St. Johns County Adds a 0.5% School Capital Outlay Surtax Beginning January 1, 2016

Effective January 1, 2016, the state and local sales and use tax rate for St. Johns County will be 6.5% (0.5% school capital outlay surtax and 6% state sales tax). The St. Johns County Board of County Commissioners adopted Ordinance Number 2015-30, which levies a 0.5% school capital outlay surtax. The 0.5% rate is effective January 1, 2016, and will remain in effect until December 31, 2025. All state sales and use tax and local surtax collected must be remitted and reported to the Department of Revenue.

St. Johns County dealers who file paper tax returns will be mailed 2016 sales and use tax returns in December 2015. The paper sales and use tax returns will have the **new** surtax rate printed on them. A *Common Sales Tax Brackets* table (Form DR-2X) is posted on our website under the "Discretionary Sales Surtax" category along with a listing of all the combined sales tax rates for Florida. The sales tax bracket charts help dealers accurately compute tax due on sales between whole dollar amounts which cannot be calculated on a straight percentage basis.

Dealers are **not** entitled to a collection allowance if they file a paper tax return or pay tax by check or money order. To file and pay state and local sales and use tax electronically, visit www.myflorida.com/dor. Dealers may:

- Use the Department's website to file and pay tax electronically, or
- Purchase a product from a software vendor.
