Santa Rosa County School Capital Outlay Surtax Continues at 0.5% Rate

The combined state and local sales and use tax rate for Santa Rosa County will continue to be 7%. The combined rate is composed of the 6% state sales tax plus the 0.5% school capital outlay surtax and 0.5% local government infrastructure surtax. All state sales and use tax and local surtax collected must be reported and remitted to the Florida Department of Revenue.

When the amount of a sale falls below or in between whole dollar amounts, you must use the bracket system to calculate the combined tax and surtax, which may be more than a straight percentage of the sale. The *Common Sales Tax Brackets* table ([Form DR-2X](#)) provides the bracket amounts to calculate the combined 7% sales tax and surtax rate. Form DR-2X is available on the Department's website on the "Forms and Publications" page, under "Sales and Use Tax."

A Santa Rosa County Resolution approved by voters on March 28, 2017, extends the expiration date of the 0.5% school capital outlay surtax that was scheduled to expire December 31, 2018, to December 31, 2028.
