What is Eligible for Refund?

The Florida fuel tax paid to your supplier on undyed tax-paid diesel fuel purchased in Florida and consumed by the engine of a "qualified" motor coach during idle time for the purposes of running climate-control systems and maintaining electrical systems for the motor coach in this state. A "qualified" motor coach is one which is:

- Privately owned.
- Designed to carry nine or more passengers.
- Has a gross vehicle weight of at least 33,000 pounds.
- Used exclusively in the commercial application of transporting passengers for compensation.
- Has the capacity to measure diesel fuel consumed in Florida during idling separate from diesel fuel consumed to propel the vehicle in this state, by way of an on-board computer.

When Can I File?

A purchaser may make one claim per calendar year. The annual refund claim must be submitted before April 1 of the year following the year in which the tax was paid.

Line-by-Line Instructions

You must first complete Schedules III and IV.

Part I – Computation of Net Refund Due

- Line 1. Enter the "Gallons Eligible for Refund" as reported on Part III - Schedule of Idle Consumption.
- Line 2. Enter the total from Line 1, "Total Gallons of Undyed Diesel Purchased in Florida" (Sum of Column B) from Part IV - Schedule of Undyed Diesel Fuel Purchased in Florida for Use in a Motor Coach.
- Line 3. Enter the lesser of Line 1 or Line 2. This will be the net number of gallons eligible for refund. Only gallons of fuel purchased in Florida are eligible for refund.
- Line 4. The fuel tax rate eligible for refund during the calendar year, as provided in section 206.8745(8), Florida Statutes, is entered by the Department.
- Line 5. Multiply Line 3 by the rate shown on Line 4 and enter here. This is the amount of your fuel tax refund prior to the sales tax offset.
- Line 6. Enter the amount from Part II, Line 17.
- Line 7. Multiply Line 3 by Line 6. This is the cost of the net gallons eligible for refund.
- Line 8. Multiply Line 7 by 6% and enter here. This is the total state sales tax due on the cost of the fuel eligible for refund.
- Line 9. Multiply Line 7 by the applicable local discretionary sales surtax rate in your county and enter here. The local discretionary sales surtax rate can be obtained on

Department of Revenue's Internet site at floridarevenue.com/taxes/rates

- Line 10. Add Line 8 and Line 9 and enter here. This is the total sales tax amount due on the gallons eligible for refund.
- Line 11. Subtract Line 10 from Line 5 and enter here. This is the net amount of refund due.

Part II – Computation of Average Cost Per Gallon

- Line 12. Enter the total from Line 1, "Total Gallons of Undyed Diesel Purchased in Florida" (Sum of Column B) from Part IV - Schedule of Undyed Diesel Fuel Purchased in Florida for Use in a Motor Coach. This amount should be the same as the amount shown on Part I, Line 2.
- Line 13. Enter the amount from Line 2 - "Total Price Paid for Gallons Purchased in Florida" from Part IV, Schedule of Undyed Diesel Fuel Purchased in Florida for Use in a Motor Coach.
- Line 14. The applicable state and local option tax rate for undyed diesel purchased during the calendar year, as provided in section 206.8745(8), Florida Statutes, is entered by the Department.
- Line 15. Multiply Line 12 by Line 14 and enter total here. This is the total state and local option fuel taxes paid on undyed diesel purchased in Florida.
- Line 16. Subtract Line 15 from Line 13 and enter here. This is your total cost of undyed diesel purchased in Florida less the state and local taxes.
- Line 17. Divide Line 16 by Line 12 and enter total here. **The result must be carried out to four decimal places.**

Part III – Schedule of Fuel Consumed During Idle in Florida

- This schedule should be completed only for those buses that had some mileage in Florida.
- Column A. Enter the motor coach identification number for each bus in this column. The identification number may be the vehicle serial number or license number.
- Column B. Enter the total miles traveled by this bus in Florida during the calendar year.
- Column C. Enter the total miles traveled by this bus in all states during the calendar year.
- Column D. Divide Column B by Column C and enter the result here. This is the percentage of usage allocated to Florida.
- Column E. Enter the total gallons consumed during idle by each bus for the calendar year. This must be supported by records generated from an on-board computer. The on-board computer

General Information and Line-by-Line Instructions continued

must be able to identify the motor coach, the **actual gallons consumed** during idle time, and the beginning and ending dates of the period in which the fuel was used.

Column F. Multiply Column D by Column E and enter the result here. This figure is the undyed diesel gallons consumed during idle in Florida. The total of this column, for all motor coaches, should be entered on Part I, Line 1 of the Refund Claim.

Part IV – Schedule of Undyed Diesel Fuel Purchased in Florida for Use in a Motor Coach

The applicant must submit original invoices or copies of original purchase invoices showing the taxes paid.

An applicant may submit a schedule of purchases containing the information required by s. 206.41(5)(b)(1), F.S. instead of original invoices. Completing Columns A through Column G on this schedule will satisfy these requirements. The information required by s. 206.41(5)(b)1, F.S., is listed below:

- a) The name, post office address, and residence address of the purchaser.
- b) The number of gallons purchased.
- c) The date on which the purchase was made.
- d) The price paid for the motor fuel or diesel fuel.
- e) The name and place of business of the seller of the motor fuel or diesel fuel.
- f) The license number, or other identification number, of the motor vehicle or boat of the purchaser.
- g) The Department of Environmental Protection (DEP) storage tank facility identification number for the seller's location, if the location is required to be registered in accordance with s. 376.303, F.S.

We will accept a fuel management report issued by a “third party” instead of the Schedule of Purchases. However, the fuel management report must provide the same information as required on the Schedule of Purchases with the exception of item (g) above.

All applications for refund must contain sufficient information and documentation for the Department to determine the amount of the refund claim due. This information and documentation must also be maintained at your place of business. If your application does not contain the information and documentation required for the Department to determine the amount of refund due, the Department will issue a written request to you for the additional information or documentation required to determine the amount of refund due. The written request will be issued within 30 days of receipt of your application.

Whether you are submitting original invoices, or completing the schedule of invoices, you must complete at least Line 1 and Line 2 of this Schedule.

Line 1. Enter the total number of gallons purchased in Florida. If you are completing this schedule of invoices, this number must equal the total number of gallons reported in Column B of the schedule. If you are submitting original invoices without completing this schedule, the total number must equal the total number of gallons reflected on original invoices submitted with your refund application.

Line 2. Enter the total invoiced and paid cost of the gallons reported on Line 1. If you are completing this schedule of invoices, this number must equal the total cost reported in Column D of the schedule. If you are submitting original invoices without completing this schedule, the total number must equal the total price reflected on original invoices submitted with your refund application.

If you are submitting original invoices with your refund claim, it is preferable, but not required, that you complete Column A through Column G of this schedule. If you are not submitting original invoices with your refund claim, you **must** complete Column A through Column G for each purchase in Florida.

Column A. Enter the invoice number documenting the purchase.

Column B. The number of gallons purchased.

Column C. The date on which the purchase was made.

Column D. The price paid for the motor fuel or diesel fuel. This amount should be the total cost of the fuel including taxes.

Column E. The name of the seller of the diesel fuel.

Column F. The license number, or other identification number, of the motor coach.

Column G. The Department of Environmental Protection storage tank facility identification number for the seller's location, if the location is required to be registered in accordance with s. 376.303 F.S., or the supplier's Federal Employee Identification Number. The Department of Environmental Protection storage tank facility identification number can be obtained through DEP's Internet site at <http://www.dep.state.fl.us/waste/categories/tanks/pages/registration.htm>
