### Osceola County Adds a 0.5% School Capital Outlay Surtax Beginning January 1, 2017

**Effective January 1, 2017, the combined state and local sales and use tax rate for Osceola County will be 7.5%\***. The combined rate is composed of the 6% state sales tax plus the 1% local government infrastructure surtax and 0.5% school capital outlay surtax.

Dealers should begin collecting the new combined 7.5% rate on January 1, 2017. All state sales and use tax and local surtax collected must be reported and remitted to the Department of Revenue.

A *Common Sales Tax Brackets* table (Form DR-2X), along with a listing of all the combined sales tax rates for Florida, is available on our website under the "Discretionary Sales Surtax" category. The sales tax bracket charts help dealers accurately compute tax due on sales between whole dollar amounts, which cannot be calculated on a straight percentage basis.

The Osceola County School Board adopted the 0.5% school capital outlay surtax through Resolution Number 17-020. The surtax rate is effective January 1, 2017, and will remain in effect until December 31, 2036.

\*The combined rate will be 7.5% for most sales tax transactions. Other combined rates may apply to certain sales, such as electricity and amusement machines. The combined rate does not include local option surtax for transient rentals.
