Martin County Adds One Percent
Local Government Infrastructure Sales Surtax
Beginning January 1, 1999

Effective January 1, 1999, sales tax dealers in Martin County
must begin collecting a one percent local government
infrastructure sales surtax. This increase is the result of
voter approval of Ordinance No. 528. The combined tax rate for
Martin County will be 7.0 percent. This consists of:

6.0% - State sales tax
1.0% - Local government infrastructure sales surtax

This discretionary sales surtax will be administered by the
Department of Revenue. All monies collected for this surtax
should be remitted and reported to the Department along with the
state sales tax on the appropriate sales and use tax return.
Note: discretionary sales surtaxes should be reported on the
back of the sales and use tax return.

The 1999 Monthly Sales and Use Tax Returns booklets will be
mailed in late December. If you have another filing schedule,
you should receive your return at the usual time.
