Changes in Local Communications Services Tax Rates Effective January 1, 2026

Effective January 1, 2026, some local communications services tax (CST) rates in Florida will change. Total local CST rates include: the local rate imposed under the CST statute, and any discretionary sales surtax that may be imposed under the sales and use tax statute.

The new rates below are effective for all bills issued on or after January 1, 2026, regardless of the date the service is rendered, or the transaction occurs. These rates will stay in effect until further notice by the Florida Department of Revenue (Department).

The following local CST rate changes are due to changes in the county discretionary sales surtax in which the jurisdiction is located. Pursuant to section 202.19(2), Florida Statutes, only rate decreases are allowed until January 1, 2031.
