Date Issued:  
November 15, 2017

### Pinellas County Local Government Infrastructure Surtax Continues at 1% Rate

**The combined state and local sales and use tax rate for Pinellas County will continue to be 7%.** The combined rate is composed of the 6% state sales tax plus the 1% local government infrastructure surtax. All state sales and use tax and local surtax collected must be reported and remitted to the Florida Department of Revenue.

When the amount of a sale falls below or in between whole dollar amounts, you must use the bracket system to calculate the combined tax and surtax, which may be more than a straight percentage of the sale. The *Common Sales Tax Brackets* table ([Form DR-2X](#)) provides the bracket amounts to calculate the combined 7% sales tax and surtax rate. Form DR-2X is available on the Department's website on the "Forms and Publications" page, under "Sales and Use Tax."

A Pinellas County Ordinance approved by voters on November 7, 2017, extends the expiration date of the 1% small county surtax that was scheduled to expire December 31, 2019, to December 31, 2029.
