RE: Florida Department of Revenue Proposed Rule

Dear Ms. Jackson:

At their September 18, 2023, public meeting, the Governor and Cabinet approved the publication of the Notice of Proposed Rule and the Department can file and certify the proposed rule for final adoption if no changes made after the meeting. The proposed rule includes:

12D-16.002 Index to Forms.

The Notice of Proposed Rule for this rule was published in the *Florida Administrative Register* (F.A.R.) on October 3, 2023 (Vol. 49, No. 192, pp. 3720-3721). A hearing was scheduled but not requested.

The Department reviewed the proposed rule listed above and determined that the proposed rule likely will not adversely impact small businesses, small counties, or small cities, and is not likely to have an increased regulatory cost greater than \$200,000 in the aggregate within one year after the implementation of the rule. No Statement of Estimated Regulatory Cost is required for the proposed rule. The rule does not require ratification by the Florida Legislature under section 120.541(3), F.S.

The Department requests that the Committee file its certification with the Bureau of Administrative Code on November 6, 2023. The Department would like to file the proposed rule for final adoption with the Department of State on November 6, 2023, for an effective date of November 26, 2023.

Thank you,

Janet Young
