Ms. Rachel Goldstein, who is a Department attorney, is here on the line. Also here physically in the building are staff from the Property Tax Oversight program in the Department of Revenue, and also DR folks on the line, as well.

IAAO

Valuing the World

Memorandum

DATE:	August 24, 2018
TO:	IAAO STUDENTS
FROM:	EXAM PROCESSING COORDINATOR
RE:	IAAO SPECIAL EXAM RESULTS

Thank you for your recent participation in an IAAO Special Examination (*Re-exam*) session. Enclosed, please find results from the examination you completed.

If you scored **70%** or higher on the final examination, you will find a *Certificate of Completion* along with an appropriate examination report. Applicants who challenged an IAAO examination and received a passing score, without having taken the course will receive a *Certificate of Completion*; however, continuing education hours *cannot* be earned.

Failure of a special examination requires attendance of the appropriate course before an examination may be attempted again. Retake of a special examination is **not** allowed if you have failed the initial special examination.

If you have any questions regarding IAAO examinations, please call (816) 701-8136. If you have any questions regarding IAAO membership call (816) 701-8101.

Remember to check the education calendar on the IAAO Website <http://www.iaao.org> for future educational opportunities, and thank you for your continuing interest in IAAO education!

IAAO Attendance Policy

The Education Subcommittee has responded to the higher standards of the Appraisal Foundation by adopting a new attendance policy for all educational classes offered through IAAO. The new policy went into effect on April 1, 2010. The policy states that students must attend 90% of the class room hours to achieve the full number of educational hours offered for the course. Anything less than 90% attendance will result in zero hours of credit.

Attendance will be verified by the Exam & Records Processor using the Attendance Sheet returned to IAAO by the Instructor. Students are responsible for initialing the sheet for every half day they attend in class. Missing initials will be counted as an absence for that period of time.

Ten percent (10%) of a 30-hour class would be equal to 3 hours, however, if a student misses $\frac{1}{2}$ day of a 30-hour class, this would actually equal 3.75 hours. Because of the difficulty in measuring less than $\frac{1}{2}$ day of class, it has been determined that a student will be allowed to miss up to $\frac{1}{2}$ day and still obtain the maximum offered 30-hour credit. Anything over $\frac{1}{2}$ day absence will result in the loss of the full 30 hours credit. Workshops will not allow any absence to earn the hours available.

The following is a breakdown of what a student can expect to receive from IAAO after attending a 30-hour class offering:

If you scored **70%** or higher on the final examination, you will receive a ***Certificate of Completion*** along with an appropriate examination report. If you attended 90% or more of the classroom hours based on the IAAO Attendance Sheet, your certificate will reflect the full 30 hours of continuing education.

If you scored **70%** or higher on the final examination, you will find a ***Certificate of Completion*** along with an appropriate examination report. If you attended **less than 90%** of the classroom hours based on the IAAO Attendance Sheet, your certificate will reflect zero hours of continuing education.

If you did not pass the exam or did not attempt the exam, and you attended 90% or more of the classroom hours based on the IAAO Attendance Sheet, you will find a ***Certificate of Attendance*** which will reflect the full 30 hours of continuing education. In addition, if the exam was attempted but failed, a Special Examination Application will be enclosed for your consideration.

If you did not pass the exam or did not attempt the exam, and you **attended less than 90%** of the classroom hours based on the IAAO Attendance Sheet, you will receive a letter stating that you did not meet the requirements for an attendance certificate. In addition, if the exam was attempted but failed, a Special Examination Application will be enclosed for your consideration.

You will be notified by mail 3-5 weeks after the program completes. Please refrain from phone calls or emails requesting results information. Professional Development Department policy is not to release scores over the phone or via email.

Subject: RE: IAAO Certificates - course hours

Hi Meghan,

Hope your day is going well...

It appears, from what I see in our records, that we started adding hours as of January 1998 – so, you can use a January 1, 1998 as a start date if you'd like. I'm basing this off of what were referred to as "class reports" and not certs (we don't keep copies on file) – prior to 1998, hours were not reported on this report but started appearing as of January 1998 classes.

Please let me know if you have any additional questions or need any other assistance,

Hi Tiff – I hope you are having a great day!

I was wondering if you could provide me with the date that IAAO began to add class hours to the completion certificates. I know it was in the 1990's – I just don't know when. I just want to be able to provide a statement to go along with any old certificates that we receive – when the certificates are being applied toward the education hours for a designation.

Hi Erin.

Chase Robertson took our IAAO 201 course in October 2020. He has submitted an application for one of our designations. We require certificates with dates on them. His does not have a date. Could you confirm the date that should be on his certificate? I'm assuming that would be the date that he took the exam?

Thanks -Meghan
