

Florida Department of Revenue
Tax Information Publication

TIP 98A01-02

DATE ISSUED: Jun 15, 1998

FILE ONLY TWO SALES AND USE TAX RETURNS A YEAR!

You now qualify to pay your sales and use taxes semi-annually because you paid less than \$500 in sales and use tax during four consecutive quarters.

The enclosed sales and use tax return (DR-15SZ) is for you to remit the taxes due for January 1, 1998 through June 30, 1998. This return is due July 1, 1998, and late after July 20, 1998.

If you do not owe any sales and use tax for this period, you qualify to file by telephone (TeleFile). For information about TeleFiling, see the enclosed information (yellow sheet).

A worksheet and instructions to record your tax information for July 1, 1998 through December 31, 1998 is also enclosed for your use. You will receive your tax return and instructions for that period in December.

If your address or the status of your business has changed or changes in the future, please complete the enclosed form (bottom of the yellow sheet) and return it to the Department immediately. Please make certain you write your complete sales tax certificate number on this form. If you have questions or need assistance, please contact your local service center or call Tax Information Services at the numbers listed on the back.

PLEASE NOTE: This change applies only to your filing frequency with the Department of Revenue. It **does not** affect any tax filings you may have for taxes administered by a local government, such as tourist development tax.
