8 We received a public comment noting that 9 one applicant, Mr. Bruce Wright, is shown on 10 the applicant lists under Certified Cadastralists of Florida and Certified Florida 11 12 Evaluators. At this time his name is withdrawn 13 from the applicant list for Certified 14 Cadastralists of Florida as his name was erroneously listed. Mr. Wright will only be 15 16 listed under the applicants for Certified Florida Evaluators. 17

18Meghan, would you please list the19requirements of the Certified Florida20Appraiser, Certified Florida Evaluator, and21Certified Cadastralist of Florida designations?

22 MS. MILLER: The qualifications for the 23 Certified Florida Appraiser and Certified 24 Florida Evaluator professional designations 25 include at least two years of experience with a

1 Florida property appraiser's or tax collector's 2 office or the Florida Department of Revenue, at 3 least 120 hours of approved education, and current employment with a Florida County 4 5 property appraiser's or tax collector's office 6 or the Florida Department of Revenue. The 7 certified Florida appraiser designation is 8 reserved for the county official.

9 The qualifications for the Certified 10 Cadastralist of Florida include at least two 11 years of experience with a Florida property 12 appraiser's office or the Florida Department of 13 Revenue, at least 150 hours of approved 14 education, and current employment with a Florida property appraiser's office or the 15 16 Florida Department of Revenue.

MR. CREEHAN: Thank you, Meghan.

18Do any committee members have anything19they wish to discuss about the applicants'20credentials?

17

21 MR. POLK: This is Paul Polk, Charlotte 22 County. I just got on the call. I apologize. 23 MR. PARKER: Tim Parker, Putnam County. 24 MR. CREEHAN: It's okay. 25 All right. Switching to the public, does

1 the public have any comments on any of the 2 applicants? If you are attending by telephone, 3 please send us an email so we can recognize you. Again, that email address is all one 4 5 word, ptotraining@floridarevenue.com. 6 Have we received any emails? 7 So seeing none, we move on to the vote. 8 Hearing no additional comments or discussion of 9 the credentials, the committee will now vote on 10 consideration of the applicant list. Do I have 11 a motion for recommendation of the applicants? 12 Please state your name when making your motion. 13 MR. BAKER: This is Carey Baker, I make a 14 motion to accept the applicant list as 15 submitted. 16 MR. CREEHAN: Thank you, Mr. Baker. Do we have a second? 17 18 MR. POLK: Paul Polk, Charlotte County, I 19 make a second. 20 MR. CREEHAN: Thank you, Mr. Polk. All in 21 favor indicate by saying aye. 22 (Chorus of ayes.) MR. CREEHAN: Thank you. Any opposed 23 24 indicate by saying nay. 25 (No response.)

MR. CREEHAN: All right. Let the record reflect that the committee has recommended all applicants for certification. Congratulations to the new Certified Florida Appraisers, Certified Florida Evaluators and Certified Cadastralists of Florida. The professional designees will receive documentation of their certification from the Department. Well, that concludes today's agenda for the Certified Florida Admissions and Certifications Committee meeting. Again, thank you all very much for your leadership. We stand adjourned. ### Memorandum

DATE:	August 24, 2018
TO:	IAAO STUDENTS
FROM:	EXAM PROCESSING COORDINATOR
RE:	IAAO SPECIAL EXAM RESULTS

Thank you for your recent participation in an IAAO Special Examination (*Re-exam*) session. Enclosed, please find results from the examination you completed.

If you scored **70%** or higher on the final examination, you will find a *Certificate of Completion* along with an appropriate examination report. Applicants who challenged an IAAO examination and received a passing score, without having taken the course will receive a *Certificate of Completion*; however, continuing education hours *cannot* be earned.

Failure of a special examination requires attendance of the appropriate course before an examination may be attempted again. Retake of a special examination is <u>*not*</u> allowed if you have failed the initial special examination.

If you have any questions regarding IAAO examinations, please call (816) 701-8136. If you have any questions regarding IAAO membership call (816) 701-8101.

Remember to check the education calendar on the IAAO Website **http://www.iaao.org** for future educational opportunities, and thank you for your continuing interest in IAAO education!

### IAAO Attendance Policy

The Education Subcommittee has responded to the higher standards of the Appraisal Foundation by adopting a new attendance policy for all educational classes offered through IAAO. The new policy went into effect on April 1, 2010. The policy states that students must attend 90% of the class room hours to achieve the full number of educational hours offered for the course. Anything less than 90% attendance will result in zero hours of credit.

Attendance will be verified by the Exam & Records Processor using the Attendance Sheet returned to IAAO by the Instructor. Students are responsible for initialing the sheet for every half day they attend in class. Missing initials will be counted as an absence for that period of time.

Ten percent (10%) of a 30-hour class would be equal to 3 hours, however, if a student misses  $\frac{1}{2}$  day of a 30-hour class, this would actually equal 3.75 hours. Because of the difficulty in measuring less than  $\frac{1}{2}$  day of class, it has been determined that a student will be allowed to miss up to  $\frac{1}{2}$  day and still obtain the maximum offered 30-hour credit. Anything over  $\frac{1}{2}$  day absence will result in the loss of the full 30 hours credit. Workshops will not allow any absence to earn the hours available.

The following is a breakdown of what a student can expect to receive from IAAO after attending a 30-hour class offering:

If you scored **70%** or higher on the final examination, you will receive a **Certificate of Completion** along with an appropriate examination report. If you attended 90% or more of the classroom hours based on the IAAO Attendance Sheet, you certificate will reflect the full 30 hours of continuing education.

If you scored **70%** or higher on the final examination, you will find a **Certificate of Completion** along with an appropriate examination report. If you attended **less than** 90% of the classroom hours based on the IAAO Attendance Sheet, your certificate will reflect zero hours of continuing education.

If you did not pass the exam or did not attempt the exam, and you attended 90% or more of the classroom hours based on the IAAO Attendance Sheet, you will find a *Certificate of Attendance* which will reflect the full 30 hours of continuing education. In addition, if the exam was attempted but failed, a Special Examination Application will be enclosed for your consideration.

If you did not pass the exam or did not attempt the exam, and you **attended less than 90%** of the classroom hours based on the IAAO Attendance Sheet, you will receive a letter stating that you did not meet the requirements for an attendance certificate. In addition, if the exam was attempted but failed, a Special Examination Application will be enclosed for your consideration.

You will be notified by mail 3-5 weeks after the program completes. Please refrain from phone calls or emails requesting results information. Professional Development Department policy is not to release scores over the phone or via email.

Subject:	RE: IAAO Certificates - course hours

Hi Meghan,

Hope your day is going well...

It appears, from what I see in our records, that we started adding hours as of January 1998 – so, you can use a January 1, 1998 as a start date if you'd like. I'm basing this off of what were referred to as "class reports" and not certs (we don't keep copies on file) – prior to 1998, hours were not reported on this report but started appearing as of January 1998 classes.

Please let me know if you have any additional questions or need any other assistance,

Tiff

HI Tiff – I hope you are having a great day!

I was wondering if you could provide me with the date that IAAO began to add class hours to the completion certificates. I know it was in the 1990's – I just don't know when. I just want to be able to provide a statement to go along with any old certificates that we receive – when the certificates are being applied toward the education hours for a designation.

Thank you - Meghan

To Whom It May Concern:

I challenged IAAO exams 102 and 402 in 2018. At that time, I was not aware that I needed permission from the Secretary for those courses to be credited towards my Certified Field Examiner (CFE) by the chairman. I challenged the exam for IAAO Course 102 on August 24, 2018 and the exam for IAAO 402 on September 7, 2018. I passed both exams and have received the certificates of completion.

I am requesting that those two courses be approved and accepted so that I can obtain my CFE. I apologize for the inconvenience.

Thank you, éssica Chaddock

Good morning.

We received your application for the CFE designation.

We are not able to accept applications until all qualifications are met. Please return the application on or after May 15, 2019 when you have completed at least two years of experience with a Florida county property appraiser's office or the Florida Department of Revenue.

We will need to issue a refund for the application fee which your office paid. Could you tell me who I could speak with about this?

Thank you and sorry for any confusion.

Dear Sir/Madam:

It was brought to my attention last year in August 2018 that some of my team did not have the 120 hours of classroom time required for the CFE/CFA Designation (copy of my letter to you attached). One of my employees, Kevin Haynie, who is listed on the attached letter as challenging IAAO Course 201, Appraisal of Land, should have also been listed as challenging IAAO Course 101, Fundamentals of Real Property. Mr. Haynie successfully challenged and passed both of these courses.

By way of this letter, I am respectfully requesting that you accept Course 101, as challenged by Mr. Haynie, so he may receive his CFE designation now that he has completed his 2 years experience.

I appreciate your consideration in this matter, and look forward to your response.

Should you have any questions, I can be reached at (904) 827-5520 or eddie@sjcpa.us.

Sincerely

RECEMEN

Dear Sir/Madam:

It was brought to my attention yesterday by my assistant, Cheryl Reese, who received a telephone call from Meghan Miller, CMP, MS, Training Director, Florida Department of Revenue, that some of my team, myself included, may not have the 120 hours of classroom time required for the CFE/CFA Designation. Four of my employees and I challenged IAAO Course 201, Appraisal of Land, and one of my employees challenged IAAO Course 101, Fundamentals of Real Property, and we all successfully passed as one of the four-course requirements. I might also add that by challenging a course a significant savings is realized by the office and ultimately the taxpayer. I have only allowed staff to challenge one of the four required courses.

As a new property appraiser, I believed erroneously that challenging a course was acceptable. Ms. Miller explained that the 120 hours in the classroom are required to receive the CFE/CFA Designation by Chapter 12-9.003 of State Statutes, and if we choose to challenge a course we have to get pre-approval from the Florida Department of Revenue. I sincerely apologize as I did not know this was a requirement. Obviously if I had, I would not have put my staff in this unfortunate position. I also understand that it is my responsibility to know these requirements.

By way of this letter, I am respectfully requesting that you accept the courses challenged by cach of the individuals listed below, this one time, so they may receive their CFE/CFA Designation once they have their 2 years' experience completed. I will assure you that these individuals will complete the required continuing education as required annually.

The individuals are as follows:

- Eddie Creamer, Course 201
- Kevin Haynie, Course 201
- Loren Humphrey, Course 201
- Ashley Mobley, Course 101
- Mary Pontello, Course 201
- Sarah Repult, Course 201

Okay. Then my answer changed. If it is already in the package – then it is fine. For the people who haven't applied yet, they will need to provide documentation of challenge at the time they apply.

We had heard from everyone already. It appears they decided to mail a copy of the letter in addition to when they emailed it the other day. The additional people they mention in their letter have not applied for certification yet – they are requesting approval in advance.

I thought we'd heard from everyone already – regardless, the answer is yes, a copy should be in each person's application with a copy of the IAAO memo. See other files as an example.

The attached request is included in the CCF\_CFE packet (Sarah Repult's application). They are also requesting approval of other employees for challenged exams in the same document. Should this be a separate item for the meeting discussion or discussed when Sarah's file is discussed? Thank you.

AUG ? A 2019 DEPTOFREV PROPERTYTAXOVERSIGHT

RECEMP

Dear Sir/Madam:

It was brought to my attention yesterday by my assistant, Cheryl Reese, who received a telephone call from Meghan Miller, CMP, MS, Training Director, Florida Department of Revenue, that some of my team, myself included, may not have the 120 hours of classroom time required for the CFE/CFA Designation. Four of my employees and I challenged IAAO Course 201, Appraisal of Land, and one of my employees challenged IAAO Course 101, Fundamentals of Real Property, and we all successfully passed as one of the four-course requirements. I might also add that by challenging a course a significant savings is realized by the office and ultimately the taxpayer. I have only allowed staff to challenge one of the four required courses.

As a new property appraiser, I believed erroneously that challenging a course was acceptable. Ms. Miller explained that the 120 hours in the classroom are required to receive the CFE/CFA Designation by Chapter 12-9.003 of State Statutes, and if we choose to challenge a course we have to get pre-approval from the Florida Department of Revenue. I sincerely apologize as I did not know this was a requirement. Obviously if I had, I would not have put my staff in this unfortunate position. I also understand that it is my responsibility to know these requirements.

By way of this letter, I am respectfully requesting that you accept the courses challenged by cach of the individuals listed below, this one time, so they may receive their CFE/CFA Designation once they have their 2 years' experience completed. I will assure you that these individuals will complete the required continuing education as required annually.

The individuals are as follows:

- Eddie Creamer, Course 201
- Kevin Haynie, Course 201
- Loren Humphrey, Course 201
- Ashley Mobley, Course 101
- Mary Pontello, Course 201
- Sarah Repult, Course 201

Okay. Then my answer changed. If it is already in the package – then it is fine. For the people who haven't applied yet, they will need to provide documentation of challenge at the time they apply.

We had heard from everyone already. It appears they decided to mail a copy of the letter in addition to when they emailed it the other day. The additional people they mention in their letter have not applied for certification yet – they are requesting approval in advance.

I thought we'd heard from everyone already – regardless, the answer is yes, a copy should be in each person's application with a copy of the IAAO memo. See other files as an example.

The attached request is included in the CCF\_CFE packet (Sarah Repult's application). They are also requesting approval of other employees for challenged exams in the same document. Should this be a separate item for the meeting discussion or discussed when Sarah's file is discussed? Thank you.

### MEMORANDUM

DATE:June 18, 2019TO:The Chair of the Certified Florida Appraiser Administration & Certification<br/>Committee.FROM:Constance Toulon,<br/>Personnel Specialist 2, Administration Division<br/>Office of the Property AppraiserSUBJECT:Request for Due Consideration on Awards of CFE Designation

Dear Sir or Madam:

This memo is about the award of Certified Florida Evaluator designation for Ms. JeNell Marcel for whom an application is being submitted, requesting that the committee consider her application.

This employee has taken courses 101 in the classroom during instructional hours and received 30 hours credit. She received approval to challenge course 102. However, the 2 remaining courses, 201 and 400 were challenged by examination on March 18, 2018 and December 1, 2017 respectively, with an assigned certified proctor present; the Education Coordinator was unaware at that time of the policy to submit an application to the secretary, in order to obtain approval from the chairman to challenge the courses.

I am requesting sincerely due consideration on behalf of Ms. JeNell Marcel in awarding the CFE designation.

Thank you very much. If you have any questions please feel free to contact the undersigned at (305) 375-1210.

AUG ? A 2019 DEPTOFREV PROPERTYTAXOVERSIGHT

RECEMP

Dear Sir/Madam:

It was brought to my attention yesterday by my assistant, Cheryl Reese, who received a telephone call from Meghan Miller, CMP, MS, Training Director, Florida Department of Revenue, that some of my team, myself included, may not have the 120 hours of classroom time required for the CFE/CFA Designation. Four of my employees and I challenged IAAO Course 201, Appraisal of Land, and one of my employees challenged IAAO Course 101, Fundamentals of Real Property, and we all successfully passed as one of the four-course requirements. I might also add that by challenging a course a significant savings is realized by the office and ultimately the taxpayer. I have only allowed staff to challenge one of the four required courses.

As a new property appraiser, I believed erroneously that challenging a course was acceptable. Ms. Miller explained that the 120 hours in the classroom are required to receive the CFE/CFA Designation by Chapter 12-9.003 of State Statutes, and if we choose to challenge a course we have to get pre-approval from the Florida Department of Revenue. I sincerely apologize as I did not know this was a requirement. Obviously if I had, I would not have put my staff in this unfortunate position. I also understand that it is my responsibility to know these requirements.

By way of this letter, I am respectfully requesting that you accept the courses challenged by cach of the individuals listed below, this one time, so they may receive their CFE/CFA Designation once they have their 2 years' experience completed. I will assure you that these individuals will complete the required continuing education as required annually.

The individuals are as follows:

- Eddie Creamer, Course 201
- Kevin Haynie, Course 201
- Loren Humphrey, Course 201
- Ashley Mobley, Course 101
- Mary Pontello, Course 201
- Sarah Repult, Course 201

Okay. Then my answer changed. If it is already in the package – then it is fine. For the people who haven't applied yet, they will need to provide documentation of challenge at the time they apply.

We had heard from everyone already. It appears they decided to mail a copy of the letter in addition to when they emailed it the other day. The additional people they mention in their letter have not applied for certification yet – they are requesting approval in advance.

From: Patti Kight Sent: Thursday, August 30, 2018 11:29 AM To: Meghan Miller <<u>Meghan.Miller@floridarevenue.com</u>> Cc: Kelly McLane <<u>Kelly.McLane@floridarevenue.com</u>> Subject: RE: Attached Image

I thought we'd heard from everyone already – regardless, the answer is yes, a copy should be in each person's application with a copy of the IAAO memo. See other files as an example.

From: Meghan Miller Sent: Thursday, August 30, 2018 10:25 AM To: Patti Kight <<u>Patti.Kight@floridarevenue.com</u>> Cc: Kelly McLane <<u>Kelly.McLane@floridarevenue.com</u>> Subject: FW: Attached Image

The attached request is included in the CCF\_CFE packet (Sarah Repult's application). They are also requesting approval of other employees for challenged exams in the same document. Should this be a separate item for the meeting discussion or discussed when Sarah's file is discussed? Thank you.
