SUBJECT: Requesting Approval to Hold Public Hearings on Proposed Rules

What is the Department Requesting? Approval to publish a Notice of Proposed Rule to schedule public hearings for the next stage of rulemaking on two proposed rule packages for Child Support Enforcement.

Why are These Proposed Rules Necessary? To administratively implement:
- Federal and state law changes concerning collection programs for Internal Revenue Service (IRS) tax refund offset and passport denial; and,
- State law changes concerning unidentifiable collections.

What Do These Proposed Rules Do?
- IRS tax refund offset and Passport Denial—provide new and revised procedures to:
  - Continue collection efforts under the Internal Revenue Service Tax refund offset provisions for non-public assistance families, even if the child is no longer a minor (based on changes to 42 United States Code, Section 664(c));
  - Reduce the past-due support threshold for which a passport can be denied from $5,000 to amounts over $2,500, which subjects more non-custodial parents to potential denial (based on changes to s. 409.2564(10), F.S.); and,
  - Provide new criteria for exempting certain non-custodial parents from passport denial.

ATTACHMENT #2
Unidentifiable Collections—provide new procedures (based on changes to s. 409.2558(3) & (4), F.S.)
to:
  ▪ Identify support payments that could not be processed because there was not enough information
to identify who the payment was for; and,
  ▪ Retrieving collections from the federal government and the state General Revenue Fund that
were previously determined to be unidentifiable, but have been subsequently identified.

STATE OF FLORIDA
DEPARTMENT OF REVENUE
CHAPTER 12E-1, FLORIDA ADMINISTRATIVE CODE
CHILD SUPPORT ENFORCEMENT PROGRAM
CREATING RULE 12E-1.0052 AND AMENDING RULE 12E-1.014

SUMMARIES OF THE PROPOSED RULES

The proposed creation of Rule 12E-1.0052, Florida Administrative Code (F.A.C.), establishes a method for determining a support collection as unidentifiable (based on changes to s. 409.2558 (3) and (4), F.S.). The rule provides a method of retrieving unidentifiable collections when the collection becomes identified and establishes how the Department will process payment return requests. The rule also incorporates by reference CSE Forms CS-FM100 (Request to Return Payment), CS-FM101 (Request for Payment Return Denied), and CS-FM102 (Payment Return).

The proposed amendments to Rule 12E-1.014, F.A.C., allow certification for IRS Tax Offset in non-public assistance cases, whether or not the child is a minor (based on changes to 42 United States Code, Section 664(c)). The amendment changes the certification threshold for passport denial from $5,000 to more than $2,500 (based on changes to s. 409.2564(10), F.S.), and establishes exception criteria for restoration of a passport. The amendment also incorporates by reference CSE Form CS-EF36A (Notice of Decision of Informal Conference, Income Tax Refund or Passport Denial), as well as incorporates plain language.
FACTS AND CIRCUMSTANCES JUSTIFYING THE PROPOSED RULES

The creation of proposed Rule 12E-1.0052, F.A.C., is necessary to implement the provisions of Sections 409.2558(3) and (4), F.S., which establishes a method for determining a support collection as unidentifiable. The rule also provides a method for retrieving collections that have been determined to be unidentifiable and transferred to the federal government and General Revenue Fund when the collection becomes identified.

The proposed amendments to Rule 12E-1.014, F.A.C., are necessary to implement the provisions of 42 USC Section 664(c) which now allows the certification of past-due amounts for Internal Revenue Service Tax Refund Offset in non-public assistance cases where the child has emancipated. The amendment also changes the certification threshold for passport denial from $5000 to amounts over $2500 as allowed by Section 409.2564(10), F.S., as amended July 1, 2007. Other amendments provide new exception criteria for restoring passport privileges to an obligor who owes more than $2500.

FEDERAL COMPARISON STATEMENT

The provisions contained in these rules do not conflict with comparable federal laws, policies, or standards.

NOTICE OF PROPOSED RULE

DEPARTMENT OF REVENUE

CHILD SUPPORT ENFORCEMENT PROGRAM

RULE NO.: RULE TITLE:
12E-1.0052 Unidentifiable Collections
12E-1.014 Internal Revenue Service Tax Refund Offset Program; Passport Denial; Internal Revenue Service Full Collection Services

PURPOSE AND EFFECT: The purpose of creating proposed Rule 12E-1.0052, F.A.C., is to provide guidance to the public about the Department’s procedures for resolving unidentifiable Title IV-D support payments received by the State Disbursement Unit. The proposed rule also provides information to the public about how to reclaim unidentifiable collections. The effect of the proposed rule is to provide: (1) information on identifying support payments that could not be processed because there was not enough information to identify who the payment was for; (2) information on how a noncustodial parent may seek the return of a payment which was never processed; and (3) guidance on how the Department will process payment return requests.

The purpose of the proposed amendments to Rule 12E-1.014, F.A.C., is to reflect the change in 42 United States Code (USC) Section 664(c) which now allows the certification of past-due amounts for Internal Revenue Service Tax Refund Offset in non-public assistance cases where the child has emancipated. The amendment also changes the certification threshold for passport denial from $5000 to amounts over $2500 as allowed by Section 409.2564(10), F.S., as amended July 1, 2007. Other amendments provide new exception criteria for restoring passport privileges to a non-custodial parent who owes more than $2500. The effect of the proposed rule is to inform the public the Department will certify past-due amounts for non-public assistance cases for a
child for Internal Revenue Service Tax Refund Offset, even if the child has emancipated. The rule also informs the public that the certification threshold for past-due support for passport denial has changed from $5000 to more than $2500. Finally, the rule informs the public the Department may consider exceptions to restoring an obligor’s passport even if the obligor was not certified in error and has not paid the past-due support balance amount below $2500.

SUMMARY: Rule 12E-1.0052, F.A.C., establishes a method for determining a support collection to be unidentifiable. The rule provides a method for retrieving unidentifiable collections once the collection becomes identified and establishes how the Department will process payment return requests. The rule also incorporates by reference CSE Forms CS-FM100 (Request to Return Payment), CS-FM101 (Request for Payment Return Denied), and CS-FM102 (Payment Return).

Rule 12E-1.014, F.A.C., allows certification for IRS Tax Offset in non-public assistance cases, whether or not the child is a minor. The amendment changes the certification threshold for passport denial from $5,000 to more than $2,500. The amendment also establishes exception criteria for restoration of a passport. The amendment also incorporates by reference CSE Form CS-EF36A (Notice of Decision of Informal Conference, Income Tax Refund or Passport Denial), as well as incorporates plain language.

THE FULL TEXT OF THE PROPOSED RULES IS:
12E-1.0052 Unidentifiable Collections.

(1) Introduction. The Department is responsible for distribution and disbursement of child support payments under Section 409.2558, F.S. The State Disbursement Unit operating under Section 61.1824, F.S., is responsible for the collection and disbursement of child support payments for:

(a) cases enforced by the Department under Title IV-D of the Social Security Act; and

(b) cases not enforced by the Department under Title IV-D of the Social Security Act (non Title IV-D cases) in which an order was initially issued in Florida on or after January 1, 1994, and in which the obligor’s support obligation is being paid through income deduction.

(2) Definitions. For purposes of this rule:

(a) “Comprehensive Case Information System” or “CCIS” means a secured internet portal developed and set up by Florida Association of Court Clerks and Comptrollers (FACC) that provides a single point of search for statewide court case information.

(b) “Department” means the Florida Department of Revenue.

(c) “State Disbursement Unit” or “SDU” means the unit set up and operated by the Title IV-D agency, under Section 61.1824, F.S. The SDU provides one central address for collection and disbursement of child support payments for the cases listed in subsection (1).
(d) "Unidentifiable collection" as defined by the social and economic assistance provisions of Section 409.2554(14), F.S., means a collection received by the SDU or Department for which the noncustodial parent, custodial parent, depository or circuit civil numbers, or source of the collection cannot be identified.

(3) Payment Processing Procedures.

(a) The State Disbursement Unit’s automated remittance processing system will match and apply child support collections to the individual child support case.

(b) The following steps are taken, sequentially, to try to identify the payment instrument owner, recipient, or source of payment when support collections cannot be identified by the automated remittance processing system. If the manual search identifies the owner of the payment instrument or the recipient, the collection is applied to the correct case.

1. Search the State Disbursement Unit databases using available information on the payment instrument. The information can include case number, noncustodial parent name and social security number, and custodial parent name and social security number.

2. Search the payment transaction document imaging database. Searches will be by employer name, phone number, address, check routing number, checking account number, and noncustodial parent name. If an employer is found, an attempt will be made to match the collection amount with the check number, check routing number, checking account number, payment method, and check amount to identify the collection and match it to the correct case. If the collection cannot be matched to a case, the employer is contacted by phone to try to match the collection to the correct case.
3. Search the Department’s automated case management computer system. Searches will be by names, social security numbers, case number, depository number, using the information available from the payment instrument.

4. If the searches under subparagraphs 1. through 3. do not identify the payment instrument owner, recipient, or employer within 10 business days, further research will be conducted in an attempt to identify the collection and match it to the correct case. Further research includes the following Internet searches.
   a. Noncustodial parent and/or custodial parent name, address, and phone number
   b. Company name
   c. Clerk of court records
   d. Secretary of State’s databases (corporations, trademarks, limited partnerships, federal lien registration, fictitious names, general and limited liability partnerships, and judgment liens)
   e. Department of Business and Professional Regulation licensing
   f. Department of Health licensing
   g. Secretary of State licensing
   h. Florida Bar licensing

5. If the searches under subparagraphs 1. through 4. do not identify the collection, repeat the steps described in subparagraphs 1. through 4. after one hundred business days from the original collection receipt date.

   (c) If the searches under subparagraph (3)(b)5. of this rule do not identify the owner of the payment instrument, recipient or employer, the collection is considered unidentifiable. The
Department shall declare the unidentifiable collection as program income, deposit the
state share of the collection in the General Revenue Fund and the federal share of the collection
in the Grants and Donations Trust Funds.

(d) The State Disbursement Unit may identify the case, but sends the case data and
payment to the Department for Title IV-D processing. If the Department’s automated system
cannot find the case, search the Comprehensive Case Information System (CCIS) to find out if
the collection was sent to the Department in error. If the collection was received in error, it is
returned to the appropriate clerk of court.

(4) Reclaiming Unidentifiable Collections.

(a) The obligor may reclaim unidentifiable collections. The obligor may contact the local
child support office or contact the Department at (850)922-9590 and ask for the Unidentified
Collection Unit. The obligor may reclaim an unidentifiable collection up to five years from the
date the collection was received by the State Disbursement Unit. Requests after five years will be
denied. The five-year limit is based on the limitations of actions found in Section 95.11(2)(b),
F.S.

(b) To reclaim a collection, the obligor must complete and send to the Department, Form
CS-FM100, Request to Return Collection, dated June 2008, incorporated by reference in this
rule. The obligor must prove they are the collection owner by giving his or her name, their
mailing address, child support or case number, date and amount of collection, and proof of
payment. Examples of acceptable proof include: front and back copy of canceled check; money
order receipt; or pay stub showing date and amount of payment.

(c) The Department will review the information submitted by the obligor and respond in
writing to approve or deny the request.
1. If approved, the Department will mail the collection and Form CS-FM102, Collection Return, dated June 2008, incorporated by reference in this rule, to the obligor.

2. If denied, the Department will mail Form CS-FM101, Request for Collection Return Denied, dated June 2008, incorporated by reference in this rule, to the obligor. Form CS-FM101 states the request is denied, reason for the denial, and the obligor may contest the decision by seeking an administrative hearing under Chapter 120, F.S. The form includes a Notice of Rights.

3. An obligor may seek an administrative hearing to contest the Department’s decision to deny a request to reclaim a collection considered unidentifiable by the Department. A petition for an administrative hearing must be received by the Department of Revenue, Child Support Enforcement Program, Deputy Agency Clerk within twenty (20) days from the mailing date of Form CS-FM101. Administrative hearings shall be conducted pursuant to Chapter 120, F.S.

   (d) Members of the public may get a copy of the forms used in this rule chapter, incorporated by reference, without cost, by writing to the Department of Revenue, Child Support Enforcement Program, Attn.: Forms Coordinator, P.O. Box 8030, Tallahassee, Florida 32314-8030.

(Substantial rewording of Rule 12E-1.014 follows. See Florida Administrative Code for present text.)

12E-1.014 Internal Revenue Service Tax Refund Offset Program; Passport Denial; Internal Revenue Service Full Collection Services.

(1) Definitions. As used in this rule:
(a) “Assignment” means any assignment of rights to support as a condition of eligibility for temporary cash assistance, foster care maintenance payments, or medical support as authorized by 45 Code of Federal Regulations, Section 301.1.

(b) “Offset” means the complete or partial interception of an Internal Revenue Service income tax refund or rebate. The Department will intercept federal income tax refunds or rebates for past due support owed for a child, whether or not the child is a minor, as authorized by 42 United States Code, Section 664(c).

(c) “Past-due support” means the amount of support determined under a court order, or an order of an administrative process established under state law, for support and maintenance of a child which has not been paid, whether or not the child is a minor, as defined in 45 Code of Federal Regulations, Section 301.1.

(2) Certification for offset and passport denial. The Department shall certify obligors for offset and passport denial to the Federal Office of Child Support Enforcement when they meet the criteria in paragraphs (5)(b) and (6)(a).

(3) Notifying the obligor that the Department is certifying past-due support for offset and passport denial. The Federal Office of Child Support Enforcement mails one notice to each obligor. The notice tells the obligor he or she has 30 days from the date of the notice to pay the past-due amount in full to prevent certification. The certification continues until the obligor pays the past-due support in full. On a weekly basis, the Department will certify any increase or decrease in an obligor’s past-due support amount. The notice also tells the obligor that he or she may contest the amount of past-due support owed. To contest, the obligor must contact the Department at the address or telephone number provided in the notice within 30 days from the date of the notice.
(4) Right to informal review and administrative hearing.

(a) If the obligor contacts the Department within 30 days from the date of the notice, the Department shall review its records and any records submitted by the obligor and attempt to resolve the obligor’s concerns informally.

(b) If the Department cannot resolve the obligor’s concerns during the informal review, the Department shall notify the obligor by regular mail at his or her last known address using Department of Revenue Form CS-EF36A, Notice of Outcome of Informal Conference for IRS Offset Certification/Passport Denial. Form CS-EF36A (R. 02/08) is incorporated by reference in this rule. Members of the public may obtain a copy of this form by writing to: Department of Revenue, Child Support Enforcement Program, attn.: Forms Coordinator, P.O. Box 8030, Tallahassee, FL 32314-8030. The notice tells the obligor that the Department will certify the obligor’s past-due support for offset, passport denial, or both. The notice also tells the obligor that he or she may ask for an administrative hearing by filling in the backside of the notice and returning it to the Department within 30 days from the date on the notice.

(c) If the Department does not resolve the obligor’s concerns through an informal review, the obligor may ask for an administrative hearing.

1. If the past-due support is based on a Florida order, the obligor may ask for an administrative hearing in Florida. The Department of Children and Family Services, Office of Appeal Hearings conducts this hearing, as authorized by Section 120.80(7), F.S.

2. If the past-due support is based on an order entered in another state, the obligor may ask that a hearing be held either in Florida or in the state that issued the order. If the obligor asks for the hearing to be held in the issuing state, the Department will contact the state that issued the
order within 10 days of receiving the obligor’s request. The state that issued the order will tell
the obligor of the date, time, and place of the administrative hearing.

(d) If the Department of Children and Family Services holds an administrative hearing
and a final order is issued in the obligor’s favor, the Department will tell the Federal Office of
Child Support Enforcement to remove the obligor’s certification or change the certification to
show the correct past-due support amount. If the final order is issued in the Department’s favor,
the certification stays in place and any change in the past-due support amount is updated as
stated in subsection (3).

(e) If the obligor does not ask for an informal review or administrative hearing within 30
days from the date of the notice, the obligor waives the right to contest the certification.

(5) Internal Revenue Service Tax Refund Offset Program.

(a) Obligors who owe past-due support in Title IV-D cases are subject to offset as
authorized in 45 Code of Federal Regulations, Section 303.72.

(b) Certification for Offset. The Department shall certify an obligor for offset if the
obligor owes past-due support as follows:

1. For support assigned to the State, the amount of past-due support is not less than $150.
2. For support owed to the obligee, the amount of past-due support is not less than $500.

(c) Notification of Offset. Once an offset occurs, the United States Department of
Treasury notifies the obligor by regular mail that they are forwarding the offset amount from the
tax refund to the Department.

(d) Distribution of Offset.

1. The Department shall keep federal income tax refund offset payments in current and
former temporary cash assistance cases up to the amount of past-due support assigned to the
State. After the amount of past-due support assigned to the State is paid in full, any remaining past-due support collected by the Department is paid to the obligee as required by 42 United States Code, Sections 657(a)(1) and (a)(2)(B)(iv).

2. For past-due support that is not assigned to the State, the Department delays distribution of the offset amount for six months for a refund from a joint federal income tax return as allowed by 42 United States Code 664 (a)(3)(B). Distribution is delayed to allow the unobligated joint filer to claim his or her share of the refund before the offset amount is distributed. In these instances, distribution is delayed until one of the following occurs:

a. The Department receives written verification from the United States Department of the Treasury that an injured spouse claim filed by the obligor’s spouse has been resolved.

b. The obligor pays the past-due support owed in full.

c. Six months has passed since the receipt of the offset collection.

(6) Passport Denial.

(a) Obligors who are certified under subsection (2) and who owe more than $2500 in past-due support are also reported to the United States Department of State for passport denial as required by 42 United States Code, Section 652(k).

(b) When the United States Department of State takes action to deny an obligor’s passport, they send the obligor a notice telling the obligor he or she is not eligible to receive a passport.

(c) If an obligor needs a United States passport, the obligor must contact the Department at the address or telephone number provided in the notice mailed by the Federal Office of Child Support Enforcement as outlined in subsection (3) of this rule. To restore passport eligibility, the obligor must:
1. Reduce the amount of past-due support owed to $2500 or less; or
2. Prove he or she owes less than $2500 in past-due support; or
3. Provide documentation from a medical authority verifying a death or medical emergency requiring travel outside of the United States.

(d) An obligor may ask the Department to consider a request to reinstate a denied passport for reasons other than those listed in paragraph (6)(c) above. Such other reasons may include, but are not limited to, cases in which a passport is necessary for travel outside the United States for employment.

SUBJECT: Requesting Approval to Hold Public Hearings on Proposed Rules

What is the Department Requesting? Approval to publish Notices of Proposed Rule to schedule public hearings for the next stage of rulemaking on two Property tax rule packages. These rule packages were developed using a multi-step process designed to maximize public participation: A) first, topics based on value adjustment board hearing procedure issues were discussed with interested parties in a round-table forum at three day-long public meetings (March 13, 2009; May 12, 13, and 14, 2009; and July 2, 2009; B) then, proposed rules were written based on these discussions; C) a subsequent rule development workshop was held to receive public comments on the proposed rules (August 4, 2009); and, D) a revised draft was developed based on the workshop. In 2008, the Department held eight workshops on an earlier rule draft. The current proposed rules are significantly different from this earlier draft.

Why are These Proposed Rules Necessary? To administratively implement Chapter 2008-197, Laws of Florida, which requires the Department to adopt uniform procedures to be used by value adjustment boards, special magistrates, and taxpayers in hearings before the boards.

ATTACHMENT #4
What Do These Proposed Rules Do? These proposed rules create new Rule Chapter 12D-9, F.A.C., amend Rule 12D-16.002, F.A.C., and provide a property tax local appeal process that includes:

- Transparency to promote taxpayer confidence in the value adjustment board hearing process;
- Access for taxpayers to procedures, other participants, and forms that support this process;
- Statewide uniformity for substantive procedures and forms used in the process; and,
- Mechanisms for local flexibility to recognize the diverse size of local jurisdictions and the volume of petitions considered by value adjustment boards.

Were Comments Received from External Parties? Yes. For the three public meetings and the workshop, over 1300 comments were received (written and verbal). The transcripts covering these proceedings exceed 1700 pages. A listing of the comments received on this draft rule and how they were addressed will be available by Wednesday, August 19th.

Attached are copies of:
- Summaries of the proposed rules
- Statements of facts and circumstances justifying the rules
- Federal relation statements
- Summaries of workshops
- Proposed Notices of Proposed Rule with proposed rule text

SUMMARY OF RULE DEVELOPMENT WORKSHOPS

These proposed rules in new Rule Chapter 12D-9, F.A.C., were developed using a multi-step process designed to maximize public participation: A) first, topics based on value adjustment board hearing procedure issues were discussed with interested parties in a round-table forum at three day-long public meetings—March 13, 2009 (notice of which was published in the Florida Administrative Weekly (FAW) in Vol. 35, No. 8, p. 1000); May 12, 13, and 14, 2009 (notice was published in the FAW in Vol. 35, No. 16, p. 1990); and July 2, 2009 (notice was published in the FAW in Vol. 35, No. 25, p. 3113); B) then, proposed rules were written based on these discussions; C) a subsequent rule development workshop was held to receive public comments on the proposed rules—
August 4, 2009 (notice was published in the FAW in Vol. 35, No. 28, pp, 3350-3352); and, D) a revised draft was developed based on the workshop. Members of the public attended each of these meetings and the workshop and made comments.

In 2008, the Department held seven workshops to develop an earlier rule draft. Members of the public attended each of these workshops and made comments. Notices for the workshops held on the earlier draft in 2008 were published on: July 11, 2008, for a workshop in Ft. Lauderdale, FL. (see Vol. 34, No. 28, pp. 3613-3614 of the Florida Administrative Weekly/F.A.W.); July 18, 2008, for a workshop in Live Oak, FL. (see Vol. 34, No. 29, p. 3668 of the F.A.W.); July 18, 2008, for a workshop in Tallahassee, FL. (see Vol. 34, No. 29, p. 3668 of the F.A.W.); September 19, 2008, for a workshop in Tampa, FL. (see Vol. 34, No. 38, p. 4803, of the F.A.W.); September 19, 2008, for a workshop in Panama City, FL. (see Vol. 34, No. 38, p. 4803, of the F.A.W.); October 31, 2008, for a workshop in Orlando, FL. (see Vol. 34, No. 44, pp. 5709-5711 of the F.A.W.); and, October 31, 2008, for a workshop in Miami, FL. (see Vol. 34, No. 44, pp. 5709-5711 if the F.A.W.). Members of the public attended each of this workshops and made comments on the forms.

In addition to these workshops, the Department published a notice of rule development on December 5, 2008, and posted a new draft of these proposed rules on the Internet site listed below on December 22, 2008, with a request that all public comments be submitted no later than January 16, 2009. The notice of rule development for this rule stated that a workshop would not be held unless one was requested in writing. The Department did not receive a written request to hold a workshop.

Throughout this rulemaking process written comments have been emailed to the
Department and to an Internet site at
http://dor.myflorida.com/dor/property/vabwb/vabws.html, which was created specifically
to give the public access to all comments submitted on these proposed rules. In addition,
written comments have been submitted to the Department be email, and to an Internet site
at http://dor.myflorida.com/dor/property/vabwb/vabws.html, which was created

appearance before the board, the clerk must notify the petitioner of the date and time
scheduled for the appearance. The clerk shall simultaneously notify the property
apraiser or tax collector. If, on the taxpayer’s petition, he or she requests a copy of the

In counties using special magistrates the clerk shall also make available to both parties as soon as practicable a copy of the recommended decision of the special magistrate by mail or electronic means. No party shall have access to decisions prior to any other party.

(11) After the value adjustment board has decided all petitions, complaints, appeals and disputes, the clerk shall make public notice of the findings and results of the board in the manner prescribed in Section 194.037, Florida Statutes and by the department.

(5) A request to reschedule the hearing made by the petitioner fewer than five calendar days before the scheduled hearing may be made only for an emergency when good cause is shown. Such a request shall be made to the clerk who shall forward the request to the board or a board designee, which includes the clerk, board legal counsel or a special magistrate.

(a) If the board or a board designee determines that the request does not show good cause, the request will be denied and the board may proceed with the hearing as scheduled.

(b) If the board or a board designee determines that the request demonstrates good cause, the request will be granted. In that event, the clerk will issue a notice of hearing with the new hearing date, which shall be the earliest date that is convenient for all parties.

(c) The clerk shall give appropriate notice to the petitioner of the determination as to good cause. Form DR-485WCN is designated and may be used for this purpose. The clerk shall also appropriately notify the property appraiser or tax collector.
(d) When rescheduling hearings under this rule subsection or subsection (4) above, if the parties are unable to agree on an earlier date, the clerk is authorized to schedule the hearing and send a notice of such hearing by regular or certified U.S. mail or personal delivery, or in the manner requested by the petitioner on the petition Form DR-486, so that the notice shall be received by the petitioner no less than twenty-five (25) calendar days prior to the day of such scheduled appearance.

(6) If a hearing is rescheduled, the deadlines for the exchange of evidence shall be computed from the new hearing date, if time permits.

(7)(a) If a petitioner’s hearing does not commence as scheduled, the clerk is authorized to determine good cause exists to reschedule a petition.

(b) In no event shall a petitioner be required to wait more than a reasonable time from the scheduled time to be heard. The clerk is authorized to find that a reasonable time has elapsed based on other commitments, appointments or hearings of the petitioner, lateness in the day, and other hearings waiting to be heard earlier than the petitioner’s hearing with the board or special magistrate. If his or her petition has not been heard within a reasonable time, the petitioner may request to be heard immediately. If the clerk finds a reasonable time has elapsed and petitioner is not heard, the clerk shall find good cause is present and shall reschedule the petitioner’s hearing.

(c) A petitioner is not required to wait any length of time as a prerequisite to filing an action in circuit court.

(8) Failure on three occasions with respect to any single tax year for the board to convene at the scheduled time of meetings of the board shall constitute grounds for removal from office by the Governor for neglect of duties.

(1) The petitioner has the option of participating in an exchange of evidence with the property appraiser. If the petitioner chooses not to participate in the evidence exchange, the petitioner may still present evidence for consideration by the board or the special magistrate. However, as described in this section, if the property appraiser asks in writing for evidence before the hearing in connection with a filed petition, and the petitioner has this evidence and knowingly refuses to provide it to the property appraiser a reasonable time before the hearing, the evidence cannot be presented by the petitioner or accepted for consideration by the board or special magistrate.

(2)(a) If the petitioner chooses to participate in an exchange of evidence with the property appraiser, at least fifteen (15) days before the hearing the petitioner shall provide the property appraiser with a list and summary of evidence to be presented at the hearing accompanied by copies of documentation to be presented at the hearing. To calculate the fifteen (15) days, the petitioner shall use calendar days and shall not include the day of the hearing in the calculation, and shall count backwards from the day of the hearing.

(b) If the petitioner chooses to participate in an exchange of evidence with the property appraiser and he or she shows good cause to the clerk for not being able to meet the fifteen (15) day requirement and the property appraiser is unwilling to agree to a
different timing of the exchange, the clerk is authorized to reschedule the hearing to allow for the exchange of evidence to occur.

(c) No later than seven (7) days before the hearing, if the property appraiser receives the petitioner’s documentation and if requested in writing by the petitioner, the property appraiser shall provide the petitioner with a list and summary of evidence to be presented at the hearing accompanied by copies of documentation to be presented by the property appraiser at the hearing. The evidence list must contain the property record card if provided by the clerk. To calculate the seven (7) days, the property appraiser shall use calendar days and shall not include the day of the hearing in the calculation, and shall count backwards from the day of the hearing.

(d) The last day of the period so computed shall be included unless it is a Saturday, Sunday, or legal holiday, in which event the period shall run until the end of the next previous day which is neither a Saturday, Sunday, or legal holiday.

(3)(a) If the petitioner does not provide the information to the property appraiser at least fifteen (15) days prior to the hearing pursuant to subsection (2)(a), the property appraiser need not provide the information to the petitioner pursuant to subsection (2)(c).

(b) If the property appraiser does not provide the information within the time required by subsection (2)(c), the hearing shall be rescheduled to allow the petitioner additional time to review the property appraiser’s evidence.

(4) By agreement of the parties the evidence exchanged in subsection (2) shall be delivered by regular or certified U.S. mail, personal delivery, overnight mail, FAX or email. The petitioner and property appraiser may agree to a different timing and method of exchange. "Provided" means received by the party not later than the time frame.
provided in this rule section. If either party does not designate a desired manner for receiving information in the evidence exchange, the information shall be provided by U.S. mail. The property appraiser shall provide the information at the address listed on the petition form for the petitioner.

(5) Level of detail on evidence summary: The summary pursuant to subsection (2) shall be sufficiently detailed as to reasonably inform a party of the general subject matter of the witness' testimony, and the name and address of the witness.

(6) Hearing procedures: Neither the board nor the special magistrate shall take any general action regarding compliance with this section, but any action on each petition shall be considered on a case by case basis. Any action shall be based on a consideration of whether there has been a substantial noncompliance with this section, and shall be taken at a scheduled hearing and based on evidence presented at such hearing. "General action" means a prearranged course of conduct not based on evidence received in a specific case at a scheduled hearing on a petition.

(7) A property appraiser shall not use at a hearing evidence that was not supplied to the petitioner as required. The normal remedy for such noncompliance shall be a rescheduling of the hearing to allow the petitioner an opportunity to review the information of the property appraiser.

(8) No petitioner may present for consideration, nor may a board or special magistrate accept for consideration, testimony or other evidentiary materials that were requested of the petitioner in connection with a filed petition in writing by the property appraiser, of which the petitioner had knowledge and denied to the property appraiser. This provision does not preclude rebuttal evidence that was not specifically requested of the petitioner.
12D-9.021 Withdrawn or Settled Petitions; Petitions Acknowledged as Correct.

(1) A petitioner may withdraw a petition prior to the scheduled hearing. Form DR-485WI is prescribed by the department for such purpose; however, other written or electronic means may be used. Form DR-485WI shall indicate the reason for the withdrawal as one of the following:

(a) petitioner agrees with the determination of the property appraiser or tax collector;

(b) petitioner and property appraiser or tax collector have reached a settlement of the issues;

(c) petitioner does not agree with the decision or assessment of the property appraiser or tax collector but no longer wishes to pursue a remedy through the value adjustment board process; or

(d) other specified reason.

(2) The clerk shall cancel the hearing upon receiving a notice of withdrawal from the petitioner and there shall be no further proceeding on the matter.

(3) If a property appraiser or tax collector agrees with a petition challenging a decision to deny an exemption, classification, portability assessment difference transfer, or deferral, the property appraiser or tax collector shall issue the petitioner a notice granting said exemption, classification, portability assessment difference transfer, or
deferral and shall file with the clerk a notice that the petition was acknowledged as correct.

(4) The clerk shall cancel the hearing upon receiving the notice of acknowledgement and there shall be no further proceeding on the matter.

(5) If parties do not file a notice of withdrawal or notice of acknowledgement but indicate the same at the hearing, the board or special magistrate shall so state on the hearing record and shall not proceed with the hearing and shall not issue a decision. The clerk shall list and report all withdrawals, settlements, acknowledgements of correctness as withdrawn or settled petitions. Settled petitions shall include those acknowledged as correct by the property appraiser or tax collector.

(6) For all withdrawn or settled petitions, a special magistrate shall not produce a recommended decision and the board shall not produce a final decision.

(7) When a petitioner does not appear by the commencement of a scheduled hearing and the petitioner has not indicated a desire to have their petition heard without their attendance and a good cause request is not pending, the board or the special magistrate shall allow at least three business days for the petitioner to provide good cause before issuing a decision or recommended decision. If the petitioner makes a good cause request within this time period, the board or board designee shall rule on the good cause request before determining that the hearing should be rescheduled or that the board or special magistrate should issue a decision or recommended decision.

(8) When a petitioner does not appear by the commencement of a scheduled hearing and a good cause request is pending, the board or board designee shall rule on the good cause request before determining that the hearing should be rescheduled or that the board
or special magistrate should issue a decision or recommended decision.

(a) If the board or board designee finds good cause for the petitioner’s failure to appear, the clerk shall reschedule the hearing.

(b) If the board or board’s designee does not find good cause for the petitioner’s failure to appear, the board or special magistrate shall issue a decision or recommended decision.

(9) Decisions issued under subsection (7) or subsection (8) shall contain:

(a) a finding of fact that the petitioner did not appear at the hearing and did not state good cause; and

(b) a conclusion of law that the decision is being issued in order that any right the petitioner may have to bring an action in circuit court is not impaired.

12D-9.022 Disqualification or Recusal of Special Magistrates or Board Members.

(1) If either the petitioner or the property appraiser communicates a reasonable belief that a special magistrate does not possess the statutory qualifications in accordance with Sections 194.035 and 475.611(1)(h) and (i), Florida Statutes, to conduct a particular proceeding, the basis for that belief shall be included in the record of the proceeding.

(2)(a) Upon review, if the board or its legal counsel determines that the original special magistrate does not meet the statutory requirements and qualifications, the board or legal counsel shall enter into the record an instruction to the clerk to reschedule the petition before a different special magistrate to hear or rehear the petition without
considering actions that may have occurred during any previous hearing.

(b) Upon review, if the board or its legal counsel determines that the special magistrate does meet the statutory requirements and qualifications, such determination shall be issued in writing and placed in the record, and the special magistrate will conduct the hearing, or, if a hearing was already held, the recommended decision will be forwarded to the board in accordance with these rules.

(3) Board members and special magistrates shall recuse themselves from hearing a petition when they have a conflict of interest or an appearance of a conflict of interest.

(4)(a) If either the petitioner or the property appraiser communicates a reasonable belief that a board member or special magistrate has a conflict of interest, the basis for that belief shall be stated in the record of the proceeding.

(b) If the board member or special magistrate agrees with the basis stated in the record, the board member or special magistrate shall recuse himself or herself on the record. A special magistrate who recuses himself or herself shall close the hearing on the record and notify the clerk of the recusal. Upon a board member’s recusal, the hearing shall go forward if there is a quorum. Upon a special magistrate’s recusal, or a board member’s recusal that results in a quorum not being present, the clerk shall reschedule the hearing.

(c) If the board member or special magistrate questions the need for recusal, the board member or special magistrate shall do one of the following:

1. if time permits, request an immediate determination on the matter from the board’s legal counsel; or

2. state for the record that he or she questions the need for recusal and state the basis
for the question, proceed with the hearing, and promptly present the matter to the board’s legal counsel for review.

(d) Upon review, if the board legal counsel:

1. determines that a recusal is necessary, the board member or special magistrate shall recuse himself or herself and the clerk shall reschedule the hearing; or

2. is uncertain whether the board member or special magistrate has a conflict of interest, the board member or special magistrate shall recuse himself or herself and the clerk shall reschedule the hearing.

(e) In a rescheduled hearing, the board or special magistrate shall not consider any actions that may have occurred during any previous hearing on the same petition.

12D-9.023 Hearings Before Board or Special Magistrates.

(1) Hearing rooms, office space, computer systems, personnel, and other resources used for any of the board’s functions shall be controlled by the board through the clerk of the value adjustment board. The clerk shall perform his or her duties in a manner to avoid the appearance of a conflict of interest. The clerk shall not use the resources of the property appraiser’s or tax collector’s office and shall not allow the property appraiser or tax collector to control or influence any part of the value adjustment board process.

(2) Boards and special magistrates shall adhere as closely as possible to the schedule of hearings established by the clerk but must ensure that adequate time is allowed for parties to present evidence and for the board or special magistrate to consider the
admitted evidence. If the board or special magistrate determines from the petition form that the hearing has been scheduled for less time than the petitioner requested on the petition, the board or special magistrate must consider whether the hearing should be extended or continued to provide additional time.

(1) If all parties are present and the petition is not withdrawn or settled, a hearing on the petition shall commence.

(2) The hearing shall be open to the public.

(3) Upon the request of either party, a special magistrate shall swear in all witnesses in that proceeding on the record. Upon such request and if the witness has been sworn in during an earlier hearing, it shall be sufficient for the special magistrate to remind the witness that he or she is still under oath.

(4) Before or at the start of the hearing, the board, the board’s designee or the special magistrate shall give a short overview verbally or in writing of the rules of procedure and any administrative issues necessary to conduct the hearing.

(5) Before or at the start of the hearing, unless waived by the parties, the board or special magistrate shall make an opening statement or provide a brochure or taxpayer information sheet that:

(a) states the board or special magistrate is an independent, impartial, and unbiased hearing body or officer, as applicable;
(b) states the board or special magistrate does not work for the property appraiser or tax collector, is independent of the property appraiser or tax collector, and is not influenced by the property appraiser or tax collector;

(c) states the hearing will be conducted in an orderly, fair, and unbiased manner;

(d) states that the law does not allow the board or special magistrate to review any evidence unless it is presented on the record at the hearing or presented upon agreement of the parties while the record is open; and

(e) states that the law requires the board or special magistrate to evaluate the relevance and credibility of the evidence in deciding the results of the petition.

(6) The board or special magistrate shall ask the parties if they have any questions regarding the verbal or written overview of the procedures for the hearing.

(7) After the opening statement, and clarification of any questions with the parties, the board or special magistrate shall proceed with the hearing.

(8) If at any point in a hearing or proceeding the petitioner withdraws the petition or the parties agree to settlement, the petition becomes a withdrawn or settled petition and the hearing or proceeding shall end. The board or special magistrate shall state or note for the record that the petition is withdrawn or settled, shall not proceed with the hearing, shall not consider the petition, and shall not produce a decision or recommended decision.

(9)(a) If the petitioner does not appear by the commencement of a scheduled hearing, the board or special magistrate shall not commence the hearing and shall proceed under the requirements set forth in Section 12D-9.021(7), F.A.C., unless:

1. the petition is on a “portability” assessment difference transfer in which the
previous homestead is the subject of the petition and is located in a county other than the county where the new homestead is located. Requirements specific to hearings on such petitions are set forth in Section 12D-9.028(6), F.A.C.; or

2. the petitioner has indicated that he or she does not wish to appear at the hearing but would like for the board or special magistrate to consider evidence submitted by the petitioner.

(b) A petitioner who has indicated that he or she does not wish to appear at the hearing, but would like for the board or special magistrate to consider his or her evidence, shall submit his or her evidence to the board clerk and property appraiser before the hearing. The board clerk shall:

1. keep the petitioner’s evidence as part of the petition file;
2. notify the board or special magistrate before or at the hearing that the petitioner has indicated he or she will not appear at the hearing, but would like for the board or special magistrate to consider his or her evidence at the hearing; and
3. give the evidence to the board or special magistrate at the beginning of the hearing.

(10) If the property appraiser or tax collector does not appear by the commencement of a scheduled hearing, the board or special magistrate shall state on the record that the property appraiser or tax collector did not appear at the hearing. Then, the board or special magistrate shall request the petitioner to state for the record whether he or she wants to have the hearing rescheduled or wants to proceed with the hearing without the property appraiser or tax collector. If the petitioner elects to have the hearing rescheduled, the clerk shall reschedule the hearing. If the petitioner elects to proceed with the hearing without the property appraiser or tax collector, the board or special magistrate
shall proceed with the hearing and shall produce a decision or recommended decision.

(11) In any hearing conducted without one of the parties present, the board or special magistrate must take into consideration the inability of the opposing party to cross-examine the non-appearing party in determining the sufficiency of the evidence of the non-appearing party.

12D-9.025 Procedures for Conducting a Hearing; Presentation of Evidence; Testimony of Witnesses.

(1) As part of administrative reviews, the board or special magistrate must:

(a) review the evidence presented by the parties;

(b) determine whether the evidence presented is admissible;

(c) admit the evidence that is admissible, and identify the evidence presented to indicate that it is admitted or not admitted; and

(d) consider the admitted evidence.

(2)(a) In these rules, the term “admitted evidence” means evidence that has been admitted into the record for consideration by the board or special magistrate. Board and special magistrate proceedings are not controlled by strict rules of evidence and procedure. Formal rules of evidence shall not apply, but fundamental due process shall be observed and shall govern the proceedings.

(b) For administrative reviews, “relevant evidence” is evidence that is reasonably related, directly or indirectly, to the statutory criteria that apply to the issue under review.
This description means the evidence meets or exceeds a minimum level of relevance necessary to be admitted for consideration, but does not necessarily mean that the evidence has sufficient relevance to legally justify a particular conclusion.

(c) Rebuttal evidence is relevant evidence used solely to disprove or contradict the original evidence presented by an opposing party.

(d) If the board or special magistrate has a question relating to the admissibility or use of evidence, the board or special magistrate shall consult with board legal counsel. The special magistrate may delay ruling on the question during the hearing and consult with board legal counsel after the hearing.

(3)(a) In a board or special magistrate hearing, the petitioner is responsible for presenting relevant and credible evidence in support of his or her belief that the property appraiser’s determination is incorrect. The property appraiser is responsible for presenting relevant and credible evidence in support of his or her determination.

(b) Under Section 194.301, Florida Statutes (2009), starting with 2009 assessments, “preponderance of the evidence” is the standard of proof that applies in assessment challenges. The “clear and convincing evidence” standard of proof no longer applies, starting with 2009 assessments. A taxpayer shall never have the burden of proving that the property appraiser’s assessment is not supported by any reasonable hypothesis of a legal assessment.

(4)(a) No evidence shall be considered by the board or special magistrate except when presented and admitted during the time scheduled for the petitioner’s hearing, or at a time when the petitioner has been given reasonable notice. The petitioner may still present evidence if he or she does not participate in the evidence exchange. However, if
the property appraiser asks in writing for evidence before the hearing in connection with a filed petition, and the petitioner has this evidence and refuses to provide it to the property appraiser, the evidence cannot be presented by the petitioner or accepted for consideration by the board or special magistrate.

(b) If a party submits evidence to the clerk prior to the hearing, the board or special magistrate shall not review or consider such evidence prior to the hearing.

(c) In order to be reviewed by the board or special magistrate, any evidence filed with the clerk shall be brought to the hearing by the party. These requirements shall not apply where:

1. a petitioner does not appear at a hearing on a “portability” assessment difference transfer petition in which the previous homestead is the subject of the petition and is located in a county other than the county where the new homestead is located. Requirements specific to hearings on such petitions are set forth in Section 12D-9.028(6), F.A.C.; or

2. a petitioner has indicated that he or she does not wish to appear at the hearing but would like for the board or special magistrate to consider evidence submitted by the petitioner.

(d) A petitioner who has indicated that he or she does not wish to appear at the hearing, but would like for the board or special magistrate to consider his or her evidence, shall submit his or her evidence to the board clerk before the hearing. The board clerk shall:

1. keep the petitioner’s evidence as part of the petition file;

2. notify the board or special magistrate before or at the hearing that the petitioner has
indicated he or she will not appear at the hearing, but would like for the board or special magistrate to consider his or her evidence at the hearing; and

3. give the evidence to the board or special magistrate at the beginning of the hearing.

(e) The clerk may provide an electronic system for the filing and retrieval of evidence for the convenience of the parties, but such evidence shall not be considered part of the record and shall not be reviewed by the board or special magistrate until presented at a hearing. Any exchange of evidence should occur between the parties and such evidence is not part of the record until presented by the offering party and deemed admissible at the hearing.

(f)1. No petitioner shall present, nor shall the board or special magistrate accept for consideration, testimony or other evidentiary materials that were requested of the petitioner in writing by the property appraiser in connection with a filed petition, of which the petitioner had knowledge and denied to the property appraiser. Such evidentiary materials shall be considered timely if provided to the property appraiser no later than fifteen (15) days before the hearing in accordance with the exchange of evidence rules in Section 12D-9.020, F.A.C. and, if provided to the property appraiser less than fifteen (15) days before the hearing, shall be considered timely if the board or special magistrate determines they were provided a reasonable time before the hearing. A petitioner’s ability to introduce the evidence, requested of the petitioner in writing by the property appraiser, is lost if not provided to the property appraiser as described in this paragraph. This provision does not preclude rebuttal evidence that was not specifically requested of the petitioner by the property appraiser.

2. A property appraiser shall not present undisclosed evidence that was not supplied
to the petitioner as required under the evidence exchange rule, Section 12D-9.020, F.A.C.

The normal remedy for such noncompliance shall be a rescheduling of the hearing to
allow the petitioner an opportunity to review the information of the property appraiser.

(5) When testimony is presented at a hearing, each party shall have the right to cross-
examine any witness.

(6)(a) By agreement of the parties entered in the record, the board or special
magistrate may leave the record open and postpone completion of the hearing to a date
certain to allow a party to collect and provide additional relevant and credible evidence.
Such postponements shall be limited to instances where, after completing original
presentations of evidence, the parties agree to the collection and submittal of additional,
specific factual evidence for consideration by the board or special magistrate.

(b) If additional hearing time is necessary, the hearing must be completed at the date,
place, and time agreed upon for presenting the additional evidence to the board or special
magistrate for consideration.

(c) The following limitations shall apply if the property appraiser seeks to present
additional evidence that was unexpectedly discovered and that would increase the
assessment.

1. The board or special magistrate shall ensure that such additional evidence is limited
to a correction of a factual error discovered in the physical attributes of the petitioned
property; a change in the property appraiser’s judgment is not such a correction and shall
not justify an increase in the assessment.

2. A notice of revised proposed assessment shall be made and provided to the
petitioner in accordance with the notice provisions set out in Florida Statutes for notices
of proposed property taxes.

3. A new hearing shall be scheduled and notice of the hearing shall be sent to the petitioner along with a copy of the revised property record card if requested.

5. The back assessment procedure in Section 193.092, Florida Statutes, shall be used for any assessment already certified.

(7)(a) The board or special magistrate shall receive, identify for the record, and retain all exhibits presented during the hearing and send them to the clerk along with the recommended decision or final decision. Upon agreement of the parties, the clerk is authorized to make an electronic representation of evidence that is difficult to store or maintain.

(b) The board or special magistrate shall have the authority, at a hearing, to ask questions at any time of either party, the witnesses, or board staff. When asking questions, the board or special magistrate shall not show bias for or against any party or witness. The board or special magistrate shall limit the content of any question asked of a party or witness to matters reasonably related, directly or indirectly, to matters already in the record.

(c) Representatives of interested municipalities may be heard as provided in Section 193.116, Florida Statutes.

(8) Unless a board or special magistrate determines that additional time is necessary, the board or special magistrate shall conclude all hearings at the end of the time scheduled for the hearing. If a hearing is not concluded by the end of the time scheduled,
the board or special magistrate shall determine the amount of additional time needed to conclude the hearing.

(a) If the board or special magistrate determines that the amount of additional time needed to conclude the hearing would not unreasonably disrupt other hearings, the board or special magistrate is authorized to proceed with conclusion of the hearing.

(b) If the board or special magistrate determines that the amount of additional time needed to conclude the hearing would unreasonably disrupt other hearings, the board or special magistrate shall so state on the record and shall notify the clerk to reschedule the conclusion of the hearing to a time as scheduled and noticed by the clerk.

(9) The board or special magistrate shall not be required to make, at any time during a hearing, any oral or written finding, conclusion, decision, or reason for decision. The board or special magistrate has the discretion to determine whether to make such determinations during a hearing or to consider the petition and evidence further after the hearing and then make such determinations.

(1) Hearings conducted by electronic media shall occur only under the conditions set forth in this rule section.

(a) The board must approve and have available the necessary equipment and procedures.
(b) The special magistrate, if one is used, must agree in each case to the electronic hearing.

(c) The board must accommodate parties that have hardship or lack necessary equipment or ability to access equipment.

(2) For any hearing conducted by electronic media, the board shall ensure that all equipment is adequate and functional for allowing clear communication among the participants and for creating the hearing records required by law. The board procedures shall specify the time period within which a party must request to appear at a hearing by electronic media.

(3) Consistent with board equipment and procedures:

(a) Any party may request to appear at a hearing before a board or special magistrate, using telephonic or other electronic media. If the board or special magistrate allows a party to appear by telephone, all members of the board in the hearing or the special magistrate must be physically present in the hearing room. Unless required by other provisions of state or federal law, the clerk need not comply with such a request if such telephonic or electronic media are not reasonably available.

(b) The parties must also all agree on the methods for swearing witnesses, presenting evidence, and placing testimony on the record. Such methods must comply with the provisions of this rule chapter. The agreement of the parties must include which parties must appear by telephonic or other electronic media, and which parties will be present in the hearing room.

(4) Such hearings must be open to the public either by providing the ability for interested members of the public to join the hearing electronically or to monitor the
hearing at the location of the board or special magistrate.

Rulemaking Authority 194.011(5), 194.034(1), 195.027(1), 213.06(1) FS. Law

(1) This section sets forth the sequence of general procedural steps for administrative reviews. This order of steps applies to: the consideration of evidence during or after a hearing, the development of conclusions during or after a hearing, and the production of written decisions. The board or special magistrate shall follow this general sequence in order to fulfill the procedural requirements of section 194.301, Florida Statutes (2009), starting with 2009 assessments. The following subsections set forth the steps for administrative reviews of:

(a) just valuations in subsection (2);

(b) classified use valuations in subsection (3);

(c) assessed valuations of limited increase property in subsection (4); and

(d) exemptions, classifications, and portability assessment transfers in subsection (5).

(2) In administrative reviews of the just valuation of property, the board or special magistrate shall follow this sequence of general procedural steps:

(a) Consider the admitted evidence presented by the parties.

(b) Identify and consider the essential characteristics of the petitioned property based on the factors in section 193.011, Florida Statutes.

(c) Identify and consider the appraisal methodology used by the property appraiser in developing his or her just valuation of the petitioned property.
(d) Determine whether the admitted evidence proves by a preponderance of the
evidence that the property appraiser’s methodology complies with section 193.011,
Florida Statutes, and professionally accepted appraisal practices, including mass appraisal
standards, if appropriate.

(e) Determine whether the property appraiser’s appraisal methodology is appropriate.

(f) Determine whether the admitted evidence proves by a preponderance of the
evidence that:

1. The property appraiser’s just valuation does not represent just value; or

2. The property appraiser’s just valuation is arbitrarily based on appraisal practices
that are different from the appraisal practices generally applied by the property appraiser
to comparable property within the same county.

(g) If one or both of the preceding conditions are determined to exist, the board or
special magistrate shall determine whether the hearing record contains competent,
substantial evidence of just value which cumulatively meets the criteria of section
193.011, Florida Statutes, and professionally accepted appraisal practices.

1. If the hearing record contains competent, substantial evidence for establishing just
value, the board or an appraiser special magistrate shall establish the just value based
only upon such evidence. When the prerequisite conditions exist, the board or an
appraiser special magistrate is required to establish a revised just value for the petitioned
property. In establishing a revised just value when required by law, the board or special
magistrate is not restricted to any specific value offered by the parties.

2. If the hearing record lacks competent, substantial evidence for establishing just
value, the board or special magistrate shall remand the assessment to the property
appraiser with appropriate directions.

(3) In administrative reviews of the classified use valuation of property, the board or special magistrate shall follow this sequence of general procedural steps:

(a) Consider the admitted evidence presented by the parties.

(b) Identify the property classification applied to the petitioned property and identify the statutory criteria that apply to the classified use valuation of the property.

(c) Identify the essential characteristics of the petitioned property based on the statutory criteria that apply to the classified use valuation of the property.

(d) Identify the appraisal methodology used by the property appraiser in developing his or her classified use valuation of the petitioned property.

(e) Determine whether the admitted evidence proves by a preponderance of the evidence that the property appraiser’s methodology complies with the statutory criteria that apply to the classified use valuation of the petitioned property.

(f) Determine whether the property appraiser’s appraisal methodology is appropriate.

(g) Determine whether the admitted evidence proves by a preponderance of the evidence that:

1. The property appraiser’s classified use valuation does not represent classified use value; or

2. The property appraiser’s classified use valuation is arbitrarily based on classified use appraisal practices that are different from the classified use appraisal practices generally applied by the property appraiser to comparable property of the same property classification within the same county.

(h) If one or both of the preceding conditions are determined to exist, the board or
special magistrate shall determine whether the hearing record contains competent, substantial evidence of classified use value which cumulatively meets the statutory criteria that apply to the classified use valuation of the petitioned property.

1. If the hearing record contains competent, substantial evidence for establishing classified use value, the board or an appraiser special magistrate shall establish the classified use value based only upon such evidence. When the prerequisite conditions exist, the board or an appraiser special magistrate is required to establish a revised classified use value for the petitioned property. In establishing a revised classified use value when required by law, the board or special magistrate is not restricted to any specific value offered by the parties.

2. If the hearing record lacks competent, substantial evidence for establishing classified use value, the board or special magistrate shall remand the assessment to the property appraiser with appropriate directions.

(4) In administrative reviews of the assessed valuation of limited increase property, the board or special magistrate shall follow this sequence of general procedural steps:

(a) Consider the admitted evidence presented by the parties.

(b) Identify and consider the essential characteristics of the petitioned property based on the statutory criteria that apply to the assessed valuation of the petitioned property.

(c) Identify and consider the methodology used by the property appraiser in developing his or her assessed valuation of the petitioned property.

(d) Determine whether the admitted evidence proves by a preponderance of the evidence that the property appraiser’s methodology complies with the applicable statutory criteria.
(e) Determine whether the property appraiser’s methodology is appropriate.

(f) Determine whether the admitted evidence proves by a preponderance of the evidence that the property appraiser’s assessed value is incorrect.

(g) If the property appraiser’s assessed value is determined to be incorrect, the board or special magistrate shall determine whether the hearing record contains competent, substantial evidence of assessed value which cumulatively meets the statutory criteria that apply to the assessed valuation of the petitioned property.

1. If the hearing record contains competent, substantial evidence for establishing assessed value, the board or an appraiser special magistrate shall establish the assessed value based only upon such evidence.

2. If the hearing record lacks competent, substantial evidence for establishing assessed value, the board or special magistrate shall remand the assessment to the property appraiser with appropriate directions.

(5) In administrative reviews of exemptions, classifications, and portability assessment transfers, the board or special magistrate shall follow this sequence of general procedural steps:

(a) Consider the admitted evidence presented by the parties.

(b) Identify the particular exemption, property classification, or portability assessment transfer issue that is the subject of the petition.

(c) Identify the statutory criteria that apply to the particular exemption, property classification, or portability assessment difference transfer that was identified as the issue under administrative review.

(d) Identify and consider the essential characteristics of the petitioned property or the
property owner, as applicable, based on the statutory criteria that apply to the issue under administrative review.

(e) Identify and consider the basis used by the property appraiser in issuing the denial for the petitioned property. Additionally, in the case of an exemption, the board or special magistrate shall consider whether the denial was valid or invalid in determining whether to uphold or overturn the property appraiser’s determination and shall:

1. review the exemption denial, and compare it to the applicable statutory criteria in Section 196.193(5), Florida Statutes;

2. determine whether the denial was valid under Section 196.193, Florida Statutes; and

3. not give weight to any exemption denial found to be invalid but shall instead proceed as provided in Section 194.301, Florida Statutes (2009).

(f) Determine whether the admitted evidence proves by a preponderance of the evidence that the property appraiser’s denial is incorrect and the exemption, classification, or portability assessment transfer should be granted because all of the applicable statutory criteria are satisfied.

(6) “Standard of proof” means the level of proof needed by the board or special magistrate to reach a particular conclusion. The standard of proof that applies in administrative reviews is called “preponderance of the evidence,” which means “greater weight of the evidence.”

(7) When applied to evidence, the term “sufficient” is a test of adequacy. Sufficient evidence is admitted evidence that has enough overall weight, in terms of relevance and credibility, to legally justify a particular conclusion. A particular conclusion is justified
when the overall weight of the admitted evidence meets the standard of proof that applies to the issue under consideration. The board or special magistrate must determine whether the admitted evidence is sufficiently relevant and credible to reach the standard of proof that applies to the issue under consideration. In determining whether the admitted evidence is sufficient for a particular issue under consideration, the board or special magistrate shall:

(a) consider the relevance and credibility of the admitted evidence as a whole, regardless of which party presented the evidence;

(b) determine the relevance and credibility, or overall weight, of the evidence;

(c) compare the overall weight of the evidence to the standard of proof;

(d) determine whether the overall weight of the evidence is sufficient to reach the standard of proof; and

(e) produce a conclusion of law based on the determination of whether the overall weight of the evidence has reached the standard of proof.

(1) This rule section applies to the review of denials of assessment limitation difference transfers or of the amount of an assessment limitation difference transfer. No adjustment to the just, assessed or taxable value of the previous homestead parcel may be made pursuant to a petition under this rule.
(2) A petitioner may file a petition with the value adjustment board, in the county where the new homestead is located, to petition either a denial of a transfer or the amount of the transfer, on Form DR-486PORT (Petition to Value Adjustment Board, Transfer of Homestead Assessment Difference – Request for Hearing; N. 07/08), which the Department of Revenue hereby adopts and incorporates in this rule by reference. Such petition must be filed within 25 days following the mailing of the notice of proposed property taxes as provided in Section 194.011, Florida Statutes. If only a part of a transfer of assessment increase differential is granted, the notice of proposed property taxes shall function as notice of the taxpayer’s right to appeal to the board.

(3) The petitioner may petition to the board the decision of the property appraiser refusing to allow the transfer of an assessment difference, and the board shall review the application and evidence presented to the property appraiser upon which the petitioner based the claim and shall hear the petitioner on behalf of his or her right to such assessment. Such petition shall be heard by an attorney special magistrate if the board uses special magistrates.

(4) This subsection will apply to value adjustment board proceedings in a county in which the previous homestead is located. Any petitioner desiring to appeal the action of a property appraiser in a county in which the previous homestead is located must so designate on Form DR-486PORT.

(5) If the petitioner does not agree with the amount of the assessment limitation difference for which the petitioner qualifies as stated by the property appraiser in the county where the previous homestead property was located, or if the property appraiser in that county has not stated that the petitioner qualifies to transfer any assessment
limitation difference, upon the petitioner filing a petition to the value adjustment board in the county where the new homestead property is located, the board clerk in that county shall, upon receiving the petition, send a notice using Form DR-486XCO, (Cross-County Notice of Appeal and Petition, Transfer of Homestead Assessment Difference; N. 07/08) which the Department of Revenue hereby adopts and incorporates in this rule by reference, to the board clerk in the county where the previous homestead was located, which shall reconvene if it has already adjourned.

(6)(a) If a cross county petition is filed as described in subsection (5), such notice operates as a timely petition and creates an appeal to the value adjustment board in the county where the previous homestead was located on all issues surrounding the previous assessment differential for the taxpayer involved. However, the petitioner may not petition to have the just, assessed, or taxable value of the previous homestead changed.

(b) The board clerk in the county where the previous homestead was located shall set the petition for hearing and notify the petitioner, the property appraiser in the county where the previous homestead was located, the property appraiser in the county where the new homestead is located, and the value adjustment board in that county, and shall hear the petition.

(c) The board clerk in the county in which the previous homestead was located must note and file the petition from the county in which the new homestead is located. No filing fee is required. The board clerk shall notify each petitioner of the scheduled time of appearance. The notice shall be in writing and delivered by regular or certified U.S. mail or personal delivery or delivered in the manner requested by the petitioner on Form DR-486PORT, so that the notice shall be received by the petitioner no less than twenty-five
(25) calendar days prior to the day of such scheduled appearance. The board clerk will have prima facie complied with the requirements of this section if the notice was deposited in the U.S. mail thirty (30) days prior to the day of such scheduled appearance.

   (d) Such petition shall be heard by an attorney special magistrate if the value adjustment board in the county where the previous homestead was located uses special magistrates. The petitioner may attend such hearing and present evidence, but need not do so. If the petitioner does not appear at the hearing, the hearing shall go forward. The board or special magistrate shall obtain the petition file from the board clerk. The board or special magistrate shall consider deeds, property appraiser records that do not violate confidentiality requirements, and other documents that are admissible evidence. The petitioner may submit a written statement for review and consideration by the board or special magistrate explaining why the “portability” assessment difference should be granted based on applications and other documents and records submitted by the petitioner.

   (e) The value adjustment board in the county where the previous homestead was located shall issue a decision and the board clerk shall send a copy of the decision to the board clerk in the county where the new homestead is located.

   (f) In hearing the petition in the county where the new homestead is located, that value adjustment board shall consider the decision of the value adjustment board in the county where the previous homestead was located on the issues pertaining to the previous homestead and on the amount of any assessment reduction for which the petitioner qualifies. The value adjustment board in the county where the new homestead is located may not hold its hearing until it has received the decision from the value adjustment
board in the county where the previous homestead was located.

(7) This rule does not authorize the consideration or adjustment of the just, assessed, or taxable value of the previous homestead property.

12D-9.029 Procedures for Remanding Just Value or Classified Use Value Assessments.

(1) The board or appraiser special magistrate shall remand an assessment to the property appraiser when the board or special magistrate:

(a) has concluded that the property appraiser’s assessment does not represent just value or classified use value, as applicable; and

(b) has concluded that the record does not contain the competent substantial evidence necessary for the board or special magistrate to establish just value or classified use value, as applicable.

(2) An attorney special magistrate shall remand an assessment to the property appraiser for a classified use valuation when the special magistrate has concluded that a property classification will be granted.

(3) The board shall remand an assessment to the property appraiser for a classified use valuation when the board:

(a) has concluded that a property classification will be granted; and

(b) has concluded that the record does not contain the competent substantial evidence necessary for the board to establish classified use value.
(4) The board or special magistrate shall, on the appropriate decision form from the Form DR-485 series, produce written findings of fact and conclusions of law necessary to determine that a remand is required, but shall not render a recommended or final decision unless a continuation hearing is held as provided in subsection (9).

(5) When an attorney special magistrate remands an assessment to the property appraiser for classified use valuation, an appraiser special magistrate retains authority to produce a recommended decision in accordance with law. When an appraiser special magistrate remands an assessment to the property appraiser, the special magistrate retains authority to produce a recommended decision in accordance with law. When the value adjustment board remands an assessment to the property appraiser, the board retains authority to make a final decision on the petition in accordance with law.

(6) For remanding an assessment to the property appraiser, the board or special magistrate shall produce a written remand decision which shall include appropriate directions to the property appraiser.

(7) The board clerk shall concurrently provide, to the petitioner and the property appraiser, a copy of the written remand decision from the board or special magistrate. The petitioner’s copy of the written remand decision shall be sent by regular or certified U.S. mail or by personal delivery, or in the manner requested by the taxpayer on Form DR-486.

(8)(a) After receiving a board or special magistrate’s remand decision from the board clerk, the property appraiser shall follow the appropriate directions from the board or special magistrate and shall produce a written remand review.

(b) The property appraiser or his or her staff shall not have, directly or indirectly, any
ex parte communication with the board or special magistrate regarding the remanded assessment.

(9)(a) Immediately after receipt of the written remand review from the property appraiser, the board clerk shall send a copy of the written remand review to the petitioner by regular or certified U.S. mail or by personal delivery, or in the manner requested by the taxpayer on Form DR-486, and shall send a copy to the board or special magistrate. The board clerk shall retain, as part of the petition file, the property appraiser’s written remand review. Together with the petitioner’s copy of the written remand review, the clerk shall send to the petitioner a copy of this rule subsection.

(b) The clerk shall schedule a continuation hearing unless the petitioner notifies the clerk that the results of the property appraiser’s written remand review are acceptable to the petitioner and that the petitioner waives the right to a further hearing on the petition. The clerk shall send the notice of hearing so that it will be received by the petitioner no less than twenty-five (25) calendar days prior to the day of such scheduled appearance, as described in Section 12D-9.019(3), F.A.C. If the petitioner agrees with the remand value, the board or special magistrate shall not produce a written decision; however, the petition shall be treated and listed as board action for purposes of the notice required by Section 12D-9.038, F.A.C.

(c) At a continuation hearing, the board or special magistrate shall receive and consider the property appraiser’s written remand review and additional relevant and credible evidence, if any, from the parties. Also, the board or special magistrate may consider evidence admitted at the original hearing.

(10) In those counties that use special magistrates, if an attorney special magistrate
has granted a property classification before the remand decision and the property
appraiser has produced a remand classified use value, a real property valuation special
magistrate shall conduct the continuation hearing.

(11) In no case shall a board or special magistrate remand to the property appraiser an
exemption, “portability” assessment difference transfer, or property classification
determination.

(12) Copies of all evidence shall remain with the clerk and be available during the
remand process.

(13) In lieu of remand, the board or special magistrate may postpone conclusion of
the hearing upon agreement of the parties if the requirements of Section 12D-9.025(6),
F.A.C. are met.

(14) To the extent possible where the context will permit, remands of assessed
valuations shall be handled procedurally under this rule chapter in the same manner as
remands of just valuations.

12D-9.030 Recommended Decisions.

(1) For each petition not withdrawn or settled, special magistrates shall produce a
written recommended decision that contains findings of fact, conclusions of law, and
reasons for upholding or overturning the property appraiser’s determination. Each
recommended decision shall contain sufficient factual and legal information and
reasoning to enable the parties to understand the basis for the decision, and shall
otherwise meet the requirements of law. The special magistrate and clerk shall observe
the petitioner’s right to be sent a timely written recommended decision containing
proposed findings of fact and proposed conclusions of law and reasons for upholding or
overturning the determination of the property appraiser. After producing a recommended
decision, the special magistrate shall provide it to the clerk.

(2) The clerk shall provide copies of the special magistrate’s recommended decision
to the petitioner and the property appraiser as soon as practicable after receiving the
recommended decision, and if the clerk:

(a) knows the date, time, and place at which the recommended decision will be
considered by the board, the clerk shall include such information when he or she sends
the recommended decision to the petitioner and the property appraiser; or

(b) does not yet know the date, time, and place at which the recommended decision
will be considered by the board, the clerk shall include information on how to find the
date, time, and place of the meeting at which the recommended decision will be
considered by the board.

(3) Any board or special magistrate workpapers, worksheets, notes, or other materials
that are made available to a party shall immediately be sent to the other party. Any
workpapers, worksheets, notes, or other materials created by the board or special
magistrates during the course of hearings or during consideration of petitions and
evidence, that contain any material prepared in connection with official business, shall be
transferred to the clerk and retained as public records. Value adjustment boards or special
magistrates using standardized workpapers, worksheets, or notes, whether in electronic
format or otherwise, must receive prior department approval to ensure that such
standardized documents comply with the law.

(4) For the purpose of producing the recommended decisions of special magistrates,
the department prescribes the Form DR-485 series, and any electronic equivalent forms
approved by the department under Section 195.022, Florida Statutes. The Form DR-485
series is adopted and incorporated by reference in Rule 12D-16.002, Florida
Administrative Code. All recommended decisions of special magistrates, and all forms
used for the recommended decisions, must contain the following required elements:

(a) findings of fact;

(b) conclusions of law; and

(c) reasons for upholding or overturning the determination of the property appraiser.

(5) As used in this section, the terms “findings of fact” and “conclusions of law”
include proposed findings of fact and proposed conclusions of law produced by special
magistrates in their recommended decisions.

12D-9.031 Consideration and Adoption of Recommended Decisions of Special
Magistrates by Value Adjustment Boards in Administrative Reviews.

(1) All recommended decisions shall comply with Sections 194.301, 194.034(2) and
194.035(1), Florida Statutes. A special magistrate shall not submit to the board, and the
board shall not adopt, any recommended decision that is not in compliance with Sections
194.301, 194.034(2) and 194.035(1), Florida Statutes.
(2) As provided in Sections 194.034(2) and 194.035(1), Florida Statutes, the board shall consider the recommended decisions of special magistrates and may act upon the recommended decisions without further hearing. If the board holds further hearing for such consideration, the clerk shall send notice of the hearing to petitioners. The notice of hearing shall be in the same form as specified in Section 12D-9.019(3)(a), F.A.C., but need not include items specified in subparagraphs 6. through 10. of that subsection. The board shall consider whether the recommended decisions meet the requirements of subsection (1), and may rely on board legal counsel for such determination.

(3) If the board determines that a recommended decision meets the requirements of subsection (1), the board shall adopt the recommended decision. When a recommended decision is adopted and rendered by the board, it becomes final.

(4) If the board determines that a recommended decision does not comply with the requirements of subsection (1), the board shall proceed as follows:

(a) The board shall request the advice of board legal counsel to evaluate further action and shall take the steps necessary for producing a final decision in compliance with subsection (1).

(b) The board may direct a special magistrate to produce a recommended decision that complies with subsection (1) based on, if necessary, a review of the entire record.

(c) The board shall retain any recommended decisions and all other records of actions under this rule section.

Rulemaking Authority 194.011(5), 194.034(1), 195.027(1), 213.06(1) FS. Law

(1) For each petition not withdrawn or settled, the board shall produce a written final decision that contains findings of fact, conclusions of law, and reasons for upholding or overturning the property appraiser’s determination. Each final decision shall contain sufficient factual and legal information and reasoning to enable the parties to understand the basis for the decision, and shall otherwise meet the requirements of law.

(2) A final decision of the board shall state the just, assessed, taxable, and exempt value, both before and after board action. Board action shall not include changes made as a result of action by the property appraiser. If the property appraiser has reduced his or her value or granted an exemption, property classification, or “portability” assessment difference transfer, whether before or during the hearing but before board action, the values in the “before” column shall reflect the adjusted figure before board action.

(3) The board’s final decision shall advise the taxpayer and property appraiser that further proceedings in circuit court shall be as provided in Section 194.036, Florida Statutes.

(4) Upon issuance of a final decision by the board, the board shall provide it to the clerk and the clerk shall promptly provide notice of the final decision to the parties. Notice of the final decision may be made by providing a copy of the decision.

(5) For the purpose of producing the final decisions of the board, the department prescribes the Form DR-485 series, and any electronic equivalent forms approved by the department under Section 195.022, Florida Statutes. The Form DR-485 series is adopted
and incorporated by reference in Rule 12D-16.002, Florida Administrative Code. The Form DR-485 series, or approved electronic equivalent forms, are the only forms that shall be used for producing a final decision of the board. Before using any form to notify petitioners of the final decision, the board shall submit the proposed form to the department for approval. The board shall not use a form to notify the petitioner unless the department has approved the form.

(6)(a) If, prior to a final decision, any communication is received from a party concerning a board process on a petition or concerning a recommended decision, a copy of the communication shall promptly be furnished to all parties, the clerk, and the board legal counsel. No such communication shall be furnished to the board or a special magistrate unless a copy is immediately furnished to all parties.

(b) The board legal counsel shall respond to such communication and may advise the board concerning any action the board should take concerning the communication.

(c) No reconsideration of a recommended decision shall take place until all parties have been furnished all communications, and have been afforded adequate opportunity to respond.

(d) The clerk shall provide to the parties:

1. notification before the presentation of the matter to the board; and

2. notification of any action taken by the board.

12D-9.033 Further Judicial Proceedings. After the board issues its final decision, further proceedings and the timing thereof are as provided in Sections 194.036 and 194.171, Florida Statutes.

12D-9.034 Record of the Proceeding.

(1) The clerk shall maintain a record of the proceeding. The record shall consist of:

(a) the petition;

(b) all filed documents, including all tangible exhibits and documentary evidence presented, whether or not admitted into evidence; and

(c) meeting minutes and a verbatim record of the hearing.

(2) The verbatim record of the hearing may be kept by any electronic means which is easily retrieved and copied. In counties that use special magistrates, the special magistrate shall accurately and completely preserve the verbatim record during the hearing, and may be assisted by the clerk. In counties that do not use special magistrates, the clerk shall accurately and completely preserve the verbatim record during the hearing. At the conclusion of each hearing, the clerk shall retain the verbatim record as part of the petition file.

(3) The record shall be maintained for four years after the final decision has been rendered by the board if no appeal is filed in circuit court, or for five years if an appeal is filed.
(4) If requested by the taxpayer, the taxpayer’s agent, or the property appraiser, the clerk shall retain these records until the final disposition of any subsequent judicial proceeding related to the same property.

Florida Statutes. The certification shall be on the form prescribed by the department in
this rule. A sufficient number of copies of the board’s certification shall be delivered to
the property appraiser who shall attach the same to each copy of each assessment roll
prepared by the property appraiser.

magistrates completed the department’s training;

(d) all petitions considered were either timely filed, or good cause was found for late filing after proper review by the board or its designee;

(e) all board meetings were duly noticed pursuant to Section 286.011, Florida Statutes, and were held in accordance with law;

(f) no ex parte communications were considered unless all parties were notified and allowed to rebut;

(3) The board shall provide a signed original of the certification required under this rule section to the department before publication of the notice of the findings and results of the board required by Section 194.037, Florida Statutes. See Form DR-529, Notice 103
12D-9.038 Public Notice of Findings and Results of Value Adjustment Board.

(1) After all hearings have been completed, the clerk of the value adjustment board shall publish a public notice advising all taxpayers of the findings and results of the board decisions, which shall include changes made by the board to the property appraiser’s initial roll. For petitioned parcels, the property appraiser’s initial roll shall be the property appraiser’s determinations as presented at the commencement of the hearing or as settled by the property appraiser during the hearing but before a decision by the board or a recommended decision by a special magistrate. The public notice shall be in the form of a newspaper advertisement and shall be referred to as the "tax impact notice".
