines, based on sufficient evidence, that the late filed
19 exemption was late because the applicant was unable to file timely or there were other
20 extenuating circumstances, the property appraiser may grant the exemption to an
21 otherwise qualified applicant for the current year.
22

23 If the property appraiser does not grant the late filed exemption, the property owner may
24 appeal to the Board, by the 25th day after the mailing of the notice of proposed property
25 taxes (TRIM notice).
26

27 The Board may grant the exemption to an otherwise qualified applicant if it finds the
28 failure to apply was due to extenuating circumstances. Subsection 196.011(8), F.S.
29

30 If a postal error resulted in an otherwise eligible applicant not filing on time his or her
31 application for an exemption, the Board or special magistrate must grant the exemption.
32 Subsection 196.011(7), F.S.
33

34 The county may waive the requirement that exemptions be applied for annually and
35 provide for automatic renewal of some exemptions. Subsection 196.011(9), F.S.
36

37 * At the option of the property appraiser, initial or original applications for homestead
38 exemption for the succeeding year may be accepted and granted after March 1.
39

40 **Note:** Legislation enacted in 2014 amended section 193.461, F.S., to provide that an
41 applicant for the agricultural classification who does not file an application by the March
42 1 filing deadline, can file an application with the property appraiser on or before 25 days
43 after the property appraiser mails the notice of proposed property taxes (TRIM notice).
44

2017 Value Adjustment Board Training - Module 9

- 1 * The application must include sufficient evidence that demonstrates the applicant was
2 unable to apply in a timely manner or otherwise demonstrates extenuating
3 circumstances warranting the classification.
4
- 5 * The property appraiser may grant the application if he or she determines the
6 circumstances warrant.
7
- 8 * If the applicant files an application for the classification and fails to provide sufficient
9 evidence to the property appraiser as required, the applicant may file a petition with
10 the value adjustment board on or before 25 days after the property appraiser mails
11 the notice of proposed property taxes (TRIM notice).
12
- 13 * This legislation is effective July 1, 2014 and applies to administrative reviews
14 beginning in 2014. See Chapter 2014-150, Section 2, Laws of Florida (HB 7091).
15
16

Denials of Exemptions and Property Classifications

17 Florida Statutes require that the property appraiser issue in writing a denial of an
18 exemption or classification.
19

20
21 The denial will typically reference missing documentation that, if supplied, could qualify
22 the taxpayer for the exemption or classification.
23

24 The petitioner must show that the statutory criteria are satisfied to qualify for an
25 exemption or classification.
26

27 If an exemption or classification is denied by the property appraiser, the petitioner must
28 file his or her petition to the Board within 30 days of that notice of denial.
29

30 Subsection 196.193(5)(a), F.S., states the following regarding the denial of an
31 exemption:
32

33 *“If the property appraiser determines that any property claimed as wholly or partially*
34 *exempt under this section is not entitled to any exemption or is entitled to an exemption*
35 *to an extent other than that requested in the application, he or she shall notify the*
36 *person or organization filing the application on such property of that determination in*
37 *writing on or before July 1 of the year for which the application was filed.”*
38

39 Subsection 196.193(5)(b), F.S., provides the following criteria for a valid denial of an
40 exemption by the property appraiser:
41

- 42 1. *“The notification must state in clear and unambiguous language the specific*
43 *requirements of the state statutes which the property appraiser relied upon to deny*
44 *the applicant the exemption with respect to the subject property.”*
45

2017 Value Adjustment Board Training - Module 9

- 1 2. *“The notification must be drafted in such a way that a reasonable person can*
2 *understand specific attributes of the applicant or the applicant’s use of the subject*
3 *property which formed the basis for the denial.”*
4
- 5 3. *“The notice must also include the specific facts the property appraiser used to*
6 *determine that the applicant failed to meet the statutory requirements.”*
7

8 Under Subsection 196.193(5)(b), F.S., if a property appraiser fails to provide a notice of
9 denial of an exemption that complies with the criteria stated above, the denial or the
10 attempted denial of the exemption is invalid.

- 11
- 12 * Rule 12D-9.027(4)(a), F.A.C., provides the following regarding the administrative
13 review of a denial of an exemption:

14

15 *“(a) In the case of an exemption, the board or special magistrate shall consider*
16 *whether the denial was valid or invalid and shall:*

17

- 18 1. *Review the exemption denial, and compare it to the applicable statutory criteria in*
19 *Section 196.193(5), F.S.;*

20

- 21 2. *Determine whether the denial was valid under Section 196.193, F.S.; and*
22

23 3. *If the denial is found to be invalid, not give weight to the exemption denial or to*
24 *any evidence supporting the basis for such denial, but shall instead proceed to*
25 *dispose of the matter without further consideration in compliance with Section*
26 *194.301, F.S.”*
27
28

Scope of Authority for Administrative Reviews

29 The administrative review process (done by Boards) is separate and different from the
30 assessment roll production process (done by property appraisers).
31

32

33 The Board’s authority is limited to the review of individual petitions filed. See Spooner v.
34 Askew, 345 So.2d 1055 (Fla. 1976).
35

36 The Board has the limited function of reviewing and correcting individual determinations
37 of the property appraiser. See Bath Club, Inc. v. Dade County, 394 So.2d 110 (Fla. 1981).
38

39 Upon proper filing of a petition, a Board is authorized to conduct an administrative
40 review of a decision by the property appraiser to deny a tax exemption or a property
41 classification.
42

- 43 * The Board has no authority to review, on its own volition, a decision of the property
44 appraiser to deny an exemption. See Redford v. Department of Revenue, 478 So.2d 808
45 (Fla. 1985).
46

2017 Value Adjustment Board Training - Module 9

1 * **Note:** Prior to 2013, the Board had statutory authority to review, on its own motion,
2 decisions by the property appraiser to grant exemptions and certain classifications.
3 However, legislation enacted in 2013 removed all authority for the Board to review,
4 on its own motion, the determinations of the property appraiser. This legislation is
5 effective May 30, 2013 and applies retroactively to January 1, 2013. See sections 1
6 through 4 of Chapter 2013-95, Laws of Florida (CS/HB 1193), which amended, respectively,
7 sections 193.461(2), 193.503(7), 193.625(2), and 196.194(1), F.S.

8
9 The Board or special magistrate has no power to grant an exemption or property
10 classification not authorized by law. See Rule 12D-10.003(1), F.A.C.

11
12 The Board or special magistrate has no power to grant an exemption or property
13 classification on the basis of hardship of a particular taxpayer. See Rule 12D-10.003(1),
14 F.A.C.

15
16 In considering a petition for exemption or property classification, the Board or special
17 magistrate must not consider the ultimate amount of tax required. See Rule 12D-
18 10.003(1), F.A.C.

19
20 In administrative reviews regarding exemptions or classifications, Boards and special
21 magistrates are not authorized to perform any independent factual research into
22 attributes of the subject property or attributes of the property owner.

23
24 Boards and special magistrates must follow the provisions of law on the administrative
25 review of assessments. See Chapter 194, Parts 1 and 3, F.S., and Rule Chapters 12D-9, 12D-
26 10, and 12D-16, F.A.C.

27
28 In administrative reviews of denials of exemptions and classifications, Boards and
29 special magistrates are bound by the same standards as property appraisers. See Rule
30 12D-10.003(1), Florida Administrative Code. However, when observing this requirement,
31 Boards and special magistrates must act within their scope of authority.

32
33 In administrative reviews, Boards and special magistrates are not authorized to consider
34 any evidence except evidence properly presented by the parties and properly admitted
35 into the record for consideration. See Rule 12D-9.025(4)(a), F.A.C.

36
37 In addition to admitted evidence, Boards and special magistrates are authorized to
38 consider only the following items in administrative reviews.

- 39
40 1. Legal advice from the Board legal counsel;
41
42 2. Information contained or referenced in the Department's Uniform Policies and
43 Procedures Manual and Accompanying Documents; and
44
45 3. Information contained or referenced in the Department's training for value
46 adjustment boards and special magistrates.

Overview of Statutory Criteria

Boards and special magistrates, with the assistance of the Board attorney, must identify and follow the provisions of law that pertain to the administrative review of exemptions and property classifications.

These provisions of law include statutory criteria that apply to the particular exemption or classification under administrative review. Statutory criteria do not include any factor that is not a conclusive statutory criterion.

For purposes of this training module, “statutory criteria” means a set of statutory requirements that must be satisfied individually, by sufficient admitted evidence, to legally justify the granting of the exemption or classification by a Board or special magistrate.

Where necessary and where the context will permit, the term “statutory criteria” includes any constitutional criteria that do not require implementation by legislation. See Rule 12D-9.027(4)(g), F.A.C.

* Additional information on the statutory criteria for exemptions is contained in Rule Chapter 12D-7, F.A.C.

The effective date of administrative review is January 1 of the assessment year under review. This is an essential statutory criterion. See Section 192.042, F.S.

Standard of Proof for Administrative Reviews

In administrative reviews, Boards or special magistrates must consider admitted evidence and then compare the weight of the evidence to a “standard of proof” to make a determination on an issue under review.

Generally, the term “evidence” means something (including testimony, documents, and tangible objects) that tends to prove or disprove the existence of a disputed fact. See *Black’s Law Dictionary, Eighth Edition*, page 595.

“Standard of proof” means the level of proof needed for the Board or special magistrate to conclude that the classification or exemption status assigned to the property is incorrect. See Rule 12D-9.027(5), F.A.C.

The standard of proof that applies in administrative reviews of the classification or exemption status is called “preponderance of the evidence,” which means “greater weight of the evidence.” See Subsection 194.301(2)(d), F.S., and Rule 12D-9.027(5), F.A.C.

For administrative reviews, preponderance of the evidence means greater weight of the evidence or evidence that more likely than not proves the property appraiser’s

2017 Value Adjustment Board Training - Module 9

1 determination should be overturned and the petition granted. See Gross v. Lyons, 763
2 So.2d 276 (Fla. 2000).

3
4 This standard of proof is the scale by which the Board or special magistrate measures
5 the weight (relevance and credibility) of the admitted evidence.

6
7 The taxpayer shall never be required to prove that the property appraiser's
8 determination is not supported by any reasonable hypothesis of a legal assessment.

9
10 There is no presumption of correctness in administrative reviews of the exemption or
11 property classification status of the property. See Subsection 194.301(2)(d), F.S.

12
13 The party initiating the challenge has the burden of proving by a preponderance of the
14 evidence that the classification or exemption status assigned to the property is incorrect.
15 See Subsection 194.301(2)(d), F.S.

16
17

Evaluation of Evidence by the Board or Special Magistrate

18 Under Rule 12D-9.025(1), F.A.C., as part of administrative reviews, the Board or special
19 magistrate must:

20

- 21 1. Review the evidence presented by the parties;
- 22 2. Determine whether the evidence presented is admissible;
- 23 3. Admit the evidence that is admissible;
- 24 4. Identify the evidence presented to indicate that it is admitted or not admitted; and
- 25 5. Consider the admitted evidence.

26

27
28 The term "admitted evidence" means evidence that has been admitted into the record
29 for consideration by the Board or special magistrate. See Rule 12D-9.025(2)(a), F.A.C.

30

31
32 *"No evidence shall be considered by the board or special magistrate except when*
33 *presented and admitted during the time scheduled for the petitioner's hearing, or at a*
34 *time when the petitioner has been given reasonable notice."* See Rule 12D-9.025(4)(a),
35 F.A.C.

36

37
38 *"If a party submits evidence to the board clerk prior to the hearing, the board or special*
39 *magistrate shall not review or consider such evidence prior to the hearing."* See Rule
40 12D-9.025(4)(b), F.A.C.

41

42 Rule 12D-9.025(2)(d), F.A.C., contains the following four provisions:

43
44
45

2017 Value Adjustment Board Training - Module 9

- 1 1. *“As the trier of fact, the board or special magistrate may independently rule on the*
2 *admissibility and use of evidence.”*
3
- 4 2. *“If the board or special magistrate has any questions relating to the admissibility and*
5 *use of evidence, the board or special magistrate should consult with the board legal*
6 *counsel.”*
7
- 8 3. *“The basis for any ruling on admissibility of evidence must be reflected in the*
9 *record.”*
10
- 11 4. *“The special magistrate may delay ruling on the question during the hearing and*
12 *consult with board legal counsel after the hearing.”*
13

14 NOTE: More information on the admissibility of evidence is presented in Module 4.
15
16

Sufficiency of Evidence

17 When applied to evidence, the term “sufficient” is a test of adequacy. See Rule 12D-
18 9.027(6), F.A.C.
19

20
21 Sufficient evidence is admitted evidence that has enough overall weight, in terms of
22 relevance and credibility, to legally justify a particular conclusion. See Rule 12D-9.027(6),
23 F.A.C.
24

25 The Florida Supreme Court stated the following regarding sufficient evidence:
26 *“Sufficiency is a test of adequacy. Sufficient evidence is such evidence, in character,*
27 *weight, or amount, as will legally justify the judicial or official action demanded.”* See
28 *Tibbs v. State*, 397 So.2d 1120 (Fla. 1981). Also, see *Moore v. State*, 800 So.2d 747 (Fla. 5th
29 DCA 2001).
30

31 A particular conclusion is justified when the overall weight of the admitted evidence
32 meets the standard of proof that applies to the issue under consideration. See Rule 12D-
33 9.027(6), F.A.C.
34

35 The Board or special magistrate must consider the admitted evidence and determine
36 whether it is sufficiently relevant and credible to reach the “preponderance of the
37 evidence” standard of proof explained previously. See Rules 12D-9.025(1)(d), 12D-
38 9.027(5), and 12D-9.027(6), F.A.C.
39

40 Rule 12D-9.027(6), F.A.C., states the following in pertinent part: *“In determining*
41 *whether the admitted evidence is sufficient for a particular issue under consideration,*
42 *the board or special magistrate shall:*
43

2017 Value Adjustment Board Training - Module 9

- 1 (a) *Consider the relevance and credibility of the admitted evidence as a whole,*
2 *regardless of which party presented the evidence;*
3
- 4 (b) *Determine the relevance and credibility, or overall weight, of the evidence;*
5
- 6 (c) *Compare the overall weight of the evidence to the standard of proof;*
7
- 8 (d) *Determine whether the overall weight of the evidence is sufficient to reach the*
9 *standard of proof; and*
10
- 11 (e) *Produce a conclusion of law based on the determination of whether the overall*
12 *weight of the evidence has reached the standard of proof.”*
13

14 For administrative reviews of denials of exemptions and classifications, “relevant
15 evidence” is evidence that is reasonably related, directly or indirectly, to the statutory
16 criteria that apply to the petitioned property or the property owner, as applicable. See
17 Rule 12D-9.025(2)(b), F.A.C.
18

19 * This description means the evidence meets or exceeds a minimum level of
20 relevance necessary to be admitted for consideration, but does not necessarily
21 mean that the evidence has sufficient relevance to legally justify a particular
22 conclusion. See Rule 12D-9.025(2)(b), F.A.C.
23

24 In evaluating the relevance of evidence, the Board or special magistrate must consider,
25 as of the January 1 assessment date, how well the evidence relates to the petitioned
26 property or the property owner, as applicable, and to the statutory criteria that apply.
27

28 For administrative reviews, “credible evidence” means evidence that is worthy of belief
29 (believable). See *Black’s Law Dictionary, Eighth Edition*, page 596.
30

31 NOTE: More information on evaluating the relevance and credibility of evidence is
32 presented in Module 11 of this training.
33
34

PART 2: Administrative Reviews of Denials of Exemptions

35
36
37 The sections below contain information on the administrative review of denials of
38 exemptions, including information on the statutory criteria for exemptions.
39
40

The Administrative Review Process for Denials of Exemptions

41 Set forth below is a sequence of general procedural steps for Boards and special
42 magistrates to follow in administrative reviews of denials of exemptions in order to fulfill
43 the procedural requirements of Section 194.301, F.S., and Rule 12D-9.027(4), F.A.C.
44
45

2017 Value Adjustment Board Training - Module 9

1 This sequence of steps applies to: the consideration of evidence, the development of
2 conclusions, and the production of written decisions. See Rule 12D-9.027(1), F.A.C.

3
4 *“The board or special magistrate shall not be required to make, at any time during a
5 hearing, any oral or written finding, conclusion, decision, or reason for decision.”* See
6 Rule 12D-9.025(9), F.A.C.

7
8 *“The board or special magistrate has the discretion to determine whether to make such
9 determinations during a hearing or to consider the petition and evidence further after the
10 hearing and then make such determinations.”* See Rule 12D-9.025(9), F.A.C.

11
12 Under Rule 12D-9.027(4), F.A.C., in administrative reviews of denials of exemptions,
13 the Board or special magistrate shall follow this sequence of general procedural steps:

14
15 1. In the case of an exemption, the Board or special magistrate shall consider whether
16 the denial was valid or invalid and shall:

- 17
18 * Review the exemption denial, and compare it to the applicable statutory criteria in
19 Section 196.193(5), F.S.;
- 20
21 * Determine whether the denial was valid under Section 196.193, F.S.; and
- 22
23 * If the exemption denial is found to be invalid, not give weight to the exemption
24 denial or to any evidence supporting the basis for such denial, but shall instead
25 proceed to dispose of the matter without further consideration in compliance with
26 Section 194.301, F.S.

27
28 2. If the exemption denial is found to be valid, the Board or special magistrate shall
29 proceed with the following steps:

- 30
31 * Consider the admitted evidence presented by the parties;
- 32
33 * Identify the particular exemption issue that is the subject of the petition;
- 34
35 * Identify the statutory criteria that apply to the particular exemption that was
36 identified as the issue under administrative review;
- 37
38 * Identify and consider the essential characteristics of the petitioned property or the
39 property owner, as applicable, based on the statutory criteria that apply to the
40 issue under administrative review;
- 41
42 * Identify and consider the basis used by the property appraiser in issuing the
43 exemption denial for the petitioned property; and
- 44
45 * Determine whether the admitted evidence proves by a preponderance of the
46 evidence that the property appraiser’s denial is incorrect and the exemption
47 should be granted because all of the applicable statutory criteria are satisfied.

2017 Value Adjustment Board Training - Module 9

1
2 The Board or special magistrate must decide whether the admitted evidence, regardless
3 of which party presented the evidence, has sufficient weight (in relevance and
4 credibility) to legally justify overturning the property appraiser's original determination
5 and granting the exemption.

6
7 If the admitted evidence proves the petitioner's case by the greater weight of the
8 evidence, the original determination must be overturned and the petition granted.

9
10 If the admitted evidence does not legally justify overturning the property appraiser's
11 original determination, the determination must be upheld.

12
13

14 **Statutory Criteria for Exemptions**

15 This section contains information regarding the statutory criteria that must be met to
16 qualify for the various exemptions available in Florida.

17

18 * In the case of the more common exemptions, this training presents more detail on
19 the applicable statutory criteria.

20

21 * Less common exemptions will simply be mentioned so that users of this training are
22 aware of their existence, and a citation will be provided so users can read the
23 statutory criteria when one of the less common exemptions arises.

24

25

26 **Statutory Criteria for Different Types of Personal Exemptions**

27 The statutory criteria that apply to several types of personal exemptions are presented
28 below under their respective headings.

29

30

31 **Homestead Exemption: Qualifications and Benefits**

32 Homestead is established on January 1 of each tax year. In order to qualify for the
33 homestead exemption an individual must:

34

35 * Have legal or beneficial title to the property which is demonstrated by a deed or
36 instrument on file in the public records; and

37

38 * Make the property their permanent residence, or the permanent residence of a
39 person legally or naturally dependent upon the individual.

40

41 Homestead property receives:

42

43 * An exemption of \$25,000 from all levies.

44

45 * An additional exemption of up to \$25,000 on the assessed valuation greater than
46 \$50,000 for all levies other than school district levies.

2017 Value Adjustment Board Training - Module 9

1
2 * A limitation on assessments under the Save Our Homes provisions.

3
4 * Eligibility for additional exemptions that are available only on homestead properties.
5 See section 196.031, F.S.

6
7 See also Rule 12D-7.0142, F.A.C., which replaces Emergency Rule 12DER11-08
8 Additional Homestead Exemption Pursuant to section 196.031(1)(b), F.S.

9 10 11 **Homestead Exemption: Permanent Residence**

12 Permanent residence means that place where a person has his or her true, fixed, and
13 permanent home and principal establishment to which, whenever absent, he or she has
14 the intention of returning.

15
16 A person may have only one permanent residence at a time; and, once a permanent
17 residence is established in a foreign state or country, it is presumed to continue until the
18 person shows that a change has occurred. See section 196.012(18), F.S.

19
20 Intention to establish a permanent residence in Florida is a factual determination to be
21 made, in the first instance, by the property appraiser.

22
23 Section 196.015, F.S., provides factors the property appraisers may consider in making
24 this determination.

25
26 Although any one factor is not conclusive of the establishment or non-establishment of
27 permanent residence, the following are relevant factors that may be considered by the
28 property appraiser in making his or her determination about the intent of a person
29 claiming a homestead exemption to establish a permanent residence in Florida:

30
31 * Formal declaration of domicile by the applicant recorded in the public records of the
32 county where the exemption is sought;

33
34 * Where the applicant's dependent children are registered for school;

35
36 * The place of employment of the applicant;

37
38 * The previous permanent residency by the applicant in a state other than Florida or in
39 another country and the date non-Florida residency was terminated;

40
41 * Proof of voter registration at the place for which the exemption is being sought;

42
43 * A valid Florida driver's license or identification card and evidence of relinquishment
44 of driver's license from another state;

45
46 * The issuance of a license tag on any motor vehicle owned by the applicant;

2017 Value Adjustment Board Training - Module 9

- 1
- 2 * The address as listed on federal income tax returns filed by the applicant;
- 3
- 4 * The location where the applicant's bank statements and checking accounts are
- 5 registered; and
- 6
- 7 * Proof of payment of utilities at the location where residence is being claimed.
- 8 See section 196.015, F.S.
- 9

10 **Note:** Legislation enacted in 2013 amended section 196.031, F.S., to delete the
11 express requirement that a titleholder of a homestead must live on the homestead in
12 order for the homestead to qualify for the homestead tax exemption. This amendment
13 follows a 2012 decision of the Florida Supreme Court. See Chapter 2013-72, Section 8,
14 Laws of Florida (SB 1830).

17 **Homestead Exemption: Rental**

18 See section 196.061, F.S.

19 Rental of an entire dwelling previously claimed to be a homestead for tax purposes
20 constitutes abandonment of the dwelling as a homestead, when the property is rented
21 for more than 30 days per calendar year for two consecutive years.

22
23 Abandonment continues until the dwelling is physically occupied by the owner.

24
25 **Note:** Legislation enacted in 2013 provides that rental of the homestead after January
26 1 of any year does not affect the homestead exemption for tax purposes for that
27 particular year unless the property is rented for more than 30 days per calendar year for
28 two consecutive years. These changes are effective July 1, 2013, and apply to
29 assessments and administrative reviews beginning in 2014. See Chapter 2013-64, Laws
30 of Florida (SB 342).

31
32 This provision does not apply to a member of the Armed Forces of the United States
33 whose service in such forces is the result of a mandatory obligation imposed by the
34 federal Selective Service Act or who volunteers for service as a member of the Armed
35 Forces of the United States.

38 **Homestead Exemption: Additional Exemption for Low Income Seniors**

39 The Board of County Commissioners of a county or the governing authority of a
40 municipality may adopt an ordinance to allow an additional homestead exemption of up
41 to \$50,000 for any person who has the legal or equitable title to real estate and
42 maintains thereon the permanent residence of the owner, and who:

- 43
- 44 * Has the legal or equitable title to real estate;
- 45 * Uses that real estate as their permanent residence;
- 46 * Is age 65, or older; and

2017 Value Adjustment Board Training - Module 9

1 * Whose household income does not exceed \$20,000, adjusted annually, beginning
2 January 1, 2001, by the percentage change in the average cost-of-living index.

3
4 For the 2014 assessment year, the 2013 adjusted gross household income to qualify for
5 this exemption is \$27,994 or less.

6
7 For the 2015 assessment year, the 2014 adjusted gross household income to qualify for
8 this exemption is \$28,448 or less.

9
10 For the 2016 assessment year, the 2015 adjusted gross household income to qualify for
11 this exemption is \$28,482 or less.

12
13 For the 2017 assessment year, the 2016 adjusted gross household income to qualify for
14 this exemption is \$28,841 or less. See section 196.075, F.S., and Rule 12D-7.0143, F.A.C.

15
16 **Note:** An amendment approved by the voters in the November, 2012 general election
17 added a local option of up to an additional \$50,000 exemption for low income seniors
18 that have maintained a permanent residence on the property for at least 25 years. See
19 section 196.075, F.S.

20 21 22 **Homestead Exemption: Save Our Homes**

23 Relating to exemptions, the primary limitation on assessment increases is the Save Our
24 Homes Amendment limitation which caps assessment increases on homestead
25 property at the lesser of 3 percent or the percentage change in the consumer price
26 index.

27
28 When applied to the just value assessment in the initial year when homestead is
29 established, any subsequent increases in that assessment are capped.

30
31 Property is reassessed on the transfer of the homestead property.

32 33 34 **Homestead Exemption: Damaged or Destroyed Property**

35 See section 193.155(4), F.S.

36 A homestead exemption may be granted to damaged or destroyed property that is
37 otherwise qualified if the property owner notifies the property appraiser that he or she
38 intends to repair or rebuild the property and live in the property as his or her primary
39 residence after the property is repaired or rebuilt and does not claim a homestead
40 exemption on any other property.

41
42 Failure by the property owner to begin the repair or rebuilding of the homestead
43 property within three years after January 1 following the year the property was damaged
44 or destroyed constitutes abandonment of the property as a homestead.

2017 Value Adjustment Board Training - Module 9

1 Changes, additions, or improvements that replace all or a portion of homestead property
2 damaged or destroyed by misfortune or calamity shall not increase the homestead
3 property's assessed value when:

4
5 * The square footage of the homestead property as changed or improved does not
6 exceed 110 percent of the square footage of the homestead property before the
7 damage or destruction; or

8
9 * The total square footage of the homestead property as changed or improved does
10 not exceed 1,500 square feet.

11 12 13 **Homestead Exemption: Living Quarters for Parents or Grandparents**

14 This exemption is found in Section 193.703, F.S. It applies to construction or
15 reconstruction of a homestead intended to provide living quarters for the owner's parent
16 or grandparent.

17
18 The qualifications for this exemption are:

- 19
20 * The parent or grandparent must be 62 or older;
21 * The parent or grandparent must be the natural or adoptive parent or grandparent of
22 an owner of the homestead or of an owner's spouse;
23 * Application must be made by March 1;
24 * Reconstruction or construction must have been made to an existing homestead
25 property; and
26 * The parent or grandparent must make their primary place of residence on the
27 property and cannot qualify for a separate homestead exemption.

28
29 If a taxpayer qualifies under the statute, the exemption from taxation is limited to an
30 amount not to exceed:

- 31
32 * Twenty percent of the total assessed value of the property as improved; or
33 * The increase in value resulting from the construction or reconstruction.

34 35 36 **Homestead Exemption: Totally and Permanently Disabled Persons**

37 See section 196.101, F.S.

38 In order to qualify for a total exemption on their homestead a person must have a
39 qualifying household income (2013 household income cannot exceed \$27,289 for the
40 2014 assessment year, the 2014 household income cannot exceed \$27,732 for the
41 2015 assessment year, the 2015 household income cannot exceed \$27,765 for the
42 2016 assessment year, [and the 2016 household income cannot exceed \\$28,115 for the](#)
43 [2017 assessment year](#)) and the applicant must be:

- 44
45 * Paraplegic;
46 * Hemiplegic;

2017 Value Adjustment Board Training - Module 9

- 1 * Legally blind; or
- 2 * Totally and permanently disabled and dependent on a wheelchair for mobility.

3
4 Persons who are quadriplegic qualify for a total exemption on their homestead without
5 meeting the income limitation.

6
7 Totally and permanently disabled persons who do not qualify for a total exemption can
8 receive a \$500 exemption under Section 196.202, F.S. This \$500 exemption is also
9 granted to widows, widowers, and blind persons.

11 12 **Exemptions for Veterans**

13 See sections 196.081, 196.082, 196.091, and 196.24, F.S.

14 Any ex-service member (or qualified surviving spouse) who meets the three criteria
15 below shall receive a \$5,000 exemption on their property:

- 16
17 * Is a bona fide resident of the state;
- 18 * Was discharged under honorable conditions; and
- 19 * Has been disabled to a degree of 10 percent or higher.

20
21 Any ex-service member (or qualified surviving spouse) requiring specially adapted
22 housing and required to use a wheelchair for his or her transportation shall be exempt
23 from taxation on his or her homestead when he or she meets the following criteria:

- 24
25 * Was honorably discharged with a service-connected total disability certificate; and
- 26 * Is receiving or has received "special pecuniary assistance".

27
28 Any totally and permanently disabled veteran or qualified surviving spouse shall be
29 exempt from taxation on his or her homestead when he or she meets the following
30 criteria:

- 31
32 * Was honorably discharged with a service-connected total and permanent disability;
- 33
34 * Was issued a letter from the United States Government or United States Department
35 of Veterans Affairs or its predecessor certifying that the veteran is totally and
36 permanently disabled; and
- 37
38 * Was a permanent resident of the State of Florida on January 1 of the year in which
39 the exemption is being claimed (or was a permanent resident on January 1 of the
40 year of their death).

41
42 This exemption is also granted to the qualified surviving spouse of a veteran who dies
43 during active duty from service-connected causes provided that the veteran was a
44 permanent resident of the State of Florida on January 1 of the year he or she died.

2017 Value Adjustment Board Training - Module 9

Exemption for Veterans: Discount for Disabled Veterans

See section 196.082, F.S.

In addition to the exemptions listed previously, there is a discount on taxes due on homestead property available to disabled veterans. In order to qualify, the veteran must meet the following criteria:

- * Be 65 or older;
- * Have a combat-related disability; and
- * Have been honorably discharged.

Note: Legislation enacted in 2013 amended section 196.082, F.S., to eliminate the requirement that to be eligible for the veteran's discount, the veteran must be a Florida resident at the time of entering military service. The law reflects changes to Article VII, Section 6 of the Florida Constitution which became effective January 1, 2013 and affects the 2013 tax roll. See Chapter 2013-72, Section 10, Laws of Florida (SB 1830).

When a veteran is qualified, the property appraiser shall apply all exemptions to which the veteran is entitled to the property value, calculate the taxes due on the property, and then reduce the taxes due by the veteran's percentage of disability.

Exemption for Deployed Servicemembers Beginning in 2011

The 2011 Legislature enacted an exemption for certain servicemembers who receive a homestead exemption and who are deployed in certain military operations to receive an additional ad valorem tax exemption.

- * The percentage exempt under the exemption is calculated as the number of days the servicemember was deployed during the previous calendar year, divided by the number of days in that year, multiplied by 100.
- * It applies to both the school and county taxable values, and applies beginning in the 2011 tax year.
- * See Chapter 2011-93, Laws of Florida (effective May 31, 2011), creating Section 196.173, F.S.
- * See also Rule 12D-7.0055, F.A.C., replacing Emergency Rule 12DER12-03 Exemption for Deployed Servicemembers.

Note: The 2016 legislature amended the exemption for deployed servicemembers in section 196.173, F.S., to provide the following:

- Adds the following military operations to the list:
 - Operation Joint Task Force Bravo, which began in 1995
 - Operation Joint Guardian, which began on June 12, 1999

2017 Value Adjustment Board Training - Module 9

- 1 • Operations in the Balkans, which began in 2004
- 2 • Operation Nomad Shadow, which began in 2007
- 3 • Operation U.S. Airstrikes Al Qaeda in Somalia, which began in January 2007
- 4 • Operation Copper Dune, which began in 2009
- 5 • Operation Georgia Deployment Program, which began in August 2009
- 6 • Operation Spartan Shield, which began in June 2011
- 7 • Operation Observant Compass, which began in October 2011
- 8 • Operation Inherent Resolve, which began on August 8, 2014
- 9 • Operation Atlantic Resolve, which began in April 2014
- 10 • Operation Freedom's Sentinel, which began on January 1, 2015
- 11 • Operation Resolute Support, which began in January 2015
- 12
- 13 • Removes Operation Iraqi Freedom from the list.
- 14
- 15 • This exemption is also available to servicemembers who were deployed during
- 16 the preceding calendar year on active duty outside the continental United States,
- 17 Alaska, or Hawaii in support of a subordinate operation to a main operation
- 18 designated in subsection (2).
- 19
- 20 • Aside from the application deadline in s. 196.173, F.S., the deadline for an
- 21 applicant to file an application with the property appraiser for this exemption for
- 22 the 2016 calendar year is June 1, 2016. For purposes of calculating the 2016
- 23 exemption for operations this act adds, a servicemember may include the
- 24 number of days he or she was on qualifying deployments during the 2014 and
- 25 2015 calendar years as days he or she was on a qualifying deployment in the
- 26 preceding calendar year.
- 27
- 28 • If a taxpayer does not file an application on time, a property appraiser may grant
- 29 the exemption if:
- 30
- 31 • the applicant files an application for the exemption on or before the 25th day
- 32 after the property appraiser mails the notice required under s. 194.011(1),
- 33 F.S., during the 2016 calendar year
- 34 • the applicant is qualified for the exemption
- 35 • the applicant produces sufficient evidence, as the property appraiser
- 36 determines, which demonstrates that the applicant was unable to apply for
- 37 the exemption on time or otherwise demonstrates extenuating circumstances
- 38 that warrant granting the exemption
- 39
- 40 • If the property appraiser denies an application under subsection (2) of this law,
- 41 the applicant may file a petition with the value adjustment board to request the
- 42 exemption be granted. The applicant must file the petition on or before the 25th
- 43 day after the property appraiser mails the notice required under s. 194.011(1),
- 44 F.S., during the 2016 calendar year.
- 45

2017 Value Adjustment Board Training - Module 9

- Besides s. 194.013, F.S., the applicant is not required to pay a filing fee for the petition. After reviewing the petition, the value adjustment board may grant the exemption if the applicant is qualified for the exemption and demonstrates extenuating circumstances, as the board determines, that warrant granting the exemption.
- This law also states that a servicemember may receive a refund of taxes he or she paid for the 2015 tax year if the servicemember was on qualifying deployments during the 2014 and 2015 calendar years for more than 365 days. The amount of the refund equals the taxes the servicemember paid on his or her homestead in 2015, multiplied by the number of days in excess of 365 that the servicemember was on qualifying deployments during the 2014 and 2015 calendar years, divided by 365.

See Chapter 2016-26, Laws of Florida (HB 7023). These changes apply to the 2016 tax roll and thereafter.

Exemptions for First Responders Who Were Totally and Permanently Disabled in the Line of Duty, and For Surviving Spouses

Section 196.081, F.S., provides an exemption for surviving spouses of first responders who die in the line of duty. See Chapter 2012-54, Laws of Florida (CS/HB 95).

Note: Legislation enacted in 2017 created section 196.102, F.S., to: provide an exemption for certain first responders whose total and permanent disability occurred in the line of duty, and for surviving spouses; extend the exemption application deadline for 2017 to August 1, 2017, or later if extenuating circumstances are shown; and provide for petitions to the value adjustment board for denials of such exemptions. This change is effective June 14, 2017 and applies to assessments and administrative reviews beginning in 2017. See Chapter 2017-105, Sections 2 and 3, Laws of Florida (CS/HB 455).

Statutory Criteria for Different Types of Institutional Exemptions

These exemptions apply to property other than homestead property. The exemption can be based either on the ownership of the property, such as governmental property, or the use of the property, such as educational exemptions.

Because of the number of these exemptions, most of the exemptions will not be discussed in detail. Instead a statutory reference will be provided so the requirements of that exemption can be found easily.

The statutory criteria that apply to several types of personal exemptions are presented below under their respective headings.

2017 Value Adjustment Board Training - Module 9

1 **Government Property**

2 See section 196.199, F.S

3 Governmental property can be immune to taxation, exempt from taxation, or taxable.

4

5 Property that is immune from taxation is property that the taxing authority has no ability
6 to tax.

7

8 Property that is exempt is property that the state, through its constitution, statutes, and
9 local ordinances, has chosen not to tax.

10

11 Property belonging to the federal government is immune from taxation.

12

13 State and county property is also immune from taxation and cannot be taxed unless
14 immunity has been waived.

15

16 Municipal property and property belonging to most special districts is exempt from
17 taxation as long as it is being used for municipal or other exempt purposes.

18

19 **Note:** Legislation enacted in 2014 moved the exemption for special districts to newly
20 created section 189.055, F.S., from section 189.403, F.S. See Chapter 2014-22, Section
21 53, Laws of Florida (SB 1632).

22

23 Governmental property leased to non-governmental entities may become taxable under
24 section 196.199, F.S.

25

26 **Note:** Legislation enacted in 2015 added section 196.199(1)(a)2., F.S., to provide an
27 ad valorem tax exemption for a leasehold interest in and improvements affixed to land
28 owned by the United States, any branch of the United States Armed Forces, or any
29 agency or quasi-governmental agency of the United States if the leasehold and
30 improvements are acquired or constructed and used pursuant to the federal Military
31 Housing Privatization Initiative of 1996. Any such leasehold interest and improvements
32 are exempt from ad valorem taxation regardless of whether title is held by the United
33 States and without necessity of filing an application for the exemption or receiving
34 approval from the property appraiser. This act defines "improvements" to include actual
35 housing units and any facilities that are directly related to such housing units, including
36 any housing maintenance facilities, housing rental and management offices, parks and
37 community centers, and recreational facilities. This law applies retroactively to January
38 1, 2007. See Chapter 2015-80, Section 1, Laws of Florida (CS for CS for HB 361).

39

40

41 **Exempt Entities**

42 See Sections 196.192, 196.193, 196.194, 196.195, and 196.196, F.S.

43 Exempt entities are nonprofit ventures which serve a charitable, religious, scientific, or
44 literary purpose.

45

2017 Value Adjustment Board Training - Module 9

1 All property owned by an exempt entity and used exclusively for an exempt purpose is
2 totally exempt.

3
4 Property owned by an exempt entity and used primarily for an exempt purpose is
5 exempt to the extent that the ratio of such predominate use bears to the non-exempt
6 use.

7
8 Tangible personal property loaned to an exempt entity for public display or exhibition on
9 a recurring schedule for no, or nominal, consideration, is exempt.

10 11 12 **Lands Used for Conservation Purposes**

13 Section 196.26, F.S., provides a new exemption for the 2010 tax year for “real property
14 dedicated in perpetuity for conservation purposes”.

15
16 In order to qualify for this exemption, the parcel of land must:

- 17
18 * Be subject to an easement which dedicates the land in perpetuity for conservation
19 purposes; and
20
21 * Be at least 40 acres in size or “fulfill a clearly delineated state conservation policy
22 and yield a significant public benefit”.

23
24 If the land is used exclusively for conservation purposes it is exempt from ad valorem
25 taxation.

26
27 If the land is used for allowed commercial purposes, the land receives an exemption
28 equal to 50 percent of the land’s assessed value.

29
30 **Note:** Legislation was enacted in 2016 to amend section 196.011(6)(b), F.S., to provide
31 that once the property appraiser has granted an original application for this exemption,
32 the property owner is not required to file a renewal application until the property’s use
33 no longer complies with the restrictions and requirements of the conservation easement.
34 See Chapter 2016-110, Laws of Florida (CS/SB 190).

35 36 37 **Specific Educational Exemptions**

38 Charter school property receives an exemption in Section 196.1983, F.S.

39
40 **Note:** Legislation enacted in 2017 amended section 196.1983, F.S., to clarify
41 provisions requiring landlords to reduce lease payments made by charter schools so
42 that the schools receive the full benefit derived by the landlord from the exemption,
43 effective retroactively to January 1, 2017. See Chapter 2017-36, section 7, Laws of Florida
44 (HB 7109).

2017 Value Adjustment Board Training - Module 9

1 Gold Seal Quality Child Care Centers are exempt as educational institutions. Section
2 402.26, F.S.

3
4 College sororities and fraternities can be exempt under section 196.198, F.S.

5
6 Section 196.198, F.S., also specifically exempts sheltered workshops providing
7 rehabilitation and retraining to disabled individuals.

8
9 **Note:** Legislation enacted in 2013 amended Section 196.198, F.S, to include an
10 additional form of ownership that qualifies for the educational property exemption.

11
12 * Property used exclusively for educational purposes is deemed owned by an
13 educational institution and qualifies for the educational property exemption if the
14 entity that owns 100 percent of the educational institution and the entity that owns
15 the property are owned by the identical natural persons.

16
17 * This legislation is effective July 1, 2013 and applies to administrative reviews
18 beginning in 2014. See Chapter 2013-72, Section 12, Laws of Florida (SB 1830).

19 20 21 **Exemptions for Tangible Personal Property**

22 Beginning in 2008, the first \$25,000 of tangible personal property listed on each return
23 is exempt. See section 196.183, F.S.

24
25 * See also Rule 12D-7.019, F.A.C., replacing Emergency Rule 12DER11-07 Tangible
26 Personal Property Exemption.

27
28 Household goods and personal effects are exempt. See section 196.181, F.S.

29
30 Inventory is exempt. See section 196.185, F.S.

31
32 **Note:** Legislation enacted in 2017 amended section 192.001(11)(c), F.S., to clarify that
33 the term "inventory" includes specified construction and agricultural equipment weighing
34 1,000 pounds or more that is returned to a dealership under a rent-to-purchase option
35 and held for sale to customers in the ordinary course of business. This change is
36 effective July 1, 2017, and applies to assessments and administrative reviews beginning
37 in 2018. See Chapter 2017-36, Sections 2 and 59, Laws of Florida (HB 7109).

38 39 40 **Other Exemptions**

41 Labor organization property. See section 196.1985, F.S.

42
43 Affordable housing. See section 196.1978, F.S.

44
45 **Note:** Legislation enacted in 2013 amended section 196.1978, F.S., to change the
46 types of ownership required to claim an affordable housing exemption.

2017 Value Adjustment Board Training - Module 9

1
2 * The law removes a provision qualifying as an exempt entity a Florida limited
3 partnership in which the sole general partner is a non profit corporation qualified as
4 charitable under the Internal Revenue Code and specified revenue procedures.

5
6 * This statutory change is effective July 1, 2013 and applies retroactively to
7 assessments as of January 1, 2013. See Chapter 2013-72, Section 11, Laws of Florida
8 (SB 1830).

9
10 **Note:** Legislation enacted in 2017 amended section 196.1978(2), F.S., to provide a 50
11 percent discount on property taxes for specified portions of certain multifamily properties
12 that offer affordable housing to specified low-income persons and families, if application
13 is made by March 1. This amendment also specifies procedures for the application of
14 the discount and provides conditions for the termination of the discount. The
15 amendment is effective starting in 2018. See Chapter 2017-36, section 6, Laws of Florida
16 (HB 7109).

17
18 Community centers. See section 196.1986, F.S.

19
20 Historic properties. See section 196.1997, F.S.

21
22 Historic properties open to the public. See section 196.1998, F.S.

23
24 Not for profit sewer and water companies. See section 196.2001, F.S.

25
26 Section 501(c)(12), I.R.C., not-for-profit water and wastewater systems. See section
27 196.2002, F.S.

28
29 Historic property used for certain commercial or non-profit purposes. See section
30 196.1961, F.S.

31
32 New and expanding businesses. See section 196.1995, F.S.

33
34 Renewable energy source devices. See section 196.182, F.S.

35
36 **Note:** Legislation enacted in 2017 created section 196.182, F.S. to provide an
37 exemption, from the tangible personal property tax, of 80 percent of the assessed value
38 of certain renewable energy source devices, if the device, as defined in s. 193.624, is
39 considered tangible personal property and:

40 (a) Is installed on real property on or after January 1, 2018;

41 (b) Was installed before January 1, 2018, to supply a municipal electric utility located
42 within a consolidated government; or

43 (c) Was installed after August 30, 2016, on municipal land as part of a described
44 project supplying a municipal electric utility for certain purposes.
45

2017 Value Adjustment Board Training - Module 9

1 This legislation also specifies conditions under which the exemption would not apply,
2 and specifies conditions under which the exemption would apply to devices affixed to
3 property owned or leased by the U.S. Department of Defense. This change is effective
4 July 1, 2017, and applies to assessments and administrative reviews beginning in 2018.
5 See Chapter 2017-118, Sections 3 and 8, Laws of Florida (CS/SB 90).

6
7 **Note:** Legislation enacted in 2014 amended section 196.1995, F.S, to provide that, in
8 order to qualify for the economic development exemption, the improvements to real
9 property must be made or the tangible personal property must be added or increased
10 after approval by motion or resolution of the local governing body, subject to ordinance
11 adoption, or on or after the day the ordinance is adopted.

12
13 * This legislation is effective May 12, 2014 and applies to assessments and
14 administrative reviews beginning in 2015. See Chapter 2014-40, Section 1, Laws of
15 Florida (HB 7081).

16
17 **Note:** Legislation enacted in 2016 amended sections 196.012 and 196.1995, F.S, to
18 provide:

- 19
20 • Language to describe the new businesses and expansions of existing businesses
21 that are eligible to receive the economic development property tax exemption. It
22 states that the new businesses and expansions of existing businesses that are in
23 areas that were designated as enterprise zones under Ch. 290, F.S., as of
24 December 30, 2015, but not in a brownfield area, may qualify for the property tax
25 exemption only if the local governing body approves by motion or resolution, subject
26 to ordinance adoption, or by ordinance enacted before December 31, 2015.
27
28 • All data center equipment for a data center will be exempt from property taxation for
29 the term of the approved exemption.
30
31 • Any exemption granted under this section will remain in effect for up to 10 years with
32 respect to any particular facility, or up to 20 years for a data center, regardless of
33 any change in the authority of the county or municipality to grant these exemptions
34 or the expiration of the Enterprise Zone Act under Ch. 290, F.S.
35
36 • This law's amendments to ss. 196.012 and 196.1995, F.S., which relate to the
37 property tax exemption for certain enterprise zone businesses, are remedial in
38 nature and apply retroactively to December 31, 2015.

39
40 See Chapter 2016-220, Sections 2, 3, and 4, Laws of Florida (HB 7099).

41
42 Space laboratories and carriers. See section 196.1999, F.S.

43
44 Biblical history display. See section 196.1987, F.S.

45
46 Hospitals, nursing homes, and homes for special services. See section 196.197, F.S.

2017 Value Adjustment Board Training - Module 9

1
2 **Note:** Legislation enacted in 2017 amended section 196.012(9), F.S., to include in the
3 terms “nursing home” or “home for special services”, institutions that possess a valid
4 license under chapter 429, part I, F.S., and to make this amendment applicable to the
5 2017 property tax roll. This change is effective May 25, 2017 and applies to
6 assessments and administrative reviews beginning in 2017. See Chapter 2017-36, Sections
7 3 and 4, Laws of Florida (HB 7109).

8
9 Nonprofit homes for the aged. See section 196.1975, F.S.

10
11 **Note:** Legislation enacted in 2017 amended section 196.1975(4)(c), F.S., to provide
12 that a not-for-profit corporation applying for an exemption for units or apartments under
13 paragraph (4)(a) of the statute must file, with the application, an affidavit from each
14 person who occupies a unit stating the person’s income; the corporation is not required
15 to provide an affidavit from a resident who is a totally and permanently disabled veteran
16 who meets the requirements of s. 196.081, F.S. The amendment also provides that, if
17 the property appraiser determines that additional documentation proving an affiant’s
18 income is necessary, the property appraiser may request it. This change is effective
19 July 1, 2017, and applies to assessments and administrative reviews beginning in 2018.
20 See Chapter 2017-36, Sections 5 and 59, Laws of Florida (HB 7109).

21
22 Proprietary continuing care facilities. See section 196.1977, F.S.

23
24 Licensed child care facilities located in an enterprise zone. See section 196.095, F.S.

25 26 27 **PART 3: Administrative Reviews of Denials of Property Classifications**

28
29 The Florida Constitution provides for certain “classifications” of property for assessment
30 purposes.

31
32 “Property Classification” or “Classification” means a classification of property for
33 assessment purposes according to applicable statutory criteria, including those in
34 Chapter 193, Part II, F.S., and an assessment of the property at its classified use value.

35
36 “Classified use value” means the value of a property that is based solely on the
37 property’s character or use and based on the applicable statutory criteria, without regard
38 to the property’s highest and best use. See section 192.001(2), F.S.

39
40 The sections below contain information on the administrative review of denials of
41 classifications, including information on the statutory criteria for classifications.

42 43 44 **The Administrative Review Process for Denials of Classifications**

45 Set forth below is a sequence of general procedural steps for Boards and special
46 magistrates to follow in administrative reviews of denials of classifications in order to

2017 Value Adjustment Board Training - Module 9

1 fulfill the procedural requirements of section 194.301, F.S., and Rule 12D-9.027(4),
2 F.A.C.

3
4 This sequence of steps applies to: the consideration of evidence, the development of
5 conclusions, and the production of written decisions. See Rule 12D-9.027(1), F.A.C.

6
7 *“The board or special magistrate shall not be required to make, at any time during a*
8 *hearing, any oral or written finding, conclusion, decision, or reason for decision.”* See
9 Rule 12D-9.025(9), F.A.C.

10
11 *“The board or special magistrate has the discretion to determine whether to make such*
12 *determinations during a hearing or to consider the petition and evidence further after the*
13 *hearing and then make such determinations.”* See Rule 12D-9.025(9), F.A.C.

14
15 Under Rule 12D-9.027(4), F.A.C., in administrative reviews of denials of classifications,
16 the Board or special magistrate shall follow this sequence of general procedural steps:

- 17
18 1. Consider the admitted evidence presented by the parties;
19
20 2. Identify the particular property classification issue that is the subject of the petition;
21
22 3. Identify the statutory criteria that apply to the property classification that was
23 identified as the issue under administrative review;
24
25 4. Identify and consider the essential characteristics of the petitioned property or the
26 property owner, as applicable, based on the statutory criteria that apply to the issue
27 under administrative review;
28
29 5. Identify and consider the basis used by the property appraiser in issuing the denial
30 of property classification for the petitioned property; and
31
32 6. Determine whether the admitted evidence proves by a preponderance of the
33 evidence that the property appraiser’s denial is incorrect and the property
34 classification should be granted because all of the applicable statutory criteria are
35 satisfied.

36
37 The Board or special magistrate must decide whether the admitted evidence, regardless
38 of which party presented the evidence, has sufficient weight (in relevance and
39 credibility) to legally justify overturning the property appraiser’s original determination
40 and granting the property classification.

41
42 If the admitted evidence proves the petitioner’s case by the greater weight of the
43 evidence, the original determination must be overturned and the petition granted.

44
45 If the admitted evidence does not legally justify overturning the property appraiser’s
46 original determination, the determination must be upheld.

Statutory Criteria for Property Classifications

The following sections of this module contain information on the statutory criteria that must be met to qualify for the property classifications available in Florida.

- * In the case of the more common classifications, this training presents more detail on the applicable statutory criteria.
- * Information on less common classifications not specifically addressed in this training can be found in Chapter 193, Part 2, F.S.

Statutory Criteria for Different Types of Property Classifications

Statutory criteria for the following types of property classifications are presented below.

Types of Property Classifications

- Agricultural Property
- Pollution Control Devices
- Noncommercial Recreational and Conservation Lands
- Historic Property
- High Water Recharge Property
- Working Waterfront Property
- Renewable Energy Source Device

Agricultural Property

Authorized in Article VII, Section 4(a), of the Florida Constitution.

The agricultural classification is governed by sections 193.451, 193.461, 193.4615, and 193.462, F.S.

Property owner must apply for classification as agricultural property by March 1. However, section 193.462, Florida Statutes, allows the Board to grant the classification even when an application was not made by the statutory deadline.

Qualifying property must be used for “bona fide agricultural purposes,” meaning good faith commercial usage. In determining bona fide agricultural use, the property appraiser may consider the following factors: See section 193.461(3)(b)1., F.S.

- a. The length of time the land has been utilized for bona fide agricultural purposes;
- b. Whether the use has been continuous;
- c. The purchase price paid;

2017 Value Adjustment Board Training - Module 9

- 1 d. Size, as it relates to specific agricultural use, but a minimum acreage may not be
2 required for agricultural assessment;
3
4 e. Whether an indicated effort has been made to care sufficiently and adequately for
5 the land in accordance with accepted commercial agricultural practices, including,
6 without limitation, fertilizing, liming, tilling, mowing, reforestation, and other accepted
7 agricultural practices;
8
9 f. Whether the land is under lease and, if so, the effective length, terms, and conditions
10 of the lease; and
11
12 g. Such other factors as may become applicable.
13

14 "Agricultural Purposes" include but are not limited to: See section 193.461(5), F.S.
15

- 16 * Horticulture
- 17 * Floriculture
- 18 * Viticulture
- 19 * Forestry
- 20 * Dairy
- 21 * Livestock
- 22 * Poultry
- 23 * Bees
- 24 * Pisciculture (when the land is used primarily for the production of tropical fish)
- 25 * Aquaculture
- 26 * Sod Farming
- 27 * All forms of farm products as defined in section 823.14(3), F.S., and farm
28 production
29

30 **Note:** Legislation enacted in 2013 amended section 193.451, F.S., to include
31 aquaculture crops as crops exempt from taxation until they have reached maturity or a
32 stage of marketability and have passed from the hands of the producer or offered for
33 sale.
34

35 * This legislation is effective July 1, 2013, and applies to assessments and
36 administrative reviews beginning in 2014. These changes do not apply to 2013
37 assessments or to 2013 administrative reviews. See Chapter 2013-72, Section 5, Laws
38 of Florida (SB 1830).
39

40 **Note:** Legislation enacted in 2013 amended section 193.461, F.S., to revise the
41 definition of "agricultural purposes" to include algaculture.
42

43 * This legislation is effective July 1, 2013, and applies to assessments and
44 administrative reviews beginning in 2014. These changes do not apply to 2013
45 assessments or to 2013 administrative reviews. See Chapter 2013-72, Section 6, Laws
46 of Florida (SB 1830).

2017 Value Adjustment Board Training - Module 9

1
2 **Note:** Legislation enacted in 2013 amended section 193.461, F.S., to delete the
3 evidentiary presumption that the land is not being used primarily for bona fide
4 agricultural purposes if the land was sold for a purchase price that is three or more
5 times the agricultural assessment.

6
7 * This legislation is effective May 30, 2013 and applies retroactively to January 1,
8 2013. See Chapter 2013-95, Section 1, Laws of Florida (CS/HB 1193).

9
10 **Note:** Legislation enacted in 2013 amended section 193.461, F.S., to delete the
11 requirement that the property appraiser must reclassify as nonagricultural, lands that
12 have been zoned to a nonagricultural use at the owner's request.

13
14 * This legislation is effective May 30, 2013 and applies retroactively to January 1,
15 2013. See Chapter 2013-95, Section 1, Laws of Florida (CS/HB 1193).

16
17 **Note:** Legislation enacted in 2013 amended section 193.461, F.S., to delete
18 authorization for the board of county commissioners to reclassify certain lands to
19 nonagricultural under specified circumstances when the lands are contiguous to urban
20 or metropolitan development.

21
22 * This legislation is effective May 30, 2013 and applies retroactively to January 1,
23 2013. See Chapter 2013-95, Section 1, Laws of Florida (CS/HB 1193).

24
25 Under section 193.461(3)(e), F.S., land that has received an agricultural classification
26 from the value adjustment board or a court of competent jurisdiction is entitled to
27 receive such classification in any subsequent year until: such agricultural use of the land
28 is abandoned or discontinued; the land is diverted to a nonagricultural use; or the land is
29 reclassified as nonagricultural pursuant to section 193.461(4), F.S.

30
31 * In Tilton v. Gardner, 52 So.3d 771 (Fla. 5th DCA 2010), the court, in reviewing a
32 denial of an agricultural classification that had been granted by the value adjustment
33 board in a prior assessment year under subsection 193.461(3)(e), F.S., applied the
34 physical activity test in determining whether record evidence was sufficient to justify
35 continuing the agricultural classification.

36
37 * The Florida Supreme Court has held that the key to determining whether an
38 agricultural classification should be granted is the actual physical activity on the
39 land. See Schultz v. Love PGI Partners, LP, 731 So.2d 1270, 1271 (Fla. 1999).
40 Also, see Straughn v. Tuck, 354 So.2d 368, 370 (Fla. 1977).

Agricultural Property: Dispersed Water Storage Programs

41
42
43
44 * Legislation enacted in 2014 amended Section 193.461, F.S., to provide that
45 agricultural lands that participate in a dispersed water storage program under a
46 contract with the Department of Environmental Protection or a water management

2017 Value Adjustment Board Training - Module 9

1 district, which requires flooding of land, will retain the agricultural classification as
2 long as the lands are included in the program or successor programs.

3
4 * The property appraiser will assess these lands as nonproductive agricultural lands.

5
6 * Lands that participate and are diverted from an agricultural use to a nonagricultural
7 use shall be assessed under Section 193.011, F.S.

8
9 * This legislation is effective July 1, 2014 and applies to assessments and
10 administrative reviews beginning in 2015. See Chapter 2014-150, Section 2, Laws of
11 Florida (HB 7091).

12 13 14 **Agricultural Property: Quarantine and Eradication Programs**

15 Agricultural land taken out of production due to a state or federal quarantine or
16 eradication program shall continue to be classified as agricultural property for the
17 duration of such program or successor program. See Section 193.461(7), F.S.

18
19 * If the land in the program lies fallow or is used for non-income producing purposes,
20 the land shall have a de minimus value of no more than \$50 per acre.

21
22 * If the land in the program is used for another permissible agricultural use, the land
23 shall be assessed based on that usage.

24
25 * If the land is converted to a non-agricultural use, it will be assessed as non-
26 agricultural property under section 193.011, F.S.

27
28 **Note:** Legislation was enacted in 2016 to amend section 193.461(7)(a), F.S., to provide
29 that lands classified for assessment purposes as agricultural lands that a state or
30 federal eradication or quarantine program takes out of production will remain agricultural
31 lands for the remainder of the program. Lands that these programs convert to
32 nonincome-producing uses will continue to be assessed at a minimum value of up to
33 \$50 per acre on a single-year assessment methodology.

34
35 Identifies the Citrus Health Response Program as a state or federal eradication or
36 quarantine program. The bill allows land to retain its agricultural classification for five
37 years after the date of execution of a compliance agreement between the landowner
38 and the Department of Agriculture and Consumer Services (DACS) or a federal agency,
39 as applicable, for this program or successor programs.

40
41 Lands under these programs that are converted to fallow or otherwise nonincome-
42 producing uses are still agricultural lands assessed at a minimal value of up to \$50 per
43 acre on a single-year assessment methodology while fallow or used for nonincome-
44 producing purposes. Lands under these programs that are replanted in citrus according
45 to the requirements of the compliance agreement are classified as agricultural lands

2017 Value Adjustment Board Training - Module 9

1 and are assessed at a minimal value of up to \$50 per acre, on a single-year
2 assessment methodology, during the five-year term of agreement.

3
4 See Chapter 2016-88, Sections 1 and 5, Laws of Florida (CS/CS/HB 749).

5 6 7 **Agricultural Property: Special Types**

8 See Sections 193.451 and 193.4615, F.S.

9 In addition to the classified use assessments of agricultural land discussed previously,
10 there are additional provisions which address specific kinds of agricultural property.

11
12 These provisions usually deal with the assessment of tangible personal property and
13 instruct that said property should either have no value placed upon it or that it should be
14 valued as salvage.

15
16 Items with no value:

- 17 * Growing annual crops
- 18 * Nonbearing fruit trees
- 19 * Raw agricultural products (until offered for sale)

20
21 Items valued as salvage:

- 22 * Citrus grading and classification equipment leased from the Department of
23 Agriculture
- 24 * Obsolete agricultural equipment

25 26 27 **Pollution Control Devices**

28 * This classification is governed by Section 193.621, F.S.

29
30 * State's pollution control devices installed in manufacturing or industrial plants or
31 installations shall be valued as salvage.

32
33 * Provides that demolition and reconstruction of part of such a facility for the purpose
34 of reducing pollution, and which does not substantially increase the productivity of
35 the facility, shall not increase the facility's assessed value.

36
37 * Allows the property appraiser to seek a recommendation from the Department of
38 Environmental Protection as to what constitutes pollution control.

39
40 * Allows the Department of Environmental Protection to promulgate rules concerning
41 this exemption.

42 43 44 **Noncommercial Recreation and Conservation Lands**

45 This classification is governed by Section 193.501, F.S.

2017 Value Adjustment Board Training - Module 9

1 To receive this classification, property must be subject to a conservation easement,
2 qualified as environmentally endangered land, designated as conservation land, or used
3 for outdoor recreational or park purposes.

4
5 In addition, the owner must convey all rights to develop the property to a public entity or
6 enter into a covenant with a public entity, for a period no less than ten years, providing
7 that the property shall be subject to one or more of the conservation restrictions
8 provided in Section 704.06(1), F.S. and shall not be used by the owner except for
9 outdoor recreational purposes.

10
11 If the covenant or conveyance extends for more than ten years, the property shall be
12 valued considering no factors other than those relative to its value for the present use
13 as restricted by the covenant or conveyance.

14
15 If the covenant has less than ten years left, the property will be valued at just value
16 considering the restrictions imposed by the covenant.

17
18 If the owner seeks to end the covenant before its expiration, he or she will be liable for
19 all deferred tax liability plus interest.

20 21 22 **Historic Property**

23 There are two separate sections of the Florida Statutes which enact two separate
24 programs for historic properties.

25
26 * Section 193.503, F.S., applies to historic properties used for commercial or certain
27 nonprofit purposes.

28
29 * Section 193.505, F.S., deals with other historically significant property.
30
31

32 **Historic Property: Section 193.503, F.S.**

33 The criteria for qualifying for this classification are as follows:

34
35 * Classification under this section must be authorized by the city or county, in which
36 case it applies to that entity's tax levy;

37
38 * An application for classification must be filed by March 1;

39
40 * The property must be used for commercial purposes or by a not-for-profit
41 organization under Section 501(c)(3) or (6) of the Internal Revenue Code;

42
43 * The property must be listed in the National Register of Historic Places, part of a
44 National Register Historic District, or must be designated as historic or part of a
45 historic district under a local preservation ordinance;
46

2017 Value Adjustment Board Training - Module 9

- 1 * The property must be maintained in good condition to preserve historic value; and
- 2
- 3 * The property must be open to the public 40 hours per week for 45 weeks per year or
- 4 for 1800 hours annually.

5
6 The classification is lost if the owner fails to continue to meet these criteria.

7 8 9 **Historic Property: Section 193.505, F.S.**

10 The criteria for qualifying for this classification are as follows:

- 11
- 12 * The property must be on the National Register of Historic places, in a certified locally
- 13 designated historic district, or found to be historic by the Division of Historical
- 14 Resources or a local historic preservation board;
- 15
- 16 * The owner must convey all rights to develop the property to the county governing
- 17 board or enter into a covenant for a period of no less than ten years providing that
- 18 the property shall not be used for any purpose inconsistent with historic preservation
- 19 or the historic qualities of the property;
- 20
- 21 * The county must agree to accept the development right or covenant and must
- 22 designate the property as historic by formal resolution;
- 23
- 24 * The county may not transfer development rights or use them in a manner
- 25 inconsistent with historic preservation or the historic qualities of the property;
- 26
- 27 * If the owner seeks to end the covenant before its expiration, he or she will be liable
- 28 for all deferred tax liability plus interest; and
- 29
- 30 * When the covenant ends, the owner is responsible for all deferred tax liability plus
- 31 interest.
- 32
- 33

34 **High Water Recharge Property**

35 The county or city must adopt an ordinance allowing for this classification. See Section

36 193.625, F.S.

- 37
- 38 * The ordinance shall provide the formula for assessing property which qualifies for
- 39 this classification.
- 40
- 41 * Land must be used for “bona fide high water recharge purposes.”
- 42
- 43 * Application for this classification must be made by March 1.
- 44
- 45 * The land owner must contract to use the land for high water recharge purposes for
- 46 five years or more.

2017 Value Adjustment Board Training - Module 9

1
2 In order to qualify as being used for “Bona Fide High Water Recharge Purposes”: See
3 Subsection 193.625(3)(b), F.S.

- 4
5 * The land use must have been continuous.
6
7 * The land use must be vacant residential, vacant commercial, vacant industrial,
8 vacant institutional, nonagricultural, or single-family residential.
9
10 * The maintenance of one single-family residential dwelling on part of the land does
11 not in itself preclude a high-water recharge classification.
12
13 * The land must be located within a prime groundwater recharge area or in an area
14 considered by the appropriate water management district to supply significant
15 groundwater recharge.
16
17 * Significant groundwater recharge shall be assessed by the appropriate water
18 management district on the basis of hydrologic characteristics of the soils and
19 underlying geologic formations.
20
21 * The land must not be receiving any other special classification.
22
23 * There must not be in the vicinity of the land any activity that has the potential to
24 contaminate the ground water, including, but not limited to, the presence of:
25
26 * Toxic or hazardous substances;
27 * Free-flowing saline artesian wells;
28 * Drainage wells;
29 * Underground storage tanks; or
30 * Any potential pollution source existing on a property that drains to the
31 property seeking the high-water recharge classification.
32
33 * The parcel of land must be at least ten acres.
34
35

Working Waterfront Property

36 The Florida Constitution sets forth criteria for classifying and valuing working waterfront
37 property.
38

39
40 The provisions of Amendment 6, working waterfronts, have been placed in the Florida
41 Constitution at Article VII, Section (4)(j), effective for the 2010 assessment year.
42

43 These provisions state as follows:
44

45 *“(j)(1) The assessment of the following working waterfront properties shall*
46 *be based upon the current use of the property:*

2017 Value Adjustment Board Training - Module 9

- 1
- 2 a. *Land used predominantly for commercial fishing purposes.*
- 3
- 4 b. *Land that is accessible to the public and used for vessel launches*
- 5 *into waters that are navigable.*
- 6
- 7 c. *Marinas and drystacks that are open to the public.*
- 8
- 9 d. *Water-dependent marine manufacturing facilities, commercial*
- 10 *fishing facilities, and marine vessel construction and repair*
- 11 *facilities and their support activities.*
- 12

- 13 (2) *The assessment benefit provided by this subsection is subject to*
- 14 *conditions and limitations and reasonable definitions as specified by*
- 15 *the legislature by general law.”*
- 16

17 The constitutional amendment on working waterfronts is self-executing with
18 authorization for the legislature to elaborate by general law.

19
20 In the 2009 and 2010 sessions, the legislature considered bills that did not pass but that
21 would have contained guidance for classifying and valuing working waterfront property.
22 These bills would have applied to the 2010 tax year if they had become law.

23
24 Amendment 6, creating classification of property used for working waterfronts, is
25 effective for the 2010 year in the absence of legislation.

26 27 28 **Renewable Energy Source Device Classification**

- 29 * Legislation enacted in 2013 created section 193.624, F.S., to provide for
- 30 assessment of a "renewable energy source device" installed on or after January 1,
- 31 2013, to new and existing residential real property.
- 32
- 33 * When determining the assessed value of real property used for residential purposes,
- 34 an increase in the just value of the property attributable to the installation of a
- 35 renewable energy source device may not be considered.
- 36
- 37 * This requirement is an exception to certain provisions relating to assessment of
- 38 changes, additions, or improvements in sections 193.155 and 193.1554, F.S.
- 39
- 40 * This legislation is effective July 1, 2013 and applies to assessments and
- 41 administrative reviews beginning in 2014. See Chapter 2013-77, Sections 1, 2, and
- 42 3, Laws of Florida (HB 277).
- 43

44 **Note:** Legislation enacted in 2017 amended section 193.624, F.S., to provide, for
45 nonresidential real property, that 80 percent of the just value attributable to a renewable
46 energy source device may not be considered in determining the assessed value of the

2017 Value Adjustment Board Training - Module 9

1 property; this provision applies to devices installed on nonresidential property on or after
2 January 1, 2018, except in a fiscally constrained county for which application for
3 comprehensive plan amendment or planned unit development zoning is made by
4 December 31, 2017. This change is effective July 1, 2017 and applies to assessments
5 and administrative reviews beginning in 2018. See Chapter 2017-118, Sections 2 and 8,
6 Laws of Florida (CS/SB 90).

7 8 9 **PART 4: Legislative Repeal of VAB Authority to** 10 **Conduct Administrative Reviews on Its Own Motion**

11
12 **Note:** Prior to 2013, the Board had statutory authority to review, on its own motion,
13 decisions by the property appraiser to grant exemptions and certain classifications.
14 However, legislation enacted in 2013 removed all authority for the Board to review, on
15 its own motion, the determinations of the property appraiser. This legislation is effective
16 May 30, 2013 and applies retroactively to January 1, 2013. See sections 1 through 4 of
17 Chapter 2013-95, Laws of Florida (CS/HB 1193), which amended, respectively, sections
18 193.461(2), 193.503(7), 193.625(2), and 196.194(1), F.S.

1 **Module 10:**
2 **Administrative Reviews of**
3 **Assessment Difference Transfers and Tax Deferrals**
4

5 Training Module 10 addresses the following topics:
6

7 **PART 1**

8 **Administrative Reviews of Assessment Difference Transfers**

- 9 • Overview of Assessment Difference Transfers (Portability)
10 • Petitions on Determinations Made in the New Homestead County
11 • Petitions on Determinations Made in the Previous Homestead County
12 • Procedures for a Hearing in the Previous Homestead County
13 • Procedures for a Cross County Hearing in the New Homestead County
14 • Statutory Criteria for Assessment Difference Transfers
15 • The Administrative Review Process for Assessment Difference Transfers
16

17 **PART 2**

18 **Administrative Reviews of Tax Deferrals and Penalties**

- 19 • Overview of Tax Deferrals
20 • Overview of Penalties on Tax Deferrals
21 • Unique Aspects of Petitions on Tax Deferrals and Penalties
22 • The Administrative Review Process for Tax Deferrals and Penalties
23
24

25 **Learning Objectives**

26 After completing this training module, the learner should be able to:
27

- 28 • Recognize and apply the definition of “assessment difference”
29 • Recognize and apply the definition of “portability” and “assessment difference
30 transfer”
31 • Identify the two general locations where portability may apply
32 • Recognize where a portability petition must be filed
33 • Identify and apply the requirements for petitions on determinations made in the new
34 homestead county
35 • Identify and apply the requirements for petitions on determinations made in the
36 previous homestead county
37 • Recognize and apply the procedures for a hearing in the previous homestead county
38 • Identify and apply the procedures for a cross county hearing in the new homestead
39 county
40 • Identify and apply the statutory criteria for assessment difference transfers
41 • Apply the administrative review process for assessment difference transfers
42 • Recognize how tax deferrals differ from exemptions
43 • Identify the property types for which tax deferrals could apply
44 • Identify when penalties on tax deferrals apply

2017 Value Adjustment Board Training - Module 10

- 1 • Recognize the unique aspects of petitions on tax deferrals and penalties
- 2 • Apply the administrative review process for tax deferrals and penalties

PART 1

Overview of Assessment Difference Transfers (Portability)

8 Under a constitutional amendment passed in January 2008, along with 2008 legislation,
9 a taxpayer may qualify to transfer the difference between the just value and assessed
10 value of his or her previous homestead property to a new homestead property.

11
12 “Assessment difference” means the difference between just value and assessed value
13 that can be transferred from a previous homestead property to a new homestead
14 property.

15
16 “Portability” and “assessment difference transfer” means the assessment, at less than
17 just value, of a new homestead property based on the transfer of an assessment
18 difference from a previous homestead property after the previous homestead has been
19 abandoned.

20
21 Subsection 193.155(8), F.S., sets time limits for qualifying for an assessment difference
22 transfer and sets limitations on the amount of the assessment difference that can be
23 transferred.

24
25 To qualify for transfer of an assessment difference, a homestead property owner must
26 timely file a portability application with the property appraiser, on a separate form.

27
28 * This portability application should be filed along with the homestead exemption
29 application for the new residence.

30
31 Portability may apply to a new homestead property located in the same county as the
32 previous homestead property or may apply to a new homestead property located in a
33 county other than the previous homestead county.

34
35 When a property owner applies for portability in a county other than the previous
36 homestead county, the property appraiser in the previous homestead county is required
37 to provide the amount of the assessment difference for the previous homestead to the
38 property appraiser in the new homestead county.

39
40 * Therefore, in cases where two counties are involved, the property appraiser in each
41 county must take actions that determine whether portability is granted and determine
42 the amount of the transfer.

43
44 Some of the criteria for qualifying for portability and calculating allowable amounts for
45 transfer are complex, especially when applied to multiple owners who separate, join
46 together, or transfer from one county to another.

2017 Value Adjustment Board Training - Module 10

1
2 The shares of the assessment difference cannot be sold, transferred, or pledged to any
3 taxpayer, except by sworn irrevocable designation of ownership shares between
4 husband and wife as described in Chapter 2012-193, Section 5, Laws of Florida.

5
6 * In the case of a husband and wife abandoning jointly titled property, the husband and wife
7 may designate the ownership share to be attributed to each spouse by following the
8 procedure in paragraph (f) of subsection 193.155(8), F.S. To qualify to make such a
9 designation, the husband and wife must be married on or before the date they abandon the
10 jointly owned property. See Chapter 2012-193, Section 5, Laws of Florida, amending
11 subsection 193.155(8)(d), F.S.

12
13 * A husband and wife abandoning jointly titled property, and who wish to designate the
14 ownership share of the previous homestead to be attributed to each person for
15 purposes of subsection 193.155(8)(d), F.S., must file a form with the property
16 appraiser in the previous homestead county. The filed form must include a sworn
17 statement by each person designating the ownership share of the abandoned
18 homestead to be attributed to each person for purposes of portability. Such a
19 designation of ownership shares, once filed with the previous property appraiser, is
20 irrevocable and cannot be changed. See Chapter 2012-193, Section 5, Laws of Florida,
21 creating subsection 193.155(8)(f), F.S.

22
23 More information on the applicable criteria is presented later in this module in a section
24 titled "Statutory Criteria for Assessment Difference Transfers".

25
26 Rule 12D-9.028, F.A.C., applies to the review of denials of assessment limitation
27 difference transfers and to the amount of an assessment limitation difference transfer.

28
29 No adjustment to the just, assessed, or taxable value of the previous homestead parcel
30 may be made pursuant to a petition under Rule 12D-9.028, F.A.C.

31 32 33 **Petitions on Determinations Made in the New Homestead County**

34 A portability petition must always be filed in the county where the new homestead
35 property is located.

36
37 However, in cases where two counties are involved, the law allows the petitioner to
38 appeal the actions of the property appraiser in the new homestead county and the
39 actions of the property appraiser in the previous homestead county.

40
41 If only a part of a transfer of assessment difference is granted by a property appraiser,
42 the notice of proposed property taxes (TRIM notice) functions as notice of the
43 taxpayer's right to appeal to the Board. See Rule 12D-9.028(2), F.A.C.

44
45 The Department has provided Form DR-490PORT for property appraisers to use in
46 notifying taxpayers of denials of portability.

2017 Value Adjustment Board Training - Module 10

1
2 To appeal either a denial of a transfer or the amount of a transfer, a taxpayer may file a
3 petition with the Board in the new homestead county using Form DR-486PORT. See
4 Rule 12D-9.028(2) and (3), F.A.C.

5
6 Form DR-486PORT is available on the Department's website at the following link:
7 <http://floridarevenue.com/property/Pages/Forms.aspx#ui-id-21>

8
9 This petition may be filed at any time during the taxable year by the 25th day following
10 the mailing of the notice of proposed property taxes as provided in Section 194.011,
11 F.S. See Rule 12D-9.028(2), F.A.C.

12
13 In hearings held in the new homestead county, the Board or special magistrate shall
14 review the application and accompanying evidence presented to the property appraiser
15 by the petitioner and shall hear the petition for portability. See Rule 12D-9.028(3), F.A.C.

16
17 Portability petitions shall be heard by an attorney special magistrate if the Board uses
18 special magistrates. See Rule 12D-9.028(3), F.A.C.

19
20 NOTE: When the petitioner indicates on the completed petition that he or she is
21 appealing the actions of the property appraiser in the previous homestead county, it is
22 necessary for two hearings to be held.

23
24 * The first of these two hearings must be held in the county where the previous
25 homestead property is located, and the second hearing must be held in the county
26 where the new homestead property is located.

Petitions on Determinations Made in the Previous Homestead County

27
28
29 Under Rule 12D-9.028(5), F.A.C., the petitioner may file a petition in the new
30 homestead county when the petitioner does not agree with either:

- 31
32
- 33 1. The denial by the property appraiser in the previous homestead county of an
34 assessment limitation difference; or
 - 35 2. The amount of the assessment limitation difference as determined by the property
36 appraiser in the previous homestead county.
- 37
38

39 A taxpayer who wants to appeal the action of the property appraiser in the previous
40 homestead county must so indicate by checking the appropriate box on the portability
41 petition (Form DR-486PORT) filed with the Board clerk in the new homestead county.
42 See Rule 12D-9.028(4), F.A.C.

43
44 Upon receiving the completed petition from the taxpayer, the Board clerk in the new
45 homestead county shall complete Form DR-486XCO and send it, along with the
46 taxpayer's petition, to the Board clerk in the previous homestead county.

2017 Value Adjustment Board Training - Module 10

1
2 When the Board clerk in the previous homestead county receives the completed Form
3 DR-486XCO and taxpayer's petition, that Board clerk must file these two documents as
4 a petition to the Board in the previous homestead county. See Rule 12D-9.028(6)(c),
5 F.A.C.

6
7 Form DR-486XCO is available on the Department's website at the following link:
8 <http://floridarevenue.com/property/Pages/Forms.aspx#ui-id-21>

9
10 * No filing fee is required in the previous homestead county. See Rule 12D-9.028(6)(c),
11 F.A.C.

12
13 If a Form DR-486XCO is properly filed, it operates as a timely petition and creates an
14 appeal to the Board in the previous homestead county on all issues surrounding the
15 previous assessment difference for the taxpayer involved. See Rule 12D-9.028(5) and
16 (6)(a), F.A.C.

17
18 Then, under Rule 12D-9.028(6)(b), F.A.C., the Board clerk in the previous homestead
19 county shall set the petition for hearing and send a notice of hearing to:

- 20
21 1. The petitioner(s);
22
23 2. The property appraiser in the previous homestead county; and
24
25 3. The property appraiser in the new homestead county.

26
27 Then, the Board or special magistrate in the previous homestead county shall hear the
28 petition.

29
30 * If the Board in the previous homestead county has already adjourned, it shall
31 reconvene to ensure that the petition is heard and a final decision is issued.

32
33 A taxpayer may not petition to have the just, assessed, or taxable value of the previous
34 homestead changed. See Rule 12D-9.028(6)(a), F.A.C.

35
36 NOTE: Unless the petitioner indicates on the completed petition that he or she is
37 appealing the actions of the property appraiser in the previous homestead county, it is
38 not necessary to send the petition to the Board clerk in the previous homestead county
39 or to hold a hearing in the previous homestead county.

40 41 42 **Procedures for a Hearing in the Previous Homestead County**

43 If the Board in the previous homestead county uses special magistrates, the petition
44 shall be heard by an attorney special magistrate. See Rule 12D-9.028(6)(d), F.A.C.
45

2017 Value Adjustment Board Training - Module 10

1 The petitioner may attend such hearing and present evidence, but need not do so. See
2 Rule 12D-9.028(6)(d), F.A.C.

3
4 If the petitioner does not appear at the hearing, the hearing shall go forward. See Rule
5 12D-9.028(6)(d), F.A.C.

6
7 The Board or special magistrate shall obtain the petition file from the Board clerk. See
8 Rule 12D-9.028(6)(d), F.A.C.

9
10 The Board or special magistrate shall consider deeds, property appraiser records that
11 do not violate confidentiality requirements, and other documents that are admissible
12 evidence. See Rule 12D-9.028(6)(d), F.A.C.

13
14 The petitioner may submit a written statement for review and consideration by the Board
15 or special magistrate explaining why the assessment difference transfer should be
16 granted based on applications and other documents and records submitted by the
17 petitioner. See Rule 12D-9.028(6)(d), F.A.C.

18
19 The Board in the previous homestead county shall issue a decision and the Board clerk
20 shall send a copy of the decision to the Board clerk in the new homestead county. See
21 Rule 12D-9.028(6)(e), F.A.C.

22
23

24 **Procedures for a Cross County Hearing in the New Homestead** 25 **County**

26 When the Board clerk in the new homestead county receives the decision of the Board
27 in the previous homestead county, the Board clerk must schedule and send notice to
28 the parties of a hearing before the Board or special magistrate in the new homestead
29 county.

30

31 The Board in the new homestead county may not hold its hearing until it has received
32 the decision from the Board in the previous homestead county. See Rule 12D-9.028(6)(f),
33 F.A.C.

34

35 In hearing the petition, the Board or special magistrate in the new homestead county
36 shall consider the decision of the Board in the previous homestead county on the issues
37 pertaining to the previous homestead and on the amount of any assessment difference
38 for which the petitioner qualifies. See Rule 12D-9.028(6)(f), F.A.C.

39

40 The consideration or adjustment of the just, assessed, or taxable value of the previous
41 homestead property is not authorized. See Rule 12D-9.028(7), F.A.C.

42

43

44 **Statutory Criteria for Assessment Difference Transfers**

45 Statutory criteria for assessment difference transfers are contained in Subsection
46 193.155(8), F.S.

2017 Value Adjustment Board Training - Module 10

1
2 See also Rule 12D-8.0065, F.A.C., Transfer of Assessment Limitation Difference:
3 “Portability”: Sworn Statement Required; Denials; Late Applications.

4
5 The amount of the assessment limitation difference is transferred as a reduction to the
6 just value of the interest owned by persons that qualify for and receive homestead
7 exemption on a new homestead property.

8
9 The portability applicant must establish a new homestead on the new residence by
10 January 1 of the year for which the applicant applies for portability.

11
12 If the applicant qualifies for portability, the assessment difference can be transferred,
13 with certain limits, from a previous homestead that was abandoned after January 1 in
14 either of the two preceding years.

15
16 Where multiple owners abandon a previous homestead and establish one or more new
17 homesteads, Subsection 193.155(8), F.S., provides criteria for determining the relative
18 shares of the transfer for each of the owners.

19
20 When two or more people establish a new homestead, the amount that can be
21 transferred is limited to the highest difference between just value and assessed value
22 from any of the new owners’ previous homesteads.

23
24 Additional provisions address how portability works when there are multiple owners.
25 See section 193.155(8), F.S., amended by Chapter 2012-193, Section 5, Laws of Florida. Also,
26 see Rule 12D-8.0065, F.A.C.

27
28 Two limitations of an assessment difference transfer are as follows:

- 29
30 1. The maximum amount that can be transferred is \$500,000.
31
32 2. If the new homestead is lower in value than the old homestead, there is a
33 percentage limitation on the amount that can be transferred as described in
34 section 193.155(8)(b), F.S., and Rule 12D-8.0065, F.A.C.

35 36 37 **The Administrative Review Process for Assessment Difference** 38 **Transfers**

39 The Board or Special Magistrate is not authorized to adjust the just, assessed, or
40 taxable value of the previous homestead property. See Rule 12D-9.028(1), F.A.C.

41
42 Under Rule 12D-9.027(4), F.A.C., in administrative reviews of assessment difference
43 transfers, the Board or special magistrate shall follow this sequence of general
44 procedural steps:

- 45
46 1. Consider the admitted evidence presented by the parties.

2017 Value Adjustment Board Training - Module 10

- 1
- 2 2. Identify the particular assessment difference transfer issue that is the subject of the
- 3 petition.
- 4
- 5 3. Identify the statutory criteria that apply to the portability assessment difference
- 6 transfer that was identified as the issue under administrative review.
- 7
- 8 4. Identify and consider the essential characteristics of the petitioned property or the
- 9 property owner, as applicable, based on the statutory criteria that apply to the issue
- 10 under administrative review.
- 11
- 12 5. Identify and consider the basis used by the property appraiser in issuing the denial
- 13 or determining the amount of the assessment difference transfer for the petitioned
- 14 property.
- 15
- 16 6. Determine whether the admitted evidence proves by a preponderance of the
- 17 evidence that the property appraiser's denial or partial denial is incorrect and the
- 18 portability assessment difference transfer should be granted because all of the
- 19 applicable statutory criteria are satisfied.
- 20

21 The Board or special magistrate must decide whether the admitted evidence, regardless
22 of which party presented the evidence, has sufficient weight (in relevance and
23 credibility) to legally justify overturning the property appraiser's original determination
24 and granting the portability assessment difference transfer.

25
26 If the admitted evidence proves the petitioner's case by the greater weight of the
27 evidence, the original determination must be overturned and the petition granted.

28
29 If the admitted evidence does not legally justify overturning the property appraiser's
30 original determination, the determination must be upheld.

31
32

PART 2

34

Overview of Tax Deferrals

36 Hearings on the denial of a tax deferral require the petitioner to show, by a
37 preponderance of the evidence, that he or she has met the statutory criteria for being
38 granted a deferral.

39

40 Tax deferrals differ from exemptions and classifications in that they do not reduce the
41 amount of taxes due on the property, but rather tax deferrals allow the taxpayer to defer
42 paying those taxes until a later time.

43

44 Essentially, a qualifying taxpayer may defer payment of all or part of the property taxes
45 until such time as the ownership or use of the land changes, at which time all of the
46 unpaid deferred taxes become due and payable.

2017 Value Adjustment Board Training - Module 10

1
2 Currently, there are three types of property tax deferrals, as listed below with references
3 to applicable sections of Florida Statutes.

4
5 The 2011 Legislature rewrote the laws pertaining to tax deferrals.

6
7 * The three types of homestead deferrals are now handled together in some statutory
8 sections and separately in others.

9
10 * See Chapter 2011-151 Laws of Florida (SB 478) effective July 1, 2011.

11
12 * The legislation created or amended sections 197.2421, 197.2423, 197.2425
13 (formerly 197.253), 194.243 (relating to homestead), 197.252 (relating to
14 homestead), 197.2524 (relating to working waterfront and affordable housing),
15 197.2526 (relating to affordable housing), 197.254, 197.262, 197.263, 197.272,
16 197.282, 197.292, and 197.301 (relating to penalties).

17
18 * The legislation repealed sections 197.242, 197.304, 197.3041, 197.3042, 197.3043,
19 197.3044, 197.3045, 197.3046, 197.3047, 197.307, 197.3072, 197.3073, 197.3074,
20 197.3075, 197.3076, 197.3077, 197.3078, and 197.3079, Florida Statutes. See
21 Chapter 2011-151, Section 59, Laws of Florida.

22 23 24 **Overview of Penalties on Tax Deferrals**

25 If a taxpayer who applies for a tax deferral willfully files incorrect information, either in
26 the application or in another required return, all deferred taxes and interest become due
27 and a penalty is also imposed.

28
29 This penalty may be appealed to the Board.

30
31 The burden of proof in these cases is on the petitioner and the standard of proof
32 remains preponderance of the evidence.

33 34 35 **Unique Aspects of Petitions on Tax Deferrals and Penalties**

36 Tax deferrals and associated penalties are administered by the tax collector and not by
37 the property appraiser.

38
39 * Therefore, the tax collector is a party to these types of petitions and the property
40 appraiser is not.

41
42 Petitions to the Board on these matters are made on Form DR-486DP, and not on Form
43 DR-486.

2017 Value Adjustment Board Training - Module 10

1
2 A petition regarding a tax deferral shall be considered timely if it is filed within 30 days
3 after the denial is mailed. See section 197.2425, F.S., created by Chapter 2011-151, Section
4 13, Laws of Florida.

5
6 A petition appealing penalties imposed for providing incorrect information regarding a
7 tax deferral is considered timely if filed within 30 days after the penalties are imposed by
8 the tax collector.

9

10

The Administrative Review Process for Tax Deferrals and Penalties

11 The Department does not have detailed rules for administrative reviews of deferrals and
12 penalties involving tax collectors.

13

14 Rather, Rule 12D-9.036, F.A.C., provides procedures for petitions on denials of tax
15 deferrals, stating the following:

16

17
18 *“(1) The references in these rules to the tax collector are for the handling of petitions of*
19 *denials of tax deferrals under Sections 197.253, 197.3041, and 197.3073, F.S., and*
20 *petitions of penalties imposed under Sections 197.301, 197.3047, and 197.3079, F.S.”*

21

22 *“(2) To the extent possible where the context will permit, such petitions shall be handled*
23 *procedurally under this rule chapter in the same manner as denials of exemptions.”*

24

25 * NOTE: This rule is being revised for consistency with Chapter 2011-151, Laws of
26 Florida.

27

28 The procedures for administrative reviews of denials of deferrals and penalties include
29 those provided for exemptions in Rules 12D-9.027(4)(b) through (g), F.A.C.

30

31 * However, the procedures provided in Rule 12D-9.027(4)(a), F.A.C., specifically do
32 NOT apply to administrative reviews regarding deferrals and penalties.

1
2
3 **Module 11:**
4 **Requirements for Written Decisions**

5 **Training Module 11 addresses the following topics:**

- 6 • Written Decisions and Taxpayer Rights
7 • General Requirements for Written Decisions
8 • Required Forms for Written Decisions
9 • Statements on Board Decisions by the Auditor General
10 • Statements on Board Decisions by Florida Courts
11 • Sufficiency of Evidence
12 • Evaluation of the Relevance of Evidence
13 • Evaluation of the Credibility of Evidence
14 • Requirements for Findings of Fact
15 • Requirements for Conclusions of Law
16 • Specific Requirements for Findings of Fact and Conclusions of Law
17 • Reasons for Recommended Decisions and Final Decisions
18
19

20 **Learning Objectives**

21 After completing this training module, the learner should be able to:

- 22
23 • Apply taxpayer rights to written decisions
24 • Identify the conditions under which a written decision is required
25 • Recognize and properly complete the required forms for written decisions
26 • Recognize statements from the Auditor General and Florida courts on findings of fact
27 and conclusions of law
28 • Evaluate the relevance of evidence
29 • Evaluate the credibility of evidence
30 • Identify and apply the requirements for findings of fact
31 • Identify and apply the requirements for conclusions of law
32 • Identify and apply the specific requirements for findings of fact and conclusions of
33 law
34 • Recognize the requirements for reasons for upholding or overturning the
35 assessment
36
37

38 **Written Decisions and Taxpayer Rights**

39 Florida Statutes provide the following taxpayer right: *“The right to be mailed a timely*
40 *written decision by the value adjustment board containing findings of fact and*
41 *conclusions of law and reasons for upholding or overturning the determination of the*
42 *property appraiser.”* See Subsections 192.0105(2)(g) and 194.034(2), F.S.
43

44 The special magistrate and Board clerk shall observe the petitioner’s right to be sent a
45 timely written recommended decision containing proposed findings of fact and proposed

2017 Value Adjustment Board Training - Module 11

1 conclusions of law and reasons for upholding or overturning the determination of the
2 property appraiser. See Rule 12D-9.030(1), F.A.C.

3
4 The taxpayer has the right to be issued a timely written decision by the Board within 20
5 calendar days of the last day the Board is in session pursuant to Section 194.032, F.S.
6 See Rule 12D-9.001(2)(k), F.A.C.

7
8 The Florida Supreme Court has stated that the lawful issuance of findings of fact and
9 conclusions of law by the Board is a requirement of due process. See Miller v. Nolte, 453
10 So.2d 397 (Fla. 1984).

11 12 13 **General Requirements for Written Decisions**

14 In the value adjustment board process, written decisions include the following:

- 15
16 1. Remand decisions produced by the Board or special magistrate, as applicable;
- 17
18 2. Recommended decisions produced by special magistrates; and
- 19
20 3. Final decisions produced by the value adjustment board.

21
22 As used in this training, the terms “findings of fact” and “conclusions of law” include
23 proposed findings of fact and proposed conclusions of law produced by special
24 magistrates in their recommended decisions. See Rule 12D-9.030(5), F.A.C.

25
26 When required under Rule 12D-9.029, F.A.C., the Board or special magistrate shall
27 produce a written remand decision that contains findings of fact, conclusions of law, and
28 appropriate directions to the property appraiser. See Rules 12D-9.029(4) and (6), F.A.C.

29
30 For each petition not withdrawn or settled, special magistrates shall produce a written
31 recommended decision that contains findings of fact, conclusions of law, and reasons
32 for upholding or overturning the property appraiser’s determination. See Rule 12D-
33 9.030(1), F.A.C.

34
35 For each petition not withdrawn or settled, the Board shall produce a written final
36 decision that contains findings of fact, conclusions of law, and reasons for upholding or
37 overturning the property appraiser’s determination. See Rule 12D-9.032(1)(a), F.A.C.

38
39 * For all withdrawn or settled petitions, a special magistrate shall not produce a
40 recommended decision and the Board shall not produce a final decision. See Rule
41 12D-9.021(5), F.A.C.

42
43 Each recommended decision and each final decision shall contain sufficient factual and
44 legal information and reasoning to enable the parties to understand the basis for the
45 decision, and shall otherwise meet the requirements of law. See Rules 12D-9.030(1) and
46 12D-9.032(1)(a), F.A.C.

2017 Value Adjustment Board Training - Module 11

1 The Board shall issue all final decisions within 20 calendar days of the last day the
2 Board is in session pursuant to Section 194.032, F.S. See Rule 12D-9.032(4), F.A.C.

5 **Required Forms for Written Decisions**

6 For producing recommended decisions and final decisions, the Department prescribes
7 the Form DR-485 series, and any electronic equivalent forms approved by the
8 Department under Section 195.022, F.S. See Rule 12D-9.030(4), F.A.C.

- 9
- 10 * The Form DR-485 series is available on the Department's website at the following
11 link: <http://floridarevenue.com/property/Pages/Forms.aspx#ui-id-21>
- 12
- 13 * Boards and special magistrates are required to use forms that are current and up-to-
14 date.
- 15
- 16 * The Form DR-485 series, or approved electronic equivalent forms, are the only
17 forms that shall be used for producing remand decisions, recommended decisions,
18 and final decisions. See Rules 12D-9.029(4), 12D-9.030(4), and 12D-9.032(5), F.A.C.
- 19
- 20 * The Form DR-485 series has separate sections for findings of fact and conclusions
21 of law. Additional sheets may be attached to the form if more space is needed to
22 properly complete the required sections listed on the form.
- 23

24 For producing written remand decisions, the Board or special magistrate must correctly
25 complete Form DR-485R, which also has a separate section for appropriate directions
26 to the property appraiser.

27

28 For producing recommended decisions on value petitions, an appraiser special
29 magistrate must correctly complete Form DR-485V.

30

31 For producing recommended decisions on exemption, classification, or portability
32 petitions, an attorney special magistrate must correctly complete Form DR-485XC.

33

34 For producing final decisions, the Board must use Form DR-485V for value petitions
35 and must use Form DR-485XC for exemption, classification, or portability petitions.

37 **Statements on Board Decisions by the Auditor General**

38 The Florida Auditor General reports to and works for the Florida Legislature. Generally,
39 the Auditor General is authorized to conduct performance audits of state and local
40 governments.

41

42 Auditor General's [Report No. 2006-007](#), issued in July 2005, contained the results of the
43 Auditor General's performance audit of Value Adjustment Boards.

44

45 This report contains criticisms of past written decisions of value adjustment boards.

2017 Value Adjustment Board Training - Module 11

1 This Auditor General's report contained the following two statements:

2
3 * *"Our review of the written decisions of the special masters and the Boards revealed*
4 *that 37 percent of the written decisions (52 of 139) from Boards in 11 counties...did*
5 *not contain sufficient details in the findings of fact section of the written decisions to*
6 *satisfy the applicable requirements of the above-cited statute and rule."*

7
8 * *"We recommend that the Boards review the content of written findings and*
9 *conclusions, whether heard by the Boards or special masters, and ensure that those*
10 *findings and conclusions are documented in accordance with Section 194.034(2),*
11 *Florida Statutes, and Department of Revenue Rule 12D-10.003(5)(a), Florida*
12 *Administrative Code."*

13
14 **Note:** Rule 12D-10.003(5)(a), cited by the Auditor General in 2005 as shown above,
15 was later re-numbered to Rule 12D-10.003(3) as part of a rule amendment effective
16 March 30, 2010. Users of these training materials are directed to current Rule 12D-
17 10.003(3), F.A.C.

20 **Statements on Board Decisions by Florida Courts**

21 Florida court decisions have also commented on the inadequacy of some past written
22 records.

23
24 The following four statements appear, along with other statements, in a Florida
25 appellate court decision that was critical of a Board's written decision. See Palm Beach
26 Gardens Community Hospital, Inc. v. Nikolits, 754 So.2d 729 (Fla. 4th DCA 1999).

27
28 * *"The requirement that the value adjustment board shall contain in its decision findings*
29 *of fact and conclusions of law and shall contain reasons for upholding or overturning*
30 *the determination of property appraiser is not discretionary but mandatory."* Also, see
31 Subsection 194.034(2), F.S.

32
33 * *"A review of the Record of Decision and Notice of the Value Adjustment Board reveals*
34 *the total absence of findings of facts and the total absence of reasons for upholding*
35 *the property appraiser."*

36
37 * *"Under the heading 'conclusions of law,' the value adjustment board merely states:*
38 *'Petitioner did not overcome burden of proof.'"*

39
40 * *"Simply saying, as the board did in this case, that the taxpayer failed to carry his*
41 *burden of proof is little more than saying, 'sorry, but you lose.'"*

42
43 Another Florida appellate court determined that a Board's written decisions were
44 inadequate and did not meet the requirements of law. See Higgs v. Property Appraisal
45 Adjustment Board of Monroe County, 411 So.2d 307 (Fla. 3d DCA 1982).

46
47 This court stated the following regarding the Board's decisions.

2017 Value Adjustment Board Training - Module 11

1
2 * *“Eight of the decisions contain no reasons, findings or conclusions at all; twelve give*
3 *as a reason ‘condition of building’ or ‘condition of house’; three expand upon this by*
4 *stating ‘condition of building (or house) not computed properly’; two say ‘land use*
5 *restricted’; and the remainder variously state ‘income factors,’ ‘set back restrictions,’*
6 *‘restricted use of land-Old Island District,’ ‘lot location and restricted use,’ and ‘due to*
7 *condition.’”*

8
9 * This court then referred to the *“woeful inadequacy of these statements.”*

10
11 * This court also stated the following regarding the decisions of this Board.

12
13 * *“The Board does not seriously contend, and indeed cannot, that the written decisions*
14 *comport with the law's requirements.”*

15
16 Thus, Florida courts have expressed the importance of timely, written Board decisions
17 that include appropriate findings of fact, conclusions of law, and reasons for upholding
18 or overturning the determination of the property appraiser.

Sufficiency of Evidence

19
20
21 When applied to evidence, the term “sufficient” is a test of adequacy. See Rule 12D-
22 9.027(6), F.A.C.

23
24
25 Sufficient evidence is admitted evidence that has enough overall weight, in terms of
26 relevance and credibility, to legally justify a particular conclusion. See Rule 12D-9.027(6),
27 F.A.C.

28
29 A particular conclusion is justified when the overall weight of the admitted evidence
30 meets the standard of proof that applies to the issue under consideration. See Rule 12D-
31 9.027(6), F.A.C.

32
33 The Board or special magistrate must consider the admitted evidence and determine
34 whether it is sufficiently relevant and credible to reach the “preponderance of the
35 evidence” standard of proof. See Rules 12D-9.025(1)(d), 12D-9.027(5), and 12D-9.027(6),
36 F.A.C.

Evaluation of the Relevance of Evidence

37
38
39 For administrative reviews, “relevant evidence” is evidence that is reasonably related,
40 directly or indirectly, to the statutory criteria that apply to the issue under review. See
41 Rule 12D-9.025(2)(b), F.A.C.

42
43
44 * This description means the evidence meets or exceeds a minimum level of
45 relevance necessary to be admitted for consideration, but does not necessarily
46 mean that the evidence has sufficient relevance to legally justify a particular
47 conclusion. See Rule 12D-9.025(2)(b), F.A.C.

2017 Value Adjustment Board Training - Module 11

1
2 In evaluating the relevance of evidence, the Board or special magistrate must consider,
3 as of the January 1 assessment date, how well the evidence relates to the petitioned
4 property or property owner, as applicable, and to the statutory criteria that apply.
5

6 Presented below is some information on relevant evidence from recognized sources.
7

8 *“Relevant evidence is evidence tending to prove or disprove a material fact.”* See Section
9 90.401, F.S.

10
11 *“In order for evidence to be relevant, it must have a logical tendency to prove or*
12 *disprove a fact which is of consequence to the outcome of the action. The definition of*
13 *relevant evidence in section 90.401 combines the traditional principles of ‘relevancy’*
14 *and ‘materiality.’ The concept of ‘relevancy’ has historically referred to whether the*
15 *evidence has any logical tendency to prove or disprove a fact.”* See Ehrhardt’s *Florida*
16 *Evidence, 2008 Edition, pages 126-127.*
17

18 *“Included within the section 90.401 definition of relevancy is the concept of materiality;*
19 *the evidence must ‘tend to prove or disprove a material fact.’ When evidence is offered*
20 *to prove a fact which is not a matter in issue, it is said to be immaterial.”* See Ehrhardt’s
21 *Florida Evidence, 2008 Edition, page 129.*
22

23 *“In order to determine whether evidence has probative value, the fact for which it is*
24 *offered to prove must be identified. Evidence may be probative of one fact and not of*
25 *another.”* See Ehrhardt’s *Florida Evidence, 2008 Edition, pages 128-129.*
26

27 *“Whether the evidence has probative value is an issue for the discretion of the court.”*
28 *See Ehrhardt’s Florida Evidence, 2008 Edition, page 129.*
29
30

Evaluation of the Credibility of Evidence

31 For administrative reviews, “credible evidence” is evidence that is worthy of belief
32 (believable). See *Black’s Law Dictionary, Eighth Edition, page 596.*
33
34

35 The definition above means the evidence meets or exceeds a minimum level of
36 credibility, but does not necessarily mean that the credible evidence has sufficient
37 weight to legally justify a particular decision.
38

39 Generally, the two types of evidence presented in a Board hearing are testimonial
40 evidence and documentary evidence.
41

42 * Testimonial evidence (testimony) means statements lawfully made by persons at the
43 hearing.
44

45 * Documentary evidence means documentation lawfully presented by persons at the
46 hearing.
47

2017 Value Adjustment Board Training - Module 11

1 To evaluate the credibility of evidence, the Board or special magistrate may consider
2 factors such as the demeanor of the witnesses and the content, meaning, plausibility,
3 consistency, reasonableness, and validity of the evidence.
4

5 The following excerpt on determining the credibility of expert witnesses appears in the
6 [Florida Standard Civil Jury Instructions](#), approved for publication by the Florida
7 Supreme Court.
8

9 * *“You may accept such opinion testimony, reject it, or give it the weight you think it
10 deserves, considering the knowledge, skill, experience, training, or education of the
11 witness, the reasons given by the witness for the opinion expressed, and all the
12 other evidence in the case.”*
13

14 It is important that Boards and special magistrates consider the credibility of a unit of
15 evidence in light of all of the evidence.
16

17 A text on Florida evidence states the following on weighing testimonial evidence in a
18 civil case.
19

20 * *“What counts is not the volume of the evidence but the quality—not how many
21 witnesses testify but the persuasiveness of the testimony.”* See *Ehrhardt’s Florida
22 Evidence, 2008 Edition*, pages 98-99.
23

24 How can the Board or special magistrate evaluate the credibility of documentary
25 evidence (documents, photographs, etc.)?
26

27 Determining whether documentary evidence is authentic (genuine) is part of evaluating
28 the credibility of the evidence. Genuine means the evidence is what it is claimed to be.
29

30 Documentary evidence may be authenticated by evaluating its appearance, contents,
31 substance, internal patterns, or other distinctive characteristics, taken in conjunction
32 with the circumstances. See ITT Real Estate Equities, Inc. v. Chandler Insurance Agency,
33 Inc., 617 So.2d 750 (Fla. 4th DCA 1993).
34

35 Other considerations for evaluating documentary evidence may include: the relative
36 roles of the item’s creator and intended user; the effective date and intended use of the
37 item; and whether the item is signed.
38

Requirements for Findings of Fact

40 Florida law requires that remand decisions, recommended decisions, and final decisions
41 include findings of fact.
42

43
44 *“Every decision of the board must contain specific and detailed findings of fact...”* See
45 Rule 12D-10.003(3), F.A.C.
46

47 Findings of fact must be produced and kept in writing.

2017 Value Adjustment Board Training - Module 11

1
2 As used in this training, the term “findings of fact” includes proposed findings of fact
3 produced by special magistrates in their recommended decisions.

4
5 Findings of fact are written statements on factual conclusions based only upon the
6 evidence.

7
8 The Board legal counsel is responsible for providing the advice and assistance
9 necessary to assure that findings of fact are produced in accordance with law.

10
11 Findings of fact must be sufficiently detailed for third parties to understand the findings,
12 and to understand the evidence and reasoning on which the findings of fact must be
13 based.

14
15 Each finding of fact must be properly annotated to its supporting evidence. See Rule
16 12D-10.003(3), F.A.C, referring to “basic and underlying finding.”

17
18 Findings of fact are those findings on which the conclusions of law rest and which are
19 supported by evidence. Findings of fact are more detailed than the conclusions of law
20 but less detailed than a summary of the evidence. See Rule 12D-10.003(3)(b), F.A.C,
21 referring to “basic and underlying findings” and “ultimate findings.”

22
23 In arriving at the findings of fact, the Board or special magistrate must determine and
24 consider the relevance and credibility of the evidence.

25 26 **Tips for Producing Written Findings of Fact**

27 The written findings of fact should:

- 28
- 29 1. Be based upon the relevance and credibility of the evidence;
 - 30
 - 31 2. Be reasonably related to statutory attributes of the subject property or, when
32 applicable, to statutory attributes of the subject property owner;
 - 33
 - 34 3. Be expressed in terms of the statutory criteria that apply to the issue under
35 administrative review;
 - 36
 - 37 4. Specifically identify the record evidence, or lack of record evidence, that relates to
38 each of the statutory criteria that apply to the issue under administrative review, and
39 specifically state how and why such evidence, or lack of evidence, relates to each of
40 these criteria;
 - 41
 - 42 5. Be stated clearly, and answer the questions of “who, what, when, where, how, and
43 why” regarding the evidence;
 - 44
 - 45 6. Provide clear support for the conclusions of law that are required in each of the steps
46 set forth in Rule 12D-9.027, F.A.C., which apply to the issue under administrative
47 review;

2017 Value Adjustment Board Training - Module 11

1
2 7. Provide reasons for upholding or overturning the property appraiser's determination;
3 and

4
5 8. Otherwise meet all requirements of law.
6
7

8 **Requirements for Conclusions of Law**

9 Florida law requires that remand decisions, recommended decisions, and final decisions
10 include conclusions of law.

11
12 Conclusions of law must be produced and kept in writing.
13

14 As used in this training, the term "conclusions of law" includes proposed conclusions of
15 law produced by special magistrates in their recommended decisions.
16

17 A conclusion of law is a written statement specifying which part(s) of law apply to a
18 finding of fact and stating how the law applies to the finding of fact.
19

20 The Board attorney is responsible for providing the advice and assistance necessary to
21 assure that conclusions of law are developed in accordance with law.
22

23 Conclusions of law must be sufficiently detailed for third parties to understand the
24 conclusions of law, and to understand the evidence and facts on which the conclusions
25 must be based.
26

27 A conclusion of law is usually expressed in the language of a statutory standard and
28 must be supported by and flow rationally from the findings of fact. See Rule 12D-
29 10.003(3)(a), F.A.C., referring to "ultimate finding" and "basic and underlying findings."
30

31 **Tips for Producing Written Conclusions of Law**

32 The written conclusions of law should:
33

- 34 1. Be based only upon the evidence, the findings of fact, and the provisions of law that
35 apply to the issue under administrative review;
36
- 37 2. Be stated in terms of the provisions of law that apply to the substantive content of the
38 administrative review (see Rule 12D-9.027, F.A.C.), and specifically state how and
39 why the record evidence satisfies or fails to satisfy the applicable statutory criteria;
40
- 41 3. When stating a standard of proof, state only the standard of "preponderance of the
42 evidence;" [See Section 194.301, F.S., as amended by Chapter 2009-121, Laws of Florida
43 (House Bill 521)];
44
- 45 4. Specifically and separately address each of the steps set forth in Rule 12D-9.027,
46 F.A.C., which apply to the issue under administrative review;
47

2017 Value Adjustment Board Training - Module 11

- 1 5. Provide reasons for upholding or overturning the property appraiser's determination;
2 and
3
- 4 6. Otherwise meet all requirements of law.
5
6

7 **Specific Requirements for Findings of Fact and Conclusions of Law**

8 Florida law contains specific requirements for findings of fact and conclusions of law
9 under certain conditions.

10
11 Rule 12D-9.021(8), F.A.C., provides that decisions issued under Rules 12D-9.021(6) or
12 (7), F.A.C., shall not be treated as withdrawn or settled petitions and shall contain:

- 13
14 1. A finding of fact that the petitioner did not appear at the hearing and did not state
15 good cause; and
16
- 17 2. A conclusion of law that the relief is denied and the decision is being issued in order
18 that any right the petitioner may have to bring an action in circuit court is not
19 impaired.
20

21 When producing a written remand decision under Rule 12D-9.029(6), F.A.C., the Board
22 or special magistrate shall produce written findings of fact and conclusions of law
23 necessary to determine that a remand is required. See Rule 12D-9.029(4), F.A.C.
24

25 Rule 12D-9.029(9)(b), F.A.C., provides that when a petitioner does not notify the Board
26 clerk that the results of the property appraiser's written remand review are unacceptable
27 to the petitioner and does not request a continuation hearing, or if the petitioner waives
28 a continuation hearing, the Board or special magistrate shall issue a decision or
29 recommended decision that shall contain:

- 30
31 1. A finding of fact that the petitioner did not request a continuation hearing or waived
32 such hearing; and
33
- 34 2. A conclusion of law that the decision is being issued in order that any right the
35 petitioner may have to bring an action in circuit court is not impaired.
36

37 Legal advice from the Board attorney relating to the facts of a petition or to the specific
38 outcome of a decision, if in writing, shall be included in the record and referenced within
39 the findings of fact and conclusions of law. See Rule 12D-9.030(6), F.A.C.
40

41 * If not in writing, legal advice from the Board attorney shall be documented within the
42 findings of fact and conclusions of law. See Rule 12D-9.030(6), F.A.C.

2017 Value Adjustment Board Training - Module 11

1 **Reasons for Recommended Decisions and Final Decisions**

2 All recommended decisions and all final decisions must contain written reasons for
3 upholding or overturning the property appraiser's determination. See Rules 12D-9.030(1)
4 and 12D-9.032(1)(a), F.A.C.

5
6 Reasons are those clearly stated grounds upon which the Board acted. See Rule 12D-
7 10.003((3)(c), F.A.C.

8
9 Reasons for upholding or overturning a particular determination of the property
10 appraiser must be based only upon the evidence, the findings of fact, and the
11 conclusions of law for that petition.

12
13 Reasons should be sufficiently detailed for the parties to understand the reasons, and to
14 understand the evidence, facts, and law on which the reasons must be based.

15
16 Reasons should be expressed in findings of fact and conclusions of law.
