The 2020 legislature enacted Chapter 2020-10, Section 13, Laws of Florida (HB 7097), effective July 1, 2020. This law amends section 200.069, F.S., relating to information included with notices of proposed property taxes, to require that the property appraiser only include additional information which explains any item in the notice or is information directly related to the assessment or taxation for property owners in the mailing of the notice of ad valorem taxes and non-ad valorem assessments:

200.069 Notice of proposed property taxes and non-ad valorem assessments.—

In addition, the property appraiser may not include in the mailing of the notice of ad valorem taxes and non-ad valorem assessments additional information or items unless such information or items explain a component of the notice or provide information directly related to the assessment and taxation of the property.
